

## SECTION 999.5(d)(1)

### DESCRIPTION OF TRANSACTION

#### (d)(1)(A)

**(A) The following is a full description of the proposed transaction:**

#### ***Sale of Fair Oaks, Greenhaven and Manzanita***

The proposed transaction involves the sale of three skilled nursing facilities (SNFs) located in the Sacramento area. The three properties are stand-alone skilled nursing facilities and are not part of a continuing care retirement community ("CCRC"). The three skilled nursing facilities included in the transaction are Eskaton Care Center Fair Oaks ("Fair Oaks"), Eskaton Care Center Greenhaven ("Greenhaven") and Eskaton Care Center Manzanita ("Manzanita"). Fair Oaks includes 149 licensed beds, while Greenhaven includes 148 licensed beds, and Manzanita has 99 licensed beds. The facilities have an average CMS Star rating of 4.7. The three SNF properties have been declining in occupancy since the COVID-19 pandemic. Fair Oaks, Greenhaven, and Manzanita maintained a 90 percent occupancy rate from 2017-2019. However, for the twelve month period ending on September 30, 2022, consolidated occupancy for the three facilities was at 70 percent. Eskaton wishes to divest these three stand-alone SNFs in order to focus on expanding and growing its existing retirement housing communities, home health services, and CCRC facilities.

#### ***Seller: Eskaton Properties, Inc.***

The current owner of the three skilled nursing facilities is Eskaton Properties, Inc. ("Eskaton"), a California non-profit public benefit corporation formed in 1968. Eskaton's primary mission is to enhance the quality of life for seniors by providing innovative health, housing, and social services. Eskaton also operates nonmedical homecare, adult day services, and various community service programs. Eskaton operates four SNFs in the Sacramento area, including one that is part of a continuing care retirement community. It would like to divest its three stand-alone SNFs in order to focus on providing these services.

#### ***The Purchaser: International Equity Partners***

The proposed purchaser is International Equity Partners ("IEP"), a Los Angeles based investment company that operates facilities throughout California, operating and controlling approximately 100 health care facilities comprised of over 9,000 licensed beds. On February 9, 2023, IEP sent a Letter of Intent regarding their offer to purchase the above three SNFs. An Asset Purchase Agreement ("APA") was entered into between the parties on March 23, 2023. The purchase price is \$35,640,000.

IEP has also formed three separate LLCs to take title to and operate Fair Oaks, Greenhaven, and Manzanita, respectively. E3 Acquisition, LLC, the parent company of the three LLCs, is 100 percent owned by Abraham Bak and Menachem Gastwirth, the principals of IEP. This parent company wholly owns the three separate LLCs which will take title to the property: 11300 Fair

Oaks Boulevard, LLC, 455 Florin Road, LLC, and 5318 Manzanita Avenue, LLC. As may be apparent from the company names, 11300 Fair Oaks Boulevard LLC will take title to Fair Oaks, 455 Florin Road, LLC will take title to Greenhaven, and 5318 Manzanita Avenue, LLC will take title to Manzanita. (See the attached organizational chart detailing this ownership structure.) In addition, IEP has created three new operators, identified below and in the APA, which will lease and operate the three properties from Eskaton between the Operations Transfer Date and the Transition Date, as both terms are defined under the APA. Essentially the new operators will operate each facility between the closing date and the date upon which CDPH issues a new skilled nursing facility license to each facility. Mackenzie LLC will lease and operate Fair Oaks, Bawitdaba LLC will lease and operate Greenhaven, and Baleen LLC will lease and operate Manzanita. Please note that each of the operating agreements between Eskaton and the new operators is included in Section 999.5(d)(1)(B) below.

### ***The Manager: Cypress Healthcare Group***

IEP plans to operate Fair Oaks, Greenhaven and Manzanita through Cypress Healthcare Group (“Cypress”). Cypress is a skilled nursing facility management company that was formed in 2019 and focuses exclusively on operating and managing SNFs in the Sacramento area. Cypress’ principal operators have over 25 years of industry experience operating SNFs and all of its owners reside in the Sacramento area. Cypress currently operates nine SNFs in the area and each of the owners is involved in the day-to-day operating functions of the facilities they manage.

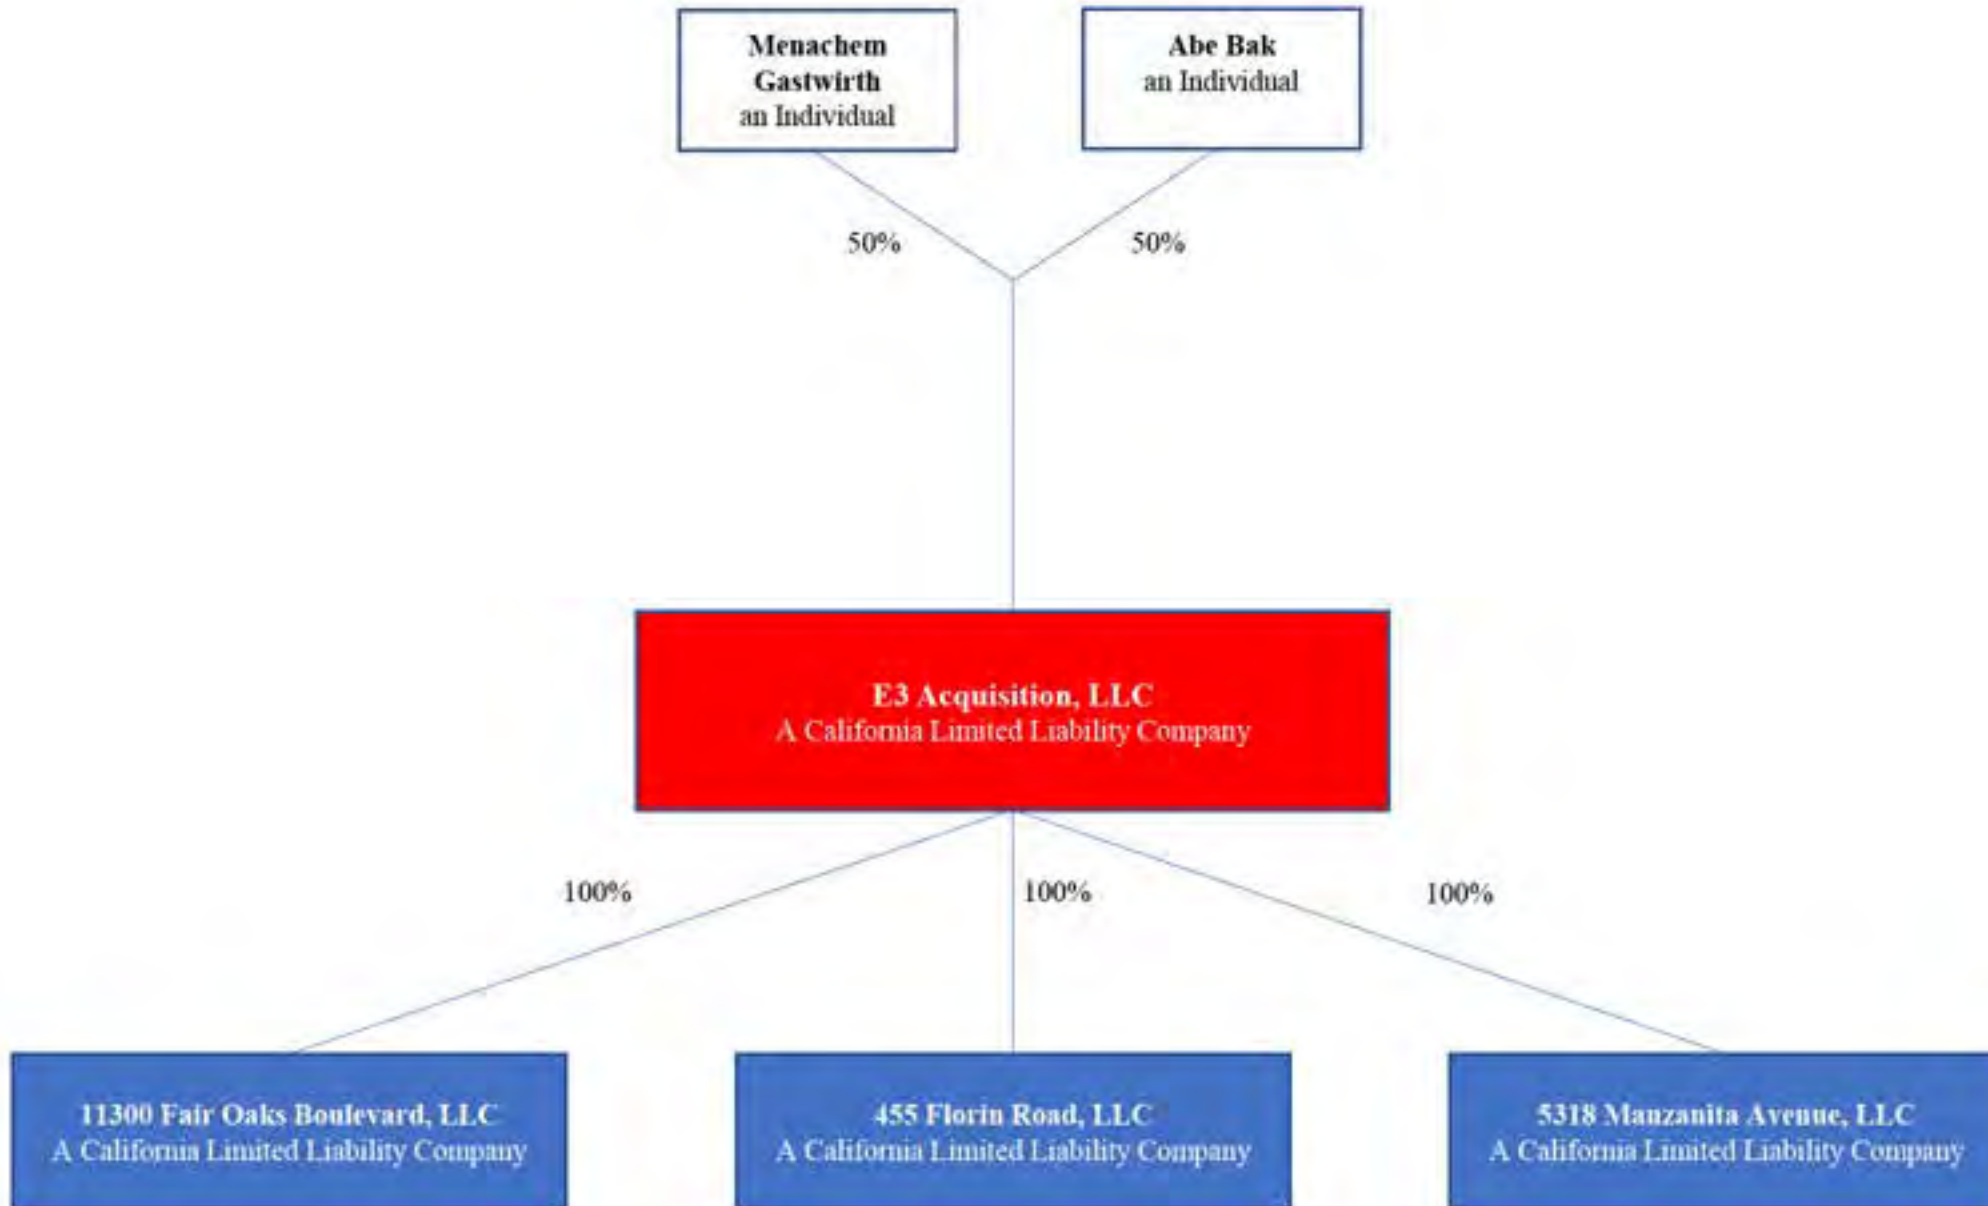

### ***Proposed Transaction***

As discussed more fully elsewhere in the application, Eskaton elected to sell its three stand-alone nursing facilities in order to focus on its existing continuing care retirement community and home services offerings. After soliciting offers from interested parties in the fall of 2022, Eskaton received offers from eight interested parties, including IEP. Although Eskaton received two offers that were higher than IEP’s, those operators did not have experience operating SNFs in California and were less familiar with the Sacramento area. For an overview of the eight offers received, please see the LOI Matrix attached to this section. On February 9, 2023, Eskaton and IEP entered into an exclusive letter of intent (“LOI”) with an agreed upon purchase price of \$35,640,000.

The parties entered into an Asset Purchase Agreement (“APA”) outlining this transaction on March 24, 2023. In an effort to streamline this transaction, IEP has already filed the necessary change of ownership applications with the California Department of Public Health and the State’s Medicare contractor. Both of these change of ownership applications were filed on February 17, 2023 with the respective licensing agencies. IEP and Cypress have agreed to hire substantially all of Eskaton’s current employees and Eskaton and IEP plan to announce the sale to the skilled nursing facility residents and employees in the near future. The transaction is scheduled to close the first day of the month following the receipt of all requisite approvals and closing conditions, including but not limited to, approval by the Attorney General’s Office.

The parties need to close the transaction before July 1, 2023 to avoid a change in licensing laws which will make the transition to any buyer significantly more difficult than under the current law.

For the avoidance of doubt, Additional Stimulus/Relief Funds shall exclude PPP, AAP (as each such term is defined below), and any Additional Stimulus/Relief Funds received directly by New Operator.

SECTION 1.04. Consents of Third Parties.

(a) Notwithstanding anything in this Agreement to the contrary, this Agreement shall not constitute an agreement to assign any asset or any claim or right or any benefit arising under or resulting from such asset if an attempted assignment thereof, without the consent of a third party, would constitute a breach or other contravention of the rights of such third party, would be ineffective with respect to any party to an agreement concerning such asset, or would in any way adversely affect the rights of Seller or, upon transfer, Purchasers or New Operator (or any of their respective subsidiaries or assigns) in connection with such asset. If any transfer or assignment by Seller to, or any assumption by any Purchaser or the New Operator (or any of their respective subsidiaries or assigns) of, any interest in, or liability, obligation or commitment in connection with, any asset requires the consent of a third party, then such assignment or assumption shall be conditioned upon consent being obtained.

(b) If any such consent is not obtained prior to the Closing, Seller and the applicable Purchaser or New Operator shall cooperate (at their own expense) in any lawful and reasonable arrangement reasonably proposed by such Purchaser or New Operator under which such Purchaser or New Operator (or its subsidiaries or affiliates or assigns) shall obtain the economic claims, rights and benefits in connection with the asset, claim or right with respect to which the consent has not been obtained in accordance with this Agreement. Such reasonable arrangement may include (i) the subcontracting, sublicensing or subleasing to such Purchaser or New Operator (or its subsidiaries or affiliates or assigns) of any and all rights of Seller against the other party to such third-party agreement arising out of a breach or cancellation thereof by the other party, and (ii) the enforcement by Seller of such rights. To the extent, and only to the extent, the applicable Purchaser or New Operator (or its subsidiaries or affiliates or assigns) receives the economic claims, rights and benefits under such asset, such Purchaser or New Operator shall be responsible for the Assumed Liabilities, if any, arising under such asset.

(c) Seller shall pay on or before the Closing all transfer costs and expenses charged or incurred by third parties whose consents are required for Seller to transfer any Acquired Assets or Assigned Contracts to Purchaser, including, but not limited to the transfer charges set forth on Schedule 1.04(c) attached hereto (collectively, the “Transfer Costs”).

SECTION 1.05. Joinder of New Operator. Seller acknowledges that Purchasers, as of the Effective Date of this Agreement, have selected Cyprus Health Care (“Cypress”) to take over the operations of the Facilities from Seller on the Closing Date through one or more subsidiaries or affiliates of Cypress (each, a “New Operator”, and collectively, the “New Operators”). Purchaser shall cause New Operator to execute and deliver to Seller, a Joinder Agreement in the form attached hereto as Exhibit I.

## ARTICLE II THE CLOSING

SECTION 2.01. Closing Date. The closing of the Acquisition of the Acquired Assets with respect to any of the Facilities (each, a “Closing” and the date on which a Closing occurs shall be referred to as the “Closing Date”) shall take place on the last day of the month that is at least fifteen (15) days after the date that Seller has received the written approval of the Attorney General of the State of California (the “Attorney General”) to the closing of the transactions contemplated under this Agreement (the “Attorney General Approval”), but only following the satisfaction (or, to the extent permitted, the waiver) of the conditions set forth in Section 6.01, or, if on such day any condition set forth in Section 6.02 or 6.03 has not been satisfied (or, to the extent permitted, waived by the party entitled to the benefit thereof), as soon as practicable after all the conditions set forth in Article VI have been satisfied (or, to the extent permitted, waived by the parties entitled to the benefits thereof), or at such other place, time and date as shall be agreed to in writing between Seller and Purchasers, but in no case later than September 30, 2023 (the “Outside Closing Date”); provided, however, if the Closing has not occurred as of the Outside Closing Date because the receipt of the Attorney General Approval is still pending as of such date, then the Outside Closing Date shall continue to be extended for additional periods of thirty (30) days each, as necessary, so long as Seller, Purchaser and New Operators are diligently pursuing obtaining the Attorney General Approval and the Attorney General Approval has not been denied by the Attorney General.

### SECTION 2.02. Earnest Money.

(a) Purchasers has deposited the Initial Deposit with Escrow Agent. The Initial Deposit and the Additional Deposit, less the Independent Consideration, together with accrued interests thereon, are collectively referred to herein as, the “Deposit”. Upon the Closing, the Deposit shall be released by Escrow Agent to Seller and applied towards the Purchase Price. As used herein, “Escrow Agent” shall mean Paul Avila of Fidelity National Title Insurance Company (“Escrow Agent”), 8525 Madison Avenue, Suite 110, Fair Oaks, CA 95628, telephone 916-646-6057, pavila@fnf.com.

(b) If this Agreement does not terminate on or before the Real Estate Due Diligence Period pursuant to Section 2.04 below, then the Deposit shall become non-refundable, except as otherwise expressly provided in this Agreement. The Deposit, and all components thereof as and when deposited with Escrow Agent, shall be held in an interest-bearing account and all interest thereon shall accrue to the benefit of Purchaser. If Purchasers terminate this Agreement on or before the Operations Due Diligence Period Expiration Date or the Real Estate Due Diligence Period Expiration Date, then the Deposit (less the Independent Consideration) shall be returned to Purchasers, and neither Seller, nor Purchasers shall have any further rights or obligations hereunder, except as otherwise expressly provided herein.

(c) In the event this Agreement is terminated as a result of (i) the failure to satisfy any condition contained in Sections 6.01, 6.02 or 6.03; or (iii) the termination of this Agreement in accordance with Section 2.09 (Risk of Loss), Section 2.05(b) or (c) (Title and Environmental Review), or Section 2.04 (Due Diligence), then the Escrow Agent shall pay the Deposit (less the Independent Consideration), to the Purchaser, and neither Seller nor Purchasers shall have any further rights or obligations hereunder, except as otherwise expressly provided herein.

(d) Notwithstanding anything to the contrary, if the Closing fails to occur due to the Attorney General Approval being denied either due to a rejection of the Purchasers and/or the New Operator by the Attorney General and/or the Attorney General imposing such conditions on its approval that are unacceptable to Purchasers (in its reasonable determination), then upon termination of this Agreement by Purchasers, a portion of the Deposit in the amount of \$250,000.00 shall be released to Seller and the balance of the Deposit (plus all accrued interest thereon) shall be returned to Purchasers.

(e) Seller shall not be in default of this Agreement, unless Seller shall fail to cure any breach of the terms of this Agreement following ten (10) days' written notice thereof from Purchasers and the New Operator. In the event of a breach or default under this Agreement by Seller prior to Closing, the Purchaser's sole and exclusive remedies solely shall be to either (i) terminate this Agreement in accordance with the terms and provisions of Section 7.01, in which case, the Deposit, plus all accrued interest thereon, shall be returned to Purchaser, and Purchaser may recover from Seller damages for Purchaser's actual out-of-pocket transaction costs and expenses incurred by Purchaser in connection with this Agreement and its due diligence of the Acquired Assets (including, without limitation, its attorneys' fees) in an amount not to exceed \$100,000 or (ii) Purchaser shall have the right to bring an action for specific performance of this Agreement within ninety (90) days after the breach; provided, however, if the nature of the breach or default by Seller causes specific performance to not be available to Purchaser, then Purchaser shall have all rights and remedies under law and equity in connection with such breach or default by Seller and the limitations of remedies and liability of Seller under this Section 2.02(e) shall be of no further force and effect.

(f) Purchaser shall not be in default of this Agreement, unless Purchaser shall fail to cure any breach of the terms of this Agreement following ten (10) days' written notice thereof from Seller. Notwithstanding anything to the contrary herein, in the event of a default by any Purchaser in performing any obligation on any Purchaser's part to be performed under this Agreement prior to Closing, including, without limitation, to pay the cash portion of the Purchase Price due at such Closing, or in any other provision hereof which would entitle Seller to cancel this Agreement, Seller's sole and exclusive remedy shall be to terminate this Agreement, in which case, Seller shall be entitled to retain the Deposit as damages and not as a penalty, and upon such retention this Agreement shall be deemed null and void and neither party hereto shall have any obligations to or rights against the other hereunder, except for any Agreements or provisions hereof which are specifically provided herein to survive any cancellation or termination of this Agreement. **SELLER AND PURCHASERS AGREE THAT IT WOULD BE IMPRACTICAL AND EXTREMELY DIFFICULT TO ESTIMATE THE DAMAGES WHICH SELLER MAY SUFFER UPON SUCH A PURCHASER DEFAULT AND THAT THE DEPOSIT REPRESENTS A REASONABLE ESTIMATE OF THE TOTAL NET DETRIMENT THAT SELLER WOULD SUFFER**

UPON SUCH A PURCHASER DEFAULT, SUCH LIQUIDATED DAMAGES ARE NOT INTENDED AS A FORFEITURE OR A PENALTY WITHIN THE MEANING OF APPLICABLE LAWS AND REGULATIONS. THE LIQUIDATED DAMAGE PROVISIONS SHALL NOT BE APPLICABLE TO (i) ANY INDEMNIFICATION OBLIGATION PURCHASERS MAY HAVE UNDER THIS AGREEMENT AND (ii) TO THE AWARD OF ATTORNEY'S FEES PURSUANT TO SECTION 9.03.

SECTION 2.03. Documents and Information. Seller warrants and represents to the Purchasers and to New Operators that to Seller's knowledge, Seller has provided true, correct, and complete copies of all of the information, materials and documents described on Schedule 2.03 which are in Seller's possession or control (collectively, the "Documents and Information"), on or before the execution and delivery of this Agreement. Seller does not warrant or represent as to the accuracy or completeness of the information, materials and documents, or as to the possible existence of any additional information, materials or documents which may be material to Purchasers' decision to purchase the Acquired Assets, except as to any information materials and documents prepared by Seller. Seller shall promptly deliver to Purchaser any other documents and information reasonably requested by Purchaser between the Effective Date and the Closing Date. Seller shall go through all of the managed care payor contracts (collectively, the "Managed Care Contracts") within ten (10) days of the Effective Date to determine if there are any confidentiality restrictions in any of the Managed Care Contracts prohibiting Seller from sharing copies of same with Purchaser and New Operator (collectively, the "Confidentiality Restricted Managed Care Contracts"). Notwithstanding anything to the contrary, Seller shall not provide Purchaser and New Operator with copies of any Confidentiality Restricted Managed Care Contracts unless and until Seller obtains the consent of the party under such contract to provide a copy of such contract to Purchaser and New Operator.

SECTION 2.04. Purchaser Due Diligence Period. Seller and Purchasers hereby acknowledge that Purchasers may terminate this Agreement, for any reason or no reason at all, at any time prior to 5:00 p.m. Pacific time on the date that is seven (7) business days after Purchasers' receipt of all of the Required Operations Due Diligence Materials (as defined below) (the "Operations Due Diligence Period Expiration Date"), by providing written notice of termination to Seller and Escrow Agent prior to the Operations Due Diligence Period Expiration Date. Seller and Purchasers hereby acknowledge that Purchasers may terminate this Agreement, for any reason or no reason at all, at any time prior to 5:00 p.m. Pacific time on the date that is thirty (30) days after the Effective Date (the "Real Estate Due Diligence Period Expiration Date"), by providing written notice of termination to Seller and Escrow Agent prior to the Real Estate Due Diligence Period Expiration Date; provided, however, Purchasers may not terminate this Agreement after the Operations Due Diligence Period Expiration Date and prior to the Real Estate Due Diligence Period Expiration due to any matters disclosed in the Required Operations Due Diligence Materials. If Purchaser terminates this Agreement in accordance with this Section 2.04, then this Agreement shall automatically terminate, the Deposit plus all accrued interest thereon shall be returned to Purchaser, and the parties shall thereafter be released from all further obligations under this Agreement, except those specifically provided herein to survive the

termination of this Agreement. As used herein, “Required Operations Due Diligence Materials” means all of the items and materials identified in Schedule 2.04 attached hereto.

SECTION 2.05. Title, Environmental Review and Physical Review.

(a) Within seven (7) days after the Effective Date, Seller shall provide to Purchaser a copy of all currently effective title insurance policies and commitments and plats and land surveys (“ALTA Surveys”) in its possession that relate to the Facilities and each of the real property on which each Facility is located (collectively, the “Real Property”). Any new ALTA Survey or any existing ALTA Surveys updates (each, a “New Survey”) required by any Purchaser or any Purchaser’s lender shall be at such Purchaser’s sole cost and expense.

(b) Purchaser will use its commercially reasonable efforts to obtain as soon as practical, a preliminary report on title for each Facility, issued by Fidelity National Title Insurance Company (“Title Company”), which shall contain a commitment (each, a “Title Report”) of the Title Company to issue to the applicable Purchaser an owner’s policy of title insurance (each, a “Title Policy”) insuring the fee simple interest of such Purchaser in the applicable Facility. Each Title Report shall be delivered with legible copies of all recorded exceptions to title referred to therein to the extent reasonably available (the “Exception Documents”). Each Title Policy shall be in an amount equal to the amount of the Purchase Price allocated to such Facility. Seller will use their commercially reasonable efforts to cause all standard exceptions to be deleted from the policies at the Closing, including without limitation, executing Seller’s affidavits, gap indemnities and the like. The Purchasers shall have from the Effective Date until 5:00 p.m. Pacific Time on the Real Estate Due Diligence Period Expiration Date (the “Title Review Period”) to approve or disapprove in writing each Title Report, the ALTA Surveys and any New Survey with respect to the Facilities, with any such notice of disapproval specifying the Exception Documents or other matters to which the Purchasers object. The failure of any Purchaser to disapprove any lien or other matter reflected in any Title Report within the Title Review Period shall be deemed approved by the applicable Purchaser(s). Notwithstanding the foregoing, no Purchaser shall have the right to disapprove any of the following, all of which shall be deemed to be Permitted Liens hereunder: (A) matters created or consented to by any Purchaser, and (B) the Assumed Liabilities. All monetary liens on each of the Real Property and each Facility (other than for taxes and assessments not yet due and payable) shall be removed by the applicable Seller, at its sole cost and expense, prior to the Closing. If any Purchaser disapproves any lien or other matter reflected in any Title Report prior to the expiration of the Title Review Period, Seller shall have five (5) Business Days from the date of such disapproval in which to advise such Purchaser whether or not Seller is prepared to cure the same prior to the Closing, which decision shall be made by Seller in its sole and absolute discretion (which cure may be effected by payment and discharge of the objectionable item or by causing the Title Company to remove the same as an exception or affirmatively insure over such item) and in the event Seller shall fail or refuse to do so within said five (5) Business Day period, such Purchaser shall have five (5) Business Days thereafter in which to advise Seller in writing of such Purchaser’s election (x) to waive the matters to which Purchaser objected and which Seller is not prepared to cure and to proceed to Closing or (y) to either (i) terminate this Agreement in full, in which event the Deposit (less the Independent Consideration) shall be returned to Purchasers, or (ii) terminate this Agreement with respect to the Real Property housing the Facility to which a Purchaser made an objection that Seller is unable or unwilling to cure, in

which case the Purchase Price shall be reduced by an amount equal to the Allocated Value (as defined below) for the Facility in which this Agreement is being terminated.

If, after the Title Review Period, the Title Company issues any amendment, supplement or modification to a Title Report (each a, "Supplemental Commitment") with respect to any of the Real Property showing a lien or encumbrance against any Real Property that was not listed in any Title Report or any prior Supplemental Commitment (each a "New Title Matter"), then the applicable Purchaser may object to such New Title Matter by delivering written notice to Seller within five (5) days after such Purchaser's receipt of such Supplemental Commitment. If such Purchaser fails to so notify Seller in writing, then the New Title Matter shall be deemed a Permitted Lien. Seller shall have until five (5) days from receipt of such Purchaser's notice to notify Purchaser whether Seller will, in Seller's sole discretion (except for any voluntary monetary liens securing financings created by Seller, which Seller covenants to cause to be removed at the Closing), attempt to cause the New Title Matter to be removed at or before the Closing. If Seller fails to so notify the applicable Purchaser, Seller shall be deemed to have declined to remove the New Title Matter. If Seller declines or is deemed to have declined to remove a New Title Matter, then such Purchaser shall have five (5) days following the date that Seller declines, or is deemed to have declined, to remove the New Title Matter ("Termination Deadline") in which to advise in writing of Purchaser's election (x) to waive the matters to which Purchaser objected and which Seller is not prepared to cure and to proceed to Closing or (y) to either (i) terminate this Agreement in full, in which event the Deposit (less the Independent Consideration), shall be returned to Purchasers, or (ii) terminate this Agreement with respect to the Real Property housing the applicable Facility, in which case the Purchase Price shall be reduced by an amount equal to the Allocated Value for the Facility in which this Agreement is being terminated. If such Purchaser does not terminate this Agreement (in full or in part) pursuant to the preceding sentence on or before the Termination Deadline, then the New Title Matter shall be deemed a Permitted Lien. The Closing Date shall be extended up to fifteen (15) days, if necessary, to accommodate the foregoing time periods.

As used herein, "Allocated Value" with respect to any Facility means the total amount of the Purchase Price allocated to such Facility under Section 5.19 of this Agreement.

(c) Seller shall, upon request and reasonable advance notice from any Purchaser, permit any Purchaser and its agents to conduct Phase I environmental assessments for any of the Facilities (the "Phase I"), and Seller shall make available for review and copy any previously prepared Phase I's or other environmental assessments in their possession conducted for any of the Facilities or any of the Real Property. No Purchaser shall take any core samples, install any monitoring wells, or undertake any other invasive tests or studies, or communicate with any government officials or agencies regarding Hazardous Substances without Seller's prior written consent (which may be withheld or conditioned by Seller in its reasonable discretion). Purchasers shall have until the Real Estate Due Diligence Period Expiration Date to approve or disapprove any Phase I in writing delivered to Seller. If any Phase I recommends that a Phase II be ordered, then such Phase II shall be obtained before such Purchaser is required to give the Environmental Notice (as defined below). Should any Purchaser disapprove any Phase I and/or related Phase II, such Purchaser shall notify Seller in writing of such disapproval at or prior to the Real Estate Due Diligence Period Expiration Date (the "Environmental Notice"). The failure of any Purchaser to deliver an Environmental Notice to Seller on or prior to the Real Estate Due

Diligence Period Expiration Date shall be deemed approval by such Purchaser of the Phase I and Phase II (if applicable). If any Purchaser delivers an Environmental Notice to Seller before the Real Estate Due Diligence Period Expiration Date, then Purchasers shall have the right to terminate this Agreement in full, in which event the Deposit (less the Independent Consideration) shall be returned to Purchasers, and neither Seller nor Purchasers shall have any further rights or obligations hereunder, except as otherwise expressly provided herein.

(d) From the Effective Date until 5:00 p.m. Pacific time on the Real Estate Due Diligence Period Expiration Date, Seller shall, upon request and reasonable advance notice from Purchasers, permit Purchasers and its authorized agents, employees, consultants, and representatives ("Purchasers' Agents") to conduct physical inspections of the Facilities, their component systems, and the furniture, fixtures and equipment located at the Facilities. Purchasers shall not conduct any invasive tests for studies at the Facilities in connection with their aforesaid inspections without Seller's prior written consent (which may be withheld or conditioned by Seller in its reasonable discretion).

(e) Conditions to Entry. Purchasers' and Purchasers' Agents' right of entry upon the Facilities shall be subject to, and Purchasers agree to perform, each of the following conditions:

(i) Purchasers shall pay all costs, expenses, liabilities and charges incurred by Purchasers and Purchasers' Agents related to said entry.

(ii) Purchasers, at Purchasers' sole cost, shall repair any and all damage or injury caused by Purchasers or Purchasers' Agents in connection with any such inspection or entry (if any) and shall return the Facilities to the condition existing prior to such entry.

(iii) Any entry upon the Facilities shall be upon a minimum of forty-eight (48) hours' written notice to Seller, and Seller shall have the right to accompany Purchasers and Purchasers' Agents on any such entry upon the Facilities.

(iv) Purchasers shall keep the Facilities free and clear of all liens arising out of Purchasers' and Purchasers' Agents' activities conducted upon the Facilities.

(v) Purchasers shall indemnify, defend and hold Seller and its agents, employees, consultants and representatives ("Seller's Agents") and the Facilities free and harmless of and from all costs, expenses, damages, claims, liabilities, reasonable attorneys' fees and costs or charges arising out of, or in any way connected with, the entry upon the Facilities by Purchasers and Purchasers' Agents; provided, however, that the foregoing indemnity and hold harmless obligation shall not extend to, and in no event shall Purchasers be liable to Seller and Seller's Agents for, any (a) diminution in the market value of any of the Facilities and/or the Acquired Assets resulting from the information disclosed by any such investigation or tests, (b) the sole and active negligence or willful misconduct of Seller or any of the Seller's Agents, or (c) pre-existing condition(s) on or about any Facility (except and to the extent such pre-existing condition(s) is/are exacerbated by Purchaser's entry onto and investigation of any Facility).

(vi) Purchasers shall provide to Seller a certificate of liability insurance, with a combined single limit of liability not less than TWO MILLION DOLLARS (\$2,000,000.00), and

with an endorsement reasonably acceptable to Seller attached to such certificate. Seller shall be named as additional insured upon such insurance. Purchasers shall provide the certificate of such insurance with the additional insured endorsement prior to, and as a condition of, any such entry. The certificate of insurance: (i) shall require a minimum of thirty (30) days' written notice prior to the cancellation, lapse or modification of the insurance policy; (ii) shall not include provisions which only require the insurer to "endeavor to" provide such notice to Seller; and (iii) shall not include provisions which purport to exculpate the insurer for its failure to provide such notice.

(vii) Prior to performing any environmental tests or studies on the Facilities beyond the scope of work generally performed in a Phase I study, Purchasers shall notify Seller in writing of the scope of work intended to be performed and shall provide Seller an opportunity to confer, either directly or through Seller's consultants, with Purchasers' environmental consultants in order to determine whether to permit any sampling or testing of surface or subsurface soils, surface water or ground water (and with respect thereto Seller shall have complete and absolute discretion to grant or withhold its consent) or to refine the scope of the work to be performed. All information derived from Purchasers' tests and test results shall, to the extent permissible under existing law, remain confidential and not to be disclosed to any party other than as is necessary in connection with the consummation of the transactions contemplated hereby or as is necessary to comply with any obligations Purchasers may have under applicable law. Seller shall be entitled to receive copies of all tests, test results, studies and reports together with the right as a party of interest, to be able to access the consultant's file information and work product in the event of future need subsequent to the Closing. Purchasers shall obtain all consultants' consent to the foregoing as a part of any retention agreement. Such Seller's rights shall survive the Closing and recording of the grant deed from Seller to Purchasers.

(f) No Other Warranties/"As Is" Purchase. Purchasers represent and warrant to Seller that: (i) Purchasers are experienced and sophisticated purchasers of properties such as the Facilities; (ii) Purchasers have (or prior to Closing, will have) inspected and examined all aspects of the Facilities and its current condition which Purchasers believes are relevant to Purchasers' decision to purchase the Facilities; (iii) Purchasers, as of the date of this Agreement, have (or prior to Closing, will have) satisfied itself as to all matters relating to the Facilities; (iv) Seller has (or prior to the Real Estate Due Diligence Period Expiration Date, will have) made available to Purchasers and Purchasers' representatives for their review and inspection all plans, drawings, reports and other documents with respect to the Facilities which Purchasers have requested; (v) except as contained in this Agreement, Seller is not making, has not made and expressly disclaims any representation or warranty, express or implied, that such documents delivered by Seller or made available for Purchasers' review and inspection constitute all of the documents and information in Seller's files relating to the Facilities; (vi) Seller is not making, has not made and expressly disclaims any representation, warranty, or other assurance whatsoever with respect to the Facilities or any condition or feature thereof, except as contained in this Agreement, including without limitation, any representation, warranty or assurance regarding the validity or accuracy of any documents delivered by Seller to Purchasers or made available for Purchasers' review and inspection, other than documents prepared by Seller; (vii) Purchasers shall verify the accuracy and reliability of such documents with the third parties who prepared the same; (viii) Purchasers are (or prior to the Closing, will be) fully acquainted with the nature and condition, in all respects, of the Facilities, including the existence or availability

of all permits and approvals from governmental authorities and the soil and geology thereof, except as specifically represented and warranted by Seller in this Agreement, in purchasing the Facilities pursuant to this Agreement, Purchasers are relying solely on their own investigation and inspection of the Facilities, and that the Facilities will be conveyed to and accepted by Purchasers at Closing in its "AS IS, WITH ALL FAULTS BASIS" condition. Purchasers acknowledge and agree that, except as expressly set forth herein below: Seller has not made any representation or warranty, express or implied, written or oral, concerning the Facilities or any use to which the Facilities may or may not be put, except as contained in this Agreement; in purchasing the Facilities, Purchasers are not relying upon any representation made by any agent of Seller; and no agent had, or has, authority to make any representation concerning the Facilities or any matter or condition relating thereto. Except as otherwise expressly set forth in this Agreement, Purchasers agree that from and after Closing, Purchasers shall conclusively be deemed to have accepted the Facilities in its then existing "AS IS, WITH ALL FAULTS BASIS" condition, without representation and warranty of any kind except as expressly set forth herein, and with all faults and problems of any kind or nature whatsoever that may then exist, whether the same are of a legal nature, a physical nature or otherwise, including, without limitation, the presence of any hazardous substances that may be located on, under or around the Facilities, and any faults and/or problems that could have been discovered by Purchasers prior to entering into this Agreement, whether or not the same had actually been discovered at that time, it being expressly agreed that Purchasers assume all responsibility for such faults and conditions.

As of the Closing, Purchasers hereby expressly waive and forever release any and all rights, claims and actions that Purchasers may now have or hereafter acquire against Seller arising from or related to the Facilities (collectively, the "Released Claims"); provided, however, that such waiver and release shall not apply to any claims of Purchasers and/or New Operators for any claims for breaches of any express representations, warranties, covenants and other obligations of Seller under this Agreement and/or any of the Ancillary Agreements (including, without limitation, the MOTAs (as defined below), including, without limitation, any claims for Losses of any Purchaser Indemnified Parties (as each such term is defined below) under Article VIII of this Agreement (collectively, "Surviving Claims"). The Released Claims shall not include any items covered by Seller's express representations and warranties contained in Article III hereof. Under no circumstances shall the Released Claims be deemed or construed to include any Surviving Claims. This release applies to all described rights, claims and actions (specifically excluding any Surviving Claims), whether known or unknown, foreseen or unforeseen, present or future. Purchasers specifically waive application of California Civil Code Section 1542, which provides as follows:

A general release does not extend to claims which the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor or released party.

As of the Closing, Purchasers hereby expressly waive and forever release any and all rights, claims and actions that Purchasers may now have or hereafter acquire against Seller arising from or related to the Facilities (collectively, the "Released Claims"); provided, however, that such waiver and release shall not apply to any claims of Purchasers and/or New Operators for any claims for breaches of any express representations, warranties, covenants and other obligations of Seller under this Agreement and/or any of the Ancillary Agreements (including, without limitation, the MOTAs (as defined below), including, without limitation, any claims for Losses of any Purchaser Indemnified Parties (as each such term is defined below) under Article VIII of this Agreement (collectively, "Surviving Claims"). The Released Claims shall not include any items covered by Seller's express representations and warranties contained in Article III hereof. Under no circumstances shall the Released Claims be deemed or construed to include any Surviving Claims. (b) Seller shall keep confidential, and cause their affiliates and instruct its and their officers, directors, employees, attorneys, agents, brokers and advisors to keep confidential, all information relating to the Purchasers and New Operators, except as required by Applicable Law and except for information that is available to the public on the Closing Date, or thereafter becomes available to the public other than as a result of a breach of this Section 5.04(b). The obligations of Seller under this Section 5.04(b) shall survive the Closing.

#### SECTION 5.05. Reasonable Efforts.

(a) On the terms and subject to the conditions of this Agreement, each party shall use its reasonable efforts to cause the Closing to occur, including taking all reasonable actions necessary to comply promptly with all legal requirements that may be imposed on it or any of its affiliates with respect to the Closing.

(b) Seller shall, and shall cause its respective affiliates to, in each case at their own expense, use their reasonable efforts to obtain, and each New Operator shall cooperate in obtaining, all consents or permissions from third parties necessary or appropriate to permit the transfer of the Acquired Assets to, and the assumption of the Assumed Liabilities by, such New Operator.

All other closing costs shall be paid in accordance with the prevailing custom for the closing of commercial real estate transactions in each of the counties in which a Facility is located. The parties agree that the issuance of title insurance endorsements is not a condition to the Closing. Each party shall pay all fees and expenses it has incurred in connection with obtaining the approval of any third parties necessary or appropriate to obtain the consent to permit the transfer of the Acquired Assets (including legal fees), including obtaining the Attorney General Approval.

SECTION 5.06. Brokers or Finders. SECTION 5.07. QA Fees. Purchasers and/or New Operators may elect to assume the unpaid quality assurance fees owed for any of the Facilities as of the Closing Date (including any estimated amounts not yet billed by the applicable Governmental Entity with respect to periods of operations prior to the Closing Date) (the "Pre-Closing QA Fees"). Purchasers and/or New Operators must elect to assume the Pre-Closing QA Fees, if at all, by providing written notice (which may be by email) to Seller of its election to assume the Pre-Closing QA Fees at least five (5) days before the Closing Date. If Purchasers and/or New Operators elect to assume the Pre-Closing QA Fees pursuant to the preceding sentences, then on the Closing Date, Purchasers shall receive a credit to the Purchase Price in an amount equal to the estimated Pre-Closing QA Fees for each applicable Facility as of such Closing Date, which Pre-Closing QA Fees shall be assumed by the applicable Purchaser and/or applicable New Operator on such Closing Date (the "Assumed QA Fees"). If Purchasers and/or New Operators elect to assume Pre-Closing QA Fees pursuant to this Section 5.07, then Seller, Purchasers and New Operators agree that as soon

as final information regarding the unpaid quality assurance fees for each Facility as of the Closing Date has been obtained from the applicable Governmental Entity, Seller shall as promptly as possible after Closing complete an accounting to determine the actual amount of the unpaid quality assurance fees due with respect to the applicable Facility attributable to periods prior to the Closing Date (the “Actual QA Fees”). If the Actual QA Fees for a Facility exceeds the Assumed QA Fees for such Facility, then Seller shall pay to the applicable Purchaser or applicable New Operator the amount by which the Actual QA Fees exceed the Assumed QA Fees for such Facility (a “QA Fee Deficiency Payment”) within ten (10) days after the determination of the Actual QA Fees for such Facility. If a QA Fee Deficiency Payment is owed to a Purchaser or a New Operator under the preceding sentence and Seller fails to pay it to such Purchaser or New Operator within ten (10) days after the determination of the Actual QA Fees for the applicable Facility, then such Purchaser or New Operator may recover the amount of the QA Fee Deficiency Payment from the Escrow Funds. If a Purchaser recovers the amount of the QA Fee Deficiency Payment from the Escrow Funds pursuant to the preceding sentence, then Seller shall within ten (10) days after such funds are withdrawn from the Escrow Funds deposit with Escrow Agent into the account holding the Escrow Funds an amount equal to the applicable QA Fee Deficiency Payment and such amount shall be added to the Escrow Funds and held by Escrow Agent in accordance with the terms and provisions of this Agreement and the Escrow Indemnity Agreement. If the Actual QA Fees for a Facility are less than the Assumed QA Fees for such Facility, then the applicable Purchaser or New Operator shall pay to Seller the amount by which the Assumed QA Fees exceed the Actual QA Fees for such Facility (the “Excess QA Fee Payment”) within ten (10) days after the determination of the Actual QA Fees for such Facility. The terms and provisions of this Section 5.07 shall survive the Closing; provided, however, if Purchasers and/or New Operators do not elect to assume the Pre-Closing QA Fees at least five (5) days prior to the Closing per the terms of this Section 5.07, then the terms and provisions of this Section 5.07 shall not survive the Closing.

(d) No Transferring Employee or other current or former employee of the Business, including any beneficiary or dependent thereof, or any other person not a party to this Agreement, shall be entitled to assert any claim hereunder. Nothing herein shall (i) be interpreted as constituting the amendment, or otherwise constituting the terms, of any employee benefit plan maintained by any New Operator or otherwise covering any Transferred Employee after the Closing Date or (ii) impairing or otherwise interfering with any New Operator's power to amend or terminate any such plan in accordance with its terms.

SECTION 5.10. Disclosures. Seller shall provide to Purchaser with the completed schedules for all of the schedules referenced in Article III of this Agreement within ten (10) days after the Effective Date. After the delivery of the schedules, Seller shall have the continuing obligation until the Closing to promptly supplement or amend the schedules with respect to any matter hereafter arising or discovered that, if existing or known at the date of this Agreement, would have been required to be set forth or described in the schedules.

After the Closing, upon reasonable written notice, each applicable New Operator and Seller shall furnish or cause to be furnished to each other and their employees, counsel, auditors and representatives access, during normal business hours, to such information and assistance relating to the Business (to the extent within the control of such party) with respect to such Facility(ies) as is reasonably necessary for financial reporting and accounting matters; provided, however, that such New Operator shall have the right (which may be waived at the sole discretion of such New Operator) to designate one or more of its employees in whose absence Seller and its accountant, counsel or financial advisers may not access such information.

(b) After the Closing, upon reasonable written notice, each Purchaser and each New Operator, on the one hand, and Seller, on the other hand, shall furnish or cause to be furnished to each other, as promptly as practicable, such information and assistance (to the extent within the control of such party) relating to the Acquired Assets (including access to books and records) with respect to such Facility(ies) as is reasonably necessary for the filing of all Tax returns, and making of any election related to Taxes, the preparation for any audit by any Taxing Authority, and the prosecution or defense of any Proceeding related to any Tax return, and/or the preparation of Medicare and Medi-Cal cost reports. Seller, each Purchaser, and each New Operator shall cooperate with each other in the conduct of any audit or other Proceeding relating to Taxes involving the Business and/or Medicare and Medi-Cal cost reports. In the event that

Seller shall after the Closing take any position in any Tax return, or reach any settlement or agreement with respect to Taxes in an audit or other Proceeding, which is in any manner inconsistent with any position taken by Seller in any filing, settlement or agreement made by Seller prior to the Closing and such inconsistent position (i) requires the payment by any Purchaser or any New Operator of more Taxes than would have been required to be paid had such position not been taken or such settlement or agreement not been reached, (ii) affects the determination of useful life, basis or method of depreciation, amortization or accounting of any of the Acquired Assets or any of the properties, assets or rights of any Purchaser or the New Operator, or (iii) accelerates the time at which any Tax must be paid by a Purchaser or a New Operator, Seller shall not take such position or enter into such settlement or agreement without the prior written consent of Purchasers and New Operators.

(c) Each party shall reimburse the other for reasonable out-of-pocket costs and expenses, including, without limitation, accountant and attorneys' fees, incurred in assisting the other party pursuant to this Section 5.11. Neither party shall be required by this Section 5.11 to take any action that would unreasonably interfere with the conduct of its business or unreasonably disrupt its normal operations (or, in the case of any Purchaser, any New Operator or the Business). Any information relating to the Business received by Seller pursuant to this Section 5.11 shall be subject to Section 5.04(b).

(d) The obligations under this Section 5.11 shall survive the Closing.

SECTION 5.12. Publicity. No public release or announcement concerning the transactions contemplated hereby shall be issued by any party (including advisors, attorneys, consultants and lenders of such party) without the prior consent of the other parties (which consent shall not be unreasonably withheld), except as such release or announcement may be required by Applicable Law, in which case the party required to make the release or announcement shall allow the other party reasonable time to comment on such release or announcement in advance of such issuance.

SECTION 5.13. Records. Purchasers recognize that certain Records may contain incidental information relating primarily to subsidiaries or divisions of Seller other than the Business and that Seller may retain copies of the relevant portions thereof.

SECTION 5.14. Intentionally Omitted.

consummate the transactions contemplated by this Agreement, including, in the case of Seller, executing and delivering to the applicable Purchaser or where directed by the applicable Purchaser, to the applicable New Operator, such assignments, deeds, bills of sale, consents and other instruments as such Purchaser or its counsel may reasonably request as necessary or desirable for such purpose. The terms and provisions of this Section 5.18 shall survive the Closing.

SECTION 5.19. Purchase Price Allocation. Prior to the Closing Date, Purchasers shall propose to Seller an allocation of the Purchase Price (together with any liabilities assumed, and any other amounts, that are treated as purchase price for federal income Tax purposes) among the Acquired Assets according to the relative fair market values of such assets on the respective Closing Date and in accordance with Section 1060 of the Code. If the parties agree on the allocations, then the amount of such allocations for each Facility shall be set forth on Schedule 5.19 which shall be attached to this Agreement or an amendment thereto. Notwithstanding the foregoing, if the parties are unable to agree upon the foregoing allocation prior to the Closing, each of the Purchasers, on the one hand, and the Seller, on the other hand, shall adopt their own allocation and complete and execute a Form 8594 in accordance with such allocation. Seller and each Purchaser each hereby covenant and agree that none of them will take a position on any income tax return (or, unless required by law, before any Governmental Entity charged with the collection of any income tax or in any judicial tax proceeding) that is inconsistent with the terms of this Section 5.19. The terms and provisions of this Section 5.19 shall survive the Closing.

SECTION 5.20. Survey Reports, Etc. Seller shall promptly provide to Purchasers between the date of this Agreement and the Closing Date all Survey Reports filed, arising, or involving any of the Facilities.

The parties agree that Seller shall not be obligated to change the name of any corporation, limited liability company or other entity which includes the name “Eskaton” or “Eskaton Properties, Incorporated”.

SECTION 5.23. New Operator and Management and Operation Transfer Agreements.

(a) Seller acknowledges that it is each Purchaser’s intention, effective at the Closing, to lease the applicable Facility to the applicable New Operator.

(b) Seller shall enter into a Management and Operations Transfer Agreement (the “MOTA”) in substantially the form attached hereto as Exhibit H with the applicable New

Operator, who intends to operate the applicable Facility from and after the Closing Date. The MOTA shall be entered into on or before the Closing Date, but shall only be effective as of the Closing Date.

(c) Any provision in this Agreement that requires an affirmative action by any New Operator shall be deemed incorporated by reference into the MOTA executed by such New Operator with respect to the Facility to be operated by such New Operator on and after the Closing Date.

(d) Each New Operator shall be a third party beneficiary of this Agreement and Seller expressly acknowledges and agrees that all warranties and representations made by Seller hereunder in favor of Purchaser, are made for the benefit of each New Operator.

If any Deficiency Events shall occur prior to any Closing Date or if any Facility is Out of Compliance (as defined in Section 8.01 below) prior to the Closing Date, the applicable New Operator and Seller agree to cooperate and use reasonable commercial efforts to resolve by the Closing Date the Deficiency Events or the issues causing a Facility to be Out of Compliance. Seller shall have performed or complied in all material respects with all obligations and covenants required by this Agreement to be performed or complied with by Seller by the time of such Closing, and each Purchaser shall have received a certificate signed by an authorized officer of Seller to such effect.

(c) Absence of Proceedings. There shall not be pending or threatened any Proceeding (i) challenging or seeking to restrain or prohibit the Acquisition or any other transaction contemplated by this Agreement or the Ancillary Agreements or seeking to obtain from such Purchaser or any of its subsidiaries, or from the applicable New Operator in connection with the Acquisition any material damages, (ii) seeking to prohibit or limit the ownership or operation by such Purchaser or the applicable New Operator, or any of their subsidiaries of any material assets (including assets of the Business), or to compel such Purchaser or any of its subsidiaries to dispose of or hold separate any material assets (including assets of the Business), in each case as a result of the Acquisition or any of the other transactions contemplated by the Transaction Documents, (iii) seeking to impose limitations on the ability of such Purchaser or any of its subsidiaries to acquire or hold, or exercise full rights of ownership of, the Acquired Assets, or (iv) seeking to prohibit or limit in any material respect the applicable New Operator or any of their subsidiaries' effective control of the Business.

(d) Absence of Material Adverse Effect and Material Damages. (i) There shall not have occurred since the date of the Balance Sheet (i) Seller Material Adverse Effect or (ii) damages or impairment to, or destruction of, the applicable Facility or any other Acquired Asset with respect to such Facility which is valued, in such Purchaser's reasonable judgment, at more than \$100,000.00 in the aggregate.

(e) FIRPTA Certificates. Seller shall have executed, and furnished to the applicable Purchaser, a FIRPTA.

(f) Transfer Taxes. Seller shall have prepared, executed (or caused to be executed), filed and delivered to the Title Company all returns, questionnaires, applications or other documents regarding any transfer and documentary stamp taxes and sales taxes that are required to be filed by any person prior to the Closing.

(g) Consents and Releases. Each Purchaser shall have received written consents from all third parties necessary or appropriate to effect the Acquisition.

(h) Transaction Documents. All Transaction Documents and other closing deliveries required to be made by Seller under Section 2.07(a) of this Agreement, shall have been delivered to Escrow Agent on or before the date such deliveries are due under Section 2.07(a) of this Agreement.

(i) Other Documents. Seller shall have furnished to the applicable Purchaser such other documents relating to such party's corporate existence and authority (including copies of resolutions of the respective boards of directors (or a similar governing body) of such party, if applicable), absence of Liens, and such other matters as such Purchaser or its counsel or Title Company or Escrow Agent may reasonably request.

(j) Title Policy. Title Company shall be irrevocably committed to issue each Title Policy to each applicable Purchaser on the Closing Date in an aggregate amount equal to the Purchase Price and subject only to Permitted Liens.

(k) Out of Compliance. No Facility shall be Out of Compliance as of the Closing Date; provided, however, solely for the purpose of determining if this closing condition is or is not satisfied as of the Closing Date, a Facility shall not be deemed Out of Compliance because of any temporary admissions ban related to an outbreak of COVID-19 or other infectious disease at such Facility.

(l) Special Focus Facility. No Facility shall be a Special Focus Facility nor a candidate for a Special Focus Facility as of the Closing Date.

(m) MOTA. The closing of the transactions contemplated under each MOTA shall occur simultaneously with the Closing under this Agreement.

(n) Attorney General Approval. Seller shall have obtained the Attorney General Approval and such Attorney General Approval does not impose any unreasonable and material conditions on the approval that are unacceptable to Purchasers and/or New Operators (in their reasonable determination). For purposes of this subsection, “material conditions” shall mean any such condition, covenant or requirement promulgated by the Attorney General Approval that imposes a financial burden on Purchasers or New Operators collectively in the amount of \$500,000 or more. If the Attorney General Approval contains any material conditions on the approval that are unacceptable to Purchasers and/or New Operators in accordance with this section, then Purchasers and Seller shall meet and confer for a period of fourteen (14) days after receipt of the Attorney General Approval (the “Meet and Confer Period”) to use their commercially reasonable efforts to reach a mutually acceptable resolution to address such material conditions. If the parties are unable to reach a mutually acceptable resolution during the Meet and Confer Period, then Purchasers can terminate this Agreement, in which case, a portion of the Deposit shall be returned to Purchasers and a portion of the Deposit shall be released to Seller, in accordance with the terms and provisions of Section 2.02(d) of this Agreement.

SECTION 6.03. Conditions to Obligation of Seller. The obligation of Seller to grant, sell, assign, transfer, convey and deliver the Acquired Assets is subject to the satisfaction (or waiver by Seller) on or prior to the Closing Date of the following conditions:

(a) Representations and Warranties. The representations and warranties of each applicable Purchaser made in this Agreement and the Ancillary Agreement qualified as to materiality shall be true, correct and complete, and those not so qualified shall be true, correct and complete in all material respects, as of the date hereof and as of the Closing Date as though made on such Closing Date, except to the extent such representations and warranties expressly relate to an earlier date (in which case such representations and warranties qualified as to materiality shall be true, correct and complete, and those not so qualified shall be true, correct and complete in all material respects, on and as of such earlier date), in each case except for breaches as to matters that, individually or in the aggregate, could not reasonably be expected to have a Purchaser Material Adverse Effect. Seller shall have received a certificate signed by an authorized officer of each applicable Purchaser to such effect.

(b) Performance of Obligations of Purchaser. Each applicable Purchaser shall have performed or complied in all material respects with all obligations and covenants required by this Agreement to be performed or complied with by such Purchaser by the time of the Closing, and Seller shall have received a certificate signed by an authorized officer of each applicable Purchaser to such effect.

(c) Transaction Documents. All Transaction Documents and other closing deliveries required to be made by Purchasers and/or New Operators under Section 2.07(b) of this Agreement, shall have been delivered to Escrow Agent on or before the date such deliveries are due under Section 2.07(b) of this Agreement.

(d) MOTA. The closing of the transactions contemplated under each MOTA shall occur simultaneously with the Closing under this Agreement.

(e) Attorney General Approval. Seller shall have obtained the Attorney General Approval.

(f) Board Approval. The board of directors of Seller shall have approved Seller entering into this Agreement and closing the transactions contemplated hereunder.

SECTION 6.04. Frustration of Closing Conditions. Neither any Purchaser nor Seller may rely on the failure of any condition set forth in this Article VI to be satisfied if such failure was caused by such party's failure to act in good faith or to use its reasonable efforts to cause the Closing to occur, as required by Section 5.05.

## ARTICLE VII TERMINATION, AMENDMENT AND WAIVER

### SECTION 7.01. Termination.

(a) Notwithstanding anything to the contrary in this Agreement, this Agreement may be terminated and the Acquisition and the other transactions contemplated by this Agreement abandoned at any time prior to any Closing:

(i) by the mutual written consent of Seller and Purchasers;

(ii) by Seller if any of the conditions set forth in Sections 6.01 or 6.03 shall have become incapable of fulfillment, and shall not have been waived by Seller, so long as none of Seller is then in material breach of any of its representations, warranties, covenants or agreements contained in this Agreement;

(iii) by Purchasers if any of the conditions set forth in Sections 6.01 or 6.02 shall have become incapable of fulfillment, and shall not have been waived by Purchasers, so long as none of the Purchasers is then in material breach of any of its representations, warranties, covenants or agreements contained in this Agreement;

(iv) by Purchasers pursuant to the terms and provisions of Sections 2.04, 2.05 or 2.09;

(v) by Purchasers if any action or inaction on the part of Seller renders Seller unable to deliver good, valid and marketable title to any of the Acquired Assets to the applicable Purchasers and/or New Operators; and

(vi) by Purchasers if any action or notification of an intended action by any state or federal agency adversely affects any Facility's Licenses or Medicare or Medi-Cal provider agreement(s);

provided, however, that the party seeking termination pursuant to clause (ii) or (iii) is not then in material breach of any of its representations, warranties, covenants or agreements contained in this Agreement.

(b) In the event of termination by Seller or Purchasers pursuant to this Section 7.01, written notice thereof shall forthwith be given to the other and the transactions contemplated by this Agreement shall be terminated, without further action by any party. If the transactions contemplated by this Agreement are terminated as provided herein:

(i) The Purchasers shall return all documents and other material received from Seller relating to the transactions contemplated hereby, whether so obtained before or after the execution hereof, to Seller; and

(ii) all confidential information received by any of the Purchasers with respect to the Business shall be treated in accordance with Section 5.04 of this Agreement, which provisions shall remain in full force and effect notwithstanding the termination of this Agreement.

SECTION 7.02. Effect of Termination. If this Agreement is terminated and the transactions contemplated hereby are abandoned as described in Section 7.01, this Agreement shall become null and void and of no further force and effect, except for the provisions of (i) Section 2.05 (e) relating to the obligations of Purchasers to indemnify Seller, (ii) Section 5.04 relating to the obligation of Purchasers to keep confidential certain information and data obtained by it from Seller, (iii) Sections 5.05 and 9.03 relating to certain expenses, (iv) Section 5.06 relating to finder's fees and broker's fees, (v) Section 7.01 and this Section 7.02 and (vi) Section 5.12 relating to publicity. Nothing in this Section 7.02(a) shall be deemed to release any party from any liability for any breach by such party of the terms and provisions of this Agreement or to impair the right of any party to compel specific performance by any other party of its obligations under this Agreement. If this Agreement is terminated in full pursuant to clauses (i), (ii) (for any reason other than a default by Purchasers), (iii), (iv), (v), or (vi) of Section 7.01(a), then the Deposit (less the Independent Consideration), plus all interest accrued thereon, shall be returned to Purchasers.

SECTION 7.03. Amendments and Waivers. This Agreement may not be amended except by an instrument in writing signed on behalf of each of the parties hereto. By an instrument in writing Purchasers, on the one hand, or Seller, on the other hand, may waive compliance by the other party with any term or provision of this Agreement that such other party was or is obligated to comply with or perform.

ARTICLE VIII  
INDEMNIFICATION

SECTION 8.01. Indemnification by Seller

(a) Seller shall indemnify, defend and protect each Purchaser, each New Operator and their respective affiliates and their respective officers, directors, employees, stockholders, members, managers, partners, agents, attorneys and representatives (collectively, the “Purchaser Indemnified Parties”) against, and hold them harmless from, any Losses, as incurred (payable promptly upon written request), arising from, in connection with or otherwise with respect to:

(i) any breach of any representation or warranty of Seller that is contained in this Agreement, in any Ancillary Agreement (including, without limitation, under Section 15.2 of each MOTAs) or in any document delivered in connection herewith or therewith (it being agreed and acknowledged by the parties that for purposes of each Purchaser’s and New Operator’s right to indemnification pursuant to this Section 8.01 the representations and warranties of Seller shall be deemed not qualified by any references therein to materiality generally or to whether or not any breach results or may result in Seller Material Adverse Effect);

(ii) any breach of any covenants of Seller contained in this Agreement, in any Ancillary Agreement (including, without limitation, under Section 15.2 of each MOTAs) or in any document delivered in connection herewith or therewith;

(iii) any Excluded Liability;

(iv) any fees, expenses or other payments incurred or owed by or claimed through Seller to any brokers, financial advisors or comparable other persons retained or employed by Seller in connection with the transactions contemplated by this Agreement or by any Ancillary Agreement, including, without limitation, any fees payable to the Broker in connection with the Closing; and

(v) any out-of-pocket expenses incurred by Purchaser or New Operator (including, without limitation, fees payable to any third-party consultants or professionals that Purchaser or New Operator deem reasonably necessary or appropriate, to restore any Facility into substantial compliance to the extent any Facility was Out of Compliance (hereinafter defined) as of the Closing Date), any applicable fines, penalties, damages and lost revenue arising either as a result of (i) Purchaser and New Operators electing to close notwithstanding a Facility having been Out of Compliance, or (ii) any Facility being Out of Compliance after the Closing as a result of acts, omissions or occurrences occurring prior to the Closing Date. “Out of Compliance” means (A) a finding by a Governmental Entity of one or more deficiencies at any Facility at a “level G” or above in either (x) its most recent standard or complaint survey that has not found to have been corrected such that such Facility is found to be in “substantial compliance” with applicable Health Care Requirements by the applicable Governmental Entity or (y) any prior survey that includes a finding which requires a resurvey which resurvey has not taken place with a finding that the applicable Facility was in substantial compliance; (B) a finding by a Governmental Entity that any Facility has deficiencies that have caused or are likely to cause serious harm, injury, impairment or death if not immediately rectified to resident health and safety that has not

found to have been corrected by the applicable Governmental Entity; (C) a recommendation by a Health Care Authority to the Centers for Medicare and Medicaid Services (“CMS”) or other Governmental Entity for the imposition against any Facility of civil monetary penalties, or the imposition of same by CMS; and/or (D) a denial of any Facility’s right to admit patients or to receive Medicare or Medi-Cal payments or reimbursements for existing patients or for new admissions, at any Facility; and

(vi) any claim by any Governmental Entity, third party payor, RAC audit, ZPIC audit, or any claim of recapture by the Centers for Medicare and Medicaid Services, the U.S. Office of Inspector General or any other Governmental Entity with respect to an alleged Medicare or Medi-Cal overpayment for periods relating prior to the Closing Date, including, without limitation, with respect to any Stimulus/Relief Funds received by any of Seller.

(b) Except as otherwise specifically provided in this Agreement, in any Ancillary Agreement or in any document delivered in connection herewith or therewith, each Purchaser acknowledges that its sole and exclusive monetary remedy after the Closing with respect to any and all claims relating to this Agreement, the Ancillary Agreements, any documents delivered in connection herewith or therewith, the Acquisition and the other transactions contemplated hereby and thereby (other than claims of, or causes of action arising from, fraud) shall be pursuant to the indemnification provisions set forth in this Article VIII.

#### SECTION 8.02. Indemnification by Purchasers and New Operator.

(a) Each Purchaser, jointly and severally, shall indemnify, defend and protect Seller, its affiliates, officers, directors, employees, stockholders, members, managers, partners, agents, attorneys and representatives against, and agrees to hold them harmless from, any Losses, as incurred (payable promptly upon written request), for or on account of or arising from or in connection with or otherwise with respect to (i) any breach of any representation or warranty of any Purchaser contained in any Transaction Document or in any document delivered in connection herewith or therewith, (ii) any breach of any covenants of any Purchaser contained in this Agreement, in any Ancillary Agreement or in any document delivered in connection herewith or therewith, or (iii) any fees, expenses or other payments incurred or owed by Purchaser to any brokers, financial advisors or other comparable persons retained or employed by it in connection with the transactions contemplated by this Agreement or by any Ancillary Agreement, other than any fees payable to the Broker in connection with the Closing.

(b) Each New Operator, jointly and severally, shall indemnify, defend and protect Seller, its affiliates, officers, directors, employees, stockholders, members, managers, partners, agents, attorneys and representatives against, and agrees to hold them harmless from, any Losses, as incurred (payable promptly upon written request), for or on account of or arising from or in connection with or otherwise with respect to (i) any breach of any representation or warranty of New Operator contained in any Transaction Document or in any document delivered in connection herewith or therewith (including, without limitation, under Section 15.3 of each MOTA), (ii) any breach of any covenants of the New Operator contained in this Agreement, in any Ancillary Agreement (including, without limitation, under Section 15.3 of each MOTA) or in any document delivered in connection herewith or therewith, (iii) any fees, expenses or other payments incurred or owed by the New Operator to any brokers, financial advisors or other

comparable persons retained or employed by it in connection with the transactions contemplated by this Agreement or by any Ancillary Agreement, other than any fees payable to the Broker in connection with the Closing and (iv) any Assumed Liability.

SECTION 8.03. Calculation of Losses. The amount of any Losses for which indemnification is provided under this Article VIII shall be net of any amounts actually recovered by the indemnified party under insurance policies with respect to such Losses and shall be increased to take account of any Tax cost incurred by the indemnified party arising from the receipt of indemnity payments hereunder.

SECTION 8.04. Termination of Indemnification. The obligations to indemnify and hold harmless any party, (i) pursuant to Section 8.01(a)(i) or 8.02(i), shall terminate when the applicable representation or warranty terminates pursuant to Section 8.06 and (ii) pursuant to the other clauses of Sections 8.01 and 8.02 shall not terminate; provided, however, that, with respect to clause (i), such obligations to indemnify and hold harmless shall not terminate with respect to any item as to which the person to be indemnified shall have, before the expiration of the applicable period, previously made a claim by delivering a notice of such claim pursuant to Section 8.05 to the party to be providing the indemnification.

SECTION 8.05. Procedures.

(a) Third Party Claims. In order for a party (the “indemnified party”) to be entitled to any indemnification provided for under this Agreement in respect of, arising out of or involving a claim made by any person against the indemnified party (a “Third Party Claim”), such indemnified party must notify the indemnifying party in writing of the Third Party Claim with reasonable promptness following receipt by such indemnified party of written notice of the Third Party Claim; provided, however, that failure to give such notification shall not affect the indemnification provided hereunder except to the extent the indemnifying party shall have been actually and materially prejudiced as a result of such failure. Thereafter, the indemnified party shall deliver to the indemnifying party, with reasonable promptness following the indemnified party’s receipt thereof, copies of all notices and documents (including court papers) received by the indemnified party relating to the Third Party Claim.

(b) Assumption. If a Third Party Claim is made against an indemnified party, the indemnifying party shall be entitled to participate in the defense thereof and, if it so chooses, to assume the defense thereof with counsel selected by the indemnifying party; provided, however, that such counsel is reasonably satisfactory to the indemnified party. If the indemnifying party so elects to assume the defense of a Third Party Claim, the indemnifying party shall not be liable to the indemnified party for any legal expenses subsequently incurred by the indemnified party in connection with the defense thereof. If the indemnifying party assumes such defense, the indemnified party shall have the right to participate in the defense thereof and to employ counsel, at its own expense, separate from the counsel employed by the indemnifying party, it being understood that the indemnifying party shall control such defense. The indemnifying party shall be liable for the fees and expenses of counsel employed by the indemnified party for any period during which the indemnifying party has not assumed the defense thereof. If the indemnifying party chooses to defend or prosecute a Third Party Claim, all the indemnified parties shall cooperate in the defense or prosecution thereof. Such cooperation shall include the retention and

(upon the indemnifying party's request) the provision to the indemnifying party of records and information that are reasonably relevant to such Third Party Claim, and making employees available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder. Whether or not the indemnifying party assumes the defense of a Third Party Claim, the indemnified party shall not admit any liability with respect to, or settle, compromise or discharge, such Third Party Claim without the indemnifying party's prior written consent (which consent shall not be unreasonably withheld, conditioned or delayed). If the indemnifying party assumes the defense of a Third Party Claim, the indemnified party shall agree to any settlement, compromise or discharge of such Third Party Claim that the indemnifying party may recommend and that by its terms obligates the indemnifying party to pay the full amount of the liability in connection with such Third Party Claim, which releases the indemnified party completely in connection with such Third Party Claim and that would not otherwise adversely affect the indemnified party. The assumption by an indemnifying party of a Third Party Claim shall conclusively establish that such Third Party Claim is within the scope of and subject to indemnification hereunder. Notwithstanding the foregoing, the indemnifying party shall not be entitled to assume the defense of any Third Party Claim (and shall be liable for the reasonable fees and expenses of counsel incurred by the indemnified party in defending such Third Party Claim) if (i) the Third Party Claim seeks an order, injunction or other equitable relief or relief for other than money damages against the indemnified party or (ii) the indemnifying party is also a person against whom the Third Party Claim is made and the indemnified party determines in good faith that joint representation would be inappropriate.

(c) Other Claims. In the event any indemnified party has a claim against any indemnifying party under Section 8.01 or 8.02 that does not involve a Third Party Claim being asserted against or sought to be collected from such indemnified party, the indemnified party shall deliver notice of such claim with reasonable promptness to the indemnifying party. Subject to Sections 8.04 and 8.06, the failure by any indemnified party so to notify the indemnifying party shall not relieve the indemnifying party from any liability that it may have to such indemnified party under Section 8.01 or 8.02, except to the extent that the indemnifying party demonstrates that it has been materially prejudiced by such failure. If the indemnifying party does not notify the indemnified party within ten (10) calendar days following its receipt of such notice that the indemnifying party disputes its liability to the indemnified party under Section 8.01 or 8.02, such claim specified by the indemnified party in such notice shall be conclusively deemed a liability of the indemnifying party under Section 8.01 or 8.02 and the indemnifying party shall pay the amount of such liability to the indemnified party on demand or, in the case of any notice in which the amount of the claim (or any portion thereof) is estimated, on such later date when the amount of such claim (or such portion thereof) becomes finally determined.

(d) Escrow Funds. All claims for Losses for which indemnification of Purchaser or New Operator is provided under this Section 8 shall be made first against the Escrow Funds under the terms of the Escrow Indemnity Agreement. On the date that that is twelve (12) months after the Closing Date (the "First Release Date"), \$250,000.00 of the Escrow Funds shall be released to Seller, less (x) the amount of any disbursements made to any Purchaser and/or any New Operator from the Escrow Funds in accordance with this Agreement and the Escrow Indemnity Agreement, and (y) the amount of any outstanding unresolved claims that were made by any Purchaser and/or any New Operator on or before the First Release Date; provided,

however, (1) no such release shall cause the Escrow Funds on deposit with Escrow Agent to be less than \$250,000.00 and (2) if the Escrow Funds on deposit remaining with Escrow Agent as of the First Release Date are less than \$250,000.00, then no Escrow Funds shall be released to Seller on the First Release Date. On the second anniversary of the Closing Date (the “Final Release Date”), the balance of the Escrow Fund then on deposit with Escrow Agent shall be released to the Seller, less the amount of outstanding unresolved claims by any Purchaser and/or any New Operator on or before the Final Release Date, which amounts shall be retained by the Escrow Agent to be held and invested by it under the terms of Escrow Indemnity Agreement until such claims are finally resolved and then disbursed in accordance with the terms of the Escrow Indemnity Agreement.

(e) Parent Guaranty. On the Closing Date, Eskaton, a California nonprofit public benefit corporation (“Eskaton Guarantor”) shall execute and deliver to Purchasers and New Operators a guaranty, substantially in the form of Exhibit J attached hereto (the “Eskaton Guaranty”), pursuant to which Eskaton Guarantor shall guaranty any indemnified Losses in favor of any of the Purchaser Indemnified Parties in excess of the amount of the Escrow Funds then on deposit with Escrow Agent. The Eskaton Guaranty shall terminate on the date that is three (3) years after the Closing Date (the “Guaranty Survival Date”); provided, however, any claims for Losses by any Purchaser Indemnified Parties prior to the Guaranty Survival Date that have not been finally resolved prior to the Guaranty Survival Date shall survive the Guaranty Survival Date until all such claims have been finally resolved.

(f) Straddle Claims. Notwithstanding the foregoing, to the extent that any claim, matter, circumstance, event or occurrence exists both prior to, and after the Closing Date, such that any New Operator is entitled to indemnification from Seller for Losses attributable to periods prior to the Closing Date, and Seller is entitled to indemnification from any New Operator for Losses attributable to periods on and after the Closing Date (each such claim, a “Straddle Claim”), the respective indemnification obligations of the parties with respect to all such Straddle Claims shall be equitably apportioned between such New Operator on one hand, and the Seller, on the other hand, based on: 1) on comparative fault based on the facts of the case, to the extent determinable, and 2) if the comparative fault cannot be reasonably determined, on the respective lengths of time, comparative opportunity to correct or prevent such matter, circumstance, event or occurrence, regardless of whether or not such Straddle Claim also gives rise to a breach of any of the representations and warranties made by any of the parties hereunder. In the event of a Straddle Claim, the parties will meet and confer in a good faith effort to resolve the dispute and the equitable apportionment between the parties.

(g) Survival. The indemnification obligations of the parties under this Article VIII shall survive the Closing.

#### SECTION 8.06. Survival of Representations and Covenants.

(a) The representations, warranties, covenants and agreements contained in this Agreement and in any document delivered in connection herewith shall survive the Closing solely for purposes of this Article VIII as follows: (i) all representations and warranties of Seller (other than the representations and warranties under Section 3.01, 3.02, 3.03, 3.05, 3.09, 3.12, 3.14, 3.17, 3.18, 3.19, or 3.22 (collectively, the “Fundamental/Operational Representations”))

shall survive for one (1) year following the Closing; (ii) The Fundamental/Operational Representations shall survive for two (2) years after the Closing; and (iii) claims for fraud shall survive for the applicable statute of limitations period.

## ARTICLE IX GENERAL PROVISIONS

SECTION 9.01. Assignment. This Agreement and the rights and obligations hereunder shall not be assignable or transferable by any Purchaser, any New Operator or Seller (including by operation of law in connection with a merger or consolidation of any Purchaser, any New Operator or Seller) without the prior written consent of the other parties hereto, which consent, may be withheld in its sole and absolute discretion. Notwithstanding the foregoing, each Purchaser may without having to obtain the prior written consent of Seller (a) assign its rights hereunder, including its right to purchase the Acquired Assets or any portion thereof, or delegate the performance of any of its obligations hereunder, to one or more subsidiaries or affiliates of such Purchaser or any corporation, partnership, limited liability company, business trust or other entity owned, managed or controlled by, directly or indirectly, Abraham Bak and/or Menachem Gastwirth, (b) assign its rights hereunder by way of security and such secured party may assign such rights by way of exercise of remedies, and (c) assign its rights to indemnity, in whole or in part, to any purchaser of all or any portion of the Business or to a New Operator. In case of any assignment, Purchaser and any New Operator shall not be released from any of its obligations hereunder. Any attempted assignment in violation of this Section 9.01 shall be void.

SECTION 9.02. No Third-Party Beneficiaries. Except as provided in Article VIII and as expressly provided herein with respect to each New Operator, this Agreement is for the sole benefit of the parties hereto and their permitted assigns and nothing herein expressed or implied shall give or be construed to give to any person, other than the parties hereto and such assigns, any legal or equitable rights hereunder.

SECTION 9.03. Attorneys' Fees. A party in breach of this Agreement shall, on demand, indemnify and hold harmless the other party for and against all reasonable out-of-pocket expenses, including legal, accounting, consulting and expert witness fees and expenses, incurred by such other party by reason of the enforcement and protection of its rights under this Agreement. The payment of such expenses is in addition to any other relief to which such other party may be entitled.

SECTION 9.04. Intentionally Omitted.

SECTION 9.05. Notices. All notices or other communications required or permitted hereunder shall be addressed to the respective parties at the address set forth below, in writing, and shall be personally delivered (including by means of professional messenger service or reputable air express service utilizing receipts) or sent by (i) telecopy, receipt confirmed, or (ii) PDF via electronic mail (e-mail), or (iii) nationally-recognized overnight courier service (e.g., Federal Express), or (iv) United States mail, certified, and postage fully prepaid, return receipt requested, and in each case (except as expressly set forth below) shall be deemed received upon the date of receipt thereof if received prior to 5:00 p.m. of the recipient's business day, provided that (A) in the case of (ii) above, either (x) the other party (or its counsel)

acknowledges receipt thereof by return e-mail, or (y) an additional notice is sent pursuant to clause (i), (iii) or (iv) herein, (B) in the case of (iii) above, notice shall be deemed received one (1) business day after deposit with such nationally recognized overnight courier service, and (C) in the case of (iv) above, notice shall be deemed received five (5) business days after deposit with the United States mail. Notice of change of address shall be given by written notice in the manner detailed in this Section 9.05.

SECTION 9.08. Counterparts. This Agreement may be executed in one or more counterparts, all of which shall be considered one and the same agreement, and shall become effective when one or more such counterparts have been signed by each of the parties and delivered to the other parties. Executed copies of this Agreement may be delivered by telecopier, email, DocuSign or other electronic means and upon receipt will be deemed originals and binding upon the parties hereto, regardless of whether originals are delivered thereafter.

SECTION 9.09. Entire Agreement. This Agreement and the Ancillary Agreements, along with the Schedules and Exhibits thereto, contain the entire agreement and understanding between the parties hereto with respect to the subject matter hereof and supersede all prior agreements and understandings relating to such subject matter. Neither party shall be liable or bound to any other party in any manner by any representations, warranties or covenants relating to such subject matter except as specifically set forth herein or in the Ancillary Agreements.

Each of Purchasers and Seller agrees to commence any such action, suit or proceeding either in the United States District Court for the Eastern District of California or if such suit, action or other proceeding may not be brought in such court for jurisdictional reasons, in any state court located in Sacramento County, California. Each of Purchasers and Seller further agrees that service of any process, summons, notice or document by U.S. registered mail to such party's respective address set forth above shall be effective service of process for any action, suit or proceeding in California with respect to any matters to which it has submitted to jurisdiction in this Section 9.11. Each of Purchasers and Seller irrevocably and unconditionally waives any objection to the laying of venue of any action, suit or proceeding arising out of this Agreement, any Ancillary Agreement or the transactions contemplated hereby and thereby in (i) any state court located in Sacramento County, California, or (ii) the United States District Court for the Eastern District of California, and hereby further irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such action, suit or proceeding brought in any such court has been brought in an inconvenient forum.

SECTION 9.13. Waiver of Jury Trial. Each party hereby waives, to the fullest extent permitted by applicable law, any right it may have to a trial by jury in respect to any litigation directly or indirectly arising out of, under or in connection with this Agreement, any Ancillary Agreement or any transaction contemplated hereby or thereby. Each party (a) certifies that no representative, agent or attorney of any other party has represented, expressly or otherwise, that such other party would not, in the event of litigation, seek to enforce that foregoing waiver and (b) acknowledges that it and the other parties hereto have been induced to enter into this

Agreement and the Ancillary Agreements, as applicable, by, among other things, the mutual waivers and certifications in this Section 9.13.

SECTION 9.14. Patriot Act Representations. Seller and each Purchaser hereby represents and warrants that it is not, and is not acting, directly or indirectly, for or on behalf of, any person or entity named as a “specially designated national and blocked person” (as defined in Presidential Executive Order 13224) on the most current list published by the U.S. Treasury Department of Foreign Assets Control, and that it is not engaged in this transaction, directly or indirectly, on behalf of, and is not facilitating this transaction, directly or indirectly, on behalf of, any such person or entity. Seller and each Purchaser also represents and warrants that neither it nor its constituents or Affiliates are in violation of any Applicable Law relating to terrorism or money laundering, including the aforesaid Executive Order and the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 (Public Law 107-56), as amended. Seller and each Purchaser hereby agrees to defend, indemnify and hold harmless the other parties from and against any and all Losses arising from or related to any breach of the foregoing representations and warranties by the indemnifying party.

#### SECTION 1.04. Consents of Third Parties.

(a) Notwithstanding anything in this Agreement to the contrary, this Agreement shall not constitute an agreement to assign any asset or any claim or right or any benefit arising under or resulting from such asset if an attempted assignment thereof, without the consent of a third party, would constitute a breach or other contravention of the rights of such third party, would be ineffective with respect to any party to an agreement concerning such asset, or would in any way adversely affect the rights of Seller or, upon transfer, Purchasers or New Operator (or any of their respective subsidiaries or assigns) in connection with such asset. If any transfer or assignment by Seller to, or any assumption by any Purchaser or the New Operator (or any of their respective subsidiaries or assigns) of, any interest in, or liability, obligation or commitment in connection with, any asset requires the consent of a third party, then such assignment or assumption shall be conditioned upon consent being obtained.

(b) If any such consent is not obtained prior to the Closing, Seller and the applicable Purchaser or New Operator shall cooperate (at their own expense) in any lawful and reasonable arrangement reasonably proposed by such Purchaser or New Operator under which such Purchaser or New Operator (or its subsidiaries or affiliates or assigns) shall obtain the economic claims, rights and benefits in connection with the asset, claim or right with respect to which the consent has not been obtained in accordance with this Agreement. Such reasonable arrangement may include (i) the subcontracting, sublicensing or subleasing to such Purchaser or New Operator (or its subsidiaries or affiliates or assigns) of any and all rights of Seller against the other party to such third-party agreement arising out of a breach or cancellation thereof by the other party, and (ii) the enforcement by Seller of such rights. To the extent, and only to the extent, the applicable Purchaser or New Operator (or its subsidiaries or affiliates or assigns) receives the economic claims, rights and benefits under such asset, such Purchaser or New Operator shall be responsible for the Assumed Liabilities, if any, arising under such asset.

(c) Seller shall pay on or before the Closing all transfer costs and expenses charged or incurred by third parties whose consents are required for Seller to transfer any Acquired Assets or Assigned Contracts to Purchaser, including, but not limited to the transfer charges set forth on Schedule 1.04(c) attached hereto (collectively, the “Transfer Costs”).

Seller acknowledges that Purchasers, as of the Effective Date of this Agreement, have selected Cyprus Health Care (“Cypress”) to take over the operations of the Facilities from Seller on the Closing Date through one or more subsidiaries or affiliates of Cypress (each, a “New Operator”, and collectively, the “New Operators”). Purchaser shall cause New Operator to execute and deliver to Seller, a Joinder Agreement in the form attached hereto as Exhibit I.

## ARTICLE II THE CLOSING

SECTION 2.01. Closing Date. The closing of the Acquisition of the Acquired Assets with respect to any of the Facilities (each, a “Closing” and the date on which a Closing occurs shall be referred to as the “Closing Date”) shall take place on the last day of the month that is at least fifteen (15) days after the date that Seller has received the written approval of the Attorney General of the State of California (the “Attorney General”) to the closing of the transactions contemplated under this Agreement (the “Attorney General Approval”), but only following the satisfaction (or, to the extent permitted, the waiver) of the conditions set forth in Section 6.01, or, if on such day any condition set forth in Section 6.02 or 6.03 has not been satisfied (or, to the extent permitted, waived by the party entitled to the benefit thereof), as soon as practicable after all the conditions set forth in Article VI have been satisfied (or, to the extent permitted, waived by the parties entitled to the benefits thereof), or at such other place, time and date as shall be agreed to in writing between Seller and Purchasers, but in no case later than September 30, 2023 (the “Outside Closing Date”); provided, however, if the Closing has not occurred as of the Outside Closing Date because the receipt of the Attorney General Approval is still pending as of such date, then the Outside Closing Date shall continue to be extended for additional periods of thirty (30) days each, as necessary, so long as Seller, Purchaser and New Operators are diligently pursuing obtaining the Attorney General Approval and the Attorney General Approval has not been denied by the Attorney General.

### SECTION 2.02. Earnest Money.

(a) Purchasers has deposited the Initial Deposit with Escrow Agent. If this Agreement has not been terminated by Purchaser on or before the Real Estate Due Diligence Period Expiration Date (as defined below) in accordance with Section 2.04 below, then within one (1) Business Day after the Real Estate Due Diligence Period Expiration Date, Purchasers shall deposit with Escrow Agent the Additional Deposit into an interest-bearing account designated by Escrow Agent with all interest thereon accruing to the benefit of the Purchasers. The Initial Deposit and the Additional Deposit, less the Independent Consideration, together with accrued interests thereon, are collectively referred to herein as, the “Deposit”. Upon the Closing, the Deposit shall be released by Escrow Agent to Seller and applied towards the Purchase Price. As used herein, “Escrow Agent” shall mean Paul Avila of Fidelity National Title Insurance

Company (“Escrow Agent”), 8525 Madison Avenue, Suite 110, Fair Oaks, CA 95628, telephone 916-646-6057, pavila@fnf.com.

(b) If this Agreement does not terminate on or before the Real Estate Due Diligence Period pursuant to Section 2.04 below, then the Deposit shall become non-refundable, except as otherwise expressly provided in this Agreement. The Deposit, and all components thereof as and when deposited with Escrow Agent, shall be held in an interest-bearing account and all interest thereon shall accrue to the benefit of Purchaser. If Purchasers terminate this Agreement on or before the Operations Due Diligence Period Expiration Date or the Real Estate Due Diligence Period Expiration Date, then the Deposit (less the Independent Consideration) shall be returned to Purchasers, and neither Seller, nor Purchasers shall have any further rights or obligations hereunder, except as otherwise expressly provided herein.

(c) In the event this Agreement is terminated as a result of (i) the failure to satisfy any condition contained in Sections 6.01, 6.02 or 6.03; or (iii) the termination of this Agreement in accordance with Section 2.09 (Risk of Loss), Section 2.05(b) or (c) (Title and Environmental Review), or Section 2.04 (Due Diligence), then the Escrow Agent shall pay the Deposit (less the Independent Consideration), to the Purchaser, and neither Seller nor Purchasers shall have any further rights or obligations hereunder, except as otherwise expressly provided herein.

(d) Notwithstanding anything to the contrary, if the Closing fails to occur due to the Attorney General Approval being denied either due to a rejection of the Purchasers and/or the New Operator by the Attorney General and/or the Attorney General imposing such conditions on its approval that are unacceptable to Purchasers (in its reasonable determination), then upon termination of this Agreement by Purchasers, a portion of the Deposit in the amount of \$250,000.00 shall be released to Seller and the balance of the Deposit (plus all accrued interest thereon) shall be returned to Purchasers.

(e) Seller shall not be in default of this Agreement, unless Seller shall fail to cure any breach of the terms of this Agreement following ten (10) days’ written notice thereof from Purchasers and the New Operator. In the event of a breach or default under this Agreement by Seller prior to Closing, the Purchaser’s sole and exclusive remedies solely shall be to either (i) terminate this Agreement in accordance with the terms and provisions of Section 7.01, in which case, the Deposit, plus all accrued interest thereon, shall be returned to Purchaser, and Purchaser may recover from Seller damages for Purchaser’s actual out-of-pocket transaction costs and expenses incurred by Purchaser in connection with this Agreement and its due diligence of the Acquired Assets (including, without limitation, its attorneys’ fees) in an amount not to exceed \$100,000 or (ii) Purchaser shall have the right to bring an action for specific performance of this Agreement within ninety (90) days after the breach; provided, however, if the nature of the breach or default by Seller causes specific performance to not be available to Purchaser, then Purchaser shall have all rights and remedies under law and equity in connection with such breach or default by Seller and the limitations of remedies and liability of Seller under this Section 2.02(e) shall be of no further force and effect.

(f) Purchaser shall not be in default of this Agreement, unless Purchaser shall fail to cure any breach of the terms of this Agreement following ten (10) days’ written notice thereof from Seller. Notwithstanding anything to the contrary herein, in the event of a default by any

Purchaser in performing any obligation on any Purchaser's part to be performed under this Agreement prior to Closing, including, without limitation, to pay the cash portion of the Purchase Price due at such Closing, or in any other provision hereof which would entitle Seller to cancel this Agreement, Seller's sole and exclusive remedy shall be to terminate this Agreement, in which case, Seller shall be entitled to retain the Deposit as damages and not as a penalty, and upon such retention this Agreement shall be deemed null and void and neither party hereto shall have any obligations to or rights against the other hereunder, except for any Agreements or provisions hereof which are specifically provided herein to survive any cancellation or termination of this Agreement. **SELLER AND PURCHASERS AGREE THAT IT WOULD BE IMPRACTICAL AND EXTREMELY DIFFICULT TO ESTIMATE THE DAMAGES WHICH SELLER MAY SUFFER UPON SUCH A PURCHASER DEFAULT AND THAT THE DEPOSIT REPRESENTS A REASONABLE ESTIMATE OF THE TOTAL NET DETRIMENT THAT SELLER WOULD SUFFER UPON SUCH A PURCHASER DEFAULT. SUCH LIQUIDATED DAMAGES ARE NOT INTENDED AS A FORFEITURE OR A PENALTY WITHIN THE MEANING OF APPLICABLE LAWS AND REGULATIONS. THE LIQUIDATED DAMAGE PROVISIONS SHALL NOT BE APPLICABLE TO (i) ANY INDEMNIFICATION OBLIGATION PURCHASERS MAY HAVE UNDER THIS AGREEMENT AND (ii) TO THE AWARD OF ATTORNEY'S FEES PURSUANT TO SECTION 9.03.**

SECTION 2.03. Documents and Information. Seller warrants and represents to the Purchasers and to New Operators that to Seller's knowledge, Seller has provided true, correct, and complete copies of all of the information, materials and documents described on Schedule 2.03 (collectively, the "Documents and Information"), on or before the execution and delivery of this Agreement. Seller does not warrant or represent as to the accuracy or completeness of the information, materials and documents, or as to the possible existence of any additional information, materials or documents which may be material to Purchasers' decision to purchase the Acquired Assets, except as to any information materials and documents prepared by Seller. Seller shall promptly deliver to Purchaser any other documents and information reasonably requested by Purchaser between the Effective Date and the Closing Date.

SECTION 2.04. Purchaser Due Diligence Period. Seller and Purchasers hereby acknowledge that Purchasers may terminate this Agreement, for any reason or no reason at all, at any time prior to 5:00 p.m. Pacific time on the date that is seven (7) business days after Purchasers' receipt of all of the Required Operations Due Diligence Materials (as defined below) (the "Operations Due Diligence Period Expiration Date"), by providing written notice of termination to Seller and Escrow Agent prior to the Operations Due Diligence Period Expiration Date. Seller and Purchasers hereby acknowledge that Purchasers may terminate this Agreement, for any reason or no reason at all, at any time prior to 5:00 p.m. Pacific time on the date that is thirty (30) days after the Effective Date (the "Real Estate Due Diligence Period Expiration Date"), by providing written notice of termination to Seller and Escrow Agent prior to the Real Estate Due Diligence Period Expiration Date; provided, however, Purchasers may not terminate this Agreement after the Operations Due Diligence Period Expiration Date and prior to the Real

Estate Due Diligence Period Expiration due to any matters disclosed in the Required Operations Due Diligence Materials. If Purchaser terminates this Agreement in accordance with this Section 2.04, then this Agreement shall automatically terminate, the Deposit plus all accrued interest thereon shall be returned to Purchaser, and the parties shall thereafter be released from all further obligations under this Agreement, except those specifically provided herein to survive the termination of this Agreement. As used herein, “Required Operations Due Diligence Materials” means all of the items and materials identified in Schedule 2.04 attached hereto.

SECTION 2.05. Title, Environmental Review and Physical Review.

(a) Within seven (7) days after the Effective Date, Seller shall provide to Purchaser a copy of all currently effective title insurance policies and commitments and plats and land surveys (“ALTA Surveys”) in its possession that relate to the Facilities and each of the real property on which each Facility is located (collectively, the “Real Property”). Any new ALTA Survey or any existing ALTA Surveys updates (each, a “New Survey”) required by any Purchaser or any Purchaser’s lender shall be at such Purchaser’s sole cost and expense.

(b) Purchaser will use its commercially reasonable efforts to obtain as soon as practical, a preliminary report on title for each Facility, issued by Fidelity National Title Insurance Company (“Title Company”), which shall contain a commitment (each, a “Title Report”) of the Title Company to issue to the applicable Purchaser an owner’s policy of title insurance (each, a “Title Policy”) insuring the fee simple interest of such Purchaser in the applicable Facility. Each Title Report shall be delivered with legible copies of all recorded exceptions to title referred to therein to the extent reasonably available (the “Exception Documents”). Each Title Policy shall be in an amount equal to the amount of the Purchase Price allocated to such Facility. Seller will use their commercially reasonable efforts to cause all standard exceptions to be deleted from the policies at the Closing, including without limitation, executing Seller’s affidavits, gap indemnities and the like. The Purchasers shall have from the Effective Date until 5:00 p.m. Pacific Time on the Real Estate Due Diligence Period Expiration Date (the “Title Review Period”) to approve or disapprove in writing each Title Report, the ALTA Surveys and any New Survey with respect to the Facilities, with any such notice of disapproval specifying the Exception Documents or other matters to which the Purchasers object. The failure of any Purchaser to disapprove any lien or other matter reflected in any Title Report within the Title Review Period shall be deemed approved by the applicable Purchaser(s). Notwithstanding the foregoing, no Purchaser shall have the right to disapprove any of the following, all of which shall be deemed to be Permitted Liens hereunder: (A) matters created or consented to by any Purchaser, and (B) the Assumed Liabilities. All monetary liens on each of the Real Property and each Facility (other than for taxes and assessments not yet due and payable) shall be removed by the applicable Seller, at its sole cost and expense, prior to the Closing. If any Purchaser disapproves any lien or other matter reflected in any Title Report prior to the expiration of the Title Review Period, Seller shall have five (5) Business Days from the date of such disapproval in which to advise such Purchaser whether or not Seller is prepared to cure the same prior to the Closing, which decision shall be made by Seller in its sole and absolute discretion (which cure may be effected by payment and discharge of the objectionable item or by causing the Title Company to remove the same as an exception or affirmatively insure over such item) and in the event Seller shall fail or refuse to do so within said five (5) Business Day period, such Purchaser shall have five (5) Business Days thereafter in which to advise Seller

in writing of such Purchaser's election (x) to waive the matters to which Purchaser objected and which Seller is not prepared to cure and to proceed to Closing or (y) to either (i) terminate this Agreement in full, in which event the Deposit (less the Independent Consideration) shall be returned to Purchasers, or (ii) terminate this Agreement with respect to the Real Property housing the Facility to which a Purchaser made an objection that Seller is unable or unwilling to cure, in which case the Purchase Price shall be reduced by an amount equal to the Allocated Value (as defined below) for the Facility in which this Agreement is being terminated.

If, after the Title Review Period, the Title Company issues any amendment, supplement or modification to a Title Report (each a, "Supplemental Commitment") with respect to any of the Real Property showing a lien or encumbrance against any Real Property that was not listed in any Title Report or any prior Supplemental Commitment (each a "New Title Matter"), then the applicable Purchaser may object to such New Title Matter by delivering written notice to Seller within five (5) days after such Purchaser's receipt of such Supplemental Commitment. If such Purchaser fails to so notify Seller in writing, then the New Title Matter shall be deemed a Permitted Lien. Seller shall have until five (5) days from receipt of such Purchaser's notice to notify Purchaser whether Seller will, in Seller's sole discretion (except for any voluntary monetary liens securing financings created by Seller, which Seller covenants to cause to be removed at the Closing), attempt to cause the New Title Matter to be removed at or before the Closing. If Seller fails to so notify the applicable Purchaser, Seller shall be deemed to have declined to remove the New Title Matter. If Seller declines or is deemed to have declined to remove a New Title Matter, then such Purchaser shall have five (5) days following the date that Seller declines, or is deemed to have declined, to remove the New Title Matter ("Termination Deadline") in which to advise in writing of Purchaser's election (x) to waive the matters to which Purchaser objected and which Seller is not prepared to cure and to proceed to Closing or (y) to either (i) terminate this Agreement in full, in which event the Deposit (less the Independent Consideration), shall be returned to Purchasers, or (ii) terminate this Agreement with respect to the Real Property housing the applicable Facility, in which case the Purchase Price shall be reduced by an amount equal to the Allocated Value for the Facility in which this Agreement is being terminated. If such Purchaser does not terminate this Agreement (in full or in part) pursuant to the preceding sentence on or before the Termination Deadline, then the New Title Matter shall be deemed a Permitted Lien. The Closing Date shall be extended up to fifteen (15) days, if necessary, to accommodate the foregoing time periods.

As used herein, "Allocated Value" with respect to any Facility means the total amount of the Purchase Price allocated to such Facility under Section 5.19 of this Agreement.

(c) Seller shall, upon request and reasonable advance notice from any Purchaser, permit any Purchaser and its agents to conduct Phase I environmental assessments for any of the Facilities (the "Phase I"), and Seller shall make available for review and copy any previously prepared Phase I's or other environmental assessments in their possession conducted for any of the Facilities or any of the Real Property. No Purchaser shall take any core samples, install any monitoring wells, or undertake any other invasive tests or studies, or communicate with any government officials or agencies regarding Hazardous Substances without Seller's prior written consent (which may be withheld or conditioned by Seller in its reasonable discretion). Purchasers shall have until the Real Estate Due Diligence Period Expiration Date to approve or

disapprove any Phase I in writing delivered to Seller. If any Phase I recommends that a Phase II be ordered, then such Phase II shall be obtained before such Purchaser is required to give the Environmental Notice (as defined below). Should any Purchaser disapprove any Phase I and/or related Phase II, such Purchaser shall notify Seller in writing of such disapproval at or prior to the Real Estate Due Diligence Period Expiration Date (the “Environmental Notice”). The failure of any Purchaser to deliver an Environmental Notice to Seller on or prior to the Real Estate Due Diligence Period Expiration Date shall be deemed approval by such Purchaser of the Phase I and Phase II (if applicable). If any Purchaser delivers an Environmental Notice to Seller before the Real Estate Due Diligence Period Expiration Date, then Purchasers shall have the right to terminate this Agreement in full, in which event the Deposit (less the Independent Consideration) shall be returned to Purchasers, and neither Seller nor Purchasers shall have any further rights or obligations hereunder, except as otherwise expressly provided herein.

(d) From the Effective Date until 5:00 p.m. Pacific time on the Real Estate Due Diligence Period Expiration Date, Seller shall, upon request and reasonable advance notice from Purchasers, permit Purchasers and its authorized agents, employees, consultants, and representatives (“Purchasers’ Agents”) to conduct physical inspections of the Facilities, their component systems, and the furniture, fixtures and equipment located at the Facilities. Purchasers shall not conduct any invasive tests for studies at the Facilities in connection with their aforesaid inspections without Seller’s prior written consent (which may be withheld or conditioned by Seller in its reasonable discretion).

(e) Conditions to Entry. Purchasers’ and Purchasers’ Agents’ right of entry upon the Facilities shall be subject to, and Purchasers agree to perform, each of the following conditions:

(i) Purchasers shall pay all costs, expenses, liabilities and charges incurred by Purchasers and Purchasers’ Agents related to said entry.

(ii) Purchasers, at Purchasers’ sole cost, shall repair any and all damage or injury caused by Purchasers or Purchasers’ Agents in connection with any such inspection or entry (if any) and shall return the Facilities to the condition existing prior to such entry.

(iii) Any entry upon the Facilities shall be upon a minimum of forty-eight (48) hours’ written notice to Seller, and Seller shall have the right to accompany Purchasers and Purchasers’ Agents on any such entry upon the Facilities.

(iv) Purchasers shall keep the Facilities free and clear of all liens arising out of Purchasers’ and Purchasers’ Agents’ activities conducted upon the Facilities.

(v) Purchasers shall indemnify, defend and hold Seller and its agents, employees, consultants and representatives (“Seller’s Agents”) and the Facilities free and harmless of and from all costs, expenses, damages, claims, liabilities, reasonable attorneys’ fees and costs or charges arising out of, or in any way connected with, the entry upon the Facilities by Purchasers and Purchasers’ Agents; provided, however, that the foregoing indemnity and hold harmless obligation shall not extend to, and in no event shall Purchasers be liable to Seller and Seller’s Agents for, any (a) diminution in the market value of any of the Facilities and/or the Acquired

Assets resulting from the information disclosed by any such investigation or tests, (b) the sole and active negligence or willful misconduct of Seller or any of the Seller's Agents, or (c) pre-existing condition(s) on or about any Facility (except and to the extent such pre-existing condition(s) is/are exacerbated by Purchaser's entry onto and investigation of any Facility).

(vi) Purchasers shall provide to Seller a certificate of liability insurance, with a combined single limit of liability not less than TWO MILLION DOLLARS (\$2,000,000.00), and with an endorsement reasonably acceptable to Seller attached to such certificate. Seller shall be named as additional insured upon such insurance<sup>2</sup>. Purchasers shall provide the certificate of such insurance with the additional insured endorsement prior to, and as a condition of, any such entry. The certificate of insurance: (i) shall require a minimum of thirty (30) days' written notice prior to the cancellation, lapse or modification of the insurance policy; (ii) shall not include provisions which only require the insurer to "endeavor to" provide such notice to Seller; and (iii) shall not include provisions which purport to exculpate the insurer for its failure to provide such notice.

(vii) Prior to performing any environmental tests or studies on the Facilities beyond the scope of work generally performed in a Phase I study, Purchasers shall notify Seller in writing of the scope of work intended to be performed and shall provide Seller an opportunity to confer, either directly or through Seller's consultants, with Purchasers' environmental consultants in order to determine whether to permit any sampling or testing of surface or subsurface soils, surface water or ground water (and with respect thereto Seller shall have complete and absolute discretion to grant or withhold its consent) or to refine the scope of the work to be performed. All information derived from Purchasers' tests and test results shall, to the extent permissible under existing law, remain confidential and not to be disclosed to any party other than as is necessary in connection with the consummation of the transactions contemplated hereby or as is necessary to comply with any obligations Purchasers may have under applicable law. Seller shall be entitled to receive copies of all tests, test results, studies and reports together with the right as a party of interest, to be able to access the consultant's file information and work product in the event of future need subsequent to the Closing. Purchasers shall obtain all consultants' consent to the foregoing as a part of any retention agreement. Such Seller's rights shall survive the Closing and recording of the grant deed from Seller to Purchasers.

(f) No Other Warranties/"As Is" Purchase. Purchasers represent and warrant to Seller that: (i) Purchasers are experienced and sophisticated purchasers of properties such as the Facilities; (ii) Purchasers have (or prior to Closing, will have) inspected and examined all aspects of the Facilities and its current condition which Purchasers believes are relevant to Purchasers' decision to purchase the Facilities; (iii) Purchasers, as of the date of this Agreement, have (or prior to Closing, will have) satisfied itself as to all matters relating to the Facilities; (iv) Seller has (or prior to the Real Estate Due Diligence Period Expiration Date, will have) made available to Purchasers and Purchasers' representatives for their review and inspection all plans, drawings, reports and other documents with respect to the Facilities which Purchasers have requested; (v) except as contained in this Agreement, Seller is not making, has not made and

~~<sup>2</sup>Insurance company will only name specific entities and specific individuals as additional insureds.~~

expressly disclaims any representation or warranty, express or implied, that such documents delivered by Seller or made available for Purchasers' review and inspection constitute all of the documents and information in Seller's files relating to the Facilities; (vi) Seller is not making, has not made and expressly disclaims any representation, warranty, or other assurance whatsoever with respect to the Facilities or any condition or feature thereof, except as contained in this Agreement, including without limitation, any representation, warranty or assurance regarding the validity or accuracy of any documents delivered by Seller to Purchasers or made available for Purchasers' review and inspection, other than documents prepared by Seller; (vii) Purchasers shall verify the accuracy and reliability of such documents with the third parties who prepared the same; (viii) Purchasers are (or prior to the Closing, will be) fully acquainted with the nature and condition, in all respects, of the Facilities, including the existence or availability of all permits and approvals from governmental authorities and the soil and geology thereof, except as specifically represented and warranted by Seller in this Agreement, in purchasing the Facilities pursuant to this Agreement, Purchasers are relying solely on their own investigation and inspection of the Facilities, and that the Facilities will be conveyed to and accepted by Purchasers at Closing in its "AS IS, WITH ALL FAULTS BASIS" condition. Purchasers acknowledge and agree that, except as expressly set forth herein below: Seller has not made any representation or warranty, express or implied, written or oral, concerning the Facilities or any use to which the Facilities may or may not be put, except as contained in this Agreement; in purchasing the Facilities, Purchasers are not relying upon any representation made by any agent of Seller; and no agent had, or has, authority to make any representation concerning the Facilities or any matter or condition relating thereto. Except as otherwise expressly set forth in this Agreement, Purchasers agree that from and after Closing, Purchasers shall conclusively be deemed to have accepted the Facilities in its then existing "AS IS, WITH ALL FAULTS BASIS" condition, without representation and warranty of any kind except as expressly set forth herein, and with all faults and problems of any kind or nature whatsoever that may then exist, whether the same are of a legal nature, a physical nature or otherwise, including, without limitation, the presence of any hazardous substances that may be located on, under or around the Facilities, and any faults and/or problems that could have been discovered by Purchasers prior to entering into this Agreement, whether or not the same had actually been discovered at that time, it being expressly agreed that Purchasers assume all responsibility for such faults and conditions.

As of the Closing, Purchasers hereby expressly waive and forever release any and all rights, claims and actions that Purchasers may now have or hereafter acquire against Seller arising from or related to the Facilities (collectively, the "Released Claims"); provided, however, that such waiver and release shall not apply to any claims of Purchasers and/or New Operators for any claims for breaches of any express representations, warranties, covenants and other obligations of Seller under this Agreement and/or any of the Ancillary Agreements (including, without limitation, the MOTAs (as defined below), including, without limitation, any claims for Losses of any Purchaser Indemnified Parties (as each such term is defined below) under Article VIII of this Agreement (collectively, "Surviving Claims"). The Released Claims shall not include any items covered by Seller's express representations and warranties contained in Article III hereof. Under no circumstances shall the Released Claims be deemed or construed to include any Surviving Claims. This release applies to all described rights, claims and actions (specifically excluding any Surviving Claims), whether known or unknown, foreseen or

unforeseen, present or future. Purchasers specifically waive application of California Civil Code Section 1542, which provides as follows:

A general release does not extend to claims which the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor or released party.

Seller and Purchasers agrees to execute, deliver and be bound by any reasonable or customary supplemental escrow instructions of Escrow Agent or other instruments as may reasonably be required by Escrow Agent in order to consummate the transaction contemplated by this Agreement. Any such supplemental instructions shall not conflict with, amend or supersede any portions of this Agreement. The obligations of Seller under this Section 5.04(b) shall survive the Closing.

#### SECTION 5.05. Reasonable Efforts.

(a) On the terms and subject to the conditions of this Agreement, each party shall use its reasonable efforts to cause the Closing to occur, including taking all reasonable actions necessary to comply promptly with all legal requirements that may be imposed on it or any of its affiliates with respect to the Closing.

(b) Seller shall, and shall cause its respective affiliates to, in each case at their own expense, use their reasonable efforts to obtain, and each New Operator shall cooperate in obtaining, all consents or permissions from third parties necessary or appropriate to permit the transfer of the Acquired Assets to, and the assumption of the Assumed Liabilities by, such New Operator.

All other closing costs shall be paid in accordance with the prevailing custom for the closing of commercial real estate transactions in each of the counties in which a Facility is located. The parties agree that the issuance of title insurance endorsements is not a condition to the Closing. Each party shall pay all fees and expenses it has incurred in connection with obtaining the approval of any third parties necessary or appropriate to obtain the consent to permit the transfer of the Acquired Assets (including legal fees), including obtaining the Attorney General Approval.

SECTION 5.06. Brokers or Finders. Purchasers and Seller represent, as to themselves and their affiliates, that no agent, broker, investment banker or other firm or person is or will be

Purchasers and/or New Operators may elect to assume ~~any~~the unpaid quality assurance fees owed for any of the Facilities as of the Closing Date (including any estimated amounts not yet billed by the applicable Governmental Entity with respect to periods of operations prior to the Closing Date) (the "Pre-Closing QA Fees"). Purchasers and/or New Operators must elect to assume the Pre-Closing QA Fees, if at all, by providing written notice (which may be by email) to Seller of its election to assume the Pre-Closing QA Fees at least five (5) days before the Closing Date. If Purchasers and/or New Operators elect to assume the Pre-Closing QA Fees pursuant to the preceding sentences, then on the Closing Date, Purchasers shall receive a credit to the Purchase Price in an amount equal to the estimated Pre-Closing QA Fees for each applicable Facility as of such Closing Date, which Pre-Closing QA Fees shall be assumed by the applicable Purchaser and/or applicable New Operator on such Closing Date (the "Assumed QA Fees"). If Purchasers and/or New Operators elect to assume Pre-Closing QA Fees pursuant to this Section 5.07, then Seller, Purchasers and New Operators agree that as soon as final information regarding the unpaid quality assurance fees for each Facility as of the Closing Date has been obtained from the applicable Governmental Entity, Seller shall as promptly as possible after Closing complete an accounting to determine the actual amount of the unpaid quality assurance fees due with respect to the applicable Facility attributable to periods prior to the Closing Date (the "Actual QA Fees"). If the Actual QA Fees for a Facility exceeds the Assumed QA Fees for such Facility, then Seller shall pay to the applicable Purchaser or applicable New Operator the amount by which the Actual QA Fees exceed the Assumed QA Fees for such Facility (a "QA Fee Deficiency Payment") within ten (10) days after the determination of the Actual QA Fees for such Facility. If a QA Fee Deficiency Payment is owed to a Purchaser or a New Operator under the preceding sentence and Seller fails to pay it to such Purchaser or New Operator within ten (10) days after the determination of the Actual QA Fees for the applicable Facility, then such Purchaser or New Operator may recover the amount of the QA Fee Deficiency Payment from the Escrow Funds. If a Purchaser recovers the amount of the QA Fee Deficiency Payment from the Escrow Funds pursuant to the preceding sentence, then Seller shall within ten (10) days after such funds are withdrawn from the Escrow Funds deposit with Escrow Agent into the account holding the Escrow Funds an amount equal to the applicable QA Fee Deficiency Payment and such amount shall be added to the Escrow Funds and held by Escrow Agent in accordance with the terms and provisions of this Agreement and the Escrow Indemnity Agreement. If the Actual QA Fees for a Facility are less than the Assumed QA Fees for such Facility, then the applicable Purchaser or New Operator shall pay to Seller the amount by which the Assumed QA Fees exceed the Actual QA Fees for such Facility (the "Excess QA Fee Payment") within ten (10) days after the determination of the Actual QA Fees for such Facility. The terms and provisions of this Section 5.07 shall survive the Closing; provided, however, if Purchasers and/or New Operators do not elect to assume the Pre-Closing QA Fees at least five (5) days prior to the Closing per the terms of this Section 5.07, then the terms and provisions of this Section 5.07 shall not survive the Closing.

SECTION 5.08. "Employee Records" shall mean the names of each employee, and that employee's title, commencement date of employment, salary and employee benefits, but does not

include any other matters regarding the employees, including, but not limited to employee evaluations and disciplinary matters.

(c) Seller shall pay in full at or prior to the Closing all earned and/or accrued personal, vacation and sick days and all accrued bonuses and other accrued sums due as of the Closing Date to all employees and any amounts due and owing to participants in any equity, or accrued cash bonus or incentive plan maintained by Seller. Seller shall, at its sole cost and expense, terminate, in full compliance with all Applicable Laws, all of Seller Benefit Plans as of the Closing Date and shall pay to all participants (or to such accounts as such participants shall direct) all sums accrued for the benefit of such participants in each such Seller Benefit Plan.

(d) No Transferring Employee or other current or former employee of the Business, including any beneficiary or dependent thereof, or any other person not a party to this Agreement, shall be entitled to assert any claim hereunder. Nothing herein shall (i) be interpreted as constituting the amendment, or otherwise constituting the terms, of any employee benefit plan maintained by any New Operator or otherwise covering any Transferred Employee after the Closing Date or (ii) impairing or otherwise interfering with any New Operator’s power to amend or terminate any such plan in accordance with its terms.

**SECTION 5.10. Supplemental Disclosure.** Seller shall have the continuing obligation until the Closing to promptly supplement or amend the schedules with respect to any matter hereafter arising or discovered that, if existing or known at the date of this Agreement, would have been required to be set forth or described in the schedules.

**SECTION 5.11. Post-Closing Cooperation.**

(a) Purchasers and Seller shall cooperate with each other, and shall cause their officers, employees, agents, auditors and representatives to cooperate with each other, for a period of one hundred eighty (180) days after the Closing to ensure the orderly transition of the Business from Seller to the applicable New Operator and to minimize any disruption to the Business and the other businesses of the applicable New Operator that might result from the transactions contemplated hereby. After the Closing, upon reasonable written notice, each applicable New Operator and Seller shall furnish or cause to be furnished to each other and their employees, counsel, auditors and representatives access, during normal business hours, to such information and assistance relating to the Business (to the extent within the control of such party) with respect to such Facility(ies) as is reasonably necessary for financial reporting and

accounting matters; provided, however, that such New Operator shall have the right (which may be waived at the sole discretion of such New Operator) to designate one or more of its employees in whose absence Seller and its accountant, counsel or financial advisers may not access such information.

(b) After the Closing, upon reasonable written notice, each Purchaser and each New Operator, on the one hand, and Seller, on the other hand, shall furnish or cause to be furnished to each other, as promptly as practicable, such information and assistance (to the extent within the control of such party) relating to the Acquired Assets (including access to books and records) with respect to such Facility(ies) as is reasonably necessary for the filing of all Tax returns, and making of any election related to Taxes, the preparation for any audit by any Taxing Authority, and the prosecution or defense of any Proceeding related to any Tax return, and/or the preparation of Medicare and Medi-Cal cost reports. Seller, each Purchaser, and each New Operator shall cooperate with each other in the conduct of any audit or other Proceeding relating to Taxes involving the Business and/or Medicare and Medi-Cal cost reports. In the event that Seller shall after the Closing take any position in any Tax return, or reach any settlement or agreement with respect to Taxes in an audit or other Proceeding, which is in any manner inconsistent with any position taken by Seller in any filing, settlement or agreement made by Seller prior to the Closing and such inconsistent position (i) requires the payment by any Purchaser or any New Operator of more Taxes than would have been required to be paid had such position not been taken or such settlement or agreement not been reached, (ii) affects the determination of useful life, basis or method of depreciation, amortization or accounting of any of the Acquired Assets or any of the properties, assets or rights of any Purchaser or the New Operator, or (iii) accelerates the time at which any Tax must be paid by a Purchaser or a New Operator, Seller shall not take such position or enter into such settlement or agreement without the prior written consent of Purchasers and New Operators.

~~(e) To the extent such post-Closing cooperation activities are not discussed herein, Seller, Purchasers, and any New Operators shall comply with their respective obligations regarding the transition of managerial and operational duties as described within the MOTA.~~

(c) ~~(d)~~ Each party shall reimburse the other for reasonable out-of-pocket costs and expenses, including, without limitation, accountant and attorneys' fees, incurred in assisting the other party pursuant to this Section 5.11. Neither party shall be required by this Section 5.11 to take any action that would unreasonably interfere with the conduct of its business or unreasonably disrupt its normal operations (or, in the case of any Purchaser, any New Operator or the Business). Any information relating to the Business received by Seller pursuant to this Section 5.11 shall be subject to Section 5.04(b).

(d) ~~(e)~~ The obligations under this Section 5.11 shall survive the Closing.

SECTION 5.12. Publicity. No public release or announcement concerning the transactions contemplated hereby shall be issued by any party (including advisors, attorneys, consultants and lenders of such party) without the prior consent of the other parties (which consent shall not be unreasonably withheld), except as such release or announcement may be required by Applicable Law, in which case the party required to make the release or

announcement shall allow the other party reasonable time to comment on such release or announcement in advance of such issuance.

SECTION 5.13. Records. Purchasers recognize that certain Records may contain incidental information relating primarily to subsidiaries or divisions of Seller other than the Business and that Seller may retain copies of the relevant portions thereof.

SECTION 5.14. Intentionally Omitted.

SECTION 5.15. Attorney General Approval. Seller hereby covenants and agrees that it shall apply for the Attorney General Approval within ten (10) business days after the Effective Date, and thereafter diligently pursue obtaining the Attorney General Approval.

SECTION 5.16. Intentionally Omitted.

SECTION 5.17. Intentionally Omitted.

SECTION 5.18. Further Assurances. From time to time, as and when requested by any party, each party shall execute and deliver, or cause to be executed and delivered, all such documents and instruments and shall take, or cause to be taken, all such further or other actions (subject to Section 5.05), as such other party may reasonably deem necessary or desirable to consummate the transactions contemplated by this Agreement, including, in the case of Seller, executing and delivering to the applicable Purchaser or where directed by the applicable Purchaser, to the applicable New Operator, such assignments, deeds, bills of sale, consents and other instruments as such Purchaser or its counsel may reasonably request as necessary or desirable for such purpose. The terms and provisions of this Section 5.18 shall survive the Closing.

SECTION 5.19. Purchase Price Allocation. Prior to the Closing Date, Purchasers shall propose to Seller an allocation of the Purchase Price (together with any liabilities assumed, and any other amounts, that are treated as purchase price for federal income Tax purposes) among the Acquired Assets according to the relative fair market values of such assets on the respective Closing Date and in accordance with Section 1060 of the Code. If the parties agree on the allocations, then the amount of such allocations for each Facility shall be set forth on Schedule 5.19 which shall be attached to this Agreement or an amendment thereto. Notwithstanding the foregoing, if the parties are unable to agree upon the foregoing allocation prior to the Closing, each of the Purchasers, on the one hand, and the Seller, on the other hand, shall adopt their own allocation and complete and execute a Form 8594 in accordance with such allocation. Seller and each Purchaser each hereby covenant and agree that none of them will take a position on any income tax return (or, unless required by law, before any Governmental Entity charged with the collection of any income tax or in any judicial tax proceeding) that is inconsistent with the terms of this Section 5.19. The terms and provisions of this Section 5.19 shall survive the Closing.

(b) Performance of Obligations of Purchaser. Each applicable Purchaser shall have performed or complied in all material respects with all obligations and covenants required by this Agreement to be performed or complied with by such Purchaser by the time of the Closing, and Seller shall have received a certificate signed by an authorized officer of each applicable Purchaser to such effect.

(f) Board Approval. The board of directors of Seller shall have approved Seller entering into this Agreement and closing the transactions contemplated hereunder.

SECTION 6.04. Frustration of Closing Conditions. Neither any Purchaser nor Seller may rely on the failure of any condition set forth in this Article VI to be satisfied if such failure was caused by such party's failure to act in good faith or to use its reasonable efforts to cause the Closing to occur, as required by Section 5.05.

## ARTICLE VII TERMINATION, AMENDMENT AND WAIVER

### SECTION 7.01. Termination.

(a) Notwithstanding anything to the contrary in this Agreement, this Agreement may be terminated and the Acquisition and the other transactions contemplated by this Agreement abandoned at any time prior to any Closing:

(i) by the mutual written consent of Seller and Purchasers;

(ii) by Seller if any of the conditions set forth in Sections 6.01 or 6.03 shall have become incapable of fulfillment, and shall not have been waived by Seller, so long as none of Seller is then in material breach of any of its representations, warranties, covenants or agreements contained in this Agreement;

(iii) by Purchasers if any of the conditions set forth in Sections 6.01 or 6.02 shall have become incapable of fulfillment, and shall not have been waived by Purchasers, so long as none of the Purchasers is then in material breach of any of its representations, warranties, covenants or agreements contained in this Agreement;

(iv) by Purchasers pursuant to the terms and provisions of Sections 2.04, 2.05 or 2.09;

(v) by Purchasers if any action or inaction on the part of Seller renders Seller unable to deliver good, valid and marketable title to any of the Acquired Assets to the applicable Purchasers and/or New Operators; and

(vi) by Purchasers if any action or notification of an intended action by any state or federal agency adversely affects any Facility's Licenses or Medicare or Medi-Cal provider agreement(s);

provided, however, that the party seeking termination pursuant to clause (ii) or (iii) is not then in material breach of any of its representations, warranties, covenants or agreements contained in this Agreement.

(b) In the event of termination by Seller or Purchasers pursuant to this Section 7.01, written notice thereof shall forthwith be given to the other and the transactions contemplated by this Agreement shall be terminated, without further action by any party. If the transactions contemplated by this Agreement are terminated as provided herein:

(i) The Purchasers shall return all documents and other material received from Seller relating to the transactions contemplated hereby, whether so obtained before or after the execution hereof, to Seller; and

(ii) all confidential information received by any of the Purchasers with respect to the Business shall be treated in accordance with Section 5.04 of this Agreement, which provisions shall remain in full force and effect notwithstanding the termination of this Agreement.

SECTION 7.02. Effect of Termination. If this Agreement is terminated and the transactions contemplated hereby are abandoned as described in Section 7.01, this Agreement shall become null and void and of no further force and effect, except for the provisions of (i) Section 2.05 (e) relating to the obligations of Purchasers to indemnify Seller, (ii) Section 5.04 relating to the obligation of Purchasers to keep confidential certain information and data obtained by it from Seller, (iii) Sections 5.05 and 9.03 relating to certain expenses, (iv) Section 5.06 relating to finder's fees and broker's fees, (v) Section 7.01 and this Section 7.02 and (vi) Section 5.12 relating to publicity. Nothing in this Section 7.02(a) shall be deemed to release any party from any liability for any breach by such party of the terms and provisions of this Agreement or to impair the right of any party to compel specific performance by any other party of its obligations under this Agreement. If this Agreement is terminated in full pursuant to clauses (i), (ii) (for any reason other than a default by Purchasers), (iii), (iv), (v), or (vi) of Section 7.01(a), then the Deposit (less the Independent Consideration), plus all interest accrued thereon, shall be returned to Purchasers.

SECTION 7.03. Amendments and Waivers. This Agreement may not be amended except by an instrument in writing signed on behalf of each of the parties hereto. By an instrument in writing Purchasers, on the one hand, or Seller, on the other hand, may waive compliance by the other party with any term or provision of this Agreement that such other party was or is obligated to comply with or perform.

ARTICLE VIII

(a) Seller shall indemnify, defend and protect each Purchaser, each New Operator and their respective affiliates and their respective officers, directors, employees, stockholders, members, managers, partners, agents, attorneys and representatives (collectively, the “Purchaser Indemnified Parties”) against, and hold them harmless from, any loss, liability, claim, damage or expense (including reasonable legal fees and expenses) (collectively, the “Losses”), as incurred (payable promptly upon written request), arising from, in connection with or otherwise with respect to:

(i) any breach of any representation or warranty of Seller that is contained in this Agreement, in any Ancillary Agreement or in any document delivered in connection herewith or therewith (it being agreed and acknowledged by the parties that for purposes of each Purchaser’s and New Operator’s right to indemnification pursuant to this Section 8.01 the representations and warranties of Seller shall be deemed not qualified by any references therein to materiality generally or to whether or not any breach results or may result in Seller Material Adverse Effect);

(ii) any breach of any covenants of Seller contained in this Agreement, in any Ancillary Agreement or in any document delivered in connection herewith or therewith;

(iii) any Excluded Liability;

(iv) any fees, expenses or other payments incurred or owed by or claimed through Seller to any brokers, financial advisors or comparable other persons retained or employed by Seller in connection with the transactions contemplated by this Agreement or by any Ancillary Agreement, including, without limitation, any fees payable to the Broker in connection with the Closing; and

(v) any out-of-pocket expenses incurred by Purchaser or New Operator (including, without limitation, fees payable to any third-party consultants or professionals that Purchaser or New Operator deem reasonably necessary or appropriate, to restore any Facility into substantial compliance to the extent any Facility was Out of Compliance (hereinafter defined) as of the Closing Date), any applicable fines, penalties, damages and lost revenue arising either as a result of (i) Purchaser and New Operators electing to close notwithstanding a Facility having been Out of Compliance, or (ii) any Facility being Out of Compliance after the Closing as a result of acts, omissions or occurrences occurring prior to the Closing Date. “Out of Compliance” means (A) a finding by a Governmental Entity of one or more deficiencies at any Facility at a “level G” or above in either (x) its most recent standard or complaint survey that has not found to have been corrected such that such Facility is found to be in “substantial compliance” with applicable Health Care Requirements by the applicable Governmental Entity or (y) any prior survey that includes a finding which requires a resurvey which resurvey has not taken place with a finding that the applicable Facility was in substantial compliance; (B) a finding by a Governmental Entity that any Facility has deficiencies that have caused or are likely to cause serious harm,

(b) Except as otherwise specifically provided in this Agreement, in any Ancillary Agreement or in any document delivered in connection herewith or therewith, each Purchaser acknowledges that its sole and exclusive monetary remedy after the Closing with respect to any and all claims relating to this Agreement, the Ancillary Agreements, any documents delivered in connection herewith or therewith, the Acquisition and the other transactions contemplated hereby and thereby (other than claims of, or causes of action arising from, fraud) shall be pursuant to the indemnification provisions set forth in this Article VIII.

#### SECTION 8.02. Indemnification by Purchasers and New Operator.

(a) Each Purchaser, jointly and severally, shall indemnify, defend and protect Seller, its affiliates, officers, directors, employees, stockholders, members, managers, partners, agents, attorneys and representatives against, and agrees to hold them harmless from, any Loss, as incurred (payable promptly upon written request), for or on account of or arising from or in connection with or otherwise with respect to (i) any breach of any representation or warranty of any Purchaser contained in any Transaction Document or in any document delivered in connection herewith or therewith, (ii) any breach of any covenants of any Purchaser contained in this Agreement, in any Ancillary Agreement or in any document delivered in connection herewith or therewith, or (iii) any fees, expenses or other payments incurred or owed by Purchaser to any brokers, financial advisors or other comparable persons retained or employed by it in connection with the transactions contemplated by this Agreement or by any Ancillary Agreement, other than any fees payable to the Broker in connection with the Closing.

(b) Each New Operator, jointly and severally, shall indemnify, defend and protect Seller, its affiliates, officers, directors, employees, stockholders, members, managers, partners, agents, attorneys and representatives against, and agrees to hold them harmless from, any Loss, as incurred (payable promptly upon written request), for or on account of or arising from or in connection with or otherwise with respect to (i) any breach of any representation or warranty of New Operator contained in any Transaction Document or in any document delivered in connection herewith or therewith, (ii) any breach of any covenants of the New Operator contained in this Agreement, in any Ancillary Agreement or in any document delivered in connection herewith or therewith, (iii) any fees, expenses or other payments incurred or owed by the New Operator to any brokers, financial advisors or other comparable persons retained or

employed by it in connection with the transactions contemplated by this Agreement or by any Ancillary Agreement, other than any fees payable to the Broker in connection with the Closing and (iv) any Assumed Liability.

SECTION 8.03. Calculation of Losses. The amount of any Loss for which indemnification is provided under this Article VIII shall be net of any amounts actually recovered by the indemnified party under insurance policies with respect to such Loss and shall be increased to take account of any Tax cost incurred by the indemnified party arising from the receipt of indemnity payments hereunder.

SECTION 8.04. Termination of Indemnification. The obligations to indemnify and hold harmless any party, (i) pursuant to Section 8.01(a)(i) or 8.02(i), shall terminate when the applicable representation or warranty terminates pursuant to Section 8.06 and (ii) pursuant to the other clauses of Sections 8.01 and 8.02 shall not terminate; provided, however, that, with respect to clause (i), such obligations to indemnify and hold harmless shall not terminate with respect to any item as to which the person to be indemnified shall have, before the expiration of the applicable period, previously made a claim by delivering a notice of such claim pursuant to Section 8.05 to the party to be providing the indemnification.

SECTION 8.05. Procedures.

(a) Third Party Claims. In order for a party (the “indemnified party”) to be entitled to any indemnification provided for under this Agreement in respect of, arising out of or involving a claim made by any person against the indemnified party (a “Third Party Claim”), such indemnified party must notify the indemnifying party in writing of the Third Party Claim with reasonable promptness following receipt by such indemnified party of written notice of the Third Party Claim; provided, however, that failure to give such notification shall not affect the indemnification provided hereunder except to the extent the indemnifying party shall have been actually and materially prejudiced as a result of such failure. Thereafter, the indemnified party shall deliver to the indemnifying party, with reasonable promptness following the indemnified party’s receipt thereof, copies of all notices and documents (including court papers) received by the indemnified party relating to the Third Party Claim.

(b) Assumption. If a Third Party Claim is made against an indemnified party, the indemnifying party shall be entitled to participate in the defense thereof and, if it so chooses, to assume the defense thereof with counsel selected by the indemnifying party; provided, however, that such counsel is reasonably satisfactory to the indemnified party. If the indemnifying party so elects to assume the defense of a Third Party Claim, the indemnifying party shall not be liable to the indemnified party for any legal expenses subsequently incurred by the indemnified party in connection with the defense thereof. If the indemnifying party assumes such defense, the indemnified party shall have the right to participate in the defense thereof and to employ counsel, at its own expense, separate from the counsel employed by the indemnifying party, it being understood that the indemnifying party shall control such defense. The indemnifying party shall be liable for the fees and expenses of counsel employed by the indemnified party for any period during which the indemnifying party has not assumed the defense thereof. If the indemnifying party chooses to defend or prosecute a Third Party Claim, all the indemnified parties shall cooperate in the defense or prosecution thereof. Such cooperation shall include the retention and

(upon the indemnifying party's request) the provision to the indemnifying party of records and information that are reasonably relevant to such Third Party Claim, and making employees available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder. Whether or not the indemnifying party assumes the defense of a Third Party Claim, the indemnified party shall not admit any liability with respect to, or settle, compromise or discharge, such Third Party Claim without the indemnifying party's prior written consent (which consent shall not be unreasonably withheld, conditioned or delayed). If the indemnifying party assumes the defense of a Third Party Claim, the indemnified party shall agree to any settlement, compromise or discharge of such Third Party Claim that the indemnifying party may recommend and that by its terms obligates the indemnifying party to pay the full amount of the liability in connection with such Third Party Claim, which releases the indemnified party completely in connection with such Third Party Claim and that would not otherwise adversely affect the indemnified party. The assumption by an indemnifying party of a Third Party Claim shall conclusively establish that such Third Party Claim is within the scope of and subject to indemnification hereunder. Notwithstanding the foregoing, the indemnifying party shall not be entitled to assume the defense of any Third Party Claim (and shall be liable for the reasonable fees and expenses of counsel incurred by the indemnified party in defending such Third Party Claim) if (i) the Third Party Claim seeks an order, injunction or other equitable relief or relief for other than money damages against the indemnified party or (ii) the indemnifying party is also a person against whom the Third Party Claim is made and the indemnified party determines in good faith that joint representation would be inappropriate.

(c) Other Claims. In the event any indemnified party has a claim against any indemnifying party under Section 8.01 or 8.02 that does not involve a Third Party Claim being asserted against or sought to be collected from such indemnified party, the indemnified party shall deliver notice of such claim with reasonable promptness to the indemnifying party. Subject to Sections 8.04 and 8.06, the failure by any indemnified party so to notify the indemnifying party shall not relieve the indemnifying party from any liability that it may have to such indemnified party under Section 8.01 or 8.02, except to the extent that the indemnifying party demonstrates that it has been materially prejudiced by such failure. If the indemnifying party does not notify the indemnified party within ten (10) calendar days following its receipt of such notice that the indemnifying party disputes its liability to the indemnified party under Section 8.01 or 8.02, such claim specified by the indemnified party in such notice shall be conclusively deemed a liability of the indemnifying party under Section 8.01 or 8.02 and the indemnifying party shall pay the amount of such liability to the indemnified party on demand or, in the case of any notice in which the amount of the claim (or any portion thereof) is estimated, on such later date when the amount of such claim (or such portion thereof) becomes finally determined.

(d) Escrow Funds. All claims for Losses for which indemnification of Purchaser or New Operator is provided under this Section 8 shall be made first against the Escrow Funds under the terms of the Escrow Indemnity Agreement. On the date that that is twelve (12) months after the Closing Date (the "First Release Date"), ~~\$166,666.67~~250,000.00 of the Escrow Funds shall be released to Seller, less (x) the amount of any disbursements made to any Purchaser and/or any New Operator from the Escrow Funds in accordance with this Agreement and the Escrow Indemnity Agreement, and (y) the amount of any outstanding unresolved claims that were made by any Purchaser and/or any New Operator on or before the First Release Date;

provided, however, (1) no such release shall cause the Escrow Funds on deposit with Escrow Agent to be less than ~~\$333,333.33~~250,000.00 and (2) if the Escrow Funds on deposit remaining with Escrow Agent as of the First Release Date are less than ~~\$333,333.33~~250,000.00, then no Escrow Funds shall be released to Seller on the First Release Date. (a) Notwithstanding anything in this Agreement to the contrary, this Agreement shall not constitute an agreement to assign any asset or any claim or right or any benefit arising under or resulting from such asset if an attempted assignment thereof, without the consent of a third party, would constitute a breach or other contravention of the rights of such third party, would be ineffective with respect to any party to an agreement concerning such asset, or would in any way adversely affect the rights of Seller or, upon transfer, Purchasers or New Operator (or any of their respective subsidiaries or assigns) in connection with such asset. If any transfer or assignment by Seller to, or any assumption by any Purchaser or the New Operator (or any of their respective subsidiaries or assigns) of, any interest in, or liability, obligation or commitment in connection with, any asset requires the consent of a third party, then such assignment or assumption shall be conditioned upon consent being obtained.

(b) If any such consent is not obtained prior to the Closing, Seller and the applicable Purchaser or New Operator shall cooperate (at their own expense) in any lawful and reasonable arrangement reasonably proposed by such Purchaser or New Operator under which such Purchaser or New Operator (or its subsidiaries or affiliates or assigns) shall obtain the economic claims, rights and benefits in connection with the asset, claim or right with respect to which the consent has not been obtained in accordance with this Agreement. Such reasonable arrangement may include (i) the subcontracting, sublicensing or subleasing to such Purchaser or New Operator (or its subsidiaries or affiliates or assigns) of any and all rights of Seller against the other party to such third-party agreement arising out of a breach or cancellation thereof by the other party, and (ii) the enforcement by Seller of such rights. To the extent, and only to the extent, the applicable Purchaser or New Operator (or its subsidiaries or affiliates or assigns) receives the economic claims, rights and benefits under such asset, such Purchaser or New Operator shall be responsible for the Assumed Liabilities, if any, arising under such asset.

(c) Seller shall pay on or before the Closing all transfer costs and expenses charged or incurred by third parties whose consents are required for Seller to transfer any Acquired Assets or Assigned Contracts to Purchaser, including, but not limited to the transfer charges set forth on Schedule 1.04(c) attached hereto (collectively, the “Transfer Costs”).

SECTION 2.02. Earnest Money.

If this Agreement has not been terminated by Purchaser on or before the Real Estate Due Diligence Period Expiration Date (as defined below) in accordance with Section 2.04 below, then within one (1) Business Day after the Real Estate Due Diligence Period Expiration Date, Purchasers shall deposit with Escrow Agent the Additional Deposit into an interest-bearing account designated by Escrow Agent with all interest thereon accruing to the benefit of the Purchasers. The Initial Deposit and the Additional Deposit, less the Independent Consideration, together with accrued interests thereon, are collectively referred to herein as, the “Deposit”. Upon the Closing, the Deposit shall be released by Escrow Agent to Seller and applied towards the Purchase Price. As used herein, “Escrow Agent” shall mean Paul Avila of Fidelity National Title Insurance Company (“Escrow Agent”), 8525 Madison Avenue, Suite 110, Fair Oaks, CA 95628, telephone 916-646-6057, pavila@fnf.com.

(b) If this Agreement does not terminate on or before the Real Estate Due Diligence Period pursuant to Section 2.04 below, then the Deposit shall become non-refundable, except as otherwise expressly provided in this Agreement. The Deposit, and all components thereof as and when deposited with Escrow Agent, shall be held in an interest-bearing account and all interest thereon shall accrue to the benefit of Purchaser. If Purchasers terminate this Agreement on or before the Operations Due Diligence Period Expiration Date or the Real Estate Due Diligence Period Expiration Date, then the Deposit (less the Independent Consideration) shall be returned to Purchasers, and neither Seller, nor Purchasers shall have any further rights or obligations hereunder, except as otherwise expressly provided herein.

(c) In the event this Agreement is terminated as a result of (i) the failure to satisfy any condition contained in Sections 6.01, 6.02 or 6.03; or (iii) the termination of this Agreement in accordance with Section 2.09 (Risk of Loss), Section 2.05(b) or (c) (Title and Environmental Review), or Section 2.04 (Due Diligence), then the Escrow Agent shall pay the Deposit (less the Independent Consideration), to the Purchaser, and neither Seller nor Purchasers shall have any further rights or obligations hereunder, except as otherwise expressly provided herein.

(d) Notwithstanding anything to the contrary, if the Closing fails to occur due to the Attorney General Approval being denied either due to a rejection of the Purchasers and/or the New Operator by the Attorney General and/or the Attorney General imposing such conditions on its approval that are unacceptable to Purchasers (in its reasonable determination), then upon termination of this Agreement by Purchasers, a portion of the Deposit in the amount of \$250,000.00 shall be released to Seller and the balance of the Deposit (plus all accrued interest thereon) shall be returned to Purchasers.

(e) Seller shall not be in default of this Agreement, unless Seller shall fail to cure any breach of the terms of this Agreement following ten (10) days' written notice thereof from Purchasers and the New Operator. In the event of a breach or default under this Agreement by Seller prior to Closing, the Purchaser's sole and exclusive remedies solely shall be to either (i) terminate this Agreement in accordance with the terms and provisions of Section 7.01, in which case, the Deposit, plus all accrued interest thereon, shall be returned to Purchaser, and Purchaser may recover from Seller damages for Purchaser's actual out-of-pocket transaction costs and expenses incurred by Purchaser in connection with this Agreement and its due diligence of the Acquired Assets (including, without limitation, its attorneys' fees) in an amount not to exceed \$100,000 or (ii) Purchaser shall have the right to bring an action for specific performance of this Agreement within ninety (90) days after the breach; provided, however, if the nature of the breach or default by Seller causes specific performance to not be available to Purchaser, then Purchaser shall have all rights and remedies under law and equity in connection with such breach or default by Seller and the limitations of remedies and liability of Seller under this Section 2.02(e) shall be of no further force and effect.

(f) Purchaser shall not be in default of this Agreement, unless Purchaser shall fail to cure any breach of the terms of this Agreement following ten (10) days' written notice thereof from Seller. Notwithstanding anything to the contrary herein, in the event of a default by any Purchaser in performing any obligation on any Purchaser's part to be performed under this Agreement prior to Closing, including, without limitation, to pay the cash portion of the Purchase Price due at such Closing, or in any other provision hereof which would entitle Seller to cancel this Agreement, Seller's sole and exclusive remedy shall be to terminate this Agreement, in which case, Seller shall be entitled to retain the Deposit as damages and not as a penalty, and upon such retention this Agreement shall be deemed null and void and neither party hereto shall have any obligations to or rights against the other hereunder, except for any Agreements or provisions hereof which are specifically provided herein to survive any cancellation or termination of this Agreement. **SELLER AND PURCHASERS AGREE THAT IT WOULD BE IMPRACTICAL AND EXTREMELY DIFFICULT TO ESTIMATE THE DAMAGES WHICH SELLER MAY SUFFER UPON SUCH A PURCHASER DEFAULT AND THAT THE DEPOSIT REPRESENTS A REASONABLE ESTIMATE OF THE TOTAL NET DETRIMENT THAT SELLER WOULD SUFFER UPON SUCH A PURCHASER**

DEFAULT. SUCH LIQUIDATED ~~AND AGREES~~ DAMAGES ARE NOT INTENDED AS A FORFEITURE OR A PENALTY WITHIN THE MEANING OF APPLICABLE LAWS AND REGULATIONS. THE LIQUIDATED DAMAGE PROVISIONS SHALL NOT BE APPLICABLE TO (i) ANY INDEMNIFICATION OBLIGATION PURCHASERS MAY HAVE UNDER THIS AGREEMENT AND (ii) TO THE AWARD OF ATTORNEY'S FEES PURSUANT TO SECTION 9.03.

Seller does not warrant or represent as to the accuracy or completeness of the information, materials and documents, or as to the possible existence of any additional information, materials or documents which may be material to Purchasers' decision to purchase the Acquired Assets, except as to any information materials and documents prepared by Seller. Seller shall promptly deliver to Purchaser any other documents and information reasonably requested by Purchaser between the Effective Date and the Closing Date.

SECTION 2.04. Purchaser Due Diligence Period. Seller and Purchasers hereby acknowledge that Purchasers may terminate this Agreement, for any reason or no reason at all, at any time prior to 5:00 p.m. Pacific time on the date that is seven (7) business days after Purchasers' receipt of all of the Required Operations Due Diligence Materials (as defined below) (the "Operations Due Diligence Period Expiration Date"), by providing written notice of termination to Seller and Escrow Agent prior to the Operations Due Diligence Period Expiration Date. Seller and Purchasers hereby acknowledge that Purchasers may terminate this Agreement, for any reason or no reason at all, at any time prior to 5:00 p.m. Pacific time on the date that is thirty (30) days after the Effective Date (the "Real Estate Due Diligence Period Expiration Date"), by providing written notice of termination to Seller and Escrow Agent prior to the Real Estate Due Diligence Period Expiration Date; provided, however, Purchasers may not terminate this Agreement after the Operations Due Diligence Period Expiration Date and prior to the Real Estate Due Diligence Period Expiration due to any matters disclosed in the Required Operations Due Diligence Materials. If Purchaser terminates this Agreement in accordance with this Section 2.04, then this Agreement shall automatically terminate, the Deposit plus all accrued interest thereon shall be returned to Purchaser, and the parties shall thereafter be released from all further obligations under this Agreement, except those specifically provided herein to survive the termination of this Agreement. As used herein, "Required Operations Due Diligence Materials" means all of the items and materials identified in Schedule 2.04 attached hereto.

SECTION 2.05. Title, Environmental Review and Physical Review.

(a) Within seven (7) days after the Effective Date, Seller shall provide to Purchaser a copy of all currently effective title insurance policies and commitments and plats and land surveys ("ALTA Surveys") in its possession that relate to the Facilities and each of the real

property on which each Facility is located (collectively, the “Real Property”). Any new ALTA Survey or any existing ALTA Surveys updates (each, a “New Survey”) required by any Purchaser or any Purchaser’s lender shall be at such Purchaser’s sole cost and expense.

(b) Purchaser will use its commercially reasonable efforts to obtain as soon as practical, a preliminary report on title for each Facility, issued by Fidelity National Title Insurance Company (“Title Company”), which shall contain a commitment (each, a “Title Report”) of the Title Company to issue to the applicable Purchaser an owner’s policy of title insurance (each, a “Title Policy”) insuring the fee simple interest of such Purchaser in the applicable Facility. Each Title Report shall be delivered with legible copies of all recorded exceptions to title referred to therein to the extent reasonably available (the “Exception Documents”). Each Title Policy shall be in an amount equal to the amount of the Purchase Price allocated to such Facility. Seller will use their commercially reasonable efforts to cause all standard exceptions to be deleted from the policies at the Closing, including without limitation, executing Seller’s affidavits, gap indemnities and the like. The Purchasers shall have from the Effective Date until 5:00 p.m. Pacific Time on the Real Estate Due Diligence Period Expiration Date (the “Title Review Period”) to approve or disapprove in writing each Title Report, the ALTA Surveys and any New Survey with respect to the Facilities, with any such notice of disapproval specifying the Exception Documents or other matters to which the Purchasers object. The failure of any Purchaser to disapprove any lien or other matter reflected in any Title Report within the Title Review Period shall be deemed approved by the applicable Purchaser(s). Notwithstanding the foregoing, no Purchaser shall have the right to disapprove any of the following, all of which shall be deemed to be Permitted Liens hereunder: (A) matters created or consented to by any Purchaser, and (B) the Assumed Liabilities. All monetary liens on each of the Real Property and each Facility (other than for taxes and assessments not yet due and payable) shall be removed by the applicable Seller, at its sole cost and expense, prior to the Closing. If any Purchaser disapproves any lien or other matter reflected in any Title Report prior to the expiration of the Title Review Period, Seller shall have five (5) Business Days from the date of such disapproval in which to advise such Purchaser whether or not Seller is prepared to cure the same prior to the Closing, which decision shall be made by Seller in its sole and absolute discretion (which cure may be effected by payment and discharge of the objectionable item or by causing the Title Company to remove the same as an exception or affirmatively insure over such item) and in the event Seller shall fail or refuse to do so within said five (5) Business Day period, such Purchaser shall have five (5) Business Days thereafter in which to advise Seller in writing of such Purchaser’s election (x) to waive the matters to which Purchaser objected and which Seller is not prepared to cure and to proceed to Closing or (y) to either (i) terminate this Agreement in full, in which event the Deposit (less the Independent Consideration) shall be returned to Purchasers, or (ii) terminate this Agreement with respect to the Real Property housing the Facility to which a Purchaser made an objection that Seller is unable or unwilling to cure, in which case the Purchase Price shall be reduced by an amount equal to the Allocated Value (as defined below) for the Facility in which this Agreement is being terminated.

If, after the Title Review Period, the Title Company issues any amendment, supplement or modification to a Title Report (each a, “Supplemental Commitment”) with respect to any of the Real Property showing a lien or encumbrance against any Real Property that was not listed in any Title Report or any prior Supplemental Commitment (each a “New Title Matter”), then the applicable Purchaser may object to such New Title Matter by delivering written notice to Seller within five (5) days after such Purchaser’s receipt of such Supplemental Commitment. If such

Purchaser fails to so notify Seller in writing, then the New Title Matter shall be deemed a Permitted Lien. Seller shall have until five (5) days from receipt of such Purchaser's notice to notify Purchaser whether Seller will, in Seller's sole discretion (except for any voluntary monetary liens securing financings created by Seller, which Seller covenants to cause to be removed at the Closing), attempt to cause the New Title Matter to be removed at or before the Closing. If Seller fails to so notify the applicable Purchaser, Seller shall be deemed to have declined to remove the New Title Matter. If Seller declines or is deemed to have declined to remove a New Title Matter, then such Purchaser shall have five (5) days following the date that Seller declines, or is deemed to have declined, to remove the New Title Matter ("Termination Deadline") in which to advise in writing of Purchaser's election (x) to waive the matters to which Purchaser objected and which Seller is not prepared to cure and to proceed to Closing or (y) to either (i) terminate this Agreement in full, in which event the Deposit (less the Independent Consideration), shall be returned to Purchasers, or (ii) terminate this Agreement with respect to the Real Property housing the applicable Facility, in which case the Purchase Price shall be reduced by an amount equal to the Allocated Value for the Facility in which this Agreement is being terminated. If such Purchaser does not terminate this Agreement (in full or in part) pursuant to the preceding sentence on or before the Termination Deadline, then the New Title Matter shall be deemed a Permitted Lien. The Closing Date shall be extended up to fifteen (15) days, if necessary, to accommodate the foregoing time periods.

As used herein, "Allocated Value" with respect to any Facility means the total amount of the Purchase Price allocated to such Facility under Section 5.19 of this Agreement.

(c) Seller shall, upon request and reasonable advance notice from any Purchaser, permit any Purchaser and its agents to conduct Phase I environmental assessments for any of the Facilities (the "Phase I"), and Seller shall make available for review and copy any previously prepared Phase I's or other environmental assessments in their possession conducted for any of the Facilities or any of the Real Property. No Purchaser shall take any core samples, install any monitoring wells, or undertake any other invasive tests or studies, or communicate with any government officials or agencies regarding Hazardous Substances without Seller's prior written consent (which may be withheld or conditioned by Seller in its reasonable discretion). Purchasers shall have until the Real Estate Due Diligence Period Expiration Date to approve or disapprove any Phase I in writing delivered to Seller. If any Phase I recommends that a Phase II be ordered, then such Phase II shall be obtained before such Purchaser is required to give the Environmental Notice (as defined below). Should any Purchaser disapprove any Phase I and/or related Phase II, such Purchaser shall notify Seller in writing of such disapproval at or prior to the Real Estate Due Diligence Period Expiration Date (the "Environmental Notice"). The failure of any Purchaser to deliver an Environmental Notice to Seller on or prior to the Real Estate Due Diligence Period Expiration Date shall be deemed approval by such Purchaser of the Phase I and Phase II (if applicable). If any Purchaser delivers an Environmental Notice to Seller before the Real Estate Due Diligence Period Expiration Date, then Purchasers shall have the right to terminate this Agreement in full, in which event the Deposit (less the Independent Consideration) shall be returned to Purchasers, and neither Seller nor Purchasers shall have any further rights or obligations hereunder, except as otherwise expressly provided herein.

Whether or not the Closing takes place, and except as set forth in Sections 5.05(b), Section 5.11 and Section 9.03 and Article VIII, all costs and expenses incurred in connection with the Transaction Documents and the transactions contemplated thereby shall be paid by the party incurring such expense. Without limiting the generality of this Section 5.05, Seller shall be responsible for: (i) one-half of all escrow fees for the Closing; (ii) all transfer and documentary stamp taxes, excise taxes and sales taxes, if any, in connection with the Transaction Documents and/or the Closing; (iii) all title insurance premiums for a base ALTA owner's policy in an aggregate amount equal to the Purchase Price; and (iv) all broker's fees and commissions payable to the Broker (as defined below) in connection with the Closing. Without limiting the generality of this Section 5.05, each Purchaser shall be responsible for: (i) one-half of all escrow fees for the Closing; (ii) all recording costs incurred in connection with recording each Deed; and (iii) all title insurance premiums for any ALTA extended coverage and endorsements required by any Purchaser and all title insurance premiums for any ALTA Lender's Policy for any lender providing mortgage financing for any Purchaser's acquisition of any Facility. All other closing costs shall be paid in accordance with the prevailing custom for the

closing of commercial real estate transactions in each of the counties in which a Facility is located. The parties agree that the issuance of title insurance endorsements is not a condition to the Closing. Each party shall pay all fees and expenses it has incurred in connection with obtaining the approval of any third parties necessary or appropriate to obtain the consent to permit the transfer of the Acquired Assets (including legal fees), including obtaining the Attorney General Approval.

SECTION 5.06. Brokers or Finders. Purchasers and Seller represent, as to themselves and their affiliates, that no agent, broker, investment banker or other firm or person is or will be entitled to any broker's or finder's fee or any other commission or similar fee in connection with any of the transactions contemplated by this Agreement, other than Dan Revie of Zeigler (the "Broker"), which Seller shall be responsible for paying on the Closing Date.

SECTION 5.07. QA Fees. Purchasers and/or New Operators may elect to assume ~~the~~ any unpaid quality assurance fees owed for any of the Facilities as of the Closing Date (including any estimated amounts not yet billed by the applicable Governmental Entity with respect to periods of operations prior to the Closing Date) (the "Pre-Closing QA Fees"). Purchasers and/or New Operators must elect to assume the Pre-Closing QA Fees, if at all, by providing written notice (which may be by email) to Seller of its election to assume the Pre-Closing QA Fees at least five (5) days before the Closing Date. If Purchasers and/or New Operators elect to assume the Pre-Closing QA Fees pursuant to the preceding sentences, then on the Closing Date, Purchasers shall receive a credit to the Purchase Price in an amount equal to the estimated Pre-Closing QA Fees for each applicable Facility as of such Closing Date, which Pre-Closing QA Fees shall be assumed by the applicable Purchaser and/or applicable New Operator on such Closing Date (the "Assumed QA Fees"). If Purchasers and/or New Operators elect to assume Pre-Closing QA Fees pursuant to this Section 5.07, then Seller, Purchasers and New Operators agree that as soon as final information regarding the unpaid quality assurance fees for each Facility as of the Closing Date has been obtained from the applicable Governmental Entity, Seller shall as promptly as possible after Closing complete an accounting to determine the actual amount of the unpaid quality assurance fees due with respect to the applicable Facility attributable to periods prior to the Closing Date (the "Actual QA Fees"). If the Actual QA Fees for a Facility exceeds the Assumed QA Fees for such Facility, then Seller shall pay to the applicable Purchaser or applicable New Operator the amount by which the Actual QA Fees exceed the Assumed QA Fees for such Facility (a "QA Fee Deficiency Payment") within ten (10) days after the determination of the Actual QA Fees for such Facility. If a QA Fee Deficiency Payment is owed to a Purchaser or a New Operator under the preceding sentence and Seller fails to pay it to such Purchaser or New Operator within ten (10) days after the determination of the Actual QA Fees for the applicable Facility, then such Purchaser or New Operator may recover the amount of the QA Fee Deficiency Payment from the Escrow Funds. If a Purchaser recovers the amount of the QA Fee Deficiency Payment from the Escrow Funds pursuant to the preceding sentence, then Seller shall within ten (10) days after such funds are withdrawn from the Escrow Funds deposit with Escrow Agent into the account holding the Escrow Funds an amount equal to the applicable QA Fee Deficiency Payment and such amount shall be added to the Escrow Funds and held by Escrow Agent in accordance with the terms and provisions of this Agreement and the Escrow Indemnity Agreement. If the Actual QA Fees for a Facility are less than the Assumed QA Fees for such Facility, then the applicable Purchaser or New Operator shall pay to Seller the amount by which the Assumed QA Fees exceed the Actual QA Fees for such Facility (the "Excess QA Fee Payment") within ten (10) days after the determination

of the Actual QA Fees for such Facility. The terms and provisions of this Section 5.07 shall survive the Closing; provided, however, if Purchasers and/or New Operators do not elect to assume the Pre-Closing QA Fees at least five (5) days prior to the Closing per the terms of this Section 5.07, then the terms and provisions of this Section 5.07 shall not survive the Closing.

SECTION 5.08. "Employee Records" shall mean the names of each employee, and that employee's title, commencement date of employment, salary and employee benefits, but does not include any other matters regarding the employees, including, but not limited to employee evaluations and disciplinary matters.

(c) Seller shall pay in full at or prior to the Closing all earned and/or accrued personal, vacation and sick days and all accrued bonuses and other accrued sums due as of the Closing Date to all employees and any amounts due and owing to participants in any equity, or accrued cash bonus or incentive plan maintained by Seller. (d) No Transferring Employee or other current or former employee of the Business, including any beneficiary or dependent thereof, or any other person not a party to this Agreement, shall be entitled to assert any claim hereunder. Nothing herein shall (i) be interpreted as constituting the amendment, or otherwise constituting the terms, of any employee benefit plan maintained by any New Operator or otherwise covering any Transferred Employee after the Closing Date or (ii) impairing or otherwise interfering with any New Operator's power to amend or terminate any such plan in accordance with its terms.

SECTION 5.10. Supplemental Disclosure. Seller shall have the continuing obligation until the Closing to promptly supplement or amend the schedules with respect to any matter hereafter arising or discovered that, if existing or known at the date of this Agreement, would have been required to be set forth or described in the schedules.

SECTION 5.11. Post-Closing Cooperation.

(a) Purchasers and Seller shall cooperate with each other, and shall cause their officers, employees, agents, auditors and representatives to cooperate with each other, for a period of one hundred eighty (180) days after the Closing to ensure the orderly transition of the Business

(b) After the Closing, upon reasonable written notice, each Purchaser and each New Operator, on the one hand, and Seller, on the other hand, shall furnish or cause to be furnished to each other, as promptly as practicable, such information and assistance (to the extent within the control of such party) relating to the Acquired Assets (including access to books and records) with respect to such Facility(ies) as is reasonably necessary for the filing of all Tax returns, and making of any election related to Taxes, the preparation for any audit by any Taxing Authority, and the prosecution or defense of any Proceeding related to any Tax return, and/or the preparation of Medicare and Medi-Cal cost reports. Seller, each Purchaser, and each New Operator shall cooperate with each other in the conduct of any audit or other Proceeding relating to Taxes involving the Business and/or Medicare and Medi-Cal cost reports. In the event that Seller shall after the Closing take any position in any Tax return, or reach any settlement or agreement with respect to Taxes in an audit or other Proceeding, which is in any manner inconsistent with any position taken by Seller in any filing, settlement or agreement made by Seller prior to the Closing and such inconsistent position (i) requires the payment by any Purchaser or any New Operator of more Taxes than would have been required to be paid had such position not been taken or such settlement or agreement not been reached, (ii) affects the determination of useful life, basis or method of depreciation, amortization or accounting of any of the Acquired Assets or any of the properties, assets or rights of any Purchaser or the New Operator, or (iii) accelerates the time at which any Tax must be paid by a Purchaser or a New Operator, Seller shall not take such position or enter into such settlement or agreement without the prior written consent of Purchasers and New Operators.

(c) To the extent such post-Closing cooperation activities are not discussed herein, Seller, Purchasers, and any New Operators shall comply with their respective obligations regarding the transition of managerial and operational duties as described within the MOTA.

~~(d)~~ Each party shall reimburse the other for reasonable out-of-pocket costs and expenses, including, without limitation, accountant and attorneys' fees, incurred in assisting the other party pursuant to this Section 5.11. Neither party shall be required by this Section 5.11 to take any action that would unreasonably interfere with the conduct of its business or unreasonably disrupt its normal operations (or, in the case of any Purchaser, any New Operator or the Business). Any information relating to the Business received by Seller pursuant to this Section 5.11 shall be subject to Section 5.04(b).

~~(c)~~ The obligations under this Section 5.11 shall survive the Closing.

SECTION 5.12. Publicity. The terms and provisions of this Section 5.18 shall survive the Closing.

SECTION 5.19. Purchase Price Allocation. Prior to the Closing Date, Purchasers shall propose to Seller an allocation of the Purchase Price (together with any liabilities assumed, and any other amounts, that are treated as purchase price for federal income Tax purposes) among the Acquired Assets according to the relative fair market values of such assets on the respective Closing Date and in accordance with Section 1060 of the Code. If the parties agree on the allocations, then the amount of such allocations for each Facility shall be set forth on Schedule 5.19 which shall be attached to this Agreement or an amendment thereto. Notwithstanding the foregoing, if the parties are unable to agree upon the foregoing allocation prior to the Closing, each of the Purchasers, on the one hand, and the Seller, on the other hand, shall adopt their own allocation and complete and execute a Form 8594 in accordance with such allocation. Seller and each Purchaser each hereby covenant and agree that none of them will take a position on any income tax return (or, unless required by law, before any Governmental Entity charged with the

Each Purchaser shall have received a certificate signed by an authorized officer of Seller to such effect.

## ARTICLE VII TERMINATION, AMENDMENT AND WAIVER

### SECTION 7.01. Termination.

(a) Notwithstanding anything to the contrary in this Agreement, this Agreement may be terminated and the Acquisition and the other transactions contemplated by this Agreement abandoned at any time prior to any Closing:

(i) by the mutual written consent of Seller and Purchasers;

(ii) by Seller if any of the conditions set forth in Sections 6.01 or 6.03 shall have become incapable of fulfillment, and shall not have been waived by Seller, so long as none of Seller is then in material breach of any of its representations, warranties, covenants or agreements contained in this Agreement;

(iii) by Purchasers if any of the conditions set forth in Sections 6.01 or 6.02 shall have become incapable of fulfillment, and shall not have been waived by Purchasers, so long as none of the Purchasers is then in material breach of any of its representations, warranties, covenants or agreements contained in this Agreement;

(iv) by Purchasers pursuant to the terms and provisions of Sections 2.04, 2.05 or 2.09;

(v) by Purchasers if any action or inaction on the part of Seller renders Seller unable to deliver good, valid and marketable title to any of the Acquired Assets to the applicable Purchasers and/or New Operators; and

(vi) by Purchasers if any action or notification of an intended action by any state or federal agency adversely affects any Facility's Licenses or Medicare or Medi-Cal provider agreement(s);

provided, however, that the party seeking termination pursuant to clause (ii) or (iii) is not then in material breach of any of its representations, warranties, covenants or agreements contained in this Agreement.

(b) In the event of termination by Seller or Purchasers pursuant to this Section 7.01, written notice thereof shall forthwith be given to the other and the transactions contemplated by this Agreement shall be terminated, without further action by any party. If the transactions contemplated by this Agreement are terminated as provided herein:

(i) The Purchasers shall return all documents and other material received from Seller relating to the transactions contemplated hereby, whether so obtained before or after the execution hereof, to Seller; and

If this Agreement is terminated in full pursuant to clauses (i), (ii) (for any reason other than a default by Purchasers), (iii), (iv), (v), or (vi) of Section 7.01(a), then the Deposit (less the Independent Consideration), plus all interest accrued thereon, shall be returned to Purchasers.

SECTION 7.03. Amendments and Waivers. This Agreement may not be amended except by an instrument in writing signed on behalf of each of the parties hereto. By an instrument in writing Purchasers, on the one hand, or Seller, on the other hand, may waive compliance by the other party with any term or provision of this Agreement that such other party was or is obligated to comply with or perform.

## ARTICLE VIII INDEMNIFICATION

### SECTION 8.01. Indemnification by Seller

(a) Seller shall indemnify, defend and protect each Purchaser, each New Operator and their respective affiliates and their respective officers, directors, employees, stockholders, members, managers, partners, agents, attorneys and representatives (collectively, the "Purchaser Indemnified Parties") against, and hold them harmless from, any loss, liability, claim, damage or expense (including reasonable legal fees and expenses) (collectively, the "Losses"), as incurred (payable promptly upon written request), arising from, in connection with or otherwise with respect to:

(i) any breach of any representation or warranty of Seller that is contained in this Agreement, in any Ancillary Agreement or in any document delivered in connection herewith or therewith (it being agreed and acknowledged by the parties that for purposes of each Purchaser's and New Operator's right to indemnification pursuant to this Section 8.01 the representations and warranties of Seller shall be deemed not qualified by any references therein to materiality generally or to whether or not any breach results or may result in Seller Material Adverse Effect);

(ii) any breach of any covenants of Seller contained in this Agreement, in any Ancillary Agreement or in any document delivered in connection herewith or therewith;

(iii) any Excluded Liability;

(iv) any fees, expenses or other payments incurred or owed by or claimed through Seller to any brokers, financial advisors or comparable other persons retained or employed by Seller in connection with the transactions contemplated by this Agreement or by any Ancillary Agreement, including, without limitation, any fees payable to the Broker in connection with the Closing; and

(v) any out-of-pocket expenses incurred by Purchaser or New Operator (including, without limitation, fees payable to any third-party consultants or professionals that Purchaser or New Operator deem reasonably necessary or appropriate, to restore any Facility into substantial compliance to the extent any Facility was Out of Compliance (hereinafter defined) as of the Closing Date), any applicable fines, penalties, damages and lost revenue arising either as a result of (i) Purchaser and New Operators electing to close notwithstanding a Facility having been Out of Compliance, or (ii) any Facility being Out of Compliance after the Closing as a result of acts, omissions or occurrences occurring prior to the Closing Date. "Out of Compliance" means (A) a finding by a Governmental Entity of one or more deficiencies at any Facility at a "level G" or above in either (x) its most recent standard or complaint survey that has not found to have been corrected such that such Facility is found to be in "substantial compliance" with applicable Health Care Requirements by the applicable Governmental Entity or (y) any prior survey that includes a finding which requires a resurvey which resurvey has not taken place with a finding that the applicable Facility was in substantial compliance; (B) a finding by a Governmental Entity that any Facility has deficiencies that have caused or are likely to cause serious harm, injury, impairment or death if not immediately rectified to resident health and safety that has not found to have been corrected by the applicable Governmental Entity; (C) a recommendation by a Health Care Authority to the Centers for Medicare and Medicaid Services ("CMS") or other Governmental Entity for the imposition against any Facility of civil monetary penalties, or the imposition of same by CMS; and/or (D) a denial of any Facility's right to admit patients or to receive Medicare or Medi-Cal payments or reimbursements for existing patients or for new admissions, at any Facility; and

(vi) any claim by any Governmental Entity, third party payor, RAC audit, ZPIC audit, or any claim of recapture by the Centers for Medicare and Medicaid Services, the U.S. Office of Inspector General or any other Governmental Entity with respect to an alleged Medicare or Medical overpayment for periods relating prior to the Closing Date, including, without limitation, with respect to any Stimulus/Relief Funds received by any of Seller.

(b) Except as otherwise specifically provided in this Agreement, in any Ancillary Agreement or in any document delivered in connection herewith or therewith, each Purchaser acknowledges that its sole and exclusive monetary remedy after the Closing with respect to any and all claims relating to this Agreement, the Ancillary Agreements, any documents delivered in connection herewith or therewith, the Acquisition and the other transactions contemplated hereby and thereby (other than claims of, or causes of action arising from, fraud) shall be pursuant to the indemnification provisions set forth in this Article VIII.

#### SECTION 8.02. Indemnification by Purchasers and New Operator.

(a) Each Purchaser, jointly and severally, shall indemnify, defend and protect Seller, its affiliates, officers, directors, employees, stockholders, members, managers, partners, agents, attorneys and representatives against, and agrees to hold them harmless from, any Loss, as incurred (payable promptly upon written request), for or on account of or arising from or in connection with or otherwise with respect to (i) any breach of any representation or warranty of any Purchaser contained in any Transaction Document or in any document delivered in connection herewith or therewith, (ii) any breach of any covenants of any Purchaser contained in this Agreement, in any Ancillary Agreement or in any document delivered in connection herewith or therewith, or (iii) any fees, expenses or other payments incurred or owed by Purchaser to any brokers, financial advisors or other comparable persons retained or employed by it in connection with the transactions contemplated by this Agreement or by any Ancillary Agreement, other than any fees payable to the Broker in connection with the Closing.

(b) Each New Operator, jointly and severally, shall indemnify, defend and protect Seller, its affiliates, officers, directors, employees, stockholders, members, managers, partners, agents, attorneys and representatives against, and agrees to hold them harmless from, any Loss, as incurred (payable promptly upon written request), for or on account of or arising from or in connection with or otherwise with respect to (i) any breach of any representation or warranty of New Operator contained in any Transaction Document or in any document delivered in connection herewith or therewith, (ii) any breach of any covenants of the New Operator contained in this Agreement, in any Ancillary Agreement or in any document delivered in connection herewith or therewith, (iii) any fees, expenses or other payments incurred or owed by the New Operator to any brokers, financial advisors or other comparable persons retained or employed by it in connection with the transactions contemplated by this Agreement or by any Ancillary Agreement, other than any fees payable to the Broker in connection with the Closing and (iv) any Assumed Liability.

SECTION 8.03. Calculation of Losses. The amount of any Loss for which indemnification is provided under this Article VIII shall be net of any amounts actually recovered by the indemnified party under insurance policies with respect to such Loss and shall be increased to take account of any Tax cost incurred by the indemnified party arising from the receipt of indemnity payments hereunder.

SECTION 8.04. Termination of Indemnification. The obligations to indemnify and hold harmless any party, (i) pursuant to Section 8.01(a)(i) or 8.02(i), shall terminate when the applicable representation or warranty terminates pursuant to Section 8.06 and (ii) pursuant to the other clauses of Sections 8.01 and 8.02 shall not terminate; provided, however, that, with respect to clause (i), such obligations to indemnify and hold harmless shall not terminate with respect to any item as to which the person to be indemnified shall have, before the expiration of the applicable period, previously made a claim by delivering a notice of such claim pursuant to Section 8.05 to the party to be providing the indemnification.

SECTION 8.05. Procedures.

(a) Third Party Claims. In order for a party (the “indemnified party”) to be entitled to any indemnification provided for under this Agreement in respect of, arising out of or involving a claim made by any person against the indemnified party (a “Third Party Claim”), such indemnified party must notify the indemnifying party in writing of the Third Party Claim with reasonable promptness following receipt by such indemnified party of written notice of the Third Party Claim; provided, however, that failure to give such notification shall not affect the indemnification provided hereunder except to the extent the indemnifying party shall have been actually and materially prejudiced as a result of such failure. Thereafter, the indemnified party shall deliver to the indemnifying party, with reasonable promptness following the indemnified party’s receipt thereof, copies of all notices and documents (including court papers) received by the indemnified party relating to the Third Party Claim.

(b) Assumption. If a Third Party Claim is made against an indemnified party, the indemnifying party shall be entitled to participate in the defense thereof and, if it so chooses, to assume the defense thereof with counsel selected by the indemnifying party; provided, however, that such counsel is reasonably satisfactory to the indemnified party. If the indemnifying party so elects to assume the defense of a Third Party Claim, the indemnifying party shall not be liable to the indemnified party for any legal expenses subsequently incurred by the indemnified party in connection with the defense thereof. If the indemnifying party assumes such defense, the indemnified party shall have the right to participate in the defense thereof and to employ counsel, at its own expense, separate from the counsel employed by the indemnifying party, it being understood that the indemnifying party shall control such defense. The indemnifying party shall be liable for the fees and expenses of counsel employed by the indemnified party for any period during which the indemnifying party has not assumed the defense thereof. If the indemnifying party chooses to defend or prosecute a Third Party Claim, all the indemnified parties shall cooperate in the defense or prosecution thereof. Such cooperation shall include the retention and (upon the indemnifying party’s request) the provision to the indemnifying party of records and information that are reasonably relevant to such Third Party Claim, and making employees available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder. Whether or not the indemnifying party assumes the defense of a Third Party Claim, the indemnified party shall not admit any liability with respect to, or settle, compromise or discharge, such Third Party Claim without the indemnifying party’s prior written consent (which consent shall not be unreasonably withheld, conditioned or delayed). If the indemnifying party assumes the defense of a Third Party Claim, the indemnified party shall agree to any settlement, compromise or discharge of such Third Party Claim that the indemnifying party may recommend and that by its terms obligates the indemnifying party to pay the full amount of

the liability in connection with such Third Party Claim, which releases the indemnified party completely in connection with such Third Party Claim and that would not otherwise adversely affect the indemnified party. The assumption by an indemnifying party of a Third Party Claim shall conclusively establish that such Third Party Claim is within the scope of and subject to indemnification hereunder. Notwithstanding the foregoing, the indemnifying party shall not be entitled to assume the defense of any Third Party Claim (and shall be liable for the reasonable fees and expenses of counsel incurred by the indemnified party in defending such Third Party Claim) if (i) the Third Party Claim seeks an order, injunction or other equitable relief or relief for other than money damages against the indemnified party or (ii) the indemnifying party is also a person against whom the Third Party Claim is made and the indemnified party determines in good faith that joint representation would be inappropriate.

(c) Other Claims. In the event any indemnified party has a claim against any indemnifying party under Section 8.01 or 8.02 that does not involve a Third Party Claim being asserted against or sought to be collected from such indemnified party, the indemnified party shall deliver notice of such claim with reasonable promptness to the indemnifying party. Subject to Sections 8.04 and 8.06, the failure by any indemnified party so to notify the indemnifying party shall not relieve the indemnifying party from any liability that it may have to such indemnified party under Section 8.01 or 8.02, except to the extent that the indemnifying party demonstrates that it has been materially prejudiced by such failure. If the indemnifying party does not notify the indemnified party within ten (10) calendar days following its receipt of such notice that the indemnifying party disputes its liability to the indemnified party under Section 8.01 or 8.02, such claim specified by the indemnified party in such notice shall be conclusively deemed a liability of the indemnifying party under Section 8.01 or 8.02 and the indemnifying party shall pay the amount of such liability to the indemnified party on demand or, in the case of any notice in which the amount of the claim (or any portion thereof) is estimated, on such later date when the amount of such claim (or such portion thereof) becomes finally determined.

(d) Escrow Funds. All claims for Losses for which indemnification of Purchaser or New Operator is provided under this Section 8 shall be made first against the Escrow Funds under the terms of the Escrow Indemnity Agreement. On the date that that is twelve (12) months after the Closing Date (the "First Release Date"), \$166,666.67 of the Escrow Funds shall be released to Seller, less (x) the amount of any disbursements made to any Purchaser and/or any New Operator from the Escrow Funds in accordance with this Agreement and the Escrow Indemnity Agreement, and (y) the amount of any outstanding unresolved claims that were made by any Purchaser and/or any New Operator on or before the First Release Date; provided, however, (1) no such release shall cause the Escrow Funds on deposit with Escrow Agent to be less than \$333,333.33 and (2) if the Escrow Funds on deposit remaining with Escrow Agent as of the First Release Date are less than \$333,333.33, then no Escrow Funds shall be released to Seller on the First Release Date. On the date that that is twenty-four (24) months after the Closing Date (the "Second Release Date"), \$166,666.67 of the Escrow Funds shall be released to Seller, less (x) the amount of any disbursements made to any Purchaser and/or any New Operator from the Escrow Funds in accordance with this Agreement and the Escrow Indemnity Agreement, and (y) the amount of any outstanding unresolved claims that were made by any Purchaser and/or any New Operator on or before the Second Release Date; provided, however, (1) no such release shall cause the Escrow Funds on deposit with Escrow Agent to be less than \$166,666.66 and (2) if the Escrow Funds on deposit remaining with Escrow Agent as of the Second Release Date are less than \$166,666.66,

then no Escrow Funds shall be released to Seller on the Second Release Date. On the third anniversary of the Closing Date (the “Final Release Date”), the balance of the Escrow Fund then on deposit with Escrow Agent shall be released to the Seller, less the amount of outstanding unresolved claims by any Purchaser and/or any New Operator on or before the Final Release Date, which amounts shall be retained by the Escrow Agent to be held and invested by it under the terms of Escrow Indemnity Agreement until such claims are finally resolved and then disbursed in accordance with the terms of the Escrow Indemnity Agreement.

(e) Parent Guaranty. On the Closing Date, \_\_\_\_\_, a \_\_\_\_\_<sup>3</sup> (“Eskaton Guarantor”) shall execute and deliver to Purchasers and New Operators a guaranty, substantially in the form of Exhibit J attached hereto (the “Eskaton Guaranty”), pursuant to which Eskaton Guarantor shall guaranty any indemnified Losses in favor of any of the Purchaser Indemnified Parties in excess of the amount of the Escrow Funds then on deposit with Escrow Agent.

(f) Straddle Claims. Notwithstanding the foregoing, to the extent that any claim, matter, circumstance, event or occurrence exists both prior to, and after the Closing Date, such that any New Operator is entitled to indemnification from Seller for Losses attributable to periods prior to the Closing Date, and Seller is entitled to indemnification from any New Operator for Losses attributable to periods on and after the Closing Date (each such claim, a “Straddle Claim”), the respective indemnification obligations of the parties with respect to all such Straddle Claims shall be equitably apportioned between such New Operator on one hand, and the Seller, on the other hand, based on: 1) on comparative fault based on the facts of the case, to the extent determinable, and 2) if the comparative fault cannot be reasonably determined, on the respective lengths of time, comparative opportunity to correct or prevent such matter, circumstance, event or occurrence, regardless of whether or not such Straddle Claim also gives rise to a breach of any of the representations and warranties made by any of the parties hereunder. In the event of a Straddle Claim, the parties will meet and confer in a good faith effort to resolve the dispute and the equitable apportionment between the parties.

(g) Survival. The indemnification obligations of the parties under this Article VIII shall survive the Closing.

#### SECTION 8.06. Survival of Representations and Covenants.

(a) The representations, warranties, covenants and agreements contained in this Agreement and in any document delivered in connection herewith shall survive the Closing solely for purposes of this Article VIII as follows: (i) all representations and warranties of Seller (other than the representations and warranties under Section 3.01, 3.02, 3.03, 3.05, 3.09, 3.12, 3.14, 3.17, 3.18, 3.19, or 3.22 (collectively, the “Fundamental/Operational Representations”)) shall survive for one (1) year following the Closing; (ii) The Fundamental/Operational Representations shall survive for two (2) years after the Closing; and (iii) claims for fraud shall survive for the applicable statute of limitations period.

SECTION 9.01. Assignment. This Agreement and the rights and obligations hereunder shall not be assignable or transferable by any Purchaser, any New Operator or Seller (including by operation of law in connection with a merger or consolidation of any Purchaser, any New Operator or Seller) without the prior written consent of the other parties hereto, which consent, may be withheld in its sole and absolute discretion. Notwithstanding the foregoing, each Purchaser may without having to obtain the prior written consent of Seller (a) assign its rights hereunder, including its right to purchase the Acquired Assets or any portion thereof, or delegate the performance of any of its obligations hereunder, to one or more subsidiaries or affiliates of such Purchaser or any corporation, partnership, limited liability company, business trust or other entity owned, managed or controlled by, directly or indirectly, Abraham Bak and/or Menachem Gastwirth, (b) assign its rights hereunder by way of security and such secured party may assign such rights by way of exercise of remedies, and (c) assign its rights to indemnity, in whole or in part, to any purchaser of all or any portion of the Business or to a New Operator. SECTION 9.03. Attorneys' Fees. A party in breach of this Agreement shall, on demand, indemnify and hold harmless the other party for and against all reasonable out-of-pocket expenses, including legal, accounting, consulting and expert witness fees and expenses, incurred by such other party by reason of the enforcement and protection of its rights under this Agreement. The payment of such expenses is in addition to any other relief to which such other party may be entitled.

SECTION 9.04. Intentionally Omitted.

SECTION 9.05. Notices. SECTION 9.06. Interpretation; Exhibits and Schedules; Certain Definitions. (a) The headings contained in this Agreement, in any Exhibit or Schedule hereto and in the table of contents to this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. All Recitals, and all Exhibits and Schedules annexed hereto or referred to herein are hereby incorporated in and made a part of this Agreement as if set forth in full herein. Any capitalized terms used in any Schedule or Exhibit but not otherwise defined therein, shall have the meaning as defined in this Agreement. When a reference is made in this Agreement to a Section, Article, Exhibit or Schedule, such reference shall be to a Section or Article of, or an Exhibit or Schedule to, this Agreement unless otherwise indicated.

(b) For all purposes hereof:

“Affiliate” of any person means another person that directly or indirectly, through one or more intermediaries, controls, is controlled by, or is under common control with, such first person. For the purposes of this definition, “control” or “controlled” means the possession of the power, directly or indirectly, to direct or cause the direction of the management or policies of a person, whether through the ownership of voting securities, by contract or otherwise.

“Ancillary Agreements” means all agreements and instruments executed and delivered in connection with this Agreement.

“including” means including, without limitation.

“Material Repairs” means non-cosmetic repairs or replacements to any Facility that are structural in nature or involve the electrical, mechanical, fire, life, safety or HVAC systems at any Facility or their roofs or involve environmental remediation.

“person” means any individual, firm, corporation, partnership, limited liability company, trust, joint venture, Governmental Entity, Health Care Authority, or other entity.

“subsidiary” of any person means another person, an amount of the voting securities, other voting ownership or voting partnership interests of which is sufficient to elect at least a majority of its board of directors or other governing body (or, if there are no such voting interests, 50% or more of the equity interests of which) is owned directly or indirectly by such first person or by another subsidiary of such person.

“Transaction Documents” means this Agreement together with the Ancillary Agreements.

SECTION 9.07. Authorship. The parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provisions of this Agreement.

SECTION 9.08. Counterparts. This Agreement may be executed in one or more counterparts, all of which shall be considered one and the same agreement, and shall become effective when one or more such counterparts have been signed by each of the parties and delivered to the other parties. Executed copies of this Agreement may be delivered by telecopier, email, DocuSign or other electronic means and upon receipt will be deemed originals and binding upon the parties hereto, regardless of whether originals are delivered thereafter.

SECTION 9.09. Entire Agreement. This Agreement and the Ancillary Agreements, along with the Schedules and Exhibits thereto, contain the entire agreement and understanding between the parties hereto with respect to the subject matter hereof and supersede all prior agreements and understandings relating to such subject matter. Neither party shall be liable or bound to any other party in any manner by any representations, warranties or covenants relating to such subject matter except as specifically set forth herein or in the Ancillary Agreements.

SECTION 9.10. Severability. If any provision of this Agreement (or any portion thereof) or the application of any such provision (or any portion thereof) to any person or circumstance

shall be held invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision hereof (or the remaining portion thereof) or the application of such provision to any other persons or circumstances.

SECTION 9.11. Consent to Jurisdiction. Each party irrevocably submits to the exclusive jurisdiction of (a) any state court located in Sacramento County, California, and (b) the United States District Court for the Eastern District of California, for the purposes of any suit, action or other proceeding arising out of this Agreement, any Ancillary Agreement or any transaction contemplated hereby or thereby. Each of Purchasers and Seller agrees to commence any such action, suit or proceeding either in the United States District Court for the Eastern District of California or if such suit, action or other proceeding may not be brought in such court for jurisdictional reasons, in any state court located in Sacramento County, California. Each of Purchasers and Seller further agrees that service of any process, summons, notice or document by U.S. registered mail to such party's respective address set forth above shall be effective service of process for any action, suit or proceeding in California with respect to any matters to which it has submitted to jurisdiction in this Section 9.11. Each of Purchasers and Seller irrevocably and unconditionally waives any objection to the laying of venue of any action, suit or proceeding arising out of this Agreement, any Ancillary Agreement or the transactions contemplated hereby and thereby in (i) any state court located in Sacramento County, California, or (ii) the United States District Court for the Eastern District of California, and hereby further irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such action, suit or proceeding brought in any such court has been brought in an inconvenient forum.

SECTION 9.13. Waiver of Jury Trial. Each party hereby waives, to the fullest extent permitted by applicable law, any right it may have to a trial by jury in respect to any litigation directly or indirectly arising out of, under or in connection with this Agreement, any Ancillary Agreement or any transaction contemplated hereby or thereby. Each party (a) certifies that no representative, agent or attorney of any other party has represented, expressly or otherwise, that such other party would not, in the event of litigation, seek to enforce that foregoing waiver and (b) acknowledges that it and the other parties hereto have been induced to enter into this Agreement and the Ancillary Agreements, as applicable, by, among other things, the mutual waivers and certifications in this Section 9.13.

SECTION 9.14. Patriot Act Representations. Seller and each Purchaser hereby represents and warrants that it is not, and is not acting, directly or indirectly, for or on behalf of, any person or entity named as a "specially designated national and blocked person" (as defined in Presidential Executive Order 13224) on the most current list published by the U.S. Treasury Department of Foreign Assets Control, and that it is not engaged in this transaction, directly or indirectly, on behalf of, and is not facilitating this transaction, directly or indirectly, on behalf of, any such person or entity. Seller and each Purchaser also represents and warrants that neither it nor its constituents or Affiliates are in violation of any Applicable Law relating to terrorism or money laundering, including the

aforesaid Executive Order and the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 (Public Law 107-56), as amended. Seller and each Purchaser hereby agrees to defend, indemnify and hold harmless the other parties from and against any and all Losses arising from or related to any breach of the foregoing representations and warranties by the indemnifying party.

SECTION 9.15. Business Day. If any day or date herein falls on a non-business day, then such day or date shall automatically be extended to the next business day. The term “Business Day” means any day other than (i) a Saturday or a Sunday, and (ii) a day on which federally insured depository institutions in Sacramento, California are authorized or obligated by law, regulation, governmental decree or executive order to be closed.

Such reasonable arrangement may include (i) the subcontracting, sublicensing or subleasing to such Purchaser or New Operator (or its subsidiaries or affiliates or assigns) of any and all rights of Seller against the other party to such third-party agreement arising out of a breach or cancellation thereof by the other party, and (ii) the enforcement by Seller of such rights. To the extent, and only to the extent, the applicable Purchaser or New Operator (or its subsidiaries or affiliates or assigns) receives the economic claims, rights and benefits under such asset, such Purchaser or New Operator shall be responsible for the Assumed Liabilities, if any, arising under such asset.

(c) Seller shall pay on or before the Closing all transfer costs and expenses charged or incurred by third parties whose consents are required for Seller to transfer any Acquired Assets or Assigned Contracts to Purchaser, including, but not limited to the transfer charges set forth on Schedule 1.04(c) attached hereto (collectively, the “Transfer Costs”).

SECTION 1.05. Joinder of New Operator. Seller acknowledges that Purchasers, as of the Effective Date of this Agreement, have selected Cypress Health Care (“Cypress”) to take over the operations of the Facilities from Seller on the Closing Date through one or more subsidiaries or affiliates of Cypress (each, a “New Operator”, and collectively, the “New Operators”).

(f) Purchaser shall not be in default of this Agreement, unless Purchaser shall fail to cure any breach of the terms of this Agreement following ten (10) days' written notice thereof from Seller. Notwithstanding anything to the contrary herein, in the event of a default by any Purchaser in performing any obligation on any Purchaser's part to be performed under this Agreement prior to Closing, including, without limitation, to pay the cash portion of the Purchase Price due at such Closing, or in any other provision hereof which would entitle Seller to cancel this Agreement, Seller's sole and exclusive remedy shall be to terminate this Agreement, in which case, Seller shall be entitled to retain the Deposit as damages and not as a penalty, and upon such retention this Agreement shall be deemed null and void and neither party hereto shall have any obligations to or rights against the other hereunder, except for any Agreements or provisions hereof which are specifically provided herein to survive any cancellation or termination of this Agreement. **SELLER AND PURCHASERS AGREES THAT IT WOULD BE IMPRACTICAL AND EXTREMELY DIFFICULT TO**

**ESTIMATE THE DAMAGES WHICH SELLER MAY SUFFER UPON SUCH A PURCHASER DEFAULT AND THAT THE DEPOSIT REPRESENTS A REASONABLE ESTIMATE OF THE TOTAL NET DETRIMENT THAT SELLER WOULD SUFFER UPON SUCH A PURCHASER DEFAULT. SUCH LIQUIDATED AND AGREES DAMAGES ARE NOT INTENDED AS A FORFEITURE OR A PENALTY WITHIN THE MEANING OF APPLICABLE LAWS AND REGULATIONS. THE LIQUIDATED DAMAGE PROVISIONS SHALL NOT BE APPLICABLE TO (i) ANY INDEMNIFICATION OBLIGATION PURCHASERS MAY HAVE UNDER THIS AGREEMENT AND (ii) TO THE AWARD OF ATTORNEY'S FEES PURSUANT TO SECTION 9.03.**

SECTION 2.03. Documents and Information. Seller warrants and represents to the Purchasers and to New Operators that to Seller's knowledge, Seller has provided true, correct, and complete copies of all of the information, materials and documents described on Schedule 2.03 (collectively, the "Documents and Information"), on or before the execution and delivery of this Agreement. Seller does not warrant or represent as to the accuracy or completeness of the information, materials and documents, or as to the possible existence of any additional information, materials or documents which may be material to Purchasers' decision to purchase the Acquired Assets, except as to any information materials and documents prepared by Seller. Seller shall promptly deliver to Purchaser any other documents and information reasonably requested by Purchaser between the Effective Date and the Closing Date.

SECTION 2.04. Purchaser Due Diligence Period. Seller and Purchasers hereby acknowledge that Purchasers may terminate this Agreement, for any reason or no reason at all, at any time prior to 5:00 p.m. Pacific time on the date that is seven (7) business days after Purchasers' receipt of all of the Required Operations Due Diligence Materials (as defined below) (the "Operations Due Diligence Period Expiration Date"), by providing written notice of termination to Seller and Escrow Agent prior to the Operations Due Diligence Period Expiration Date. Seller and Purchasers hereby acknowledge that Purchasers may terminate this Agreement, for any reason or no reason at all, at any time prior to 5:00 p.m. Pacific time on the date that is thirty (30) days after the Effective Date (the "Real Estate Due Diligence Period Expiration Date"), by providing written notice of termination to Seller and Escrow Agent prior to the Real Estate Due Diligence Period Expiration Date; provided, however, Purchasers may not terminate this Agreement after the Operations Due Diligence Period Expiration Date and prior to the Real Estate Due Diligence Period Expiration due to any matters disclosed in the Required Operations Due Diligence Materials. If Purchaser terminates this Agreement in accordance with this Section 2.04, then this Agreement shall automatically terminate, the Deposit plus all accrued interest thereon shall be returned to Purchaser, and the parties shall thereafter be released from all further obligations under this Agreement, except those specifically provided herein to survive the termination of this Agreement. As used herein, "Required Operations Due Diligence Materials" means all of the items and materials identified in Schedule 2.04 attached hereto.

SECTION 2.05. Title, Environmental Review and Physical Review.

(a) Within seven (7) days after the Effective Date, Seller shall provide to Purchaser a copy of all currently effective title insurance policies and commitments and plats and land surveys ("ALTA Surveys") in its possession that relate to the Facilities and each of the real property on which each Facility is located (collectively, the "Real Property"). Any new ALTA Survey or any existing ALTA Surveys updates (each, a "New Survey") required by any Purchaser or any Purchaser's lender shall be at such Purchaser's sole cost and expense.

(b) Purchaser will use its commercially reasonable efforts to obtain as soon as practical, a preliminary report on title for each Facility, issued by Fidelity National Title Insurance Company ("Title Company"), which shall contain a commitment (each, a "Title Report") of the Title Company to issue to the applicable Purchaser an owner's policy of title insurance (each, a "Title Policy") insuring the fee simple interest of such Purchaser in the applicable Facility. Each Title Report shall be delivered with legible copies of all recorded exceptions to title referred to therein to the extent reasonably available (the "Exception Documents"). Each Title Policy shall be in an amount equal to the amount of the Purchase Price allocated to such Facility. Seller will use their commercially reasonable efforts to cause all standard exceptions to be deleted from the policies at the Closing, including without limitation, executing Seller's affidavits, gap indemnities and the like. The Purchasers shall have from the Effective Date until 5:00 p.m. Pacific Time on the Real Estate Due Diligence Period Expiration Date (the "Title Review Period") to approve or disapprove in writing each Title Report, the ALTA Surveys and any New Survey with respect to the Facilities, with any such notice of disapproval specifying the Exception Documents or other matters to which the Purchasers object. The failure of any Purchaser to disapprove any lien or other matter reflected in any Title Report within the Title Review Period shall be deemed approved by the applicable Purchaser(s). Notwithstanding the foregoing, no Purchaser shall have the right to disapprove any of the following, all of which shall be deemed to be Permitted Liens hereunder: (A) matters created or consented to by any Purchaser, and (B) the Assumed Liabilities. All monetary liens on each of the Real Property and each Facility (other than for taxes and assessments not yet due and payable) shall be removed by the applicable Seller, at its sole cost and expense, prior to the Closing. If any Purchaser disapproves any lien or other matter reflected in any Title Report prior to the expiration of the Title Review Period, Seller shall have five (5) Business Days from the date of such disapproval in which to advise such Purchaser whether or not Seller is prepared to cure the same prior to the Closing, which decision shall be made by Seller in its sole and absolute discretion (which cure may be effected by payment and discharge of the objectionable item or by causing the Title Company to remove the same as an exception or affirmatively insure over such item) and in the event Seller shall fail or refuse to do so within said five (5) Business Day period, such Purchaser shall have five (5) Business Days thereafter in which to advise Seller in writing of such Purchaser's election (x) to waive the matters to which Purchaser objected and which Seller is not prepared to cure and to proceed to Closing or (y) to either (i) terminate this Agreement in full, in which event the Deposit (less the Independent Consideration) shall be returned to Purchasers, or (ii) terminate this Agreement with respect to the Real Property housing the Facility to which a Purchaser made an objection that Seller is unable or unwilling to cure, in which case the Purchase Price shall be reduced by an amount equal to the Allocated Value (as defined below) for the Facility in which this Agreement is being terminated.

If, after the Title Review Period, the Title Company issues any amendment, supplement or modification to a Title Report (each a, “Supplemental Commitment”) with respect to any of the Real Property showing a lien or encumbrance against any Real Property that was not listed in any Title Report or any prior Supplemental Commitment (each a “New Title Matter”), then the applicable Purchaser may object to such New Title Matter by delivering written notice to Seller within five (5) days after such Purchaser’s receipt of such Supplemental Commitment. If such Purchaser fails to so notify Seller in writing, then the New Title Matter shall be deemed a Permitted Lien. Seller shall have until five (5) days from receipt of such Purchaser’s notice to notify Purchaser whether Seller will, in Seller’s sole discretion (except for any voluntary monetary liens securing financings created by Seller, which Seller covenants to cause to be removed at the Closing), attempt to cause the New Title Matter to be removed at or before the Closing. If Seller fails to so notify the applicable Purchaser, Seller shall be deemed to have declined to remove the New Title Matter. If Seller declines or is deemed to have declined to remove a New Title Matter, then such Purchaser shall have five (5) days following the date that Seller declines, or is deemed to have declined, to remove the New Title Matter (“Termination Deadline”) in which to advise in writing of Purchaser’s election (x) to waive the matters to which Purchaser objected and which Seller is not prepared to cure and to proceed to Closing or (y) to either (i) terminate this Agreement in full, in which event the Deposit (less the Independent Consideration), shall be returned to Purchasers, or (ii) terminate this Agreement with respect to the Real Property housing the applicable Facility, in which case the Purchase Price shall be reduced by an amount equal to the Allocated Value for the Facility in which this Agreement is being terminated. If such Purchaser does not terminate this Agreement (in full or in part) pursuant to the preceding sentence on or before the Termination Deadline, then the New Title Matter shall be deemed a Permitted Lien. The Closing Date shall be extended up to fifteen (15) days, if necessary, to accommodate the foregoing time periods.

As used herein, “Allocated Value” with respect to any Facility means the total amount of the Purchase Price allocated to such Facility under Section 5.19 of this Agreement.

(c) Seller shall, upon request and reasonable advance notice from any Purchaser, permit any Purchaser and its agents to conduct Phase I environmental assessments for any of the Facilities (the “Phase I”), and Seller shall make available for review and copy any previously prepared Phase I’s or other environmental assessments in their possession conducted for any of the Facilities or any of the Real Property. No Purchaser shall take any core samples, install any monitoring wells, or undertake any other invasive tests or studies, or communicate with any government officials or agencies regarding Hazardous Substances without Seller’s prior written consent (which may be withheld or conditioned by Seller in its reasonable discretion). Purchasers shall have until the Real Estate Due Diligence Period Expiration Date to approve or disapprove any Phase I in writing delivered to Seller. If any Phase I recommends that a Phase II be ordered, then such Phase II shall be obtained before such Purchaser is required to give the Environmental Notice (as defined below). Should any Purchaser disapprove any Phase I and/or related Phase II, such Purchaser shall notify Seller in writing of such disapproval at or prior to the Real Estate Due Diligence Period Expiration Date (the “Environmental Notice”). The failure of any Purchaser to deliver an Environmental Notice to Seller on or prior to the Real Estate Due Diligence Period Expiration Date shall be deemed approval by such Purchaser of the Phase I and Phase II (if applicable). If any Purchaser delivers an Environmental Notice to Seller before the

Real Estate Due Diligence Period Expiration Date, then Purchasers shall have the right to terminate this Agreement in full, in which event the Deposit (less the Independent Consideration) shall be returned to Purchasers, and neither Seller nor Purchasers shall have any further rights or obligations hereunder, except as otherwise expressly provided herein.

(d) From the Effective Date until 5:00 p.m. Pacific time on the Real Estate Due Diligence Period Expiration Date, Seller shall, upon request and reasonable advance notice from Purchasers, permit Purchasers and its authorized agents, employees, consultants, and representatives (“Purchasers’ Agents”) to conduct physical inspections of the Facilities, their component systems, and the furniture, fixtures and equipment located at the Facilities. Purchasers shall not conduct any invasive tests for studies at the Facilities in connection with their aforesaid inspections without Seller’s prior written consent (which may be withheld or conditioned by Seller in its reasonable discretion).

(e) Conditions to Entry. Purchasers’ and Purchasers’ Agents’ right of entry upon the Facilities shall be subject to, and Purchasers agree to perform, each of the following conditions:

(i) Purchasers shall pay all costs, expenses, liabilities and charges incurred by Purchasers and Purchasers’ Agents related to said entry.

(ii) Purchasers, at Purchasers’ sole cost, shall repair any and all damage or injury caused by Purchasers or Purchasers’ Agents in connection with any such inspection or entry (if any) and shall return the Facilities to the condition existing prior to such entry.

(iii) Any entry upon the Facilities shall be upon a minimum of forty-eight (48) hours’ written notice to Seller, and Seller shall have the right to accompany Purchasers and Purchasers’ Agents on any such entry upon the Facilities.

(iv) Purchasers shall keep the Facilities free and clear of all liens arising out of Purchasers’ and Purchasers’ Agents’ activities conducted upon the Facilities.

(v) Purchasers shall indemnify, defend and hold Seller and its agents, employees, consultants and representatives (“Seller’s Agents”) and the Facilities free and harmless of and from all costs, expenses, damages, claims, liabilities, reasonable attorneys’ fees and costs or charges arising out of, or in any way connected with, the entry upon the Facilities by Purchasers and Purchasers’ Agents; provided, however, that the foregoing indemnity and hold harmless obligation shall not extend to, and in no event shall Purchasers be liable to Seller and Seller’s Agents for, any (a) diminution in the market value of any of the Facilities and/or the Acquired Assets resulting from the information disclosed by any such investigation or tests, (b) the sole and active negligence or willful misconduct of Seller or any of the Seller’s Agents, or (c) pre-existing condition(s) on or about any Facility (except and to the extent such pre-existing condition(s) is/are exacerbated by Purchaser’s entry onto and investigation of any Facility).

(vi) Purchasers shall provide to Seller a certificate of liability insurance, with a combined single limit of liability not less than TWO MILLION DOLLARS (\$2,000,000.00), and with an endorsement reasonably acceptable to Seller attached to such certificate. Seller ~~and~~

~~Seller's Agents~~ shall be named as additional ~~insureds~~insured upon such insurance<sup>2</sup>. Purchasers shall provide the certificate of such insurance with the additional insured endorsement prior to, and as a condition of, any such entry. The certificate of insurance: (i) shall require a minimum of thirty (30) days' written notice prior to the cancellation, lapse or modification of the insurance policy; (ii) shall not include provisions which only require the insurer to "endeavor to" provide such notice to Seller; and (iii) shall not include provisions which purport to exculpate the insurer for its failure to provide such notice.

(vii) Prior to performing any environmental tests or studies on the Facilities beyond the scope of work generally performed in a Phase I study, Purchasers shall notify Seller in writing of the scope of work intended to be performed and shall provide Seller an opportunity to confer, either directly or through Seller's consultants, with Purchasers' environmental consultants in order to determine whether to permit any sampling or testing of surface or subsurface soils, surface water or ground water (and with respect thereto Seller shall have complete and absolute discretion to grant or withhold its consent) or to refine the scope of the work to be performed. All information derived from Purchasers' tests and test results shall, to the extent permissible under existing law, remain confidential and not to be disclosed to any party other than as is necessary in connection with the consummation of the transactions contemplated hereby or as is necessary to comply with any obligations Purchasers may have under applicable law. Seller shall be entitled to receive copies of all tests, test results, studies and reports together with the right as a party of interest, to be able to access the consultant's file information and work product in the event of future need subsequent to the Closing. Purchasers shall obtain all consultants' consent to the foregoing as a part of any retention agreement. Such Seller's rights shall survive the Closing and recording of the grant deed from Seller to Purchasers.

(f) No Other Warranties/"As Is" Purchase. Purchasers represent and warrant to Seller that: (i) Purchasers are experienced and sophisticated purchasers of properties such as the Facilities; (ii) Purchasers have (or prior to Closing, will have) inspected and examined all aspects of the Facilities and its current condition which Purchasers believes are relevant to Purchasers' decision to purchase the Facilities; (iii) Purchasers, as of the date of this Agreement, have (or prior to Closing, will have) satisfied itself as to all matters relating to the Facilities; (iv) Seller has (or prior to the Real Estate Due Diligence Period Expiration Date, will have) made available to Purchasers and Purchasers' representatives for their review and inspection all plans, drawings, reports and other documents with respect to the Facilities which Purchasers have requested; (v) except as contained in this Agreement, Seller is not making, has not made and expressly disclaims any representation or warranty, express or implied, that such documents delivered by Seller or made available for Purchasers' review and inspection constitute all of the documents and information in Seller's files relating to the Facilities; (vi) Seller is not making, has not made and expressly disclaims any representation, warranty, or other assurance whatsoever with respect to the Facilities or any condition or feature thereof, except as contained in this Agreement, including without limitation, any representation, warranty or assurance regarding the validity or accuracy of any documents delivered by Seller to Purchasers or made available for Purchasers' review and inspection, other than documents prepared by Seller; (vii)

<sup>2</sup> Insurance company will only name specific entities and specific individuals as additional insureds.

Purchasers shall verify the accuracy and reliability of such documents with the third parties who prepared the same; (viii) Purchasers are (or prior to the Closing, will be) fully acquainted with the nature and condition, in all respects, of the Facilities, including the existence or availability of all permits and approvals from governmental authorities and the soil and geology thereof, except as specifically represented and warranted by Seller in this Agreement, in purchasing the Facilities pursuant to this Agreement, Purchasers are relying solely on their own investigation and inspection of the Facilities, and that the Facilities will be conveyed to and accepted by Purchasers at Closing in its “AS IS, WITH ALL FAULTS BASIS” condition. Purchasers acknowledge and agree that, except as expressly set forth herein below: Seller has not made any representation or warranty, express or implied, written or oral, concerning the Facilities or any use to which the Facilities may or may not be put, except as contained in this Agreement; in purchasing the Facilities, Purchasers are not relying upon any representation made by any agent of Seller; and no agent had, or has, authority to make any representation concerning the Facilities or any matter or condition relating thereto. Except as otherwise expressly set forth in this Agreement, Purchasers agree that from and after Closing, Purchasers shall conclusively be deemed to have accepted the Facilities in its then existing “AS IS, WITH ALL FAULTS BASIS” condition, without representation and warranty of any kind except as expressly set forth herein, and with all faults and problems of any kind or nature whatsoever that may then exist, whether the same are of a legal nature, a physical nature or otherwise, including, without limitation, the presence of any hazardous substances that may be located on, under or around the Facilities, and any faults and/or problems that could have been discovered by Purchasers prior to entering into this Agreement, whether or not the same had actually been discovered at that time, it being expressly agreed that Purchasers assume all responsibility for such faults and conditions.

As of the Closing, Purchasers hereby expressly waive and forever release any and all rights, claims and actions that Purchasers may now have or hereafter acquire against Seller arising from or related to the Facilities (collectively, the “Released Claims”); provided, however, that such waiver and release shall not apply to any claims of Purchasers and/or New Operators for any claims for breaches of any express representations, warranties, covenants and other obligations of Seller under this Agreement and/or any of the Ancillary Agreements (including, without limitation, the MOTAs (as defined below), including, without limitation, any claims for Losses of any Purchaser Indemnified Parties (as each such term is defined below) under Article VIII of this Agreement (collectively, “Surviving Claims”). The Released Claims shall not include any items covered by Seller’s express representations and warranties contained in Article III hereof. Under no circumstances shall the Released Claims be deemed or construed to include any Surviving Claims. This release applies to all described rights, claims and actions (specifically excluding any Surviving Claims), whether known or unknown, foreseen or unforeseen, present or future. Purchasers specifically waive application of California Civil Code Section 1542, which provides as follows:

A general release does not extend to claims which the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor or released party.

Seller shall have obtained the Attorney General Approval and such Attorney General Approval does not impose any unreasonable and material conditions on the approval that are unacceptable to Purchasers and/or New Operators (in ~~its~~ their reasonable determination). For purposes of this subsection, ~~a~~ “material condition” shall be one that conditions” shall mean any such condition, covenant or requirement promulgated by the Attorney General Approval that: (i) imposes a financial burden on Purchasers or New Operators

collectively in the amount of \$~~1,500,000.00.~~ \_\_\_\_\_; (ii) requires New Operator to maintain the same case-mix and/or census of any Facility, as was maintained by Seller during its period of operation of the Facility, for any period of time after Closing; (iii) requires that New Operator operate any Facility in a manner that is more burdensome than is currently required under Applicable Laws, including without limitation, any such condition or requirement that New Operator operate the Facility with staffing or NHPPD requirements in excess of the minimum levels required by Applicable Laws; and (iv) requires the appointment and installation of a compliance monitor to monitor the Facilities compliance history for any period of time after Closing.

SECTION 6.03. Conditions to Obligation of Seller. The obligation of Seller to grant, sell, assign, transfer, convey and deliver the Acquired Assets is subject to the satisfaction (or waiver by Seller) on or prior to the Closing Date of the following conditions:

(a) Representations and Warranties. The representations and warranties of each applicable Purchaser made in this Agreement and the Ancillary Agreement qualified as to materiality shall be true, correct and complete, and those not so qualified shall be true, correct and complete in all material respects, as of the date hereof and as of the Closing Date as though made on such Closing Date, except to the extent such representations and warranties expressly relate to an earlier date (in which case such representations and warranties qualified as to materiality shall be true, correct and complete, and those not so qualified shall be true, correct and complete in all material respects, on and as of such earlier date), in each case except for breaches as to matters that, individually or in the aggregate, could not reasonably be expected to have a Purchaser Material Adverse Effect. Seller shall have received a certificate signed by an authorized officer of each applicable Purchaser to such effect.

(b) Performance of Obligations of Purchaser. Each applicable Purchaser shall have performed or complied in all material respects with all obligations and covenants required by this Agreement to be performed or complied with by such Purchaser by the time of the Closing, and Seller shall have received a certificate signed by an authorized officer of each applicable Purchaser to such effect.

(c) Transaction Documents. All Transaction Documents and other closing deliveries required to be made by Purchasers and/or New Operators under Section 2.07(b) of this Agreement, shall have been delivered to Escrow Agent on or before the date such deliveries are due under Section 2.07(b) of this Agreement.

(d) MOTA. The closing of the transactions contemplated under each MOTA shall occur simultaneously with the Closing under this Agreement.

(e) Attorney General Approval. Seller shall have obtained the Attorney General Approval and such Attorney General Approval does not impose any unreasonable and material conditions on the approval that are unacceptable to Purchasers and/or New Operators (in ~~its~~their reasonable determination). For purposes of this subsection, "material conditions" shall mean any such condition, covenant or requirement promulgated by the Attorney General Approval that: (i) imposes a financial burden on Purchasers or New Operators collectively in the amount of \$ \_\_\_\_\_; (ii) requires New Operator to maintain the same case-mix and/or census of any

Facility, as was maintained by Seller during its period of operation of the Facility, for any period of time after Closing; (iii) requires that New Operator operate any Facility in a manner that is more burdensome than is currently required under Applicable Laws, including without limitation, any such condition or requirement that New Operator operate the Facility with staffing or NHPPD requirements in excess of the minimum levels required by Applicable Laws; and (iv) requires the appointment and installation of a compliance monitor to monitor the Facilities compliance history for any period of time after Closing.

(f) Board Approval. The board of directors of Seller shall have approved Seller entering into this Agreement and closing the transactions contemplated hereunder.

SECTION 6.04. Frustration of Closing Conditions. Neither any Purchaser nor Seller may rely on the failure of any condition set forth in this Article VI to be satisfied if such failure was caused by such party's failure to act in good faith or to use its reasonable efforts to cause the Closing to occur, as required by Section 5.05.

## ARTICLE VII TERMINATION, AMENDMENT AND WAIVER

### SECTION 7.01. Termination.

(a) Notwithstanding anything to the contrary in this Agreement, this Agreement may be terminated and the Acquisition and the other transactions contemplated by this Agreement abandoned at any time prior to any Closing:

(i) by the mutual written consent of Seller and Purchasers;

(ii) by Seller if any of the conditions set forth in Sections 6.01 or 6.03 shall have become incapable of fulfillment, and shall not have been waived by Seller, so long as none of Seller is then in material breach of any of its representations, warranties, covenants or agreements contained in this Agreement;

(iii) by Purchasers if any of the conditions set forth in Sections 6.01 or 6.02 shall have become incapable of fulfillment, and shall not have been waived by Purchasers, so long as none of the Purchasers is then in material breach of any of its representations, warranties, covenants or agreements contained in this Agreement;

(iv) by Purchasers pursuant to the terms and provisions of Sections 2.04, 2.05 or 2.09;

(v) by Purchasers if any action or inaction on the part of Seller renders Seller unable to deliver good, valid and marketable title to any of the Acquired Assets to the applicable Purchasers and/or New Operators; and

(vi) by Purchasers if any action or notification of an intended action by any state or federal agency adversely affects any Facility's Licenses or Medicare or Medi-Cal provider agreement(s);

provided, however, that the party seeking termination pursuant to clause (ii) or (iii) is not then in material breach of any of its representations, warranties, covenants or agreements contained in this Agreement.

(b) In the event of termination by Seller or Purchasers pursuant to this Section 7.01, written notice thereof shall forthwith be given to the other and the transactions contemplated by this Agreement shall be terminated, without further action by any party. If the transactions contemplated by this Agreement are terminated as provided herein:

(i) The Purchasers shall return all documents and other material received from Seller relating to the transactions contemplated hereby, whether so obtained before or after the execution hereof, to Seller; and

(ii) all confidential information received by any of the Purchasers with respect to the Business shall be treated in accordance with Section 5.04 of this Agreement, which provisions shall remain in full force and effect notwithstanding the termination of this Agreement.

SECTION 7.02. Effect of Termination. If this Agreement is terminated and the transactions contemplated hereby are abandoned as described in Section 7.01, this Agreement shall become null and void and of no further force and effect, except for the provisions of (i) Section 2.05 (e) relating to the obligations of Purchasers to indemnify Seller, (ii) Section 5.04 relating to the obligation of Purchasers to keep confidential certain information and data obtained by it from Seller, (iii) Sections 5.05 and 9.03 relating to certain expenses, (iv) Section 5.06 relating to finder's fees and broker's fees, (v) Section 7.01 and this Section 7.02 and (vi) Section 5.12 relating to publicity. Nothing in this Section 7.02(a) shall be deemed to release any party from any liability for any breach by such party of the terms and provisions of this Agreement or to impair the right of any party to compel specific performance by any other party of its obligations under this Agreement. If this Agreement is terminated in full pursuant to clauses (i), (ii) (for any reason other than a default by Purchasers), (iii), (iv), (v), or (vi) of Section 7.01(a), then the Deposit (less the Independent Consideration), plus all interest accrued thereon, shall be returned to Purchasers.

SECTION 7.03. Amendments and Waivers. This Agreement may not be amended except by an instrument in writing signed on behalf of each of the parties hereto. By an instrument in writing Purchasers, on the one hand, or Seller, on the other hand, may waive compliance by the other party with any term or provision of this Agreement that such other party was or is obligated to comply with or perform.

## ARTICLE VIII INDEMNIFICATION

### SECTION 8.01. Indemnification by Seller

(a) Seller shall indemnify, defend and protect each Purchaser, each New Operator and their respective affiliates and their respective officers, directors, employees, stockholders, members, managers, partners, agents, attorneys and representatives (collectively, the "Purchaser Indemnified Parties") against, and hold them harmless from, any loss, liability, claim, damage or expense (including reasonable legal fees and expenses) (collectively, the "Losses"), as incurred

(payable promptly upon written request), arising from, in connection with or otherwise with respect to:

(i) any breach of any representation or warranty of Seller that is contained in this Agreement, in any Ancillary Agreement or in any document delivered in connection herewith or therewith (it being agreed and acknowledged by the parties that for purposes of each Purchaser's and New Operator's right to indemnification pursuant to this Section 8.01 the representations and warranties of Seller shall be deemed not qualified by any references therein to materiality generally or to whether or not any breach results or may result in Seller Material Adverse Effect);

(ii) any breach of any covenants of Seller contained in this Agreement, in any Ancillary Agreement or in any document delivered in connection herewith or therewith;

(iii) any Excluded Liability;

(iv) any fees, expenses or other payments incurred or owed by or claimed through Seller to any brokers, financial advisors or comparable other persons retained or employed by Seller in connection with the transactions contemplated by this Agreement or by any Ancillary Agreement, including, without limitation, any fees payable to the Broker in connection with the Closing; and

(v) any out-of-pocket expenses incurred by Purchaser or New Operator (including, without limitation, fees payable to any third-party consultants or professionals that Purchaser or New Operator deem reasonably necessary or appropriate, to restore any Facility into substantial compliance to the extent any Facility was Out of Compliance (hereinafter defined) as of the Closing Date), any applicable fines, penalties, damages and lost revenue arising either as a result of (i) Purchaser and New Operators electing to close notwithstanding a Facility having been Out of Compliance, or (ii) any Facility being Out of Compliance after the Closing as a result of acts, omissions or occurrences occurring prior to the Closing Date. "Out of Compliance" means (A) a finding by a Governmental Entity of one or more deficiencies at any Facility at a "level G" or above in either (x) its most recent standard or complaint survey that has not found to have been corrected such that such Facility is found to be in "substantial compliance" with applicable Health Care Requirements by the applicable Governmental Entity or (y) any prior survey that includes a finding which requires a resurvey which resurvey has not taken place with a finding that the applicable Facility was in substantial compliance; (B) a finding by a Governmental Entity that any Facility has deficiencies that have caused or are likely to cause serious harm, injury, impairment or death if not immediately rectified to resident health and safety that has not found to have been corrected by the applicable Governmental Entity; (C) a recommendation by a Health Care Authority to the Centers for Medicare and Medicaid Services ("CMS") or other Governmental Entity for the imposition against any Facility of civil monetary penalties, or the imposition of same by CMS; and/or (D) a denial of any Facility's right to admit patients or to receive Medicare or Medi-Cal payments or reimbursements for existing patients or for new admissions, at any Facility; and

(vi) any claim by any Governmental Entity, third party payor, RAC audit, ZPIC audit, or any claim of recapture by the Centers for Medicare and Medicaid Services, the U.S. Office of

Inspector General or any other Governmental Entity with respect to an alleged Medicare or Medi-Cal overpayment for periods relating prior to the Closing Date, including, without limitation, with respect to any Stimulus/Relief Funds received by any of Seller.

(b) Except as otherwise specifically provided in this Agreement, in any Ancillary Agreement or in any document delivered in connection herewith or therewith, each Purchaser acknowledges that its sole and exclusive monetary remedy after the Closing with respect to any and all claims relating to this Agreement, the Ancillary Agreements, any documents delivered in connection herewith or therewith, the Acquisition and the other transactions contemplated hereby and thereby (other than claims of, or causes of action arising from, fraud) shall be pursuant to the indemnification provisions set forth in this Article VIII.

#### SECTION 8.02. Indemnification by Purchasers and New Operator.

(a) Each Purchaser, jointly and severally, shall indemnify, defend and protect Seller, its affiliates, officers, directors, employees, stockholders, members, managers, partners, agents, attorneys and representatives against, and agrees to hold them harmless from, any Loss, as incurred (payable promptly upon written request), for or on account of or arising from or in connection with or otherwise with respect to (i) any breach of any representation or warranty of any Purchaser contained in any Transaction Document or in any document delivered in connection herewith or therewith, (ii) any breach of any covenants of any Purchaser contained in this Agreement, in any Ancillary Agreement or in any document delivered in connection herewith or therewith, or (iii) any fees, expenses or other payments incurred or owed by Purchaser to any brokers, financial advisors or other comparable persons retained or employed by it in connection with the transactions contemplated by this Agreement or by any Ancillary Agreement, other than any fees payable to the Broker in connection with the Closing.

(b) Each New Operator, jointly and severally, shall indemnify, defend and protect Seller, its affiliates, officers, directors, employees, stockholders, members, managers, partners, agents, attorneys and representatives against, and agrees to hold them harmless from, any Loss, as incurred (payable promptly upon written request), for or on account of or arising from or in connection with or otherwise with respect to (i) any breach of any representation or warranty of New Operator contained in any Transaction Document or in any document delivered in connection herewith or therewith, (ii) any breach of any covenants of the New Operator contained in this Agreement, in any Ancillary Agreement or in any document delivered in connection herewith or therewith, (iii) any fees, expenses or other payments incurred or owed by the New Operator to any brokers, financial advisors or other comparable persons retained or employed by it in connection with the transactions contemplated by this Agreement or by any Ancillary Agreement, other than any fees payable to the Broker in connection with the Closing and (iv) any Assumed Liability.

SECTION 8.03. Calculation of Losses. The amount of any Loss for which indemnification is provided under this Article VIII shall be net of any amounts actually recovered by the indemnified party under insurance policies with respect to such Loss and shall be increased to take account of any Tax cost incurred by the indemnified party arising from the receipt of indemnity payments hereunder.

SECTION 8.04. Termination of Indemnification. The obligations to indemnify and hold harmless any party, (i) pursuant to Section 8.01(a)(i) or 8.02(i), shall terminate when the applicable representation or warranty terminates pursuant to Section 8.06 and (ii) pursuant to the other clauses of Sections 8.01 and 8.02 shall not terminate; provided, however, that, with respect to clause (i), such obligations to indemnify and hold harmless shall not terminate with respect to any item as to which the person to be indemnified shall have, before the expiration of the applicable period, previously made a claim by delivering a notice of such claim pursuant to Section 8.05 to the party to be providing the indemnification.

SECTION 8.05. Procedures.

(a) Third Party Claims. In order for a party (the “indemnified party”) to be entitled to any indemnification provided for under this Agreement in respect of, arising out of or involving a claim made by any person against the indemnified party (a “Third Party Claim”), such indemnified party must notify the indemnifying party in writing of the Third Party Claim with reasonable promptness following receipt by such indemnified party of written notice of the Third Party Claim; provided, however, that failure to give such notification shall not affect the indemnification provided hereunder except to the extent the indemnifying party shall have been actually and materially prejudiced as a result of such failure. Thereafter, the indemnified party shall deliver to the indemnifying party, with reasonable promptness following the indemnified party’s receipt thereof, copies of all notices and documents (including court papers) received by the indemnified party relating to the Third Party Claim.

(b) Assumption. If a Third Party Claim is made against an indemnified party, the indemnifying party shall be entitled to participate in the defense thereof and, if it so chooses, to assume the defense thereof with counsel selected by the indemnifying party; provided, however, that such counsel is reasonably satisfactory to the indemnified party. If the indemnifying party so elects to assume the defense of a Third Party Claim, the indemnifying party shall not be liable to the indemnified party for any legal expenses subsequently incurred by the indemnified party in connection with the defense thereof. If the indemnifying party assumes such defense, the indemnified party shall have the right to participate in the defense thereof and to employ counsel, at its own expense, separate from the counsel employed by the indemnifying party, it being understood that the indemnifying party shall control such defense. The indemnifying party shall be liable for the fees and expenses of counsel employed by the indemnified party for any period during which the indemnifying party has not assumed the defense thereof. If the indemnifying party chooses to defend or prosecute a Third Party Claim, all the indemnified parties shall cooperate in the defense or prosecution thereof. Such cooperation shall include the retention and (upon the indemnifying party’s request) the provision to the indemnifying party of records and information that are reasonably relevant to such Third Party Claim, and making employees available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder. Whether or not the indemnifying party assumes the defense of a Third Party Claim, the indemnified party shall not admit any liability with respect to, or settle, compromise or discharge, such Third Party Claim without the indemnifying party’s prior written consent (which consent shall not be unreasonably withheld, conditioned or delayed). If the indemnifying party assumes the defense of a Third Party Claim, the indemnified party shall agree to any settlement, compromise or discharge of such Third Party Claim that the indemnifying party may recommend and that by its terms obligates the indemnifying party to pay the full

amount of the liability in connection with such Third Party Claim, which releases the indemnified party completely in connection with such Third Party Claim and that would not otherwise adversely affect the indemnified party. The assumption by an indemnifying party of a Third Party Claim shall conclusively establish that such Third Party Claim is within the scope of and subject to indemnification hereunder. Notwithstanding the foregoing, the indemnifying party shall not be entitled to assume the defense of any Third Party Claim (and shall be liable for the reasonable fees and expenses of counsel incurred by the indemnified party in defending such Third Party Claim) if (i) the Third Party Claim seeks an order, injunction or other equitable relief or relief for other than money damages against the indemnified party or (ii) the indemnifying party is also a person against whom the Third Party Claim is made and the indemnified party determines in good faith that joint representation would be inappropriate.

(c) Other Claims. In the event any indemnified party has a claim against any indemnifying party under Section 8.01 or 8.02 that does not involve a Third Party Claim being asserted against or sought to be collected from such indemnified party, the indemnified party shall deliver notice of such claim with reasonable promptness to the indemnifying party. Subject to Sections 8.04 and 8.06, the failure by any indemnified party so to notify the indemnifying party shall not relieve the indemnifying party from any liability that it may have to such indemnified party under Section 8.01 or 8.02, except to the extent that the indemnifying party demonstrates that it has been materially prejudiced by such failure. If the indemnifying party does not notify the indemnified party within ten (10) calendar days following its receipt of such notice that the indemnifying party disputes its liability to the indemnified party under Section 8.01 or 8.02, such claim specified by the indemnified party in such notice shall be conclusively deemed a liability of the indemnifying party under Section 8.01 or 8.02 and the indemnifying party shall pay the amount of such liability to the indemnified party on demand or, in the case of any notice in which the amount of the claim (or any portion thereof) is estimated, on such later date when the amount of such claim (or such portion thereof) becomes finally determined.

(d) Escrow Funds. All claims for Losses for which indemnification of Purchaser or New Operator is provided under this Section 8 shall be made first against the Escrow Funds under the terms of the Escrow Indemnity Agreement. On the date that that is twelve (12) months after the Closing Date (the "First Release Date"), ~~\$250,000.00~~166,666.67 of the Escrow Funds shall be released to Seller, less (x) the amount of any disbursements made to any Purchaser and/or any New Operator from the Escrow Funds in accordance with this Agreement and the Escrow Indemnity Agreement, and (y) the amount of any outstanding unresolved claims that were made by any Purchaser and/or any New Operator on or before the First Release Date; provided, however, (1) no such release shall cause the Escrow Funds on deposit with Escrow Agent to be less than ~~\$250,000.00~~333,333.33 and (2) if the Escrow Funds on deposit remaining with Escrow Agent as of the First Release Date are less than ~~\$250,000.00~~333,333.33, then no Escrow Funds shall be released to Seller on the First Release Date. On the ~~see date that that is~~ twenty-four (24) months after the Closing Date (the "Second Release Date"), \$166,666.67 of the Escrow Funds shall be released to Seller, less (x) the amount of any disbursements made to any Purchaser and/or any New Operator from the Escrow Funds in accordance with this Agreement and the Escrow Indemnity Agreement, and (y) the amount of any outstanding unresolved claims that were made by any Purchaser and/or any New Operator on or before the Second Release Date; provided, however, (1) no such release shall cause the Escrow Funds on deposit with

Escrow Agent to be less than \$166,666.66 and (2) if the Escrow Funds on deposit remaining with Escrow Agent as of the Second Release Date are less than \$166,666.66, then no Escrow Funds shall be released to Seller on the Second Release Date. On the third anniversary of the Closing Date (the “Final Release Date”), the balance of the Escrow Fund then on deposit with Escrow Agent shall be released to the Seller, less the amount of outstanding unresolved claims by any Purchaser and/or any New Operator on or before the Final Release Date, which amounts shall be retained by the Escrow Agent to be held and invested by it under the terms of Escrow Indemnity Agreement until such claims are finally resolved and then disbursed in accordance with the terms of the Escrow Indemnity Agreement.

(e) Parent Guaranty. On the Closing Date, \_\_\_\_\_, a <sup>3</sup> (“Eskaton Guarantor”) shall execute and deliver to Purchasers and New Operators a guaranty, substantially in the form of Exhibit J attached hereto (the “Eskaton Guaranty”), pursuant to which Eskaton Guarantor shall guaranty any indemnified Losses in favor of any of the Purchaser Indemnified Parties in excess of the amount of the Escrow Funds then on deposit with Escrow Agent.

(f) ~~(e)~~ Straddle Claims. Notwithstanding the foregoing, to the extent that any claim, matter, circumstance, event or occurrence exists both prior to, and after the Closing Date, such that any New Operator is entitled to indemnification from Seller for Losses attributable to periods prior to the Closing Date, and Seller is entitled to indemnification from any New Operator for Losses attributable to periods on and after the Closing Date (each such claim, a “Straddle Claim”), the respective indemnification obligations of the parties with respect to all such Straddle Claims shall be equitably apportioned between such New Operator on one hand, and the Seller, on the other hand, based on: 1) on comparative fault based on the facts of the case, to the extent determinable, and 2) if the comparative fault cannot be reasonably determined, on the respective lengths of time, comparative opportunity to correct or prevent such matter, circumstance, event or occurrence, regardless of whether or not such Straddle Claim also gives rise to a breach of any of the representations and warranties made by any of the parties hereunder. In the event of a Straddle Claim, the parties will meet and confer in a good faith effort to resolve the dispute and the equitable apportionment between the parties.

(g) ~~(f)~~ Survival. The indemnification obligations of the parties under this Article VIII shall survive the Closing.

#### SECTION 8.06. Survival of Representations and Covenants.

(a) The representations, warranties, covenants and agreements contained in this Agreement and in any document delivered in connection herewith shall survive the Closing solely for purposes of this Article VIII as follows: (i) all representations and warranties of Seller (other than the representations and warranties under Section 3.01, 3.02, 3.03, 3.05, 3.09, 3.12, 3.14, 3.17, 3.18, 3.19, or 3.22 (collectively, the “Fundamental/Operational Representations”)) shall survive for one (1) year following the Closing; (ii) The Fundamental/Operational

<sup>3</sup> Need parent company guarantor in addition to Seller

Representations shall survive for two (2) years after the Closing; and (iii) claims for fraud shall survive for the applicable statute of limitations period.

## ARTICLE IX GENERAL PROVISIONS

SECTION 9.01. Assignment. This Agreement and the rights and obligations hereunder shall not be assignable or transferable by any Purchaser, any New Operator or Seller (including by operation of law in connection with a merger or consolidation of any Purchaser, any New Operator or Seller) without the prior written consent of the other parties hereto, which consent, may be withheld in its sole and absolute discretion. Notwithstanding the foregoing, each Purchaser may without having to obtain the prior written consent of Seller (a) assign its rights hereunder, including its right to purchase the Acquired Assets or any portion thereof, or delegate the performance of any of its obligations hereunder, to one or more subsidiaries or affiliates of such Purchaser or any corporation, partnership, limited liability company, business trust or other entity owned, managed or controlled by, directly or indirectly, Abraham Bak and/or Menachem Gastwirth, (b) assign its rights hereunder by way of security and such secured party may assign such rights by way of exercise of remedies, and (c) assign its rights to indemnity, in whole or in part, to any purchaser of all or any portion of the Business or to a New Operator. The payment of such expenses is in addition to any other relief to which such other party may be entitled.

clause (i), (iii) or (iv) herein, (B) in the case of (iii) above, notice shall be deemed received one (1) business day after deposit with such nationally recognized overnight courier service, and (C) in the case of (iv) above, notice shall be deemed received five (5) business days after deposit with the United States mail. For the avoidance of doubt, Additional Stimulus/Relief Funds shall exclude PPP, AAP (as each such term is defined below), and any Additional Stimulus/Relief Funds received directly by New Operator.

SECTION 1.04. Consents of Third Parties.

(a) Notwithstanding anything in this Agreement to the contrary, this Agreement shall not constitute an agreement to assign any asset or any claim or right or any benefit arising under or resulting from such asset if an attempted assignment thereof, without the consent of a third party, would constitute a breach or other contravention of the rights of such third party, would be ineffective with respect to any party to an agreement concerning such asset, or would in any way adversely affect the rights of Seller or, upon transfer, Purchasers or New Operator (or any of their respective subsidiaries or assigns) in connection with such asset. If any transfer or assignment by Seller to, or any assumption by any Purchaser or the New Operator (or any of their respective subsidiaries or assigns) of, any interest in, or liability, obligation or commitment in connection with, any asset requires the consent of a third party, then such assignment or assumption shall be conditioned upon consent being obtained.

(b) If any such consent is not obtained prior to the Closing, Seller and the applicable Purchaser or New Operator shall cooperate (at their own expense) in any lawful and reasonable arrangement reasonably proposed by such Purchaser or New Operator under which such Purchaser or New Operator (or its subsidiaries or affiliates or assigns) shall obtain the economic claims, rights and benefits in connection with the asset, claim or right with respect to which the consent has not been obtained in accordance with this Agreement. Such reasonable arrangement may include (i) the subcontracting, sublicensing or subleasing to such Purchaser or New Operator (or its subsidiaries or affiliates or assigns) of any and all rights of Seller against the other party to such third-party agreement arising out of a breach or cancellation thereof by the other party, and (ii) the enforcement by Seller of such rights. To the extent, and only to the extent, the applicable Purchaser or New Operator (or its subsidiaries or affiliates or assigns) receives the economic claims, rights and benefits under such asset, such Purchaser or New Operator shall be responsible for the Assumed Liabilities, if any, arising under such asset.

(c) Seller shall pay on or before the Closing all transfer costs and expenses charged or incurred by third parties whose consents are required for Seller to transfer any Acquired Assets or Assigned Contracts to Purchaser, including, but not limited to the transfer charges set forth on Schedule 1.04(c) attached hereto (collectively, the “Transfer Costs”).

Seller acknowledges that Purchasers, as of the Effective Date of this Agreement, have selected Cyprus Health Care (“Cypress”) to take over the operations of the Facilities from Seller on the Closing Date through one or more subsidiaries or affiliates of Cypress (each, a “New Operator”, and collectively, the “New Operators”). Purchaser shall cause New Operator to execute and deliver to Seller, a Joinder Agreement in the form attached hereto as Exhibit I.

The closing of the Acquisition of the Acquired Assets with respect to any of the Facilities (each, a “Closing” and the date on which a Closing occurs shall be referred to as the “Closing Date”) shall take place on the last day of the month that is at least fifteen (15) days after the date that Seller has received the written approval of the Attorney General of the State of California (the “Attorney General”) to the closing of the transactions contemplated under this Agreement (the “Attorney General Approval”), but only following the satisfaction (or, to the extent permitted, the waiver) of the conditions set forth in Section 6.01, or, if on such day any condition set forth in Section 6.02 or 6.03 has not been satisfied (or, to the extent permitted, waived by the party entitled to the benefit thereof), as soon as practicable after all the conditions set forth in Article VI have been satisfied (or, to the extent permitted, waived by the parties entitled to the benefits thereof), or at such other place, time and date as shall be agreed to in writing between Seller and Purchasers, but in no case later than September 30, 2023 (the “Outside Closing Date”); provided, however, if the Closing has not occurred as of the Outside Closing Date because the receipt of the Attorney General Approval is still pending as of such date, then the Outside Closing Date shall continue to be extended for additional periods of thirty (30) days each, as necessary, so long as Seller, Purchaser and New Operators are diligently pursuing obtaining the Attorney General Approval and the Attorney General Approval has not been denied by the Attorney General.

### SECTION 2.02. Earnest Money.

(a) Purchasers has deposited the Initial Deposit with Escrow Agent. The Initial Deposit and the Additional Deposit, less the Independent Consideration, together with accrued interests thereon, are collectively referred to herein as, the “Deposit”. Upon the Closing, the Deposit shall be released by Escrow Agent to Seller and applied towards the Purchase Price. As used herein, “Escrow Agent” shall mean Paul Avila of Fidelity National Title Insurance Company (“Escrow Agent”), 8525 Madison Avenue, Suite 110, Fair Oaks, CA 95628, telephone 916-646-6057, pavila@fnf.com.

(b) If this Agreement does not terminate on or before the Real Estate Due Diligence Period pursuant to Section 2.04 below, then the Deposit shall become non-refundable, except as otherwise expressly provided in this Agreement. The Deposit, and all components thereof as and when deposited with Escrow Agent, shall be held in an interest-bearing account and all interest thereon shall accrue to the benefit of Purchaser. If Purchasers terminate this Agreement on or before the Operations Due Diligence Period Expiration Date or the Real Estate Due Diligence Period Expiration Date, then the Deposit (less the Independent Consideration) shall be returned to Purchasers, and neither Seller, nor Purchasers shall have any further rights or obligations hereunder, except as otherwise expressly provided herein.

(c) In the event this Agreement is terminated as a result of (i) the failure to satisfy any condition contained in Sections 6.01, 6.02 or 6.03; or (iii) the termination of this Agreement in accordance with Section 2.09 (Risk of Loss), Section 2.05(b) or (c) (Title and Environmental Review), or Section 2.04 (Due Diligence), then the Escrow Agent shall pay the Deposit (less the Independent Consideration), to the Purchaser, and neither Seller nor Purchasers shall have any further rights or obligations hereunder, except as otherwise expressly provided herein.

(d) Notwithstanding anything to the contrary, if the Closing fails to occur due to the Attorney General Approval being denied either due to a rejection of the Purchasers and/or the New Operator by the Attorney General and/or the Attorney General imposing such conditions on its approval that are unacceptable to Purchasers (in its reasonable determination), then upon termination of this Agreement by Purchasers, a portion of the Deposit in the amount of \$250,000.00 shall be released to Seller and the balance of the Deposit (plus all accrued interest thereon) shall be returned to Purchasers.

(e) ~~Notwithstanding anything to the contrary herein, in~~ Seller shall not be in default of this Agreement, unless Seller shall fail to cure any breach of the terms of this Agreement following ten (10) days' written notice thereof from Purchasers and the New Operator. In the event of a breach or default under this Agreement by Seller prior to Closing, the Purchaser's sole and exclusive remedies solely shall be to either (i) terminate this Agreement in accordance with the terms and provisions of Section 7.01, in which case, the Deposit, plus all accrued interest thereon, shall be returned to Purchaser, and Purchaser may recover from Seller damages for Purchaser's actual out-of-pocket transaction costs and expenses incurred by Purchaser in connection with this Agreement and its due diligence of the Acquired Assets (including, without limitation, its attorneys' fees) in an amount not to exceed \$125,100,000 or (ii) Purchaser shall have the right to bring an action for specific performance of this Agreement within ninety (90) days after the breach; provided, however, if the nature of the breach or default by Seller causes specific performance to not be available to Purchaser, then Purchaser shall have all rights and remedies under law and equity in connection with such breach or default by Seller and the limitations of remedies and liability of Seller under this Section 2.02(e) shall be of no further force and effect.

(f) Notwithstanding anything to the contrary herein, in the event of a default by any Purchaser in performing any obligation on any Purchaser's part to be performed under this Agreement prior to Closing, including, without limitation, to pay the cash portion of the Purchase Price due at such Closing, or in any other provision hereof which would entitle Seller to cancel this Agreement, Seller's sole and exclusive remedy shall be to terminate this Agreement, in which case, Seller shall be entitled to retain the Deposit as damages and not as a penalty, and upon such retention this Agreement shall be deemed null and void and neither party hereto shall have any obligations to or rights against the other hereunder, except for any Agreements or provisions hereof which are specifically provided herein to survive any cancellation or termination of this Agreement. **SELLER AND PURCHASERS AGREES THAT IT WOULD BE IMPRACTICAL AND EXTREMELY DIFFICULT TO ESTIMATE THE DAMAGES WHICH SELLER MAY SUFFER UPON SUCH A PURCHASER DEFAULT AND THAT THE DEPOSIT REPRESENTS A REASONABLE ESTIMATE OF THE TOTAL NET DETRIMENT THAT SELLER WOULD SUFFER UPON SUCH A PURCHASER DEFAULT. SUCH LIQUIDATED AND AGREES DAMAGES ARE NOT INTENDED AS A FORFEITURE OR A PENALTY WITHIN THE MEANING OF APPLICABLE LAWS**

**AND REGULATIONS. THE LIQUIDATED DAMAGE PROVISIONS SHALL NOT BE APPLICABLE TO (i) ANY INDEMNIFICATION OBLIGATION PURCHASERS MAY HAVE UNDER THIS AGREEMENT AND (ii) TO THE AWARD OF ATTORNEY'S FEES PURSUANT TO SECTION 9.03.**

SECTION 2.03. Documents and Information. Seller warrants and represents to the Purchasers and to New Operators that to Seller's knowledge, Seller has provided true, correct, and complete copies of all of the information, materials and documents described on Schedule 2.03 (collectively, the "Documents and Information"), on or before the execution and delivery of this Agreement. Seller does not warrant or represent as to the accuracy or completeness of the information, materials and documents, or as to the possible existence of any additional information, materials or documents which may be material to Purchasers' decision to purchase the Acquired Assets, except as to any information materials and documents prepared by Seller. Seller shall promptly deliver to Purchaser any other documents and information reasonably requested by Purchaser between the Effective Date and the Closing Date.

SECTION 2.04. Purchaser Due Diligence Period. Seller and Purchasers hereby acknowledge that Purchasers may terminate this Agreement, for any reason or no reason at all, at any time prior to 5:00 p.m. Pacific time on the date that is seven (7) business days after Purchasers' receipt of all of the Required Operations Due Diligence Materials (as defined below) (the "Operations Due Diligence Period Expiration Date"), by providing written notice of termination to Seller and Escrow Agent prior to the Operations Due Diligence Period Expiration Date. Seller and Purchasers hereby acknowledge that Purchasers may terminate this Agreement, for any reason or no reason at all, at any time prior to 5:00 p.m. Pacific time on the date that is thirty (30) days after the Effective Date (the "Real Estate Due Diligence Period Expiration Date"), by providing written notice of termination to Seller and Escrow Agent prior to the Real Estate Due Diligence Period Expiration Date; provided, however, Purchasers may not terminate this Agreement after the Operations Due Diligence Period Expiration Date and prior to the Real Estate Due Diligence Period Expiration due to any matters disclosed in the Required Operations Due Diligence Materials. If Purchaser terminates this Agreement in accordance with this Section 2.04, then this Agreement shall automatically terminate, the Deposit plus all accrued interest thereon shall be returned to Purchaser, and the parties shall thereafter be released from all further obligations under this Agreement, except those specifically provided herein to survive the termination of this Agreement. As used herein, "Required Operations Due Diligence Materials" means all of the items and materials identified in Schedule 2.04 attached hereto.

SECTION 2.05. Title, Environmental Review and Physical Review.

(a) Within seven (7) days after the Effective Date, Seller shall provide to Purchaser a copy of all currently effective title insurance policies and commitments and plats and land surveys ("ALTA Surveys") in its possession that relate to the Facilities and each of the real property on which each Facility is located (collectively, the "Real Property"). Any new ALTA Survey or any existing

ALTA Surveys updates (each, a “New Survey”) required by any Purchaser or any Purchaser’s lender shall be at such Purchaser’s sole cost and expense.

(b) Purchaser will use its commercially reasonable efforts to obtain as soon as practical, a preliminary report on title for each Facility, issued by Fidelity National Title Insurance Company (“Title Company”), which shall contain a commitment (each, a “Title Report”) of the Title Company to issue to the applicable Purchaser an owner’s policy of title insurance (each, a “Title Policy”) insuring the fee simple interest of such Purchaser in the applicable Facility. Each Title Report shall be delivered with legible copies of all recorded exceptions to title referred to therein to the extent reasonably available (the “Exception Documents”). Each Title Policy shall be in an amount equal to the amount of the Purchase Price allocated to such Facility. Seller will use their commercially reasonable efforts to cause all standard exceptions to be deleted from the policies at the Closing, including without limitation, executing Seller’s affidavits, gap indemnities and the like. The Purchasers shall have from the Effective Date until 5:00 p.m. Pacific Time on the Real Estate Due Diligence Period Expiration Date (the “Title Review Period”) to approve or disapprove in writing each Title Report, the ALTA Surveys and any New Survey with respect to the Facilities, with any such notice of disapproval specifying the Exception Documents or other matters to which the Purchasers object. The failure of any Purchaser to disapprove any lien or other matter reflected in any Title Report within the Title Review Period shall be deemed approved by the applicable Purchaser(s). Notwithstanding the foregoing, no Purchaser shall have the right to disapprove any of the following, all of which shall be deemed to be Permitted Liens hereunder: (A) matters created or consented to by any Purchaser, and (B) the Assumed Liabilities. All monetary liens on each of the Real Property and each Facility (other than for taxes and assessments not yet due and payable) shall be removed by the applicable Seller, at its sole cost and expense, prior to the Closing. If any Purchaser disapproves any lien or other matter reflected in any Title Report prior to the expiration of the Title Review Period, Seller shall have five (5) Business Days from the date of such disapproval in which to advise such Purchaser whether or not Seller is prepared to cure the same prior to the Closing, which decision shall be made by Seller in its sole and absolute discretion (which cure may be effected by payment and discharge of the objectionable item or by causing the Title Company to remove the same as an exception or affirmatively insure over such item) and in the event Seller shall fail or refuse to do so within said five (5) Business Day period, such Purchaser shall have five (5) Business Days thereafter in which to advise Seller in writing of such Purchaser’s election (x) to waive the matters to which Purchaser objected and which Seller is not prepared to cure and to proceed to Closing or (y) to either (i) terminate this Agreement in full, in which event the Deposit (less the Independent Consideration) shall be returned to Purchasers, or (ii) terminate this Agreement with respect to the Real Property housing the Facility to which a Purchaser made an objection that Seller is unable or unwilling to cure, in which case the Purchase Price shall be reduced by an amount equal to the Allocated Value (as defined below) for the Facility in which this Agreement is being terminated.

If, after the Title Review Period, the Title Company issues any amendment, supplement or modification to a Title Report (each a, “Supplemental Commitment”) with respect to any of the Real Property showing a lien or encumbrance against any Real Property that was not listed in any Title Report or any prior Supplemental Commitment (each a “New Title Matter”), then the applicable Purchaser may object to such New Title Matter by delivering written notice to Seller within five (5) days after such Purchaser’s receipt of such Supplemental Commitment. If such Purchaser fails to so notify Seller in writing, then the New Title Matter shall be deemed a Permitted

Lien. Seller shall have until five (5) days from receipt of such Purchaser's notice to notify Purchaser whether Seller will, in Seller's sole discretion (except for any voluntary monetary liens securing financings created by Seller, which Seller covenants to cause to be removed at the Closing), attempt to cause the New Title Matter to be removed at or before the Closing. If Seller fails to so notify the applicable Purchaser, Seller shall be deemed to have declined to remove the New Title Matter. If Seller declines or is deemed to have declined to remove a New Title Matter, then such Purchaser shall have five (5) days following the date that Seller declines, or is deemed to have declined, to remove the New Title Matter ("Termination Deadline") in which to advise in writing of Purchaser's election (x) to waive the matters to which Purchaser objected and which Seller is not prepared to cure and to proceed to Closing or (y) to either (i) terminate this Agreement in full, in which event the Deposit (less the Independent Consideration), shall be returned to Purchasers, or (ii) terminate this Agreement with respect to the Real Property housing the applicable Facility, in which case the Purchase Price shall be reduced by an amount equal to the Allocated Value for the Facility in which this Agreement is being terminated. If such Purchaser does not terminate this Agreement (in full or in part) pursuant to the preceding sentence on or before the Termination Deadline, then the New Title Matter shall be deemed a Permitted Lien. The Closing Date shall be extended up to fifteen (15) days, if necessary, to accommodate the foregoing time periods.

As used herein, "Allocated Value" with respect to any Facility means the total amount of the Purchase Price allocated to such Facility under Section 5.19 of this Agreement.

(c) Seller shall, upon request and reasonable advance notice from any Purchaser, permit any Purchaser and its agents to conduct Phase I environmental assessments for any of the Facilities (the "Phase I"), and Seller shall make available for review and copy any previously prepared Phase I's or other environmental assessments in their possession conducted for any of the Facilities or any of the Real Property. No Purchaser shall take any core samples, install any monitoring wells, or undertake any other invasive tests or studies, or communicate with any government officials or agencies regarding Hazardous Substances without Seller's prior written consent (which may be withheld or conditioned by Seller in its reasonable discretion). Purchasers shall have until the Real Estate Due Diligence Period Expiration Date to approve or disapprove any Phase I in writing delivered to Seller. If any Phase I recommends that a Phase II be ordered, then such Phase II shall be obtained before such Purchaser is required to give the Environmental Notice (as defined below). Should any Purchaser disapprove any Phase I and/or related Phase II, such Purchaser shall notify Seller in writing of such disapproval at or prior to the Real Estate Due Diligence Period Expiration Date (the "Environmental Notice"). The failure of any Purchaser to deliver an Environmental Notice to Seller on or prior to the Real Estate Due Diligence Period Expiration Date shall be deemed approval by such Purchaser of the Phase I and Phase II (if applicable). If any Purchaser delivers an Environmental Notice to Seller before the Real Estate Due Diligence Period Expiration Date, then Purchasers shall have the right to terminate this Agreement in full, in which event the Deposit (less the Independent Consideration) shall be returned to Purchasers, and neither Seller nor Purchasers shall have any further rights or obligations hereunder, except as otherwise expressly provided herein.

(d) From the Effective Date until 5:00 p.m. Pacific time on the Real Estate Due Diligence Period Expiration Date, Seller shall, upon request and reasonable advance notice from

Purchasers, permit Purchasers and its authorized agents, employees, consultants, and representatives (“Purchasers’ Agents”) to conduct physical inspections of the Facilities, their component systems, and the furniture, fixtures and equipment located at the Facilities. Purchasers shall not conduct any invasive tests for studies at the Facilities in connection with their aforesaid inspections without Seller’s prior written consent (which may be withheld or conditioned by Seller in its reasonable discretion).

(e) Conditions to Entry. Purchasers’ and Purchasers’ Agents’ right of entry upon the Facilities shall be subject to, and Purchasers agree to perform, each of the following conditions:

(i) Purchasers shall pay all costs, expenses, liabilities and charges incurred by Purchasers and Purchasers’ Agents related to said entry.

(ii) Purchasers, at Purchasers’ sole cost, shall repair any and all damage or injury caused by Purchasers or Purchasers’ Agents in connection with any such inspection or entry (if any) and shall return the Facilities to the condition existing prior to such entry.

(iii) Any entry upon the Facilities shall be upon a minimum of forty-eight (48) hours’ written notice to Seller, and Seller shall have the right to accompany Purchasers and Purchasers’ Agents on any such entry upon the Facilities.

(iv) Purchasers shall keep the Facilities free and clear of all liens arising out of Purchasers’ and Purchasers’ Agents’ activities conducted upon the Facilities.

(v) Purchasers shall indemnify, defend and hold Seller and its agents, employees, consultants and representatives (“Seller’s Agents”) and the Facilities free and harmless of and from all costs, expenses, damages, claims, liabilities, reasonable attorneys’ fees and costs or charges arising out of, or in any way connected with, the entry upon the Facilities by Purchasers and Purchasers’ Agents; provided, however, that the foregoing indemnity and hold harmless obligation shall not extend to, and in no event shall Purchasers be liable to Seller and Seller’s Agents for, any (a) diminution in the market value of any of the Facilities and/or the Acquired Assets resulting from the information disclosed by any such investigation or tests, (b) the sole and active negligence or willful misconduct of Seller or any of the Seller’s Agents, or (c) pre-existing condition(s) on or about any Facility (except and to the extent such pre-existing condition(s) is/are exacerbated by Purchaser’s entry onto and investigation of any Facility).

(vi) Purchasers shall provide to Seller a certificate of liability insurance, with a combined single limit of liability not less than TWO MILLION DOLLARS (\$2,000,000.00), and with an endorsement reasonably acceptable to Seller attached to such certificate. Seller and Seller’s Agents shall be named as additional ~~insured~~insureds upon such insurance. Purchasers shall provide the certificate of such insurance with the additional insured endorsement prior to, and as a condition of, any such entry. The certificate of insurance: (i) shall require a minimum of thirty (30) days’ written notice prior to the cancellation, lapse or modification of the insurance policy; (ii) shall not include provisions which only require the insurer to "endeavor to" provide such notice to Seller; and (iii) shall not include provisions which purport to exculpate the insurer for its failure to provide such notice.

(vii) Prior to performing any environmental tests or studies on the Facilities beyond the scope of work generally performed in a Phase I study, Purchasers shall notify Seller in writing of the scope of work intended to be performed and shall provide Seller an opportunity to confer, either directly or through Seller's consultants, with Purchasers' environmental consultants in order to determine whether to permit any sampling or testing of surface or subsurface soils, surface water or ground water (and with respect thereto Seller shall have complete and absolute discretion to grant or withhold its consent) or to refine the scope of the work to be performed. All information derived from Purchasers' tests and test results shall, to the extent permissible under existing law, remain confidential and not to be disclosed to any party other than as is necessary in connection with the consummation of the transactions contemplated hereby or as is necessary to comply with any obligations Purchasers may have under applicable law. Seller shall be entitled to receive copies of all tests, test results, studies and reports together with the right as a party of interest, to be able to access the consultant's file information and work product in the event of future need subsequent to the Closing. Purchasers shall obtain all consultants' consent to the foregoing as a part of any retention agreement. Such Seller's rights shall survive the Closing and recording of the grant deed from Seller to Purchasers.

(f) No Other Warranties/"As Is" Purchase. Purchasers represent and warrant to Seller that: (i) Purchasers are experienced and sophisticated purchasers of properties such as the Facilities; (ii) Purchasers have (or prior to Closing, will have) inspected and examined all aspects of the Facilities and its current condition which Purchasers believes are relevant to Purchasers' decision to purchase the Facilities; (iii) Purchasers, as of the date of this Agreement, have (or prior to Closing, will have) satisfied itself as to all matters relating to the Facilities; (iv) Seller has (or prior to the Real Estate Due Diligence Period Expiration Date, will have) made available to Purchasers and Purchasers' representatives for their review and inspection all plans, drawings, reports and other documents with respect to the Facilities which Purchasers have requested; (v) except as contained in this Agreement, Seller is not making, has not made and expressly disclaims any representation or warranty, express or implied, that such documents delivered by Seller or made available for Purchasers' review and inspection constitute all of the documents and information in Seller's files relating to the Facilities; (vi) Seller is not making, has not made and expressly disclaims any representation, warranty, or other assurance whatsoever with respect to the Facilities or any condition or feature thereof, except as contained in this Agreement, including without limitation, any representation, warranty or assurance regarding the validity or accuracy of any documents delivered by Seller to Purchasers or made available for Purchasers' review and inspection, other than documents prepared by Seller; (vii) Purchasers shall verify the accuracy and reliability of such documents with the third parties who prepared the same; (viii) Purchasers are (or prior to the Closing, will be) fully acquainted with the nature and condition, in all respects, of the Facilities, including the existence or availability of all permits and approvals from governmental authorities and the soil and geology thereof, except as specifically represented and warranted by Seller in this Agreement, in purchasing the Facilities pursuant to this Agreement, Purchasers are relying solely on their own investigation and inspection of the Facilities, and that the Facilities will be conveyed to and accepted by Purchasers at Closing in its "AS IS, WITH ALL FAULTS BASIS" condition. Purchasers acknowledge and agree that, except as expressly set forth herein below: Seller has not made any representation or warranty, express or implied, written or oral, concerning the Facilities or any use to which the Facilities may or may not be put, except as contained in this Agreement; in purchasing the Facilities, Purchasers are not relying upon any representation made by any agent of Seller; and no agent had, or has, authority to make any

representation concerning the Facilities or any matter or condition relating thereto. Except as otherwise expressly set forth in this Agreement, Purchasers agree that from and after Closing, Purchasers shall conclusively be deemed to have accepted the Facilities in its then existing “AS IS, WITH ALL FAULTS BASIS” condition, without representation and warranty of any kind except as expressly set forth herein, and with all faults and problems of any kind or nature whatsoever that may then exist, whether the same are of a legal nature, a physical nature or otherwise, including, without limitation, the presence of any hazardous substances that may be located on, under or around the Facilities, and any faults and/or problems that could have been discovered by Purchasers prior to entering into this Agreement, whether or not the same had actually been discovered at that time, it being expressly agreed that Purchasers assume all responsibility for such faults and conditions.

As of the Closing, Purchasers hereby expressly waive and forever release any and all rights, claims and actions that Purchasers may now have or hereafter acquire against Seller arising from or related to the Facilities (collectively, the “Released Claims”); provided, however, that such waiver and release shall not apply to any claims of Purchasers and/or New Operators for any claims for breaches of any express representations, warranties, covenants and other obligations of Seller under this Agreement and/or any of the Ancillary Agreements (including, without limitation, the MOTAs (as defined below), including, without limitation, any claims for Losses of any Purchaser Indemnified Parties (as each such term is defined below) under Article VIII of this Agreement (collectively, “Surviving Claims”). The Released Claims shall not include any items covered by Seller’s express representations and warranties contained in Article III hereof. Under no circumstances shall the Released Claims be deemed or construed to include any Surviving Claims. ~~\*\*\*NTD: Deleted provision is covered in the “As-Is” disclaimer. To the extent any of these items are covered by express reps and warranties in this Agreement, then they would be Surviving Claims and not Released Claims.\*\*\*~~ This release applies to all described rights, claims and actions (specifically excluding any Surviving Claims), whether known or unknown, foreseen or unforeseen, present or future. Purchasers specifically waive application of California Civil Code Section 1542, which provides as follows:

A general release does not extend to claims which the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor or released party.

The MOTA shall be entered into on or before the Closing Date, but shall only be effective as of the Closing Date.

(c) Any provision in this Agreement that requires an affirmative action by any New Operator shall be deemed incorporated by reference into the MOTA executed by such New Operator with respect to the Facility to be operated by such New Operator on and after the Closing Date.

(d) Each New Operator shall be a third party beneficiary of this Agreement and Seller expressly acknowledges and agrees that all warranties and representations made by Seller hereunder in favor of Purchaser, are made for the benefit of each New Operator.

(e) Each New Operator shall further be entitled to indemnity rights under Article VIII of this Agreement, provided, however, in no event shall Seller be required to pay both Purchaser and New Operator for the same Losses pursuant to the indemnification obligations of Seller hereunder.

SECTION 5.24. Survey Deficiencies and Out of Compliance Issues. In the event a survey by any Health Care Authority occurs prior to any Closing Date, Seller shall be fully responsible for the cost of (a) any applicable fines and penalties, (b) any cited Life Safety Code deficiencies at any of the Facilities that are required to be remedied, (c) subject to any New Operator using its

reasonable best efforts to effect remedies through the use of in-house personnel and in-house consultants, the costs of third party consultants reasonably engaged by any New Operator to remedy tags or deficiencies cited by the Health Care Authority needed to return any Facility to substantial compliance with Health Care Requirements, and (d) any lost revenue suffered by any New Operator in connection with patients admitted by Seller to a Facility where Medicare or Medical payments/reimbursements are thereafter disallowed (“DPNA”) or not made as a result of a Health Care Authority survey that occurred prior to the Closing Date (collectively “Deficiency Events”). If any Deficiency Events shall occur prior to any Closing Date or if any Facility is Out of Compliance (as defined in Section 8.01 below) prior to the Closing Date, the applicable New Operator and Seller agree to cooperate and use reasonably commercial efforts to resolve by the Closing Date the Deficiency Events or the issues causing a Facility to be Out of Compliance. With regard to events that pre-date the Closing Date, Seller shall cooperate with the Purchaser and/or New Operator to develop a plan of correction reasonably necessary to achieve compliance (a “Plan of Correction”), and Seller shall bear the expense of (i) developing any Plan of Correction, and (ii) all consultants, materials and supplies necessary to implement the aspects of any Plan of Correction that pre-date the Closing Date. In this regard, Purchaser, each New Operator and Seller agree that Purchaser, the applicable New Operator and Seller shall rely on internal staff of such New Operator to the fullest extent possible in developing any such Plan of Correction. However, notwithstanding the foregoing, so long as any Facility remains licensed in the name of Seller, such Seller shall retain ultimately authority to make decisions regarding, and to implement any plans of corrections or otherwise responding to any circumstances by which the Facility is Out of Compliance. Purchaser and New Operators have no obligation to close the transaction contemplated herein if a Facility is Out of Compliance, nor do Purchaser and New Operators have any obligation to assist Seller in bringing a Facility into compliance so that it is no longer Out of Compliance. The terms and provisions of this Section 5.24 shall survive the Closing.

#### SECTION 5.25. Intentionally Omitted.

SECTION 5.26. Stimulus/Relief Funds Compliance. Seller shall comply with all requirements placed by the agency paying or granting the same upon the receipt, use and/or repayment of any Stimulus/Relief Funds which have been, or may be, received by Seller prior to the Closing, including, without limitation, all obligations of Seller to (a) pay or repay amounts where a Governmental Entity has determined that the grant or loan was used improperly or not used at all, and (b) make any filings and reports required by any Governmental Entity in connection with such Stimulus/Relief Funds. The terms and provisions of this Section 5.26 shall survive the Closing.

(j) Title Policy. Title Company shall be irrevocably committed to issue each Title Policy to each applicable Purchaser on the Closing Date in an aggregate amount equal to the Purchase Price and subject only to Permitted Liens.

No Facility shall be Out of Compliance as of the Closing Date; provided, however, solely for the purpose of determining if this closing condition is or is not satisfied as of the Closing Date, a Facility shall not be deemed Out of Compliance because of any temporary admissions ban related to an outbreak of COVID-19 or other infectious disease at such Facility.

(l) Special Focus Facility. No Facility shall be a Special Focus Facility nor a candidate for a Special Focus Facility as of the Closing Date.

(m) MOTA. The closing of the transactions contemplated under each MOTA shall occur simultaneously with the Closing under this Agreement.

(n) Attorney General Approval. For purposes of this subsection, a "material condition" shall be one that imposes a financial burden on Purchasers collectively in the amount of \$1,500,000.00.

SECTION 6.03. Conditions to Obligation of Seller. The obligation of Seller to grant, sell, assign, transfer, convey and deliver the Acquired Assets is subject to the satisfaction (or waiver by Seller) on or prior to the Closing Date of the following conditions:

The representations and warranties of each applicable Purchaser made in this Agreement and the Ancillary Agreement qualified as to materiality shall be true, correct and complete, and those not so qualified shall be true, correct and complete in all material respects, as of the date hereof and as of the Closing Date as though made on such Closing Date, except to the extent such representations and warranties expressly relate to an earlier date (in which case such representations and warranties qualified as to materiality shall be true, correct and complete, and those not so qualified shall be true, correct and complete in all material respects, on and as of such earlier date), in each case except for breaches as to matters that, individually or in the aggregate, could not reasonably be expected to have a Purchaser Material Adverse Effect. Seller shall have received a certificate signed by an authorized officer of each applicable Purchaser to such effect.

(b) Performance of Obligations of Purchaser. Each applicable Purchaser shall have performed or complied in all material respects with all obligations and covenants required by this Agreement to be performed or complied with by such Purchaser by the time of the Closing, and Seller shall have received a certificate signed by an authorized officer of each applicable Purchaser to such effect.

(c) Transaction Documents. All Transaction Documents and other closing deliveries required to be made by Purchasers and/or New Operators under Section 2.07(b) of this Agreement, shall have been delivered to Escrow Agent on or before the date such deliveries are due under Section 2.07(b) of this Agreement.

(d) MOTA. The closing of the transactions contemplated under each MOTA shall occur simultaneously with the Closing under this Agreement.

(e) Attorney General Approval. Seller shall have obtained the Attorney General Approval and such Attorney General Approval does not impose any conditions on the approval that are unacceptable to Purchasers (in its reasonable determination).

(f) Board Approval. The board of directors of Seller shall have approved Seller entering into this Agreement and closing the transactions contemplated hereunder.

SECTION 6.04. Frustration of Closing Conditions. Neither any Purchaser nor Seller may rely on the failure of any condition set forth in this Article VI to be satisfied if such failure was caused by such party's failure to act in good faith or to use its reasonable efforts to cause the Closing to occur, as required by Section 5.05.

## ARTICLE VII TERMINATION, AMENDMENT AND WAIVER

SECTION 7.01. Termination.

(a) Notwithstanding anything to the contrary in this Agreement, this Agreement may be terminated and the Acquisition and the other transactions contemplated by this Agreement abandoned at any time prior to any Closing:

(i) by the mutual written consent of Seller and Purchasers;

(ii) by Seller if any of the conditions set forth in Sections 6.01 or 6.03 shall have become incapable of fulfillment, and shall not have been waived by Seller, so long as none of Seller is then in material breach of any of its representations, warranties, covenants or agreements contained in this Agreement;

(iii) by Purchasers if any of the conditions set forth in Sections 6.01 or 6.02 shall have become incapable of fulfillment, and shall not have been waived by Purchasers, so long as none of the Purchasers is then in material breach of any of its representations, warranties, covenants or agreements contained in this Agreement;

(iv) by Purchasers pursuant to the terms and provisions of Sections 2.04, 2.05 or 2.09;

(v) by Purchasers if any action or inaction on the part of Seller renders Seller unable to deliver good, valid and marketable title to any of the Acquired Assets to the applicable Purchasers and/or New Operators; and

(vi) by Purchasers if any action or notification of an intended action by any state or federal agency adversely affects any Facility's Licenses or Medicare or Medi-Cal provider agreement(s);

provided, however, that the party seeking termination pursuant to clause (ii) or (iii) is not then in material breach of any of its representations, warranties, covenants or agreements contained in this Agreement.

(b) In the event of termination by Seller or Purchasers pursuant to this Section 7.01, written notice thereof shall forthwith be given to the other and the transactions contemplated by this Agreement shall be terminated, without further action by any party. If the transactions contemplated by this Agreement are terminated as provided herein:

(i) The Purchasers shall return all documents and other material received from Seller relating to the transactions contemplated hereby, whether so obtained before or after the execution hereof, to Seller; and

(ii) all confidential information received by any of the Purchasers with respect to the Business shall be treated in accordance with Section 5.04 of this Agreement, which provisions shall remain in full force and effect notwithstanding the termination of this Agreement.

SECTION 7.02. Effect of Termination. If this Agreement is terminated and the transactions contemplated hereby are abandoned as described in Section 7.01, this Agreement shall become null and void and of no further force and effect, except for the provisions of (i) Section 2.05 (e) relating to the obligations of Purchasers to indemnify Seller, (ii) Section 5.04 relating to the obligation of Purchasers to keep confidential certain information and data obtained by it from Seller, (iii) Sections 5.05 and 9.03 relating to certain expenses, (iv) Section 5.06 relating to finder's

fees and broker's fees, (v) Section 7.01 and this Section 7.02 and (vi) Section 5.12 relating to publicity. Nothing in this Section 7.02(a) shall be deemed to release any party from any liability for any breach by such party of the terms and provisions of this Agreement or to impair the right of any party to compel specific performance by any other party of its obligations under this Agreement. If this Agreement is terminated in full pursuant to clauses (i), (ii) (for any reason other than a default by Purchasers), (iii), (iv), (v), or (vi) of Section 7.01(a), then the Deposit (less the Independent Consideration), plus all interest accrued thereon, shall be returned to Purchasers.

SECTION 7.03. Amendments and Waivers. This Agreement may not be amended except by an instrument in writing signed on behalf of each of the parties hereto. By an instrument in writing Purchasers, on the one hand, or Seller, on the other hand, may waive compliance by the other party with any term or provision of this Agreement that such other party was or is obligated to comply with or perform.

## ARTICLE VIII INDEMNIFICATION

### SECTION 8.01. Indemnification by Seller

(a) Seller shall indemnify, defend and protect each Purchaser, each New Operator and their respective affiliates and their respective officers, directors, employees, stockholders, members, managers, partners, agents, attorneys and representatives against, and hold them harmless from, any loss, liability, claim, damage or expense (including reasonable legal fees and expenses) (collectively, the "Losses"), as incurred (payable promptly upon written request), arising from, in connection with or otherwise with respect to:

(i) any breach of any representation or warranty of Seller that is contained in this Agreement, in any Ancillary Agreement or in any document delivered in connection herewith or therewith (it being agreed and acknowledged by the parties that for purposes of each Purchaser's and New Operator's right to indemnification pursuant to this Section 8.01 the representations and warranties of Seller shall be deemed not qualified by any references therein to materiality generally or to whether or not any breach results or may result in Seller Material Adverse Effect);

(ii) any breach of any covenants of Seller contained in this Agreement, in any Ancillary Agreement or in any document delivered in connection herewith or therewith;

(iii) any Excluded Liability;

(iv) any fees, expenses or other payments incurred or owed by or claimed through Seller to any brokers, financial advisors or comparable other persons retained or employed by Seller in connection with the transactions contemplated by this Agreement or by any Ancillary Agreement, including, without limitation, any fees payable to the Broker in connection with the Closing; and

(v) any out-of-pocket expenses incurred by Purchaser or New Operator (including, without limitation, fees payable to any third-party consultants or professionals that Purchaser or New Operator deem reasonably necessary or appropriate, to restore any Facility into substantial compliance to the extent any Facility was Out of Compliance (hereinafter defined) as of the Closing Date), any applicable fines, penalties, damages and lost revenue arising either as a result

of (i) Purchaser and New Operators electing to close notwithstanding a Facility having been Out of Compliance, or (ii) any Facility being Out of Compliance after the Closing as a result of acts, omissions or occurrences occurring prior to the Closing Date. “Out of Compliance” means (A) a finding by a Governmental Entity of one or more deficiencies at any Facility at a “level G” or above in either (x) its most recent standard or complaint survey that has not found to have been corrected such that such Facility is found to be in “substantial compliance” with applicable Health Care Requirements by the applicable Governmental Entity or (y) any prior survey that includes a finding which requires a resurvey which resurvey has not taken place with a finding that the applicable Facility was in substantial compliance; (B) a finding by a Governmental Entity that any Facility has deficiencies that have caused or are likely to cause serious harm, injury, impairment or death if not immediately rectified to resident health and safety that has not found to have been corrected by the applicable Governmental Entity; (C) a recommendation by a Health Care Authority to the Centers for Medicare and Medicaid Services (“CMS”) or other Governmental Entity for the imposition against any Facility of civil monetary penalties, or the imposition of same by CMS; and/or (D) a denial of any Facility’s right to admit patients or to receive Medicare or Medi-Cal payments or reimbursements for existing patients or for new admissions, at any Facility; and

(b) Except as otherwise specifically provided in this Agreement, in any Ancillary Agreement or in any document delivered in connection herewith or therewith, each Purchaser acknowledges that its sole and exclusive monetary remedy after the Closing with respect to any and all claims relating to this Agreement, the Ancillary Agreements, any documents delivered in connection herewith or therewith, the Acquisition and the other transactions contemplated hereby and thereby (other than claims of, or causes of action arising from, fraud) shall be pursuant to the indemnification provisions set forth in this Article VIII.

#### SECTION 8.02. Indemnification by Purchasers and New Operator.

(a) Each Purchaser, jointly and severally, shall indemnify, defend and protect Seller, its affiliates, officers, directors, employees, stockholders, members, managers, partners, agents, attorneys and representatives against, and agrees to hold them harmless from, any Loss, as incurred (payable promptly upon written request), for or on account of or arising from or in connection with or otherwise with respect to (i) any breach of any representation or warranty of any Purchaser contained in any Transaction Document or in any document delivered in connection herewith or therewith, (ii) any breach of any covenants of any Purchaser contained in this Agreement, in any Ancillary Agreement or in any document delivered in connection herewith or therewith, or (iii) any fees, expenses or other payments incurred or owed by Purchaser to any brokers, financial advisors or other comparable persons retained or employed by it in connection with the transactions contemplated by this Agreement or by any Ancillary Agreement, other than any fees payable to the Broker in connection with the Closing.

(b) Each New Operator, jointly and severally, shall indemnify, defend and protect Seller, its affiliates, officers, directors, employees, stockholders, members, managers, partners, agents, attorneys and representatives against, and agrees to hold them harmless from, any Loss, as incurred (payable promptly upon written request), for or on account of or arising from or in connection with or otherwise with respect to (i) any breach of any representation or warranty of New Operator contained in any Transaction Document or in any document delivered in connection herewith or therewith, (ii) any breach of any covenants of the New Operator contained in this Agreement, in any Ancillary Agreement or in any document delivered in connection herewith or therewith, (iii) any fees, expenses or other payments incurred or owed by the New Operator to any brokers, financial advisors or other comparable persons retained or employed by it in connection with the transactions contemplated by this Agreement or by any Ancillary Agreement, other than any fees payable to the Broker in connection with the Closing and (iv) any Assumed Liability.

SECTION 8.03. Calculation of Losses. The amount of any Loss for which indemnification is provided under this Article VIII shall be net of any amounts actually recovered by the indemnified party under insurance policies with respect to such Loss and shall be increased to take account of any Tax cost incurred by the indemnified party arising from the receipt of indemnity payments hereunder.

SECTION 8.04. Termination of Indemnification. The obligations to indemnify and hold harmless any party, (i) pursuant to Section 8.01(a)(i) or 8.02(i), shall terminate when the applicable representation or warranty terminates pursuant to Section 8.06 and (ii) pursuant to the other clauses of Sections 8.01 and 8.02 shall not terminate; provided, however, that, with respect to clause (i), such obligations to indemnify and hold harmless shall not terminate with respect to any item as to which the person to be indemnified shall have, before the expiration of the applicable period, previously made a claim by delivering a notice of such claim pursuant to Section 8.05 to the party to be providing the indemnification.

SECTION 8.05. Procedures.

(a) Third Party Claims. In order for a party (the “indemnified party”) to be entitled to any indemnification provided for under this Agreement in respect of, arising out of or involving a claim made by any person against the indemnified party (a “Third Party Claim”), such indemnified party must notify the indemnifying party in writing of the Third Party Claim with reasonable promptness following receipt by such indemnified party of written notice of the Third Party Claim; provided, however, that failure to give such notification shall not affect the indemnification provided hereunder except to the extent the indemnifying party shall have been actually and materially prejudiced as a result of such failure. Thereafter, the indemnified party shall deliver to the indemnifying party, with reasonable promptness following the indemnified party’s receipt thereof, copies of all notices and documents (including court papers) received by the indemnified party relating to the Third Party Claim.

(b) Assumption. If a Third Party Claim is made against an indemnified party, the indemnifying party shall be entitled to participate in the defense thereof and, if it so chooses, to assume the defense thereof with counsel selected by the indemnifying party; provided, however, that such counsel is reasonably satisfactory to the indemnified party. If the indemnifying party so elects to assume the defense of a Third Party Claim, the indemnifying party shall not be liable to

the indemnified party for any legal expenses subsequently incurred by the indemnified party in connection with the defense thereof. If the indemnifying party assumes such defense, the indemnified party shall have the right to participate in the defense thereof and to employ counsel, at its own expense, separate from the counsel employed by the indemnifying party, it being understood that the indemnifying party shall control such defense. The indemnifying party shall be liable for the fees and expenses of counsel employed by the indemnified party for any period during which the indemnifying party has not assumed the defense thereof. If the indemnifying party chooses to defend or prosecute a Third Party Claim, all the indemnified parties shall cooperate in the defense or prosecution thereof. Such cooperation shall include the retention and (upon the indemnifying party's request) the provision to the indemnifying party of records and information that are reasonably relevant to such Third Party Claim, and making employees available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder. Whether or not the indemnifying party assumes the defense of a Third Party Claim, the indemnified party shall not admit any liability with respect to, or settle, compromise or discharge, such Third Party Claim without the indemnifying party's prior written consent (which consent shall not be unreasonably withheld, conditioned or delayed). If the indemnifying party assumes the defense of a Third Party Claim, the indemnified party shall agree to any settlement, compromise or discharge of such Third Party Claim that the indemnifying party may recommend and that by its terms obligates the indemnifying party to pay the full amount of the liability in connection with such Third Party Claim, which releases the indemnified party completely in connection with such Third Party Claim and that would not otherwise adversely affect the indemnified party. The assumption by an indemnifying party of a Third Party Claim shall conclusively establish that such Third Party Claim is within the scope of and subject to indemnification hereunder. Notwithstanding the foregoing, the indemnifying party shall not be entitled to assume the defense of any Third Party Claim (and shall be liable for the reasonable fees and expenses of counsel incurred by the indemnified party in defending such Third Party Claim) if (i) the Third Party Claim seeks an order, injunction or other equitable relief or relief for other than money damages against the indemnified party or (ii) the indemnifying party is also a person against whom the Third Party Claim is made and the indemnified party determines in good faith that joint representation would be inappropriate.

(c) Other Claims. In the event any indemnified party has a claim against any indemnifying party under Section 8.01 or 8.02 that does not involve a Third Party Claim being asserted against or sought to be collected from such indemnified party, the indemnified party shall deliver notice of such claim with reasonable promptness to the indemnifying party. Subject to Sections 8.04 and 8.06, the failure by any indemnified party so to notify the indemnifying party shall not relieve the indemnifying party from any liability that it may have to such indemnified party under Section 8.01 or 8.02, except to the extent that the indemnifying party demonstrates that it has been materially prejudiced by such failure. If the indemnifying party does not notify the indemnified party within ten (10) calendar days following its receipt of such notice that the indemnifying party disputes its liability to the indemnified party under Section 8.01 or 8.02, such claim specified by the indemnified party in such notice shall be conclusively deemed a liability of the indemnifying party under Section 8.01 or 8.02 and the indemnifying party shall pay the amount of such liability to the indemnified party on demand or, in the case of any notice in which the amount of the claim (or any portion thereof) is estimated, on such later date when the amount of such claim (or such portion thereof) becomes finally determined.

(d) Escrow Funds. All claims for Losses for which indemnification of Purchaser or New Operator is provided under this Section 8 shall be made first against the Escrow Funds under the terms of the Escrow Indemnity Agreement. On the date that that is ~~eighteen (18)~~twelve (12) months after the Closing Date (the "First Release Date"), \$~~625~~250,000.00 of the Escrow Funds shall be released to Seller, less (x) the amount of any disbursements made to any Purchaser and/or any New Operator from the Escrow Funds in accordance with this Agreement and the Escrow Indemnity Agreement, and (y) the amount of any outstanding unresolved claims that were made by any Purchaser and/or any New Operator on or before the First Release Date; provided, however, (1) no such release shall cause the Escrow Funds on deposit with Escrow Agent to be less than \$~~625~~250,000.00 and (2) if the Escrow Funds on deposit remaining with Escrow Agent as of the First Release Date are less than \$~~625~~250,000.00, then no Escrow Funds shall be released to Seller on the First Release Date. On the ~~third~~second anniversary of the Closing Date (the "Final Release Date"), the balance of the Escrow Fund then on deposit with Escrow Agent shall be released to the Seller, less the amount of outstanding unresolved claims by any Purchaser and/or any New Operator on or before the Final Release Date, which amounts shall be retained by the Escrow Agent to be held and invested by it under the terms of Escrow Indemnity Agreement until such claims are finally resolved and then disbursed in accordance with the terms of the Escrow Indemnity Agreement.<sup>3</sup>

(e) Straddle Claims. Notwithstanding the foregoing, to the extent that any claim, matter, circumstance, event or occurrence exists both prior to, and after the Closing Date, such that any New Operator is entitled to indemnification from Seller for Losses attributable to periods prior to the Closing Date, and Seller is entitled to indemnification from any New Operator for Losses attributable to periods on and after the Closing Date (each such claim, a "Straddle Claim"), the respective indemnification obligations of the parties with respect to all such Straddle Claims shall be equitably apportioned between such New Operator on one hand, and the Seller, on the other hand, based on: 1) on comparative fault based on the facts of the case, to the extent determinable, and 2) if the comparative fault cannot be reasonably determined, on the respective lengths of time, comparative opportunity to correct or prevent such matter, circumstance, event or occurrence, regardless of whether or not such Straddle Claim also gives rise to a breach of any of the representations and warranties made by any of the parties hereunder. In the event of a Straddle Claim, the parties will meet and confer in a good faith effort to resolve the dispute and the equitable apportionment between the parties.

(f) Survival. The indemnification obligations of the parties under this Article VIII shall survive the Closing.

#### SECTION 8.06. Survival of Representations and Covenants.

(a) The representations, warranties, covenants and agreements contained in this Agreement and in any document delivered in connection herewith shall survive the Closing solely for purposes of this Article VIII as follows: (i) all representations and warranties of Seller (other than the representations and warranties under Section 3.01, 3.02, 3.03, 3.05, 3.12, 3.17, 3.18, 3.19,

<sup>3</sup>~~The release amounts and release are also subject to confirmation between Abe and Mark.~~

or 3.22 (collectively, the “Fundamental/Operational Representations”) shall survive for one (1) year following the Closing; (ii) ~~the~~ The Fundamental/Operational Representations shall survive for two (2) years ~~following the Closing;~~ (iii) ~~all other covenants, indemnities and other provisions of this Agreement which survive Closing shall survive for three (3) years~~ after the Closing; and (iv) ~~iii~~ claims for fraud shall survive for the applicable statute of limitations period.

“subsidiary” of any person means another person, an amount of the voting securities, other voting ownership or voting partnership interests of which is sufficient to elect at least a majority of its board of directors or other governing body (or, if there are no such voting interests, 50% or more of the equity interests of which) is owned directly or indirectly by such first person or by another subsidiary of such person.

“Transaction Documents” means this Agreement together with the Ancillary Agreements.

SECTION 9.07. Authorship. The parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provisions of this Agreement.

SECTION 9.08. Counterparts. This Agreement may be executed in one or more counterparts, all of which shall be considered one and the same agreement, and shall become effective when one or more such counterparts have been signed by each of the parties and delivered to the other parties. SECTION 9.10. Severability. If any provision of this Agreement (or any portion thereof) or the application of any such provision (or any portion thereof) to any person or circumstance shall be held invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision hereof (or the remaining portion thereof) or the application of such provision to any other persons or circumstances.

SECTION 9.11. Consent to Jurisdiction. Each party irrevocably submits to the exclusive jurisdiction of (a) any state court located in Sacramento County, California, and (b) the United States District Court for the Eastern District of California, for the purposes of any suit, action or other proceeding arising out of this Agreement, any Ancillary Agreement or any transaction contemplated hereby or thereby. Each of Purchasers and Seller agrees to commence any such action, suit or proceeding either in the United States District Court for the Eastern District of California or if such suit, action or other proceeding may not be brought in such court for jurisdictional reasons, in any state court located in Sacramento County, California. Each of Purchasers and Seller further agrees that service of any process, summons, notice or document by U.S. registered mail to such party's respective address set forth above shall be effective service of process for any action, suit or proceeding in California with respect to any matters to which it has submitted to jurisdiction in this Section 9.11. Each party (a) certifies that no representative, agent or attorney of any other party has represented, expressly or otherwise, that such other party would not, in the event of litigation, seek to enforce that foregoing waiver and (b) acknowledges that it and the other parties hereto have been induced to enter into this Agreement and the Ancillary Agreements, as applicable, by, among other things, the mutual waivers and certifications in this Section 9.13.

SECTION 9.14. Patriot Act Representations. Seller and each Purchaser hereby represents and warrants that it is not, and is not acting, directly or indirectly, for or on behalf of, any person or entity named as a “specially designated national and blocked person” (as defined in Presidential Executive Order 13224) on the most current list published by the U.S. Treasury Department of Foreign Assets Control, and that it is not engaged in this transaction, directly or indirectly, on behalf of, and is not facilitating this transaction, directly or indirectly, on behalf of, any such person or entity. Seller and each Purchaser also represents and warrants that neither it nor its constituents or Affiliates are in violation of any Applicable Law relating to terrorism or money laundering, including the aforesaid Executive Order and the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 (Public Law 107-56), as amended. Seller and each Purchaser hereby agrees to defend, indemnify and hold harmless the other parties from and against any and all Losses arising from or related to any breach of the foregoing representations and warranties by the indemnifying party.

A waiver by the ESCROW AGENT under the terms of this Agreement shall not be construed as a bar to, or waiver of, the same or any other such right or remedy which it would otherwise have on any other occasion.

(a) Notwithstanding anything in this Agreement to the contrary, this Agreement shall not constitute an agreement to assign any asset or any claim or right or any benefit arising under or resulting from such asset if an attempted assignment thereof, without the consent of a third party, would constitute a breach or other contravention of the rights of such third party, would be ineffective with respect to any party to an agreement concerning such asset, or would in any way adversely affect the rights of Seller or, upon transfer, Purchasers or New Operator (or any of their respective subsidiaries or assigns) in connection with such asset. If any transfer or assignment by Seller to, or any assumption by any Purchaser or the New Operator (or any of their respective subsidiaries or assigns) of, any interest in, or liability, obligation or commitment in connection with, any asset requires the consent of a third party, then such assignment or assumption shall be conditioned upon consent being obtained.

The Initial Deposit and the Additional Deposit, less the Independent Consideration, together with accrued interests thereon, are collectively referred to herein as, the “Deposit”. Upon the Closing, the Deposit shall be released by Escrow Agent to Seller and applied towards the Purchase Price. As used herein, “Escrow Agent” shall mean Paul Avila of Fidelity National Title Insurance Company (“Escrow Agent”), 8525 Madison Avenue, Suite 110, Fair Oaks, CA 95628, telephone 916-646-6057, pavila@fnf.com.

(b) If this Agreement does not terminate on or before the Real Estate Due Diligence Period pursuant to Section 2.04 below, then the Deposit shall become non-refundable, except as otherwise expressly provided in this Agreement. The Deposit, and all components thereof as and when deposited with Escrow Agent, shall be held in an interest-bearing account and all interest thereon shall accrue to the benefit of Purchaser. If Purchasers terminate this Agreement on or before the Operations Due Diligence Period Expiration Date or the Real Estate Due Diligence Period Expiration Date, then the Deposit (less the Independent Consideration) shall be returned to Purchasers, and neither Seller, nor Purchasers shall have any further rights or obligations hereunder, except as otherwise expressly provided herein.

(c) In the event this Agreement is terminated as a result of (i) the failure to satisfy any condition contained in Sections 6.01, 6.02 or 6.03; or (iii) the termination of this Agreement in accordance with Section 2.09 (Risk of Loss), Section 2.05(b) or (c) (Title and Environmental Review), or Section 2.04 (Due Diligence), then the Escrow Agent shall pay the Deposit (less the Independent Consideration), to the Purchaser, and neither Seller nor Purchasers shall have any further rights or obligations hereunder, except as otherwise expressly provided herein.

(e) Notwithstanding anything to the contrary herein, in the event of a breach or default under this Agreement by Seller prior to Closing, the Purchaser's sole and exclusive remedies solely shall be to either (i) terminate this Agreement in accordance with the terms and provisions of Section 7.01, in which case, the Deposit, plus all accrued interest thereon, shall be returned to Purchaser, and Purchaser may recover from Seller damages for Purchaser's actual out-of-pocket transaction costs and expenses incurred by Purchaser in connection with this Agreement and its due diligence of the Acquired Assets (including, without limitation, its attorneys' fees) in an amount not to exceed \$125,000 or (ii) Purchaser shall have the right to bring an action for specific performance of this Agreement within ninety (90) days after the breach; provided, however, if the nature of the breach or default by Seller causes specific performance to not be available to Purchaser, then Purchaser shall have all rights and remedies under law and equity in connection with such breach or default by Seller and the limitations of remedies and liability of Seller under this Section 2.02(e) shall be of no further force and effect.

(f) Notwithstanding anything to the contrary herein, in the event of a default by any Purchaser in performing any obligation on any Purchaser's part to be performed under this Agreement prior to Closing, including, without limitation, to pay the cash portion of the Purchase Price due at such Closing, or in any other provision hereof which would entitle Seller to cancel this Agreement, Seller's sole and exclusive remedy shall be to terminate this Agreement, in which case, Seller shall be entitled to retain the Deposit as damages and not as a penalty, and upon such retention this Agreement shall be deemed null and void and neither party hereto shall have any obligations to or rights against the other hereunder, except for any Agreements or provisions hereof which are specifically provided herein to survive any cancellation or termination of this Agreement. **SELLER AND PURCHASERS AGREES THAT IT WOULD BE IMPRACTICAL AND EXTREMELY DIFFICULT TO ESTIMATE THE DAMAGES WHICH SELLER MAY SUFFER UPON SUCH A PURCHASER DEFAULT AND THAT THE DEPOSIT REPRESENTS A REASONABLE ESTIMATE OF THE TOTAL NET DETRIMENT THAT SELLER WOULD SUFFER UPON SUCH A PURCHASER DEFAULT. SUCH LIQUIDATED AND AGREES DAMAGES ARE NOT INTENDED AS A FORFEITURE OR A PENALTY WITHIN THE MEANING OF APPLICABLE LAWS AND REGULATIONS. THE LIQUIDATED DAMAGE PROVISIONS SHALL NOT BE APPLICABLE TO (i) ANY**

Seller does not warrant or represent as to the accuracy or completeness of the information, materials and documents, or as to the possible existence of any additional information, materials or documents which may be material to Purchasers' decision to purchase the Acquired Assets, except as to any information materials and documents prepared by Seller. Seller shall promptly deliver to Purchaser any other documents and information reasonably requested by Purchaser between the Effective Date and the Closing Date.

SECTION 2.04. Purchaser Due Diligence Period. Seller and Purchasers hereby acknowledge that Purchasers may terminate this Agreement, for any reason or no reason at all, at any time prior to 5:00 p.m. Pacific time on the date that is seven (7) business days after Purchasers' receipt of all of the Required Operations Due Diligence Materials (as defined below) (the "Operations Due Diligence Period Expiration Date"), by providing written notice of termination to Seller and Escrow Agent prior to the Operations Due Diligence Period Expiration Date. Seller and Purchasers hereby acknowledge that Purchasers may terminate this Agreement, for any reason or no reason at all, at any time prior to 5:00 p.m. Pacific time on the date that is thirty (30) days after the Effective Date (the "Real Estate Due Diligence Period Expiration Date"), by providing written notice of termination to Seller and Escrow Agent prior to the Real Estate Due Diligence Period Expiration Date; provided, however, Purchasers may not terminate this Agreement after the Operations Due Diligence Period Expiration Date and prior to the Real Estate Due Diligence Period Expiration due to any matters disclosed in the Required Operations Due Diligence Materials. If Purchaser terminates this Agreement in accordance with this Section 2.04, then this Agreement shall automatically terminate, the Deposit plus all accrued interest thereon shall be returned to Purchaser, and the parties shall thereafter be released from all further obligations under this Agreement, except those specifically provided herein to survive the termination of this Agreement. As used herein, "Required Operations Due Diligence Materials" means all of the items and materials identified in Schedule 2.04 attached hereto.

SECTION 2.05. Title, Environmental Review and Physical Review.

(a) Within seven (7) days after the Effective Date, Seller shall provide to Purchaser a copy of all currently effective title insurance policies and commitments and plats and land surveys ("ALTA Surveys") in its possession that relate to the Facilities and each of the real property on which each Facility is located (collectively, the "Real Property"). Any new ALTA Survey or any existing ALTA Surveys updates (each, a "New Survey") required by any Purchaser or any Purchaser's lender shall be at such Purchaser's sole cost and expense.

(b) Purchaser will use its commercially reasonable efforts to obtain as soon as practical, a preliminary report on title for each Facility, issued by Fidelity National Title Insurance Company (“Title Company”), which shall contain a commitment (each, a “Title Report”) of the Title Company to issue to the applicable Purchaser an owner’s policy of title insurance (each, a “Title Policy”) insuring the fee simple interest of such Purchaser in the applicable Facility. Each Title Report shall be delivered with legible copies of all recorded exceptions to title referred to therein to the extent reasonably available (the “Exception Documents”). Each Title Policy shall be in an amount equal to the amount of the Purchase Price allocated to such Facility. Seller will use their commercially reasonable efforts to cause all standard exceptions to be deleted from the policies at the Closing, including without limitation, executing Seller’s affidavits, gap indemnities and the like. The Purchasers shall have from the Effective Date until 5:00 p.m. Pacific Time on the Real Estate Due Diligence Period Expiration Date (the “Title Review Period”) to approve or disapprove in writing each Title Report, the ALTA Surveys and any New Survey with respect to the Facilities, with any such notice of disapproval specifying the Exception Documents or other matters to which the Purchasers object. The failure of any Purchaser to disapprove any lien or other matter reflected in any Title Report within the Title Review Period shall be deemed approved by the applicable Purchaser(s). Notwithstanding the foregoing, no Purchaser shall have the right to disapprove any of the following, all of which shall be deemed to be Permitted Liens hereunder: (A) matters created or consented to by any Purchaser, and (B) the Assumed Liabilities. All monetary liens on each of the Real Property and each Facility (other than for taxes not yet due and payable) shall be removed by the applicable Seller, at its sole cost and expense, prior to the Closing. If any Purchaser disapproves any lien or other matter reflected in any Title Report prior to the expiration of the Title Review Period, Seller shall have five (5) Business Days from the date of such disapproval in which to advise such Purchaser whether or not Seller is prepared to cure the same prior to the Closing, which decision shall be made by Seller in its sole and absolute discretion (which cure may be effected by payment and discharge of the objectionable item or by causing the Title Company to remove the same as an exception or affirmatively insure over such item) and in the event Seller shall fail or refuse to do so within said five (5) Business Day period, such Purchaser shall have five (5) Business Days thereafter in which to advise Seller in writing of such Purchaser’s election (x) to waive the matters to which Purchaser objected and which Seller is not prepared to cure and to proceed to Closing or (y) to either (i) terminate this Agreement in full, in which event the Deposit (less the Independent Consideration) shall be returned to Purchasers, or (ii) terminate this Agreement with respect to the Real Property housing the Facility to which a Purchaser made an objection that Seller is unable or unwilling to cure, in which case the Purchase Price shall be reduced by an amount equal to the Allocated Value (as defined below) for the Facility in which this Agreement is being terminated.

If, after the Title Review Period, the Title Company issues any amendment, supplement or modification to a Title Report (each a, “Supplemental Commitment”) with respect to any of the Real Property showing a lien or encumbrance against any Real Property that was not listed in any Title Report or any prior Supplemental Commitment (each a “New Title Matter”), then the applicable Purchaser may object to such New Title Matter by delivering written notice to Seller within five (5) days after such Purchaser’s receipt of such Supplemental Commitment. If such Purchaser fails to so notify Seller in writing, then the New Title Matter shall be deemed a Permitted Lien. Seller shall have until five (5) days from receipt of such Purchaser’s notice to notify Purchaser whether Seller will, in Seller’s sole discretion (except for any voluntary

monetary liens securing financings created by Seller, which Seller covenants to cause to be removed at the Closing), attempt to cause the New Title Matter to be removed at or before the Closing. If Seller fails to so notify the applicable Purchaser, Seller shall be deemed to have declined to remove the New Title Matter. If Seller declines or is deemed to have declined to remove a New Title Matter, then such Purchaser shall have five (5) days following the date that Seller declines, or is deemed to have declined, to remove the New Title Matter (“Termination Deadline”) in which to advise in writing of Purchaser’s election (x) to waive the matters to which Purchaser objected and which Seller is not prepared to cure and to proceed to Closing or (y) to either (i) terminate this Agreement in full, in which event the Deposit (less the Independent Consideration), shall be returned to Purchasers, or (ii) terminate this Agreement with respect to the Real Property housing the applicable Facility, in which case the Purchase Price shall be reduced by an amount equal to the Allocated Value for the Facility in which this Agreement is being terminated. If such Purchaser does not terminate this Agreement (in full or in part) pursuant to the preceding sentence on or before the Termination Deadline, then the New Title Matter shall be deemed a Permitted Lien. The Closing Date shall be extended up to fifteen (15) days, if necessary, to accommodate the foregoing time periods.

As used herein, “Allocated Value” with respect to any Facility means the total amount of the Purchase Price allocated to such Facility under Section 5.19 of this Agreement.

(c) Seller shall, upon request and reasonable advance notice from any Purchaser, permit any Purchaser and its agents to conduct Phase I environmental assessments for any of the Facilities (the “Phase I”), and Seller shall make available for review and copy any previously prepared Phase I’s or other environmental assessments in their possession conducted for any of the Facilities or any of the Real Property. No Purchaser shall take any core samples, install any monitoring wells, or undertake any other invasive tests or studies, or communicate with any government officials or agencies regarding Hazardous Substances without Seller’s prior written consent (which may be withheld or conditioned by Seller in its reasonable discretion). Purchasers shall have until the Real Estate Due Diligence Period Expiration Date to approve or disapprove any Phase I in writing delivered to Seller. If any Phase I recommends that a Phase II be ordered, then such Phase II shall be obtained before such Purchaser is required to give the Environmental Notice (as defined below). Should any Purchaser disapprove any Phase I and/or related Phase II, such Purchaser shall notify Seller in writing of such disapproval at or prior to the Real Estate Due Diligence Period Expiration Date (the “Environmental Notice”). The failure of any Purchaser to deliver an Environmental Notice to Seller on or prior to the Real Estate Due Diligence Period Expiration Date shall be deemed approval by such Purchaser of the Phase I and Phase II (if applicable). If any Purchaser delivers an Environmental Notice to Seller before the Real Estate Due Diligence Period Expiration Date, then Purchasers shall have the right to terminate this Agreement in full, in which event the Deposit (less the Independent Consideration) shall be returned to Purchasers, and neither Seller nor Purchasers shall have any further rights or obligations hereunder, except as otherwise expressly provided herein.

(d) From the Effective Date until 5:00 p.m. Pacific time on the Real Estate Due Diligence Period Expiration Date, Seller shall, upon request and reasonable advance notice from Purchasers, permit Purchasers and its authorized agents, employees, consultants, and representatives (“Purchasers’ Agents”) to conduct physical inspections of the Facilities, their

component systems, and the furniture, fixtures and equipment located at the Facilities. Purchasers shall not conduct any invasive tests for studies at the Facilities in connection with their aforesaid inspections without Seller's prior written consent (which may be withheld or conditioned by Seller in its reasonable discretion).

(e) Conditions to Entry. Purchasers' and Purchasers' Agents' right of entry upon the Facilities shall be subject to, and Purchasers agree to perform, each of the following conditions:

(i) Purchasers shall pay all costs, expenses, liabilities and charges incurred by Purchasers and Purchasers' Agents related to said entry.

(ii) Purchasers, at Purchasers' sole cost, shall repair any and all damage or injury caused by Purchasers or Purchasers' Agents in connection with any such inspection or entry (if any) and shall return the Facilities to the condition existing prior to such entry.

(iii) Any entry upon the Facilities shall be upon a minimum of forty-eight (48) hours' written notice to Seller, and Seller shall have the right to accompany Purchasers and Purchasers' Agents on any such entry upon the Facilities.

(iv) Purchasers shall keep the Facilities free and clear of all liens arising out of Purchasers' and Purchasers' Agents' activities conducted upon the Facilities.

(v) Purchasers shall indemnify, defend and hold Seller and its agents, employees, consultants and representatives ("Seller's Agents") and the Facilities free and harmless of and from all costs, expenses, damages, claims, liabilities, reasonable attorneys' fees and costs or charges arising out of, or in any way connected with, the entry upon the Facilities by Purchasers and Purchasers' Agents; provided, however, that the foregoing indemnity and hold harmless obligation shall not extend to, and in no event shall Purchasers be liable to Seller and Seller's Agents for, any (a) diminution in the market value of any of the Facilities and/or the Acquired Assets resulting from the information disclosed by any such investigation or tests, (b) negligence or willful misconduct of Seller or any of the Seller's Agents, or (c) pre-existing condition(s) on or about any Facility (except and to the extent such pre-existing condition(s) is/are exacerbated by Purchaser's entry onto and investigation of any Facility).

(vi) Purchasers shall provide to Seller a certificate of liability insurance, with a combined single limit of liability not less than TWO MILLION DOLLARS (\$2,000,000.00), and with an endorsement reasonably acceptable to Seller attached to such certificate. Seller shall be named as additional insured upon such insurance. Purchasers shall provide the certificate of such insurance with the additional insured endorsement prior to, and as a condition of, any such entry. The certificate of insurance: (i) shall require a minimum of thirty (30) days' written notice prior to the cancellation, lapse or modification of the insurance policy; (ii) shall not include provisions which only require the insurer to "endeavor to" provide such notice to Seller; and (iii) shall not include provisions which purport to exculpate the insurer for its failure to provide such notice.

(vii) Prior to performing any environmental tests or studies on the Facilities beyond the scope of work generally performed in a Phase I study, Purchasers shall notify Seller in writing of the scope of work intended to be performed and shall provide Seller an opportunity to confer, either directly or through Seller's consultants, with Purchasers' environmental consultants in order to determine whether to permit any sampling or testing of surface or subsurface soils, surface water or ground water (and with respect thereto Seller shall have complete and absolute discretion to grant or withhold its consent) or to refine the scope of the work to be performed. All information derived from Purchasers' tests and test results shall, to the extent permissible under existing law, remain confidential and not to be disclosed to any party other than as is necessary in connection with the consummation of the transactions contemplated hereby or as is necessary to comply with any obligations Purchasers may have under applicable law. Seller shall be entitled to receive copies of all tests, test results, studies and reports together with the right as a party of interest, to be able to access the consultant's file information and work product in the event of future need subsequent to the Closing. Purchasers shall obtain all consultants' consent to the foregoing as a part of any retention agreement. Such Seller's rights shall survive the Closing and recording of the grant deed from Seller to Purchasers.

(f) No Other Warranties/"As Is" Purchase. Purchasers represent and warrant to Seller that: (i) Purchasers are experienced and sophisticated purchasers of properties such as the Facilities; (ii) Purchasers have (or prior to Closing, will have) inspected and examined all aspects of the Facilities and its current condition which Purchasers believes are relevant to Purchasers' decision to purchase the Facilities; (iii) Purchasers, as of the date of this Agreement, have (or prior to Closing, will have) satisfied itself as to all matters relating to the Facilities; (iv) Seller has (or prior to the Real Estate Due Diligence Period Expiration Date, will have) made available to Purchasers and Purchasers' representatives for their review and inspection all plans, drawings, reports and other documents with respect to the Facilities which Purchasers have requested; (v) except as contained in this Agreement, Seller is not making, has not made and expressly disclaims any representation or warranty, express or implied, that such documents delivered by Seller or made available for Purchasers' review and inspection constitute all of the documents and information in Seller's files relating to the Facilities; (vi) Seller is not making, has not made and expressly disclaims any representation, warranty, or other assurance whatsoever with respect to the Facilities or any condition or feature thereof, except as contained in this Agreement, including without limitation, any representation, warranty or assurance regarding the validity or accuracy of any documents delivered by Seller to Purchasers or made available for Purchasers' review and inspection, other than documents prepared by Seller; (vii) Purchasers shall verify the accuracy and reliability of such documents with the third parties who prepared the same; (viii) Purchasers are (or prior to the Closing, will be) fully acquainted with the nature and condition, in all respects, of the Facilities, including the existence or availability of all permits and approvals from governmental authorities and the soil and geology thereof, except as specifically represented and warranted by Seller in this Agreement, in purchasing the Facilities pursuant to this Agreement, Purchasers are relying solely on their own investigation and inspection of the Facilities, and that the Facilities will be conveyed to and accepted by Purchasers at Closing in its "AS IS, WITH ALL FAULTS BASIS" condition. Purchasers acknowledge and agree that, except as expressly set forth herein below: Seller has not made any representation or warranty, express or implied, written or oral, concerning the Facilities or any use to which the Facilities may or may not be put, except as contained in this Agreement; in purchasing the Facilities, Purchasers are not relying upon any representation made by any agent

of Seller; and no agent had, or has, authority to make any representation concerning the Facilities or any matter or condition relating thereto. Except as otherwise expressly set forth in this Agreement, Purchasers agree that from and after Closing, Purchasers shall conclusively be deemed to have accepted the Facilities in its then existing “AS IS, WITH ALL FAULTS BASIS” condition, without representation and warranty of any kind except as expressly set forth herein, and with all faults and problems of any kind or nature whatsoever that may then exist, whether the same are of a legal nature, a physical nature or otherwise, including, without limitation, the presence of any hazardous substances that may be located on, under or around the Facilities, and any faults and/or problems that could have been discovered by Purchasers prior to entering into this Agreement, whether or not the same had actually been discovered at that time, it being expressly agreed that Purchasers assume all responsibility for such faults and conditions.

As of the Closing, Purchasers hereby expressly waive and forever release any and all rights, claims and actions that Purchasers may now have or hereafter acquire against Seller arising from or related to the Facilities (collectively, the “Released Claims”); provided, however, that such waiver and release shall not apply to any claims of Purchasers and/or New Operators for any claims for breaches of any representations, warranties, covenants and other obligations of Seller under this Agreement and/or any of the Ancillary Agreements (including, without limitation, the MOTAs (as defined below), including, without limitation, any claims for Losses of any Purchaser Indemnified Parties (as each such term is defined below) under Article VIII of this Agreement (collectively, “Surviving Claims”). Under no circumstances shall the Released Claims be deemed or construed to include any Surviving Claims. *[\*\*\*NTD: Deleted provision is covered in the “As-Is” disclaimer. To the extent any of these items are covered by express reps and warranties in this Agreement, then they would be Surviving Claims and not Released Claims.\*\*\*]* This release applies to all described rights, claims and actions (specifically excluding any Surviving Claims), whether known or unknown, foreseen or unforeseen, present or future. Purchasers specifically waive application of California Civil Code Section 1542, which provides as follows:

A general release does not extend to claims which the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor or released party.

If the Actual QA Fees for a Facility exceeds the Assumed QA Fees for such Facility, then Seller shall pay to the applicable Purchaser or applicable New Operator the amount by which the Actual QA Fees exceed the Assumed QA Fees for such Facility (a “QA Fee Deficiency Payment”) within ten (10) days after the determination of the Actual QA Fees for such Facility. If a QA Fee Deficiency Payment is owed to a Purchaser or a New Operator under the preceding sentence and Seller fails to pay it to such Purchaser or New Operator within ten (10) days after the determination of the Actual QA Fees for the applicable Facility, then such Purchaser or New Operator may recover the amount of the QA Fee Deficiency Payment from the Escrow Funds. SECTION 5.10. Supplemental Disclosure. Seller shall have the continuing obligation until the Closing to promptly supplement or amend the schedules with respect to any matter hereafter arising or discovered that, if existing or known at the date of this Agreement, would have been required to be set forth or described in the schedules.

Seller, each Purchaser, and each New Operator shall cooperate with each other in the conduct of any audit or other Proceeding relating to Taxes involving the Business and/or Medicare and Medi-Cal cost reports. In the event that Seller shall after the Closing take any position in any Tax return, or reach any settlement or agreement with respect to Taxes in an audit or other Proceeding, which is in any manner inconsistent with any position taken by Seller in any filing, settlement or agreement made by Seller prior to the Closing and such inconsistent position (i) requires the payment by any Purchaser or any New Operator of more Taxes than would have been required to be paid had such position not been taken or such settlement or agreement not been reached, (ii) affects the determination of useful life, basis or method of depreciation, amortization or accounting of any of the Acquired Assets or any of the properties, assets or rights of any Purchaser or the New Operator, or (iii) accelerates the time at which any Tax must be paid by a Purchaser or a New Operator, Seller shall not take such position or enter into such settlement or agreement without the prior written consent of Purchasers and New Operators.

(c) Each party shall reimburse the other for reasonable out-of-pocket costs and expenses, including, without limitation, accountant and attorneys' fees, incurred in assisting the other party pursuant to this Section 5.11. Neither party shall be required by this Section 5.11 to take any action that would unreasonably interfere with the conduct of its business or unreasonably disrupt its normal operations (or, in the case of any Purchaser, any New Operator or the Business). Any information relating to the Business received by Seller pursuant to this Section 5.11 shall be subject to Section 5.04(b).

(d) The obligations under this Section 5.11 shall survive the Closing.

From time to time, as and when requested by any party, each party shall execute and deliver, or cause to be executed and delivered, all such documents and instruments and shall take, or cause to be taken, all such further or other actions (subject to Section 5.05), as such other party may reasonably deem necessary or desirable to consummate the transactions contemplated by this Agreement, including, in the case of Seller, executing and delivering to the applicable Purchaser or where directed by the applicable Purchaser, to the applicable New Operator, such assignments, deeds, bills of sale, consents and other instruments as such Purchaser or its counsel may reasonably request as necessary or desirable for such purpose. If the parties agree on the allocations, then the amount of such allocations for each Facility shall be set forth on Schedule 5.19 which shall be attached to this Agreement or an amendment thereto. Notwithstanding the foregoing, if the parties are unable to agree upon the foregoing allocation prior to the Closing, each of the Purchasers, on the one hand, and the Seller, on the other hand, shall adopt their own allocation and complete and execute a Form 8594 in accordance with such allocation. Seller and each Purchaser each hereby covenant and agree that none of them will take a position on any income tax return (or, unless required by law, before any Governmental Entity charged with the collection of any income tax or in any judicial tax proceeding) that is inconsistent with the terms of this Section 5.19. The terms and provisions of this Section 5.19 shall survive the Closing.

SECTION 5.20. Survey Reports, Etc. Seller shall promptly provide to Purchasers between the date of this Agreement and the Closing Date all Survey Reports filed, arising, or involving any of the Facilities.

Seller shall cause all of the Contracts set forth (or required to be set forth) in Section 3.09 between Seller and any of its respective affiliates on the one hand, and the Business, on the other), to be terminated prior to or at the respective Closing.

SECTION 5.22. Names Following Closing. Immediately following the Closing, Seller shall amend or terminate any certificate of assumed name or d/b/a filings so as to eliminate its right to use the names set forth in Schedule 5.22 or any names that, in the reasonable judgment of any Purchaser, is similar to any such names, and Seller shall not thereafter use those name or

After the Closing, Seller shall also amend its respective articles of incorporation or articles of organization to change its name to a name not including or similar to any of the words set forth in Schedule 5.22. The parties agree that Seller shall not be obligated to change the name of any corporation, limited liability company or other entity which includes the name “Eskaton” or “Eskaton Properties, Incorporated”.

(a) Seller acknowledges that it is each Purchaser’s intention, effective at the Closing, to lease the applicable Facility to the applicable New Operator.

(b)- Seller shall enter into a Management and Operations Transfer Agreement (the “MOTA”) in substantially the form attached hereto as Exhibit H with the applicable New Operator, who intends to operate the applicable Facility from and after the Closing Date. The MOTA shall be entered into on or before the Closing Date, but shall only be effective as of the Closing Date.

(c)- Any provision in this Agreement that requires an affirmative action by any New Operator shall be deemed incorporated by reference into the MOTA executed by such New Operator with respect to the Facility to be operated by such New Operator on and after the Closing Date.

(d)- Each New Operator shall be a third party beneficiary of this Agreement and Seller expressly acknowledges and agrees that all warranties and representations made by Seller hereunder in favor of Purchaser, are made for the benefit of each New Operator.

If any Deficiency Events shall occur prior to any Closing Date or if any Facility is Out of Compliance (as defined in Section 8.01 below) prior to the Closing Date, the applicable New Operator and Seller agree to cooperate and use reasonably commercial efforts to resolve by the Closing Date the Deficiency Events or the issues

causing a Facility to be Out of Compliance. With regard to events that pre-date the Closing Date, Seller shall cooperate with the Purchaser and/or New Operator to develop a plan of correction reasonably necessary to achieve compliance (a “Plan of Correction”), and Seller shall bear the expense of (i) developing any Plan of Correction, and (ii) all consultants, materials and supplies necessary to implement the aspects of any Plan of Correction that pre-date the Closing Date. In this regard, Purchaser, each New Operator and Seller agree that Purchaser, the applicable New Operator and Seller shall rely on internal staff of such New Operator to the fullest extent possible in developing any such Plan of Correction. However, notwithstanding the foregoing, so long as any Facility remains licensed in the name of Seller, such Seller shall retain ultimately authority to make decisions regarding, and to implement any plans of corrections or otherwise responding to any circumstances by which the Facility is Out of Compliance. Purchaser and New Operators have no obligation to close the transaction contemplated herein if a Facility is Out of Compliance, nor do Purchaser and New Operators have any obligation to assist Seller in bringing a Facility into compliance so that it is no longer Out of Compliance. The terms and provisions of this Section 5.24 shall survive the Closing.

SECTION 5.25. Intentionally Omitted.

(b) Performance of Obligations of Purchaser. Each applicable Purchaser shall have performed or complied in all material respects with all obligations and covenants required by this Agreement to be performed or complied with by such Purchaser by the time of the Closing, and Seller shall have received a certificate signed by an authorized officer of each applicable Purchaser to such effect.

(f) Board Approval. The board of directors of Seller shall have approved Seller entering into this Agreement and closing the transactions contemplated hereunder.

SECTION 6.04. Frustration of Closing Conditions. Neither any Purchaser nor Seller may rely on the failure of any condition set forth in this Article VI to be satisfied if such failure was caused by such party's failure to act in good faith or to use its reasonable efforts to cause the Closing to occur, as required by Section 5.05.

## ARTICLE VII TERMINATION, AMENDMENT AND WAIVER

### SECTION 7.01. Termination.

(a) Notwithstanding anything to the contrary in this Agreement, this Agreement may be terminated and the Acquisition and the other transactions contemplated by this Agreement abandoned at any time prior to any Closing:

(i) by the mutual written consent of Seller and Purchasers;

(ii) by Seller if any of the conditions set forth in Sections 6.01 or 6.03 shall have become incapable of fulfillment, and shall not have been waived by Seller, so long as none of Seller is then in material breach of any of its representations, warranties, covenants or agreements contained in this Agreement;

(iii) by Purchasers if any of the conditions set forth in Sections 6.01 or 6.02 shall have become incapable of fulfillment, and shall not have been waived by Purchasers, so long as none

of the Purchasers is then in material breach of any of its representations, warranties, covenants or agreements contained in this Agreement;

(iv) by Purchasers pursuant to the terms and provisions of Sections 2.04, 2.05 or 2.09;

(v) by Purchasers if any action or inaction on the part of Seller renders Seller unable to deliver good, valid and marketable title to any of the Acquired Assets to the applicable Purchasers and/or New Operators; and

(vi) by Purchasers if any action or notification of an intended action by any state or federal agency adversely affects any Facility's Licenses or Medicare or Medi-Cal provider agreement(s);

provided, however, that the party seeking termination pursuant to clause (ii) or (iii) is not then in material breach of any of its representations, warranties, covenants or agreements contained in this Agreement.

(b) In the event of termination by Seller or Purchasers pursuant to this Section 7.01, written notice thereof shall forthwith be given to the other and the transactions contemplated by this Agreement shall be terminated, without further action by any party. If the transactions contemplated by this Agreement are terminated as provided herein:

(i) The Purchasers shall return all documents and other material received from Seller relating to the transactions contemplated hereby, whether so obtained before or after the execution hereof, to Seller; and

(ii) all confidential information received by any of the Purchasers with respect to the Business shall be treated in accordance with Section 5.04 of this Agreement, which provisions shall remain in full force and effect notwithstanding the termination of this Agreement.

SECTION 7.02. Effect of Termination. If this Agreement is terminated and the transactions contemplated hereby are abandoned as described in Section 7.01, this Agreement shall become null and void and of no further force and effect, except for the provisions of (i) Section 2.05 (e) relating to the obligations of Purchasers to indemnify Seller, (ii) Section 5.04 relating to the obligation of Purchasers to keep confidential certain information and data obtained by it from Seller, (iii) Sections 5.05 and 9.03 relating to certain expenses, (iv) Section 5.06 relating to finder's fees and broker's fees, (v) Section 7.01 and this Section 7.02 and (vi) Section 5.12 relating to publicity. Nothing in this Section 7.02(a) shall be deemed to release any party from any liability for any breach by such party of the terms and provisions of this Agreement or to impair the right of any party to compel specific performance by any other party of its obligations under this Agreement. If this Agreement is terminated in full pursuant to clauses (i), (ii) (for any reason other than a default by Purchasers), (iii), (iv), (v), or (vi) of Section 7.01(a), then the Deposit (less the Independent Consideration), plus all interest accrued thereon, shall be returned to Purchasers.

SECTION 7.03. Amendments and Waivers. This Agreement may not be amended except by an instrument in writing signed on behalf of each of the parties hereto. By an instrument in writing Purchasers, on the one hand, or Seller, on the other hand, may waive compliance by the

other party with any term or provision of this Agreement that such other party was or is obligated to comply with or perform.

## ARTICLE VIII INDEMNIFICATION

### SECTION 8.01. Indemnification by Seller<sup>[A5]</sup>

(a) Seller shall indemnify, defend and protect each Purchaser, each New Operator and their respective affiliates and their respective officers, directors, employees, stockholders, members, managers, partners, agents, attorneys and representatives against, and hold them harmless from, any loss, liability, claim, damage or expense (including reasonable legal fees and expenses) (collectively, the “Losses”), as incurred (payable promptly upon written request), arising from, in connection with or otherwise with respect to:

(i) any breach of any representation or warranty of Seller that is contained in this Agreement, in any Ancillary Agreement or in any document delivered in connection herewith or therewith (it being agreed and acknowledged by the parties that for purposes of each Purchaser’s and New Operator’s right to indemnification pursuant to this Section 8.01 the representations and warranties of Seller shall be deemed not qualified by any references therein to materiality generally or to whether or not any breach results or may result in Seller Material Adverse Effect);

(ii) any breach of any covenants of Seller contained in this Agreement, in any Ancillary Agreement or in any document delivered in connection herewith or therewith;

(iii) any Excluded Liability;

(iv) any fees, expenses or other payments incurred or owed by or claimed through Seller to any brokers, financial advisors or comparable other persons retained or employed by Seller in connection with the transactions contemplated by this Agreement or by any Ancillary Agreement, including, without limitation, any fees payable to the Broker in connection with the Closing; and

(v) any out-of-pocket expenses incurred by Purchaser or New Operator (including, without limitation, fees payable to any third-party consultants or professionals that Purchaser or New Operator deem reasonably necessary or appropriate, to restore any Facility into substantial compliance to the extent any Facility was Out of Compliance (hereinafter defined) as of the Closing Date), any applicable fines, penalties, damages and lost revenue arising either as a result of (i) Purchaser and New Operators electing to close notwithstanding a Facility having been Out of Compliance, or (ii) any Facility being Out of Compliance after the Closing as a result of acts, omissions or occurrences occurring prior to the Closing Date. “Out of Compliance” means (A) a finding by a Governmental Entity of one or more deficiencies at any Facility at a “level G” or above in either (x) its most recent standard or complaint survey that has not found to have been corrected such that such Facility is found to be in “substantial compliance” with applicable Health Care Requirements by the applicable Governmental Entity or (y) any prior survey that includes a finding which requires a resurvey which resurvey has not taken place with a finding

that the applicable Facility was in substantial compliance; (B) a finding by a Governmental Entity that any Facility has deficiencies that have caused or are likely to cause serious harm, injury, impairment or death if not immediately rectified to resident health and safety that has not found to have been corrected by the applicable Governmental Entity; (C) a recommendation by a Health Care Authority to the Centers for Medicare and Medicaid Services (“CMS”) or other Governmental Entity for the imposition against any Facility of civil monetary penalties, or the imposition of same by CMS; and/or (D) a denial of any Facility’s right to admit patients or to receive Medicare or Medi-Cal payments or reimbursements for existing patients or for new admissions, at any Facility; and

(vi) any claim by any Governmental Entity, third party payor, RAC audit, ZPIC audit, or any claim of recapture by the Centers for Medicare and Medicaid Services, the U.S. Office of Inspector General or any other Governmental Entity with respect to an alleged Medicare or Medi-Cal overpayment for periods relating prior to the Closing Date, including, without limitation, with respect to any Stimulus/Relief Funds received by any of Seller.

(b) Except as otherwise specifically provided in this Agreement, in any Ancillary Agreement or in any document delivered in connection herewith or therewith, each Purchaser acknowledges that its sole and exclusive monetary remedy after the Closing with respect to any and all claims relating to this Agreement, the Ancillary Agreements, any documents delivered in connection herewith or therewith, the Acquisition and the other transactions contemplated hereby and thereby (other than claims of, or causes of action arising from, fraud) shall be pursuant to the indemnification provisions set forth in this Article VIII.

#### SECTION 8.02. Indemnification by Purchasers and New Operator.

(a) Each Purchaser, jointly and severally, shall indemnify, defend and protect Seller, its affiliates, officers, directors, employees, stockholders, members, managers, partners, agents, attorneys and representatives against, and agrees to hold them harmless from, any Loss, as incurred (payable promptly upon written request), for or on account of or arising from or in connection with or otherwise with respect to (i) any breach of any representation or warranty of any Purchaser contained in any Transaction Document or in any document delivered in connection herewith or therewith, (ii) any breach of any covenants of any Purchaser contained in this Agreement, in any Ancillary Agreement or in any document delivered in connection herewith or therewith, or (iii) any fees, expenses or other payments incurred or owed by Purchaser to any brokers, financial advisors or other comparable persons retained or employed by it in connection with the transactions contemplated by this Agreement or by any Ancillary Agreement, other than any fees payable to the Broker in connection with the Closing.

(b) Each New Operator, jointly and severally, shall indemnify, defend and protect Seller, its affiliates, officers, directors, employees, stockholders, members, managers, partners, agents, attorneys and representatives against, and agrees to hold them harmless from, any Loss, as incurred (payable promptly upon written request), for or on account of or arising from or in connection with or otherwise with respect to (i) any breach of any representation or warranty of New Operator contained in any Transaction Document or in any document delivered in connection herewith or therewith, (ii) any breach of any covenants of the New Operator contained in this Agreement, in any Ancillary Agreement or in any document delivered in

connection herewith or therewith, (iii) any fees, expenses or other payments incurred or owed by the New Operator to any brokers, financial advisors or other comparable persons retained or employed by it in connection with the transactions contemplated by this Agreement or by any Ancillary Agreement, other than any fees payable to the Broker in connection with the Closing and (iv) any Assumed Liability.

SECTION 8.03. Calculation of Losses. The amount of any Loss for which indemnification is provided under this Article VIII shall be net of any amounts actually recovered by the indemnified party under insurance policies with respect to such Loss and shall be increased to take account of any Tax cost incurred by the indemnified party arising from the receipt of indemnity payments hereunder.

SECTION 8.04. Termination of Indemnification. The obligations to indemnify and hold harmless any party, (i) pursuant to Section 8.01(a)(i) or 8.02(i), shall terminate when the applicable representation or warranty terminates pursuant to Section 8.06 and (ii) pursuant to the other clauses of Sections 8.01 and 8.02 shall not terminate; provided, however, that, with respect to clause (i), such obligations to indemnify and hold harmless shall not terminate with respect to any item as to which the person to be indemnified shall have, before the expiration of the applicable period, previously made a claim by delivering a notice of such claim pursuant to Section 8.05 to the party to be providing the indemnification.

SECTION 8.05. Procedures.

(a) Third Party Claims. In order for a party (the “indemnified party”) to be entitled to any indemnification provided for under this Agreement in respect of, arising out of or involving a claim made by any person against the indemnified party (a “Third Party Claim”), such indemnified party must notify the indemnifying party in writing of the Third Party Claim with reasonable promptness following receipt by such indemnified party of written notice of the Third Party Claim; provided, however, that failure to give such notification shall not affect the indemnification provided hereunder except to the extent the indemnifying party shall have been actually and materially prejudiced as a result of such failure. Thereafter, the indemnified party shall deliver to the indemnifying party, with reasonable promptness following the indemnified party’s receipt thereof, copies of all notices and documents (including court papers) received by the indemnified party relating to the Third Party Claim.

(b) Assumption. If a Third Party Claim is made against an indemnified party, the indemnifying party shall be entitled to participate in the defense thereof and, if it so chooses, to assume the defense thereof with counsel selected by the indemnifying party; provided, however, that such counsel is reasonably satisfactory to the indemnified party. If the indemnifying party so elects to assume the defense of a Third Party Claim, the indemnifying party shall not be liable to the indemnified party for any legal expenses subsequently incurred by the indemnified party in connection with the defense thereof. If the indemnifying party assumes such defense, the indemnified party shall have the right to participate in the defense thereof and to employ counsel, at its own expense, separate from the counsel employed by the indemnifying party, it being understood that the indemnifying party shall control such defense. The indemnifying party shall be liable for the fees and expenses of counsel employed by the indemnified party for any period during which the indemnifying party has not assumed the defense thereof. If the indemnifying

party chooses to defend or prosecute a Third Party Claim, all the indemnified parties shall cooperate in the defense or prosecution thereof. Such cooperation shall include the retention and (upon the indemnifying party's request) the provision to the indemnifying party of records and information that are reasonably relevant to such Third Party Claim, and making employees available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder. Whether or not the indemnifying party assumes the defense of a Third Party Claim, the indemnified party shall not admit any liability with respect to, or settle, compromise or discharge, such Third Party Claim without the indemnifying party's prior written consent (which consent shall not be unreasonably withheld, conditioned or delayed). If the indemnifying party assumes the defense of a Third Party Claim, the indemnified party shall agree to any settlement, compromise or discharge of such Third Party Claim that the indemnifying party may recommend and that by its terms obligates the indemnifying party to pay the full amount of the liability in connection with such Third Party Claim, which releases the indemnified party completely in connection with such Third Party Claim and that would not otherwise adversely affect the indemnified party. The assumption by an indemnifying party of a Third Party Claim shall conclusively establish that such Third Party Claim is within the scope of and subject to indemnification hereunder. Notwithstanding the foregoing, the indemnifying party shall not be entitled to assume the defense of any Third Party Claim (and shall be liable for the reasonable fees and expenses of counsel incurred by the indemnified party in defending such Third Party Claim) if (i) the Third Party Claim seeks an order, injunction or other equitable relief or relief for other than money damages against the indemnified party or (ii) the indemnifying party is also a person against whom the Third Party Claim is made and the indemnified party determines in good faith that joint representation would be inappropriate.

(c) Other Claims. In the event any indemnified party has a claim against any indemnifying party under Section 8.01 or 8.02 that does not involve a Third Party Claim being asserted against or sought to be collected from such indemnified party, the indemnified party shall deliver notice of such claim with reasonable promptness to the indemnifying party. Subject to Sections 8.04 and 8.06, the failure by any indemnified party so to notify the indemnifying party shall not relieve the indemnifying party from any liability that it may have to such indemnified party under Section 8.01 or 8.02, except to the extent that the indemnifying party demonstrates that it has been materially prejudiced by such failure. If the indemnifying party does not notify the indemnified party within ten (10) calendar days following its receipt of such notice that the indemnifying party disputes its liability to the indemnified party under Section 8.01 or 8.02, such claim specified by the indemnified party in such notice shall be conclusively deemed a liability of the indemnifying party under Section 8.01 or 8.02 and the indemnifying party shall pay the amount of such liability to the indemnified party on demand or, in the case of any notice in which the amount of the claim (or any portion thereof) is estimated, on such later date when the amount of such claim (or such portion thereof) becomes finally determined.

(d) Escrow Funds. All claims for Losses for which indemnification of Purchaser or New Operator is provided under this Section 8 shall be made first against the Escrow Funds under the terms of the Escrow Indemnity Agreement. On the date that that is eighteen (18) months after the Closing Date (the "First Release Date"), \$625,000.00 of the Escrow Funds shall be released to Seller, less (x) the amount of any disbursements made to any Purchaser and/or any New Operator from the Escrow Funds in accordance with this Agreement and the Escrow

Indemnity Agreement, and (y) the amount of any outstanding unresolved claims that were made by any Purchaser and/or any New Operator on or before the First Release Date; provided, however, (1) no such release shall cause the Escrow Funds on deposit with Escrow Agent to be less than \$625,000.00 and (2) if the Escrow Funds on deposit remaining with Escrow Agent as of the First Release Date are less than \$625,000.00, then no Escrow Funds shall be released to Seller on the First Release Date. On the third anniversary of the Closing Date (the “Final Release Date”), the balance of the Escrow Fund then on deposit with Escrow Agent shall be released to the Seller, less the amount of outstanding unresolved claims by any Purchaser and/or any New Operator on or before the Final Release Date, which amounts shall be retained by the Escrow Agent to be held and invested by it under the terms of Escrow Indemnity Agreement until such claims are finally resolved and then disbursed in accordance with the terms of the Escrow Indemnity Agreement.<sup>3</sup>

(e) Straddle Claims. Notwithstanding the foregoing, to the extent that any matter, circumstance, event or occurrence exists both prior to, and after the Closing Date, such that any New Operator is entitled to indemnification from Seller for Losses attributable to periods prior to the Closing Date, and Seller is entitled to indemnification from any New Operator for Losses attributable to periods on and after the Closing Date (each such claim, a “Straddle Claim”), the respective indemnification obligations of the parties with respect to all such Straddle Claims shall be equitably apportioned between such New Operator on one hand, and the Seller, on the other hand, based on the respective lengths of time, comparative opportunity to correct or prevent such matter, circumstance, event or occurrence, regardless of whether or not such Straddle Claim also gives rise to a breach of any of the representations and warranties made by any of the parties hereunder.

(f) Survival. The indemnification obligations of the parties under this Article VIII shall survive the Closing.

#### SECTION 8.06. Survival of Representations and Covenants.

Within ten (10) days after receipt of such notice, BUYER and SELLER shall furnish to the ESCROW AGENT written instructions for the release of the Escrow Funds. (b) Purchaser will use its commercially reasonable efforts to obtain as soon as practical, a preliminary report on title for each Facility, issued by Fidelity National Title Insurance Company ("Title Company"), which shall contain a commitment (each, a "Title Report") of the Title Company to issue to the applicable Purchaser an owner's policy of title insurance (each, a "Title Policy") insuring the fee simple interest of such Purchaser in the applicable Facility. Each Title Report shall be delivered with legible copies of all recorded exceptions to title referred to therein to the extent reasonably available (the "Exception Documents"). Each Title Policy shall be in an amount equal to the amount of the Purchase Price allocated to such Facility. Seller will use their commercially reasonable efforts to cause all standard exceptions to be deleted from the policies at the Closing, including without limitation, executing Seller's affidavits, gap indemnities and the like. The Purchasers shall have from the Effective Date until 5:00 p.m. Pacific Time on the Real Estate Due Diligence Period Expiration Date (the "Title Review Period") to approve or disapprove in writing each Title Report, the ALTA Surveys and any New Survey with respect to the Facilities, with any such notice of disapproval specifying the Exception Documents or other matters to which the Purchasers object. The failure of any Purchaser to disapprove any lien or other matter reflected in any Title Report within the Title Review Period shall be deemed approved by the applicable Purchaser(s). Notwithstanding the foregoing, no Purchaser shall have the right to disapprove any of the following, all of which shall be deemed to be Permitted Liens hereunder: (A) matters created or consented to by any Purchaser, and (B) the Assumed Liabilities. applicable Purchaser may object to such New Title Matter by delivering written notice to Seller within five (5) days after such Purchaser's receipt of such Supplemental Commitment. If such Purchaser fails to so notify Seller in writing, then the New Title Matter shall be deemed a Permitted Lien. Seller shall have until five (5) days from receipt of such Purchaser's notice to notify Purchaser whether Seller will, in Seller's sole discretion (except for any voluntary monetary liens securing financings created by Seller, which Seller covenants to cause to be removed at the Closing), attempt to cause the New Title Matter to be removed at or before the Closing. If Seller fails to so notify the applicable Purchaser, Seller shall be deemed to have declined to remove the New Title Matter. If Seller declines or is deemed to have declined to remove a New Title Matter, then such Purchaser shall have five (5) days following the date that Seller declines, or is deemed to have declined, to remove the New Title Matter ("Termination Deadline") in which to advise in writing of Purchaser's election (x) to waive the matters to which Purchaser objected and which Seller is not prepared to cure and to proceed to Closing or (y) to either (i) terminate this Agreement in full, in which event the Deposit (less the Independent Consideration), shall be returned to Purchasers, or (ii) terminate this Agreement with respect to the Real Property housing the applicable Facility, in which case the Purchase Price shall be reduced by an amount equal to the Allocated Value for the Facility in which this Agreement is being terminated. If such Purchaser does not terminate this Agreement (in full or in part) pursuant to the preceding sentence on or before the Termination Deadline, then the New Title Matter shall be deemed a Permitted Lien. The Closing Date shall be extended up to fifteen (15) days, if necessary, to accommodate the foregoing time periods.

As used herein, "Allocated Value" with respect to any Facility means the total amount of the Purchase Price allocated to such Facility under Section 5.19 of this Agreement.

No Purchaser shall take any core samples, install any monitoring wells, or undertake any other invasive tests or studies, or communicate with any government officials or agencies regarding Hazardous Substances without Seller's prior written consent (which may be withheld or conditioned by Seller in its reasonable discretion). Purchasers shall have until the Real Estate Due Diligence Period Expiration Date to approve or disapprove any Phase I in writing delivered to Seller. If any Phase I recommends that a Phase II be ordered, then such Phase II shall be obtained before such Purchaser is required to give the Environmental Notice (as defined below). Should any Purchaser disapprove any Phase I and/or related Phase II, such Purchaser shall notify Seller in writing of such disapproval at or prior to the Real Estate Due Diligence Period Expiration Date (the "Environmental Notice"). The failure of any Purchaser to deliver an Environmental Notice to Seller on or prior to the Real Estate Due Diligence Period Expiration Date shall be deemed approval by such Purchaser of the Phase I and Phase II (if applicable). If any Purchaser delivers an Environmental Notice to Seller before the Real Estate Due Diligence Period Expiration Date, then Purchasers shall have the right to terminate this Agreement in full, in which event the Deposit (less the Independent

(iii) Any entry upon the Facilities shall be upon a minimum of forty-eight (48) hours' written notice to Seller, and Seller shall have the right to accompany Purchasers and Purchasers' Agents on any such entry upon the Facilities.

(iv) Purchasers shall keep the Facilities free and clear of all liens arising out of Purchasers' and Purchasers' Agents' activities conducted upon the Facilities.

(v) Purchasers shall indemnify, defend and hold Seller and its agents, employees, consultants and representatives ("Seller's Agents") and the Facilities free and harmless of and from all costs, expenses, damages, claims, liabilities, reasonable attorneys' fees and costs or charges arising out of, or in any way connected with, the entry upon the Facilities by Purchasers and Purchasers' Agents; provided, however, that the foregoing indemnity and hold harmless obligation shall not extend to, and in no event shall Purchasers be liable to Seller and Seller's Agents for, any (a) diminution in the market value of any of the Facilities and/or the Acquired Assets resulting from the information disclosed by any such investigation or tests, (b) negligence or willful misconduct of Seller or any of the Seller's Agents, or (c) pre-existing condition(s) on or about any Facility (except and to the extent such pre-existing condition(s) is/are exacerbated by Purchaser's entry onto and investigation of any Facility).

(vii) Prior to performing any environmental tests or studies on the Facilities beyond the scope of work generally performed in a Phase I study, Purchasers shall notify Seller in writing of the scope of work intended to be performed and shall provide Seller an opportunity to confer, either directly or through Seller's consultants, with Purchasers' environmental consultants in order to determine whether to permit any sampling or testing of surface or subsurface soils, surface water or ground water (and with respect thereto Seller shall have complete and absolute discretion to grant or withhold its consent) or to refine the scope of the work to be performed. (a) Each Purchaser, jointly and severally, shall indemnify, defend and protect Seller, its affiliates, officers, directors, employees, stockholders, members, managers, partners, agents, attorneys and representatives against, and agrees to hold them harmless from, any Loss, as incurred (payable promptly upon written request), for or on account of or arising from or in connection with or otherwise with respect to (i) any breach of any representation or warranty of any Purchaser contained in any Transaction Document or in any document delivered in connection herewith or therewith, (ii) any breach of any covenants of any Purchaser contained in this Agreement, in any Ancillary Agreement or in any document delivered in connection

herewith or therewith, or (iii) any fees, expenses or other payments incurred or owed by Purchaser ~~Operator~~ to any brokers, financial advisors or other comparable persons retained or employed by it in connection with the transactions contemplated by this Agreement or by any Ancillary Agreement, other than any fees payable to the Broker in connection with the Closing.

(b) ~~The Each~~ New Operator, jointly and severally, shall indemnify, defend and protect Seller, its affiliates, officers, directors, employees, stockholders, members, managers, partners, agents, attorneys and representatives against, and agrees to hold them harmless from, any Loss, as incurred (payable promptly upon written request), for or on account of or arising from or in connection with or otherwise with respect to (i) any breach of any representation or warranty of New Operator contained in any Transaction Document or in any document delivered in connection herewith or therewith, (ii) any breach of any covenants of the New Operator contained in this Agreement, in any Ancillary Agreement or in any document delivered in connection herewith or therewith, (iii) any fees, expenses or other payments incurred or owed by the New Operator to any brokers, financial advisors or other comparable persons retained or employed by it in connection with the transactions contemplated by this Agreement or by any Ancillary Agreement, other than any fees payable to the Broker in connection with the Closing and (iv) any Assumed Liability.

SECTION 8.03. Calculation of Losses. The amount of any Loss for which indemnification is provided under this Article VIII shall be net of any amounts actually recovered by the indemnified party under insurance policies with respect to such Loss and shall be increased to take account of any Tax cost incurred by the indemnified party arising from the receipt of indemnity payments hereunder.

SECTION 8.04. Termination of Indemnification. The obligations to indemnify and hold harmless any party, (i) pursuant to Section 8.01(a)(i) or 8.02(i), shall terminate when the applicable representation or warranty terminates pursuant to Section 8.06 and (ii) pursuant to the other clauses of Sections 8.01 and 8.02 shall not terminate; provided, however, that, with respect to clause (i), such obligations to indemnify and hold harmless shall not terminate with respect to any item as to which the person to be indemnified shall have, before the expiration of the applicable period, previously made a claim by delivering a notice of such claim pursuant to Section 8.05 to the party to be providing the indemnification.

SECTION 8.05. Procedures.

(a) Third Party Claims. In order for a party (the “indemnified party”) to be entitled to any indemnification provided for under this Agreement in respect of, arising out of or involving a claim made by any person against the indemnified party (a “Third Party Claim”), such indemnified party must notify the indemnifying party in writing of the Third Party Claim with reasonable promptness following receipt by such indemnified party of written notice of the Third Party Claim; provided, however, that failure to give such notification shall not affect the indemnification provided hereunder except to the extent the indemnifying party shall have been actually and materially prejudiced as a result of such failure. Thereafter, the indemnified party shall deliver to the indemnifying party, with reasonable promptness following the indemnified

party's receipt thereof, copies of all notices and documents (including court papers) received by the indemnified party relating to the Third Party Claim.

(b) Assumption. If a Third Party Claim is made against an indemnified party, the indemnifying party shall be entitled to participate in the defense thereof and, if it so chooses, to assume the defense thereof with counsel selected by the indemnifying party; provided, however, that such counsel is reasonably satisfactory to the indemnified party. If the indemnifying party so elects to assume the defense of a Third Party Claim, the indemnifying party shall not be liable to the indemnified party for any legal expenses subsequently incurred by the indemnified party in connection with the defense thereof. If the indemnifying party assumes such defense, the indemnified party shall have the right to participate in the defense thereof and to employ counsel, at its own expense, separate from the counsel employed by the indemnifying party, it being understood that the indemnifying party shall control such defense. The indemnifying party shall be liable for the fees and expenses of counsel employed by the indemnified party for any period during which the indemnifying party has not assumed the defense thereof. If the indemnifying party chooses to defend or prosecute a Third Party Claim, all the indemnified parties shall cooperate in the defense or prosecution thereof. Such cooperation shall include the retention and (upon the indemnifying party's request) the provision to the indemnifying party of records and information that are reasonably relevant to such Third Party Claim, and making employees available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder. Whether or not the indemnifying party assumes the defense of a Third Party Claim, the indemnified party shall not admit any liability with respect to, or settle, compromise or discharge, such Third Party Claim without the indemnifying party's prior written consent (which consent shall not be unreasonably withheld, conditioned or delayed). If the indemnifying party assumes the defense of a Third Party Claim, the indemnified party shall ~~agrees~~agree to any settlement, compromise or discharge of such Third Party Claim that the indemnifying party may recommend and that by its terms obligates the indemnifying party to pay the full amount of the liability in connection with such Third Party Claim, which releases the indemnified party completely in connection with such Third Party Claim and that would not otherwise adversely affect the indemnified party. The assumption by an indemnifying party of a Third Party Claim shall conclusively establish that such Third Party Claim is within the scope of and subject to indemnification hereunder. Notwithstanding the foregoing, the indemnifying party shall not be entitled to assume the defense of any Third Party Claim (and shall be liable for the reasonable fees and expenses of counsel incurred by the indemnified party in defending such Third Party Claim) if (i) the Third Party Claim seeks an order, injunction or other equitable relief or relief for other than money damages against the indemnified party or (ii) the indemnifying party is also a person against whom the Third Party Claim is made and the indemnified party determines in good faith that joint representation would be inappropriate.

(c) Other Claims. In the event any indemnified party has a claim against any indemnifying party under Section 8.01 or 8.02 that does not involve a Third Party Claim being asserted against or sought to be collected from such indemnified party, the indemnified party shall deliver notice of such claim with reasonable promptness to the indemnifying party. Subject to Sections 8.04 and 8.06, the failure by any indemnified party so to notify the indemnifying party shall not relieve the indemnifying party from any liability that it may have to such indemnified party under Section 8.01 or 8.02, except to the extent that the indemnifying party demonstrates that it has been materially prejudiced by such failure. If the indemnifying party

does not notify the indemnified party within ten (10) calendar days following its receipt of such notice that the indemnifying party disputes its liability to the indemnified party under Section 8.01 or 8.02, such claim specified by the indemnified party in such notice shall be conclusively deemed a liability of the indemnifying party under Section 8.01 or 8.02 and the indemnifying party shall pay the amount of such liability to the indemnified party on demand or, in the case of any notice in which the amount of the claim (or any portion thereof) is estimated, on such later date when the amount of such claim (or such portion thereof) becomes finally determined.

(d) Escrow Funds. All claims for Losses for which indemnification of Purchaser or New Operator is provided under this Section 8 shall be made first against the Escrow Funds under the terms of the Escrow Indemnity Agreement. On the ~~fourth~~<sup>second</sup> date that that is eighteen (18) months after the Closing Date (the "First Release Date"), \$625,000.00 of the Escrow Funds shall be released to Seller, less (x) the amount of any disbursements made to any Purchaser and/or any New Operator from the Escrow Funds in accordance with this Agreement and the Escrow Indemnity Agreement, and (y) the amount of any outstanding unresolved claims that were made by any Purchaser and/or any New Operator on or before the First Release Date; provided, however, (1) no such release shall cause the Escrow Funds on deposit with Escrow Agent to be less than \$625,000.00 and (2) if the Escrow Funds on deposit remaining with Escrow Agent as of the First Release Date are less than \$625,000.00, then no Escrow Funds shall be released to Seller on the First Release Date. On the ~~third~~<sup>two or three</sup> anniversary of the Closing Date (the "Final Release Date"), the balance of the Escrow Fund then on deposit with Escrow Agent shall be released to the Seller, less the amount of outstanding unresolved claims by any Purchaser and/or any New Operator on or before the Final Release Date, which amounts shall be retained by the Escrow Agent to be held and invested by it under the terms of Escrow Indemnity Agreement until such claims are finally resolved and then disbursed in accordance with the terms of the Escrow Indemnity Agreement.<sup>3</sup>

(e) Straddle Claims. Notwithstanding the foregoing, to the extent that any matter, <sup>claim,</sup> circumstance, event or occurrence exists both prior to, and after the Closing Date, such that any New Operator is entitled to indemnification from Seller for Losses attributable to periods prior to the Closing Date, and Seller is entitled to indemnification from any New Operator for Losses attributable to periods on and after the Closing Date (each such claim, a "Straddle Claim"), the respective indemnification obligations of the parties with respect to all such Straddle Claims shall be equitably apportioned between such New Operator on one hand, and the Seller, on the other hand, based on the respective lengths of time, comparative opportunity to correct or prevent such matter, circumstance, event or occurrence, regardless of whether or not such Straddle Claim also gives rise to a breach of any of the representations and warranties made by any of the parties hereunder.

(f) ~~(e)~~ Survival. The indemnification obligations of the parties under this Article VIII shall survive the Closing.

<sup>3</sup> The release amounts and release are also subject to confirmation between Abe and Mark.

does not include the concept of comparative damage incurred, e.g. the claim may have bc of long duration during Seller's ownership, but exacerbated during Purchaser's ownership

SECTION 8.06. Survival of Representations and Covenants.

(a) The representations, warranties, covenants and agreements contained in this Agreement and in any document delivered in connection herewith shall survive the Closing solely for purposes of this Article VIII as follows: (i) all representations and warranties of Seller (other than the representations and warranties under Section 3.01, 3.02, 3.03, 3.05, 3.12, 3.17, 3.18, 3.19, or 3.22 (collectively, the "Fundamental/Operational Representations")) shall survive for one (1) year following the Closing; (ii) ~~the Fundamental/Operational Representations shall survive for two (2) years following the Closing;~~ (iii) all other covenants, indemnities and other provisions of this Agreement which survive Closing shall survive for ~~three (3) years~~ after the Closing; and (iv) claims for fraud shall survive for the applicable statute of limitations period.

56. In the event of any disagreement between BUYER and SELLER resulting in conflicting instructions to, or adverse claims or demands upon the ESCROW AGENT with respect to the release of the Escrow Funds, the ESCROW AGENT shall refuse to comply with such instruction, claim or demand so long as such disagreement shall continue, and in so refusing the ESCROW AGENT shall not release the Escrow Funds, or make any other disposition of the Escrow Account. The ESCROW AGENT shall not be or become liable in any way to BUYER or SELLER for its failure or refusal to comply with any such conflicting instructions or adverse claims or demands, and it shall be entitled to continue so to refrain from acting until such conflicting or adverse demands (a) shall have been adjusted by agreement and it shall have been notified in writing thereof by BUYER and SELLER or (b) shall have finally been determined in a court of competent jurisdiction. All information derived from Purchasers' tests and test results shall, to the extent permissible under existing law, remain confidential and not to be disclosed to any party other than as is necessary in connection with the consummation of the transactions contemplated hereby or as is necessary to comply with any obligations Purchasers may have under applicable law. Such parties would include public agencies, but not Purchasers' lenders, and future assignees/Facilities owners. Seller shall be entitled to receive copies of all tests, test results, studies and reports together with the right as a party of interest, to be able to access the consultant's file information and work product in the event of future need subsequent to the Closing. As of the Closing, Purchasers hereby expressly waive and forever release any and all rights, claims and actions that Purchasers may now have or hereafter acquire against Seller arising from or related to the Facilities. Provided, however, that such waiver and release shall not apply to any matter against which Seller has expressly agreed to indemnify Purchasers elsewhere in this Agreement, or to any other matter expressly represented and warranted elsewhere by Seller herein.
