A notice published in the Federal Register Volume 68, No. 149 August 4, 2003 provided for an increase in the RUG payments beginning 10/01/2003. Congress expected this increase to be used for direct patient care and related expenses. For lines 101 through 106: Enter in column 1 the amount of the expense for each category. Enter in column 2 the percentage of total expenses for each category to total SNF revenue from Worksheet G-2, Part I, line 1, column 3. Indicate in column 3 "Y" for yes or "N" for no if the spending reflects increases associated with direct patient care and related expenses for each category. (If column 2 is zero, enter N/A in column 3) (See instructions)

A notice published in the Federal Register Volume 68, No. 149 August 4, 2003 provided for an increase in the RUG payments beginning 10/01/2003. Congress expected this increase to be used for direct patient care and related expenses. For lines 101 through 106: Enter in column 1 the amount of the expense for each category. Enter in column 2 the percentage of total expenses for each category to total SNF revenue from Worksheet G-2, Part I, line 1, column 3. Indicate in column 3 "Y" for yes or "N" for no if the spending reflects increases associated with direct patient care and related expenses for each category. (If column 2 is zero, enter N/A in column 3) (See instructions)

**SECTION 999.5(d)(5)(D)**

- (D) A description of any community benefit program provided by the health facility or facility that provides similar health care services during the past five years with an annual cost of at least \$ 10,000 and the annual cost of each program for the past five years.**

Eskaton Fair Oaks, Greenhaven, and Manzanita do not operate any community benefit programs that meet this definition.

## **SECTION 999.5(d)(5)(E)**

- (E) For each health facility or facility that provides similar health care services that is the subject of the agreement or transaction, a description of current policies and procedures on staffing for patient care areas; employee input on health quality and staffing issues; and employee wages, salaries, benefits, working conditions and employment protections. Such description shall include a list of all existing staffing plans, policy and procedure manuals, employee handbooks, collective bargaining agreements or similar employment-related documents.**

### **Policies and Procedures for SNF staffing:**

Eskaton has established policies and procedures to ensure adequate SNF staffing levels at each of the three communities. Attached to this Section are the following:

1. SNF staffing policy;
2. SNF Quality Assessment and Performance Improvement (“QAPI”) Plan.

### **Employee input on health quality and staffing issues:**

Eskaton employees can provide input on health quality and staffing issues in a number of ways, including but not limited to raising the issues to immediate supervisors, the Executive Directors, during staff meetings, and during resident/staff town hall meetings.

Eskaton maintains a Compliance Hotline to which employees can make complaints (anonymously or otherwise) for investigation and follow-up. Eskaton has a Quality and Compliance department which provides support and which can be used by employees to raise concerns or problems.

### **Additional employment-related documents:**

In addition, the following documents are attached to this Section:

3. Employee Benefit Guide;
4. Employee Handbook;
5. Employment Policies and Procedures
6. Employee Wage and Salary Information for Fair Oaks, Greenhaven, and Manzanita
7. Employee Job Descriptions for Fair Oaks, Greenhaven, and Manzanita

Documents containing confidential employee wage and salary information have been provided to the Attorney General under separate cover.

## **SECTION 999.5(d)(5)(E)**

### **1) SNF Staffing Policy**

## Staffing

---

### POLICY STATEMENT

Our facility provides adequate staffing to meet the needs of the resident population.

### POLICY INTERPRETATION AND IMPLEMENTATION

1. Our facility, through the Eskaton Administrative Center, furnishes information from payroll records setting forth the average numbers and types of personnel (in full-time equivalents) on each shift during at least one (1) week of each quarter to the State Department of Health and Bureau of Licensure and Certification. Such week is selected by the state agency.
2. Our facility maintains adequate staff on each shift to assure that the resident's needs are met. Inquiries concerning staffing should be referred to the director of nursing services or to the administrator.

## **SECTION 999.5(d)(5)(E)**

### **2) SNF Quality Assessment and Performance Improvement ("QAPI") Plan Policy and Procedure**

## Quality Assessment and Assurance Committee

---

### POLICY STATEMENT

The community maintains a Quality Assessment and Assurance committee that identifies and addresses quality issues, and implements corrective action plans as necessary.

### POLICY INTERPRETATION AND IMPLEMENTATION

1. The Executive Director shall serve as the chairperson of the QA & A Committee.
2. The Executive Director may delegate the necessary authority within the appropriate scope of practice for actions and processes to the Quality Assessment and Assurance Committee.
3. The committee shall be a standing committee of the community, and its chairperson shall have direct access and reporting ability to Eskaton's governing board through the Chief Operations Officer / Vice President of Operations.

### Goals of the Committee

The primary goals of the Quality Assessment and Assurance Committee are:

1. To monitor and evaluate the appropriateness and quality of care provided.
2. To provide a means whereby negative outcomes relative to resident care can be identified and resolved through an interdisciplinary approach, and positive outcomes can be reinforced through education and monitoring.
3. To develop and recommend a calendar of key indicators that are reviewed and monitored over the course of a year. These indicators reflect monitoring in the following functional areas:
  - a. Quality of Life
  - b. Clinical Practice
  - c. Resident Choices
  - d. Safety/Risk Management
  - e. Management Practices

### Committee Composition

The Quality Assessment & Assurance Committee will be composed of the following four subcommittees:

- a. Patient Care Policy Committee
- b. Infection Control Committee
- c. Pharmaceutical Service Committee
- d. Patient Safety Committee

### Committee Authority

The Quality Assessment and Assurance Committee functions as an advisory committee to the Chief Operations Officer / Vice President of Operations. The committee has the full authority of the Eskaton governing board to implement quality assessment and assurance activities, including, but not limited to the following tasks:

1. Identifying positive and negative outcomes on direct or indirect resident care;
2. Establishing criteria and standards of practice within the scope of practice of professional organizations, health care regulation, and federal and state requirements, as applicable.

### Committee Membership

1. Vacancies occurring on the committee shall be filled by the chairperson.
2. The committee is comprised of the following four individuals plus a minimum of three other staff members:
  - a. Executive Director
  - b. Director of Nursing Services
  - c. Medical Director
  - d. Pharmacy Consultant

## POLICY INTERPRETATION AND IMPLEMENTATION

### Recording Secretary

1. The committee shall establish a recording secretary.

### Committee Meetings

1. The committee will meet at an appointed time and no less than quarterly.
2. Special meetings may be called by the Executive Director when two (2) or more members of the committee make such a request.

### Committee Reports and Records

1. The minutes of all meetings of the Quality Assessment and Assurance Committee will include, as a minimum, the following information:
  - a. The date and time the committee met;
  - b. The names of committee members present and absent;
  - c. A summary of the plans of correction in progress;
  - d. A summary of negative findings, if any;
  - e. A summary of the plans of correction to be implemented;
  - f. Conclusions and recommendations from the committee; and
  - g. The time the meeting adjourned.

### Confidentiality of Information

1. All committee minutes, reports, findings, plans of corrections, etc. are confidential and shall be filed separately to maintain such confidentiality.
2. Only committee members shall have access to quality assessment and assurance records.
3. Committee members may not discuss or disseminate information which they have obtained as a result of their participation in/on the committee with any person or agency outside the committee.

### Annual Review

The Quality Assessment and Assurance Committee will be responsible for reviewing and making recommendations for changes to policies, procedures, and services at least annually for necessary revisions or changes.

Records of annual reviews or amendments will become a part of the Quality Assessment and Assurance Committee's permanent records.

*This benefits guide briefly describes your benefits choices and your options to enroll. All benefits, and your eligibility for benefits, are subject to the terms and conditions of the benefit plans, including group insurance contracts. This guide is not intended to be a complete description of the benefits and it is not a summary plan description or plan document. In the event of any conflict or discrepancy between this guide and the plan documents, the plan documents will govern. Information contained in this Health Benefits Guide is proprietary and confidential to Eskaton. Eskaton reserves the right to modify or terminate any of the described benefits at any time and for any reason. This guide is not a guarantee of current or future employment or benefits. Some benefit programs require contributions from the employee. Refer to your benefits materials for additional details about any plan.*

# Eligibility

## Who is eligible and when

You are eligible to enroll or make changes to your benefit plans during Eskaton's annual Open Enrollment, which is typically held each November for a January 1 effective date. If you are enrolling as a new hire, your benefits will become effective the first day of the month following 60 consecutive days of employment.

You can also make changes outside of these traditional enrollment periods if you experience a qualifying event, such as marriage, divorce, legal separation, birth, adoption, death in family, spouse loss of other coverage or dependent child reaching limiting age.

Full-Time employees are those working 33+ hours per week and Part-Time employees are those working 25-32 hours per week.

## Eligible dependent definitions by plan

### Medical, dental and vision plans

- Spouse: defined by applicable state law
- Domestic partner: same sex or opposite sex as outlined in this guide
- Dependent children up to age 26
  - Natural or adopted children who can be claimed as your tax dependents
  - Stepchildren whom you support and live with you in a parent-child relationship
  - Children placed in your home for adoption or foster care
  - Any other children you support for whom you are the legal guardian or for whom you are required to provide coverage as the result of a qualified medical child support order

## Domestic partner eligibility criteria

If you are enrolling a domestic partner you will be asked to attest to your domestic partner relationship and that you have met all the eligibility requirements listed below for the previous 12 months:

- Share a common principal place of residence and intend to do so in the future
- Are jointly responsible for each other's basic living expenses
- Both 18 years old or older and are mentally competent to enter into a legally binding contract
- Neither of you are married or a member of another domestic partnership
- Not related by blood to such a degree that you would be prevented from marrying in the state in which you reside
- Agree to notify Eskaton immediately upon your failure to satisfy any of the criteria of domestic partnership
- You understand that it is a fraudulent act to obtain health coverage by misrepresenting any facts stated herein

*Note: The value of health care coverage provided for a domestic partner or any enrolled dependent children of your domestic partner is treated as income to you for federal tax purposes (and in most cases, state tax purposes). Eskaton will report the value of the coverage as income to you on your W-2 Form and will withhold applicable taxes. It is recommended you consult with your tax advisor for more information on how this affects you.*

## What happens if you don't enroll

If you are currently enrolled in health benefits and you don't actively enroll during the Open Enrollment period, you will continue to receive your current year's medical, dental, vision, life, and disability insurance coverage for yourself and your covered dependents.

New employees who don't enroll in employer-sponsored benefits within the 45-day period will have to wait until the next Open Enrollment period. If waiving coverage, you must log into <https://n31.ultipro.com> and waive your benefits online.

You will not be able to make changes until the next annual Open Enrollment period or until you experience a qualifying event.

## Making changes

Qualifying events — such as marriage, divorce, legal separation, birth, adoption, death in the family, spouse loss of other coverage, dependent child reaching limiting age — may require you to change your benefits to accommodate your new situation. Following IRS regulations, you can make changes consistent with your life event by notifying Human Resources within 31 days of the date of the event. If you miss the 31 day period, you will have to wait until the next Open Enrollment to change your benefits.

## HealthComp TPA

Eskaton employees have access to the Anthem PPO network of providers and facilities. HealthComp Administrators is the Third Party Administrator (TPA) and will house your eligibility and pay your claims. When you use an Anthem PPO in-network provider, you will receive a higher level of benefit coverage. When you use a provider outside of the Anthem network, you will pay more out-of-pocket.

You can access your account through the HealthComp TPA at: [healthcomp.com](http://healthcomp.com) or download the app, HCOOnline for your smartphone. You can view benefits, enrollment, claims history, your Explanation of Benefits (EOB), inquire about claims and request an ID card and more.

# 2023 Employee Cost Summary

When you elect medical, dental, or vision coverage through Eskaton, your monthly contributions noted below are deducted from your pay before income and Social Security taxes are withheld. This means that you will not have to pay federal income tax, Social Security tax or Medicare tax on the amount of your premium payments that are paid each pay period. You may wish to consult your legal and/or tax advisor regarding the actual tax savings you may realize.

Domestic partner elections may be subject to imputed income tax, per IRS regulations.

# Additional Benefits

## Aflac Supplemental Insurance

### Aflac is different from health insurance

Major medical pays for doctors, hospitals, and prescriptions. Aflac pays cash directly to you, unless otherwise assigned, to help with daily expenses due to a covered illness or accident. The benefits are predetermined and paid regardless of any other insurance you have. You can use your Aflac benefits check to help pay for groceries, child care, or rent. It's totally up to you. When you have an Aflac policy-it's yours. You own it. Even if you change jobs or retire, you can take your Aflac policy with you.

### Aflac pays you cash benefits even when you're healthy

We want you to be healthy-that's why several of our policies promote preventive care. When you're sick or hurt, the last thing you need is a complicated form to fill out. Aflac benefits are easy to understand, and you can file most claims online or with an App on your phone!

Your Aflac representative is: **Lisa Garland 916.780.0959** [lisa@teamgarland.com](mailto:lisa@teamgarland.com)

## Employee Assistance Program

### CONCERN

Eskaton Provides an Employee Assistance Program (EAP) to all benefited employees and their dependents through CONCERN. CONCERN is a confidential short-term counseling and referral service designed to provide you and your family with assistance in managing every day

concerns. Some of the services offered include:

- Short-term counseling – up to 5 visits per incidence per family member per 12 month period
- Parenting and childcare resources and referrals
- Legal consultations

# Income Protection

## Basic Life & AD&D

### Lincoln Financial Group

As an eligible employee, you are provided with basic life insurance and Accidental Death & Dismemberment (AD&D) coverage at no cost to you. Life insurance pays funds to your designated beneficiaries after your death, while AD&D pays an amount equal to your life insurance in the event of an accidental death or for certain accidental injuries.

	Carrier	Coverage	Maximum Benefit
<b>Basic Life and Accidental Death &amp; Dismemberment (AD&amp;D)</b>	Lincoln Financial Group	\$10,000	\$10,000

## California State Disability (SDI)

California State Disability Insurance (SDI) is a state disability program available to you if you become disabled due to a non-work related accident or illness. Once you have been disabled for seven consecutive days, you may receive 60-70% of your weekly earnings, up to the CA SDI/EDD set weekly max for a maximum of 52 weeks.

	Carrier	Coverage	Maximum Benefit
<b>Short-Term Disability</b>	California State Disability Insurance (SDI)	60-70% of average weekly wages, based on past earnings as calculated by the EDD	Determined by the EDD

# Voluntary Income Protection

## Voluntary Life & AD&D

### Lincoln Financial Group

In addition to the basic life insurance plan, you are eligible to purchase additional amounts of individual term life insurance and Accidental Death & Dismemberment (AD&D) for yourself, your spouse or domestic partner, and your children. Should you leave the company, your life coverage is portable if you apply within 31 days of your termination date.

	Coverage	Maximum Benefit	Guaranteed Issue*	Benefits Reduction Schedule
<b>Employee Vol. Life &amp; AD&amp;D</b>	Increments of \$10,000, max 5x annual salary	\$500,000	\$200,000	Age 70: 65% Age 75: 45% Age 80: 30% Age 85+: 15%
<b>Spouse Vol. Life &amp; AD&amp;D</b>	Increments of \$10,000, up to 100% of employee coverage	\$500,000	\$30,000	
<b>Child(ren) Vol. Life only</b>	\$10,000 or \$20,000	\$500 (birth-13 days) \$2,000 (14 days-6 mos) \$20,000 (6 mos-26 years)	\$20,000	N/A

\*Guarantee issue only applies when you are newly eligible for the plan. Amounts requested above the guaranteed issue amount will require an Evidence of Insurability (EOI) form before the higher level of coverage is effective.

## Voluntary Long-Term Disability

### Lincoln Financial Group

Once you have been disabled due to an accident or illness for 90 consecutive days, your Voluntary Long Term Disability (LTD) coverage begins. If you pay your premiums with post-tax dollars, your benefits will not be taxed. If you pay your premiums with pre-tax dollars, your benefits will be taxed. Your LTD benefit will not be reduced by the amount of other income replacement benefits you may receive for the same disability. Your LTD benefits are payable for the period during which you continue to meet the definition of disability up to age 65, but not less than five years. If your disability occurs at or after age 65, benefits would be paid for a reduced period of time.

	Coverage	Maximum benefit	Elimination period	Maximum duration
<b>Voluntary Long-Term Disability</b>	60% of your monthly salary	\$5,000	90 days	Social Security Normal Retirement Age

Please see your community business office for additional information and enrollment material.

# Health and Wellness Program

At Eskaton, we take great pride in our employees and their well-being

## Annual health risk assessments

Health Risk Assessments and biometric screenings reveal if employees have or are at risk of developing chronic conditions. Screenings include: cholesterol, glucose, blood pressure, height, weight, BMI, waist circumference and body fat. Eskaton employees who participate in the free annual confidential screening receive \$30 in their paycheck.

Live Well for Life Program through Sutter Health:

- Assistance with locating primary care physicians
- Website for wellness resources is: [sutterhealth.org/livewellforlife](https://sutterhealth.org/livewellforlife)

## Smoking cessation program

Eskaton offers a smoking cessation program for ALL employees. Eskaton will reimburse employees the cost to enter into a smoking cessation program, up to \$150, which is the cost of three sessions at Sutter Express Care (you may choose to enter any smoking cessation program). Employees must attend all sessions, provide proof of completion and be smoke-free for 30 days for reimbursement.

Smoking cessation prescription medication is offered through Eskaton's health plan, applicable pharmacy co-payments apply.

## 24-hour NurseLine

The Anthem network provides access to registered nurses who are trained to help you and your family make more informed decisions about your health. This service is available 24 hours a day, 7 days a week to those enrolled in the Eskaton health plan and is strictly confidential. If you would rather not discuss your medical condition over the phone, you can listen to confidential recorded messages on more than 300 health topics by selecting the Audio Health Library at 800.700.0197.

## Mommies 2-B program

This program is designed to assist members enrolled in the Eskaton health plan in giving their babies a healthy start. Once a pregnancy is confirmed, a HealthComp M2B nurse will reach out to the expecting participants to enroll them in the program if they choose to participate.

## Employee wellness program

Our goal is for every employee to reach their optimal wellness. The program encourages and cultivates healthy lifestyles by providing the following:

- Smoke-free campuses
- Discounts on gym memberships
- Monthly wellness newsletters
- Preventative Health Care
- No cost flu shots
- Fun wellness campaigns and challenges
- Company-sponsored local events
- Incentives for participation
- Wellness champions at each community

# 2023 Legal Notices

*The Health Insurance and Portability and Accountability Act of 1996 (HIPAA). HIPAA places limitations on a group health plan's ability to impose preexisting condition exclusions, provides special enrollment rights for certain individuals and prohibits discrimination in group health plans based on health status. In addition, HIPAA establishes a set of national standards to address the use and disclosure of individuals' health information – called protected health information.*

## **HIPAA Notice of Availability of Notice of Privacy Practices**

This Plan is required by law to provide notice of the Plan's duties and privacy practices with respect to covered individuals' protected health information by providing a Notice of Privacy Practices (NOPP) to participants. The Plan's NOPP is available upon request. To obtain a copy of the NOPP, or for more information regarding the Plan's privacy policies or your rights under HIPAA, contact Eskaton at 916.334.0810.

## **HIPAA Special Enrollment Rules**

HIPAA requires we notify you about your right to later enroll yourself and eligible dependents for coverage in Eskaton health plan under "special enrollment provisions" briefly described below.

- **Loss of Other Coverage.** If you decline enrollment for yourself or for an eligible dependent because you have other group health plan coverage or other health insurance, you may be able to enroll yourself and your dependents under Eskaton health plan if you or your dependents lose eligibility for that other coverage, or if the other employer stops contributing toward your or your dependents' other coverage. You must request enrollment within 30 after you or your dependents' other coverage ends, or after the other employer stops contributing toward the other coverage.
- **New Dependent by Marriage, Birth, Adoption, or Placement for Adoption.** If you gain a new dependent as a result of a marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your new dependents under Eskaton health plan. You must request enrollment within 30 after the marriage, birth, adoption, or placement for adoption. In the event you acquire a new dependent by birth, adoption, or placement for adoption, you may also be able to enroll your spouse, if your spouse was not previously covered.
- **Enrollment Due to Medicaid/CHIP Events.** If you or your eligible dependents are not already enrolled in Eskaton health plan, you may be able to enroll yourself and your eligible dependents if: (i) you or your dependents lose coverage under a state Medicaid or children's health insurance program (CHIP), or (ii) you or your dependents become eligible for premium assistance under state Medicaid or CHIP. You must request enrollment within 60 days from the date of the Medicaid/CHIP event. The CHIP Model Notice containing additional information about this right as well as contact information for state assistance is included below. You may also request a copy from your plan administrator.

Please contact Eskaton at 916.334.0810 for details, including the effective dates of coverage applicable to each of these special enrollment provisions. Additional information regarding your rights to enroll in group health coverage is found in the applicable group health plan

## Notice Regarding Wellness Program

Eskaton Properties, Inc. Live Well for Life Program through Sutter Health is a voluntary wellness program available to all employees. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others. If you choose to participate in the wellness program you will be asked to complete a voluntary health risk assessment or "HRA" that asks a series of questions about your health-related activities and behaviors and whether you have or had certain medical conditions (e.g., cancer, diabetes, or heart disease). You will also be asked to complete a biometric screening, which will include a routine blood test. You are not required to complete the HRA or to participate in the blood test or other medical examinations.

However, employees who choose to participate in the wellness program will receive an incentive of \$30.00 for completing the HRA and biometric screening. Although you are not required to complete the HRA or participate in the biometric screening, only employees who do so will receive \$30.00.

Additional incentives of up to \$150.00 may be available for eligible employees who participate and complete the Smoking Cessation Program. If you are unable to participate in any of the health-related activities or achieve any of the health outcomes required to earn an incentive, you may be entitled to a reasonable accommodation or an alternative standard. You may request a reasonable accommodation or an alternative standard by contacting Eskaton at 916.334.0810.

The information from your HRA and the results from your biometric screening are confidential and will be used to provide you with information to help you understand your current health and potential risks, and may also be used to offer you services through the wellness program. You also are encouraged to share your results or concerns with your own doctor.

## Protections from Disclosure of Medical Information

We are required by law to maintain the privacy and security of your personally identifiable health information. Although the wellness program and Eskaton Properties, Inc. may use aggregate information it collects to design a program based on identified health risks in the workplace, Eskaton Properties, Inc. Live Well for Life Program through Sutter Health will never disclose any of your personal information either publicly or to the employer, except as necessary to respond to a request from you for a reasonable accommodation needed to participate in the wellness program, or as expressly permitted by law. Medical information that personally identifies you that is provided in connection with the wellness program will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment.

Your health information will not be sold, exchanged, transferred, or otherwise disclosed except to the extent permitted by law to carry out specific activities related to the wellness program, and you will not be asked or required to waive the confidentiality of your health information as a condition of participating in the wellness program or receiving an incentive. Anyone who receives your information for purposes of providing you services as part of the wellness program will abide by the same confidentiality requirements. The only individual(s) who will receive your personally identifiable health information is (are) a registered nurse, a doctor, or a health coach in order to provide you with services under the wellness program.

In addition, all medical information obtained through the wellness program will be maintained separate from your personnel records, information stored electronically will be encrypted, and no information you provide as part of the wellness program will be used in making any employment decision. Appropriate precautions will be taken to avoid any data breach, and in the event a data breach occurs involving information you provide in connection with the wellness program, we will notify you immediately.

You may not be discriminated against in employment because of the medical information you provide as part of participating in the wellness program, nor may you be subjected to retaliation if you choose not to participate.

If you have questions or concerns regarding this notice, or about protections against discrimination and retaliation, please contact Eskaton at 916.334.0810.

### **Notice of Grandfathered Health Plan Status**

Eskaton believes this Medical PPO Plan is a “grandfathered health plan” under the Patient Protection and Affordable Care Act (the “Affordable Care Act”). As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that your Medical PPO Plan may not include certain consumer protections of the Affordable Care Act that apply to other plans. For example, the requirement for the provision of preventative health services without any cost sharing. However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act, for example, the elimination of lifetime limits on essential health benefits.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to Eskaton at 916.334.0810. You may also contact the Employee Benefits Security Administration, U.S. Department of Labor at 866.444.3272 or [www.dol.gov/ebsa/healthreform](http://www.dol.gov/ebsa/healthreform). This website has a table summarizing which protections do and do not apply to grandfathered health plans.

## Women's Health & Cancer Rights Act of 1998

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- ▶ All stages of reconstruction of the breast on which the mastectomy was performed;
- ▶ Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- ▶ Prostheses; and,
- ▶ Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance or copays applicable to other medical and surgical benefits provided under this Plan. Therefore, the deductibles and coinsurance shown in the medical section of this guide apply.

If you would like more information on WHCRA benefits, call Eskaton at: 916.334.0810

Issuers may not, under federal law, require that a provider obtain authorization from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

## Newborns' and Mothers' Health Protection Act of 1996

Group health plans and health insurance issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

## Medicare Part D Creditable Coverage Notice

### Important Notice from Eskaton About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage offered by the group health plan through Eskaton and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

## **There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:**

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Eskaton has determined that the prescription drug coverage offered by the group health plan through Eskaton is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

### **When Can You Join A Medicare Drug Plan?**

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th through December 7th. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

### **What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?**

If you decide to join a Medicare drug plan, your current coverage through Eskaton will be affected. Should you join a Medicare drug plan, you can keep your Eskaton group coverage and your Medicare Part D plan will coordinate with the group plan. Please see your group plan policies for full coordination details. See pages 7- 9 of the CMS Disclosure of Creditable Coverage To Medicare Part D Eligible individuals Guidance (available at <http://www.cms.hhs.gov/CreditableCoverage/>), which outlines the prescription drug plan provisions/options that Medicare eligible individuals may have available to them when they become eligible for Medicare Part D.

If you do decide to join a Medicare drug plan and drop your current group health coverage with Eskaton, be aware that you and your dependents will not be able to get this coverage back until the next open enrollment period or after a qualifying event, subject to the terms and requirements of such group medical plan.

### **When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?**

You should also know that if you drop or lose your current group health coverage through Eskaton and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

**For More Information About This Notice Or Your Current Prescription Drug Coverage:**

Contact the person listed below for further information. NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Eskaton changes. You also may request a copy of this notice at any time.

**For More Information About Your Options Under Medicare Prescription Drug Coverage...**

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

**For more information about Medicare prescription drug coverage:**

- Visit [www.medicare.gov](http://www.medicare.gov)
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1.800.MEDICARE (1.800.633.4227). TTY users should call 1.877.486.2048

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at [www.socialsecurity.gov](http://www.socialsecurity.gov), or call them at 1.800.772.1213 (TTY 1.800.325.0778).

**Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).**

## Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1- 877-KIDS-NOW or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply.

If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan. If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call 1- 866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2022. Contact your State for more information on eligibility:

## Paperwork Reduction Act Statement

According to the Paperwork Reduction Act of 1995 (Pub. L. 104-13) (PRA), no persons are required to respond to a collection of information unless such collection displays a valid Office of Management and Budget (OMB) control number. The Department notes that a Federal agency cannot conduct or sponsor a collection of information unless it is approved by OMB under the PRA, and displays a currently valid OMB control number, and the public is not required to respond to a collection of information unless it displays a currently valid OMB control number. See 44 U.S.C. 3507. Also, notwithstanding any other provisions of law, no person shall be subject to penalty for failing to comply with a collection of information if the collection of information does not display a currently valid OMB control number. See 44 U.S.C. 3512.

The public reporting burden for this collection of information is estimated to average approximately seven minutes per respondent. Interested parties are encouraged to send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the U.S. Department of Labor, Employee Benefits Security Administration, Office of Policy and Research, Attention: PRA Clearance Officer, 200 Constitution Avenue, N.W., Room N-5718, Washington, DC 20210 or email [opr@dol.gov](mailto:opr@dol.gov) and reference the OMB Control Number 1210-0137. ## Health Insurance Marketplace Coverage Notice

### PART A: General Information

When key parts of the health care law took effect in 2014, there was a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the Marketplace and employment-based health coverage offered by Eskaton.

### What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers “one-stop shopping” to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October for coverage starting as early as January 1.

### Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

## Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the annual cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution -as well as your employee contribution to employer-offered coverage- is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

## How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact Eskaton at 916.334.0810.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit [HealthCare.gov](https://www.healthcare.gov) for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area. An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

## PART B: Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

3. Employer Name Eskaton	4. Employer Identification Number (EIN) Refer to business office	
5. Employer Address 5105 Manzanita Avenue	6. Employer Phone Number 916-334-0810	
7. City Carmichael	8. State California	9. Zip Code 95608
10. Who can we contact about employee health coverage at this job? Sylvia Bohrer, Human Resources		
11. Phone Number (if different from above) 916.334.0810	12. Email Address sylvia.bohrer@eskaton.org	

### Here is some basic information about health coverage offered by this employer:

As your employer, we offer a health plan to:

- All employees.
- Regular full time employees who regularly work more than 30 hours per week.

With respect to dependents:

- We do offer coverage. Eligible dependents are:
- Spouse, same-sex or opposite sex domestic partner (see Benefits Guide for specifics)
  - Unmarried, dependent children under the age 26 provided that the child is not offered group insurance through their own employer
  - Dependent child with a physical or mental disability as defined by the Social Security Administration
- We do not offer coverage.
- If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.\*

\* Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, HealthCare.gov will guide you through the process. Here's the employer information you'll enter when you visit HealthCare.gov to find if you can get a tax credit or lower your monthly premiums.

# INTRODUCTION – WELCOME TO ESKATON!

## Letter From Our CEO

*Welcome to Eskaton! You are now a member of Northern California's premier nonprofit senior living and services organization. In addition to independent and assisted living communities, Eskaton offers the region's older adults a diverse spectrum of services that includes affordable senior housing, skilled nursing and rehabilitation, home-based services, as well as educational resources and information for the wider community.*

*Our goal is to provide the highest quality care to our residents, as well as best-in-class lodging and services. Eskaton recognizes that our employees are essential to creating holistic, supportive and innovative environments that provide our residents every possible advantage. It is through, and with, our employees that Eskaton is successful in maintaining its excellent reputation as a quality care provider.*

*To fulfill our mission of improving the lives of older adults, Eskaton employees must be highly-skilled, well-trained, dependable and respectful individuals who care a great deal about those they serve. Congratulations on being chosen to be a part of the Eskaton team!*

*Welcome and best wishes.*

*Todd Murch*  
CEO

# INTRODUCTION – WELCOME TO ESKATON!

## Who We Are

Eskaton, a regional nonprofit senior living and aging services provider, has been dedicated to enhancing the lives of older adults in the Sacramento Area and throughout Northern California for over 50 years. Purpose-driven, inclusive, and transparent in all that we do, the Eskaton difference lies in our life-enriching signature programs and comprehensive continuum of care. Through the power of partnerships, Eskaton seeks to better serve our community by offering more diverse choices and integrating technological advancements into daily living. With a national reputation for innovation, Eskaton remains focused on creating a culture of purposeful living and being a catalyst for change. We aim to create a more positive perception of aging by challenging existing stigmas and expanding the possibilities of living well, regardless of age or ability.

## Mission Statement

Eskaton's primary mission is to enhance the quality of life of seniors through innovative health, housing, and social services.

## Vision

*Transforming the Aging Experience*

## Our Culture

Eskaton seeks to offer their employees an ethical, purpose-driven environment that promotes and fosters innovation, transparency, and inclusivity. Just as we seek to offer those we serve best-in-class senior living and services, we are dedicated to providing our employees the resources and advantages necessary to do their jobs efficiently and effectively.

## Our Services

Eskaton's primary focus is supporting the independence and well-being of older adults wherever they may call home, whether an Eskaton community or their own private residence. The diverse spectrum of services provided by Eskaton includes:

- **Independent Living**
- **Assisted Living**
- **Memory Care**
- **Rehab and Skilled Nursing**
- **Affordable Housing**
- **Home Care**
- **Telephone Reassurance**
- **Live Well at Home**

## Eskaton Foundation

Through the generosity of our donors, the Eskaton Foundation is empowered to improve the lives of at-risk seniors in need of housing and social services that connect, uplift and sustain them, as well as employees who face critical challenges and need additional support. Donations to the Foundation can be allocated in different ways, including the Resident Assistance Fund (support for older adults who have outlived their resources), the Life Enrichment Fund (support for wherever the need is greatest, for both residents employees), and the Guardian Angel program.

# **INTRODUCTION – WELCOME TO ESKATON!**

## **Guardian Angel Program**

The Guardian Angel program recognizes the contributions of our employees and the significant impact they make on the lives of those they serve and their loved ones. Grateful residents, program participants, and homecare and rehab patients who are thankful for the exceptional care our employees provide can express their appreciation through the Guardian Angel program by making a tax-deductible donation in honor of an Eskaton employee. These gifts will be reinvested into Eskaton to build our programs and enhance the lives of older adults. They also help fund the Employee Emergency Assistance Fund.

## **Employee Emergency Assistance Fund**

The Employee Emergency Assistance Fund is one resource available to assist employees experiencing a catastrophic life event. Every year, employees are eligible to apply for an assistance fee of up to \$250 when they experience a catastrophic emergency and need assistance to pay their bills. Examples might include an unexpected illness, death in the family, auto accident or fire at their home. The Employee Emergency Assistance Fund is designed to help employees during these types of unexpected life events. Employees interested in applying for the Employee Emergency Assistance Fund can contact their Business Manager or Human Resources.

# AT-WILL EMPLOYMENT

## At-Will Employment

Your employment with Eskaton is entered into voluntarily by both you and Eskaton. An employee is free to terminate employment with Eskaton at any time, with or without reason, and Eskaton has the right to terminate any employee's employment at any time, with or without reason. This relationship does not change after your introductory period has been completed or if you move from part-time to full-time or regular employment status. This is known as "At-Will" employment.

The policies and rules contained in this handbook are binding upon all employees. While employment may be terminated with or without cause, a violation of any of the policies and rules may result in disciplinary action, up to and including termination of employment.

Except for employment-at-will status, only the President of Eskaton has the authority to alter this arrangement, to enter into an agreement for employment for a specified period of time, or to make any agreement contrary to this policy. Furthermore, any such agreement must be in writing and must be signed by the President of Eskaton and the impacted employee.

## About This Handbook

This employee handbook contains information about the employment policies and practices of Eskaton. All employees are expected to read this handbook carefully, as it is a valuable reference for understanding your job and responsibilities at Eskaton.

Not all company policies and procedures are set forth in this handbook. We have summarized only some of the more important ones. If you have any questions or concerns about this handbook or any other policy or procedure, please discuss with your supervisor or the Human Resources department.

## Right to Revise

To obtain information regarding specific employment policies or procedures, whether or not they are referred to in this handbook, contact your community or program management.

Eskaton reserves the right to change, at its sole discretion and with or without prior notice, all policies and practices and the hours, wages, working conditions, job assignments, position titles, compensation rates and benefits for any employee. Eskaton will reasonably attempt to notify employees of policy changes if, and when, they occur. It is the employee's responsibility to read and abide by those changes.

The information set forth in this Employee Handbook replaces any and all handbooks or statements, whether written or oral, which differ from, or are inconsistent with, the policies expressed in this handbook. No such prior policies or procedures shall have any force or effect after the effective date of this handbook. For this reason we urge you to check with your community or program management to obtain current information regarding the status of any particular policy, procedure, or practice.

# YOUR FIRST YEAR AT-A-GLANCE

## **Introductory Period**

All employees have an opportunity to work for Eskaton on an introductory basis for a period of 90 calendar days beginning at the date of hire. This allows the employee and the employer an opportunity to determine if the employment relationship is satisfactory for both parties. Eskaton may choose, at its discretion, to extend the introductory period.

At the completion of the introductory period, the supervisor will complete a performance evaluation. This will help identify the employee's strengths, areas of development, goals, and objectives. It will then be established and agreed upon to assist the employee in being successful within the organization. Completion of the introductory period does not alter the "at-will" nature of the employment relationship.

## **Job Duties**

During the 90-day introductory period, your supervisor will explain your job responsibilities and the performance standards expected of you. You should also carefully review your written job description since you will be expected to perform the essential duties of the position outlined therein. Occasionally, you may be asked to work on special projects or to assist with other work necessary or important to the operation of your department or the organization, such as assisting in training new co-workers or assisting in another department. Your cooperation and assistance in performing such additional work is expected and appreciated. Eskaton reserves the right to alter or change job responsibilities, reassign or transfer job positions, or assign additional job responsibilities as necessary to meet customer and resident care needs.

## **30/60 Day Check-In**

It is important to Eskaton to know how you are adjusting to your new work environment and the duties of the job. Your supervisor will formally check in with you at 30 and 60 days of employment using a feedback form. In addition to providing us feedback on how your experience has been, it is also an opportunity for your supervisor to address any questions or concerns and provide you with feedback on your progress as well.

## **90-Day Performance Review**

The purpose of the performance evaluation process is to provide feedback and inform you of the job expectations of critical success factors and performance requirements to maintain a standard of performance. Supervisors will complete performance evaluations at the completion of your 90-day introductory period. You can refer to the Performance Evaluation Process Policy for more information.

## **Annual Performance Review**

All employees will receive an annual performance evaluation after each work anniversary. A work anniversary is based on the employee's initial date of hire, unless the employee has been promoted into a new position. In such cases, the date of the promotion will be used for future annual performance reviews.

# EMPLOYMENT CLASSIFICATIONS

## Employment Classifications

Your employment classification will determine how you are paid and your benefit eligibility. Employees may refer to their employment offer letter to confirm their employment status.

### Exempt Employee

Exempt employees are those employees whose job assignments meet the federal and state requirements for exemption from overtime and other aspects of employment. Your supervisor and offer letter will inform you if your status is exempt.

### Nonexempt Employee

Employees who are paid on an hourly basis are subject to the overtime provisions of the state wage and hour laws and the overtime provisions of the Federal Fair Labor Standards Act.

- **Regular full-time employee (RF):** An employee who regularly works 33-40 hours a week.
- **Regular part-time employee (RP):** An employee who regularly works 25-32 hours a week.
- **On-call employee (OC):** An employee who regularly works 24 hours or less a week.

On-call employees are eligible for some, but not *all*, of the employee benefits described in this handbook. All Eskaton on-call employees must provide a schedule of their availability for each pay period to their supervisor or designee and must also work at least two shifts per month to continue employment.

### Temporary Employee

A temporary employee (TE) is an interim replacement for an absent employee, to temporarily supplement the workforce or for the completion of a specific task or project. The period of employment is usually up to 90 days. If the assignment will exceed the initial contracted period, Eskaton will provide any extension terms in writing. Time worked as a temporary employee will not count toward the waiting period for benefits and vesting.

# TIMEKEEPING AND PAYROLL

## Compensation

Eskaton recognizes the importance of attracting, retaining and motivating those who have the skills and abilities to make strong contributions to the organization. To do this, Eskaton implements salary ranges that are internally equitable and externally competitive.

## Time Records and Timekeeping Procedures

Eskaton uses an integrated Human Resources Information System (HRIS)/Payroll system for time records and maintaining employee HR data. HRIS aims to help employees, managers and timekeepers accomplish daily, weekly, bi-weekly and monthly timekeeping tasks through detailed explanations and step-by-step examples. To learn more about time records and timekeeping procedures, you can find this information on your computer desktop: [My Computer, N:\Departments\Payroll\Kronos Training Documents](#).

Federal and state laws require Eskaton to keep an accurate record of time worked for nonexempt employees in order to calculate employee pay and benefits. Time worked is all the time actually spent on the job performing assigned duties.

Accurately recording time worked is the responsibility of every nonexempt employee. Your supervisor or Community Business Office will train you on how to use the time clock. Employees are required to use time clocks to record all hours worked, meal periods, sick time hours, vacation hours, and other paid hours.

Your timesheet must be maintained daily using your worksite's designated timekeeping system. The information recorded and submitted on this time sheet establishes the hours for which you are paid.

1. Time shall be recorded at the beginning and end of each workday, meal period, and/or split shift.
2. All changes or corrections must be initiated by the immediate supervisor.
3. A supervisor shall approve all overtime worked by employees.
4. Altering, falsifying, tampering with time records, or recording time for another employee may result in disciplinary action, up to and including termination of employment.

***Under no circumstances may an employee work off the clock.***

## Hours of Work and Schedule

Eskaton has established a standard workweek, which is Sunday through Saturday.

It is important to discuss with your supervisor both the method of calculating overtime, if applicable, and the standard work schedule established in your community prior to beginning work.

## Rest & Meal Periods

Eskaton provides employees with rest and meal periods to allow employees the opportunity to have breaks in their workday. Each employee must take one 15-minute rest period during each four-hour block or major fraction thereof, during a shift, paid for by Eskaton. The Division of Labor Standards Enforcement (DLSE) considers anything more than two hours to

## **TIMEKEEPING AND PAYROLL**

be a “major fraction” of four. In addition, an unpaid meal period of 30 minutes must be taken for each employee who works more than 5 consecutive hours. These meal periods must be taken no later than the completion of the fifth hour of work on the workday.

If your total work period for the day is more than five hours per day, but no more than six hours, you may choose to waive the meal period for that day with the mutual consent of you and your supervisor. You must discuss any such waiver with your supervisor in advance, and the waiver must be agreed to at the time clock when clocking in for the shift.

If, for any reason, your work interferes with taking any meal or rest period, you must notify your supervisor as soon as possible so that arrangements can be made to relieve you of your duties. Eskaton reserves the right to schedule or direct meal and rest periods as appropriate. In some instances, the break or meal periods may not occur at “traditional” times, but Eskaton requires all employees to take meal and break periods each and every shift as mandated by law.

During a meal or rest period, employees are entirely relieved of all duties and Eskaton does not control your activities. This means employees are not to carry a two-way radio, respond to or check for any electronic messages, nor are they required to remain on the campus except in very limited circumstances that pertain to resident safety. In the very limited cases where Eskaton controls an employee’s meal or rest period time or location, the employee will be compensated in accordance with California state wage and hour laws.

While Eskaton does not require employees to record rest periods, you must take them when required by law. Your supervisor is responsible for ensuring uninterrupted meal and rest periods are available each day. You are responsible for taking the meal and rest periods each day. Failure to take appropriate meal and rest periods provided to you will result in disciplinary action.

If for any reason a meal or rest period could not be rescheduled and therefore was not taken, you must document the missed meal or rest period the same day it occurs. In most locations, this can be done through the time clock when clocking out for the day. Please contact your supervisor for appropriate instructions for your location.

### **Overtime**

Eskaton may occasionally ask employees to work beyond their regularly scheduled hours. Although Eskaton will attempt to provide employees with advance notice of required additional hours, this may not always be possible. Your supervisor or designee must authorize all overtime hours in advance. Exempt employees are excluded from certain provisions of applicable wage and hours laws and are not eligible for overtime pay. An exempt employee is expected to work the hours required to meet his or her work responsibilities.

### **UKG Wallet**

UKG Wallet is an optional program that allows employees access to a portion of their earned wages prior to their community’s designated payday. Earned funds are transferred to your bank, a UKG Visa card that can be used everywhere VISA debit cards are accepted or sent to

# TIMEKEEPING AND PAYROLL

Walmart for a cash pickup. There are fees associated with this program and there are limits to the amount that can be withdrawn prior to payday. Flyers in English and Spanish are included in your new hire packet and include information on how to enroll in the program. Contact your business office or the payroll department if you have any questions.

## **Advances**

Eskaton provides timely payment to employees for all work performed and does not, except in certain emergency situations, grant salary advances.

1. Salary advances must be approved by an officer of the company.
2. Rent payments, car payments, groceries or other normal bills that are a part of the employee's regular monthly expenses are not considered an emergency.
3. Salary advances will only be granted for net pay amounts of actual hours worked or completed days currently credited for the next payday.
4. Salary advances will not be granted at the same time an employee has an outstanding garnishment.

## **Payday and Paychecks**

Payday for non-executive employees is every other Thursday or Friday, depending upon the location. Your Community Business Office directs the time paychecks are available on paydays. If you are not able to pick up your paycheck personally, you may authorize another party to pick up your paycheck on your behalf. You must provide authorization in writing and that party must present a valid picture ID in order to receive the paycheck.

The annual pay schedule contains 26 pay periods. Payday schedules change every year and employees are encouraged to request a copy of the payday schedule from their Community Business Office.

Executive employees are paid semi-monthly, on the 15<sup>th</sup> and 30<sup>th</sup> of each month and therefore will have 24 pay periods per year.

## **Direct Deposit**

Eskaton offers direct deposit for your paycheck. You can enroll, change, or cancel direct deposit via your employee portal in the HRIS system at any time.

## **Electronic Pay Stub**

Employees who have direct deposit are encouraged to sign up for electronic pay stubs via the employee portal. Employees who receive electronic pay stubs will have access to their pay stub 24 hours before payday. You can access your electronic pay stub and W-2 at any time by logging into your employee portal via the HRIS system. This information is accessible 24 hours a day, 7 days a week.

## **Payroll Deductions**

Eskaton is required by law to make deductions from employees' pay for personal income taxes and payroll taxes. Changes in filing status and the number of claimed allowances must be made by completing new federal or state tax forms through the HRIS system. Deductions may also be made for health care premiums or other similar purposes when authorized by you.

# TIMEKEEPING AND PAYROLL

Eskaton makes reasonable, good faith efforts to pay employees accurately and promptly according to applicable law and to avoid improper or unlawful deductions from employees' paychecks. Please review your paycheck carefully every pay period and report any discrepancies to your Community Business Office immediately. If you have questions or concerns about your paycheck, if there is an error in your paycheck, or if you believe there has been an improper deduction from your paycheck, please bring it to the immediate attention of your Community Business Office. Eskaton will promptly investigate the situation and remedy the matter if necessary, including reimbursing the employee if appropriate, as quickly as possible.

## **Working off the Clock**

**Employees are strictly prohibited from working off the clock.** Any work that is performed by employees on behalf of Eskaton shall be reported as compensable time. Eskaton strictly prohibits management from encouraging or allowing nonexempt employees to work off the clock. All amounts of work time must be reported. Violations of this policy will result in disciplinary action up to and including termination.

Some nonexempt employees of Eskaton may perform job duties using a variety of electronic communications depending on the nature of the work and responsibilities involved. Some of the required communication mediums might include, but are not limited to, cellphones, text messaging devices, two-way radios, and computers.

Nonexempt employees should not check for, read, send, or respond to work-related emails or texts outside their normal work schedules or access work-related software or apps unless specifically authorized based on job duties or direction by management. Exceptions include employee call-offs, schedule inquiries, and employer call-ins, none of which are compensable time. If work time is incurred outside normal work schedules, employees are to promptly advise their supervisor and record the time on their time record for appropriate reimbursement.

## **Reimbursement for Expenses and Travel**

You may be required to travel to and from Eskaton communities or to outside vendors for training or work. Employees are required to track authorized work expenses and mileage and submit them for reimbursement. Submit your request for reimbursement to your supervisor with any appropriate back up of expenses (bills, receipts) on a Travel Expense Voucher form. If you have any issues with discrepancies or timely reimbursement, please see your Community Business Office.

# SEPARATIONS

## **Rehire Policy**

Employees of Eskaton who voluntarily terminated their employment, left in good standing, were employed by Eskaton for a minimum of one year, and are rehired within one year of termination, are eligible for the reemployment policy. The reemployment policy allows rehired employees to retain their original hire date for benefit accruals and insurance benefits. For additional details, employees should discuss this policy with their supervisor, or Community Executive Director.

## **Reference/Background Checks/Employment Verifications**

If Eskaton is contacted by an outside agency and a reference is requested for a current or former employee, the only information Eskaton will provide, without exception, is the following:

- Title of position held
- Dates of employment
- Work status (Full-time, Part-time, or On-Call)

*Rehire eligibility status shall not be discussed with anyone outside the organization.*

## **Terminations**

Employees choosing to terminate their employment may do so at any time and for any reason in accordance with the employment-at-will policy. Non-supervisory employees are asked to give their supervisor at least 2 weeks' notice of intent to terminate their employment with Eskaton, though such notice is not required. Supervisors, management and professional employees are asked to provide at least 4 weeks' notice prior to terminating their employment, though such notice is not required.

Employees terminating their employment with Eskaton will receive their final paycheck in accordance with the state labor code and, in addition, have the opportunity to continue their medical, dental and vision insurance coverages in accordance with federal COBRA legislation.

## **Unemployment Insurance**

If your employment terminates, you may be eligible to receive unemployment benefits. You must file a claim in order to collect this benefit with the California Employment Development Department. For further information, contact your Community Business Office or the California Employment Development Department.

## **Return of Company Property**

You are responsible for all company property, materials or written information issued to you or in your possession or control. You must return all Eskaton property that is in your possession or control in the event of termination of employment, resignation or layoff, or immediately upon request. This requirement to return all Eskaton property – in whatever form, medium or format (paper, electronic or otherwise) – includes, but is not limited to, all resident or other files, memoranda, documents, records, resident contacts, medical, financial and other information, electronic devices, databases, spreadsheets, computer programs,

## SEPARATIONS

passwords, copies or notes of the aforementioned, credit or debit cards, keys, and identification cards or badges in your possession or control.

You also agree not to retain copies or notes of such property or information. Specifically, you agree to destroy and permanently delete all copies or notes (in whatever format) of Eskaton confidential, proprietary or trade secret information in your possession, including but not limited to such information on your personal computers, portable or other hard drives, smartphones, tablets or other electronic equipment.

Additionally, upon the termination of your employment with Eskaton, you agree to clear all expense accounts and repay everything you owe to Eskaton.

### **Exit Surveys**

Resigning employees may be asked to complete an exit survey after leaving their employment. This process allows employees to express their opinion of employment with Eskaton, and the information obtained may help Eskaton provide a more comprehensive work environment.

# **EMPLOYMENT POLICIES**

## **Equal Employment Opportunity (EEO)**

Providing equal employment opportunities is not just about a law or policy. Eskaton values mutual respect and a true desire to treat each person with respect and dignity. All employees are expected to work together to create a culture where everyone can achieve personal job satisfaction and have a chance for advancement.

Eskaton seeks to hire the best-qualified individuals to serve older adults. Employees are selected based on their ability to satisfy the essential functions of each position. The decision to select an individual is based upon education, skills, experience, and other work-related criteria. Eskaton believes that all individuals are entitled to equal employment opportunity.

Eskaton does not discriminate against its employees or applicants because of race and associated traits, including hairstyles, skin color, ancestry, national origin, religion, creed, age, disability (mental or physical), sex, gender (including pregnancy, childbirth, breastfeeding or related medical conditions), sexual orientation, gender identity, gender expression, medical condition, genetic information, marital status, military/veteran status, victims of crime, personal reproductive decisions, or other categories protected by federal or state employment discrimination laws.

## **Americans with Disabilities Act (ADA)**

Eskaton recognizes and complies with the Americans with Disabilities Act of 1990 (further discussed below) and its California counterpart, the Fair Employment and Housing Act. Equal employment opportunity is extended to all persons and all aspects of the employee-employer relationship, including but not limited to recruitment, hiring, upgrading, training, promotion, transfer, compensation, benefits, discipline, layoff, recall, and terminations.

## **Immigration Law Compliance**

Eskaton is committed to full compliance with federal immigration laws. These laws require that all individuals pass an employment verification procedure before they are permitted to work. This procedure has been established by law and requires that every individual provide satisfactory evidence of their identity and legal authority to work in the United States no later than 3 business days after the employee begins work.

## **Open-Door Policy**

Eskaton believes that the best interests of our employees are served through sound management practices, fair treatment, and positive employee relations. We value open communication and prefer to work directly with our employees.

If you have any questions or concerns, you are encouraged to immediately contact your supervisor or another member of Eskaton management. The direct personal relationship between employees and their managers ensures the best environment for the achievement of individual and organizational goals. If your question is not answered or your problem is not resolved with this initial interaction, you are encouraged to contact the Community Executive Director to personally discuss your issue. Eskaton is committed to hearing employee concerns and working directly with employees to promote a working environment where Eskaton, residents, and all employees prosper and thrive.

# EMPLOYMENT POLICIES

Suggestions for improving Eskaton are always welcome. At some time, you may have a complaint, suggestion, or question about your job, your working conditions, or the treatment you are receiving. Your complaints, questions, and suggestions also are of concern to Eskaton.

## **Problem-Solving Process**

Eskaton's problem-solving process is designed to encourage employees to come forward with work-related concerns so that they may be appropriately addressed and resolved. Eskaton will make reasonable efforts to maintain the confidentiality of all such expressions of concern, their investigation and the terms of their resolution. However, in the course of investigation and resolution of concerns, some dissemination of information to others may take place.

Employees with concerns or grievances affecting their employment are encouraged to follow the sequence of steps below:

### **Step One**

If you have a concern regarding wages, disciplinary action, or some other matter relating to your employment, you should discuss your concern with your immediate supervisor within five (5) working days. Ordinarily, your supervisor is expected to give you an answer within five (5) working days, unless extenuating circumstances exist, such as the need for additional time for gathering information.

### **Step Two**

If you are not satisfied with the Step One response, or there was no response at Step One, you may put your concerns in writing and direct them to the next level of management within five (5) working days of the date of response/no response from your supervisor. If you need assistance with your complaint, or you prefer to make a complaint in person, contact your Executive Director or program management.

### **Step Three**

If you are not satisfied with the reply of management at Step Two, you may submit your written concern to the next level of management within five (5) working days of the reply. The decision rendered at this step shall be final and binding to the employee and the community. A written reply will be provided to the employee. Please forward a copy of your written concern to the Eskaton Human Resources Department at the Eskaton Support Center.

*A Problem-Solving Process Form* should be used to document this process and may be obtained from your Community Business Office or forms station.

## **Company Property and Resources Solicitation**

### **Employer/Employee Property**

Throughout the course of employment, Eskaton may assign employees equipment to assist them in performing their job duties. All equipment such as lockers, desks, computers, cell phones, laptops, tablets, tools, and any other company owned and assigned equipment are

# EMPLOYMENT POLICIES

Eskaton property and must be maintained according to company rules and regulations. They are to be kept clean and are to be used only for work-related purposes. Eskaton reserves the right to inspect all company property to ensure compliance with its rules and regulations, without notice to the employees and at any time, not necessarily in the employee's presence.

For security reasons, employees are advised not to leave personal property of value in the workplace. Eskaton is not liable for lost, misplaced or stolen property. You should take all precautions necessary to safeguard your personal property including, but not limited to, packages, purses, backpacks, briefcases, and electronic equipment. An employee's personal property may be inspected upon reasonable suspicion of unauthorized possession of company property.

## **Solicitation/Distribution of Literature**

Eskaton's confidential and proprietary information is vital to its current operations and future success. Each employee should use all reasonable care to protect or otherwise prevent the unauthorized disclosure of such information. In order to maintain and promote efficient operations, discipline, and security, Eskaton has established rules applicable to all employees that govern solicitation, distribution of written material or electronic mail, and entry onto the premises and work areas.

1. No employee shall solicit support for a cause or organization that is not related to Eskaton or any of its subsidiaries, during his or her working time.
2. No employee shall solicit a co-worker's support for a cause or organization that is not related to Eskaton or any of its subsidiaries while knowing that the co-worker is on working time.
3. No employee shall promote support for a cause or organization that is not related to Eskaton or any of its subsidiaries during his or her working time.
4. No employee shall promote support for a cause or organization that is not related to Eskaton or any of its subsidiaries to a co-worker while knowing that the co-worker is on working time.
5. No employee shall distribute or circulate any items, written or printed material, or electronic email not related to Eskaton business in work areas at any time.
6. No employee shall engage in any action which is intended to influence others religiously.
7. The solicitation/distribution of literature policy does not prevent employees from engaging in any discussion or activity that is not specifically and expressly prohibited herein.
8. The posting of materials or electronic announcements is permitted with approval from management.

# EMPLOYMENT POLICIES

## Diversity, Equity & Inclusion

Eskaton values diversity and inclusion in our workplace, which consists of many different backgrounds, ethnicities, beliefs, and religions. Eskaton's Diversity Equity and Inclusion (DE&I) committee includes members from several departments and communities, working on initiatives to help Eskaton become a more diverse and inclusive workplace for all employees and to help eliminate barriers that may be inadvertently excluding some employees from opportunities.

The DE&I committee distributes information monthly, both via email and in the Eskaton Employee Wellness Newsletter. Each community posts articles and information on employee bulletin boards, and each community has or will have a DE&I Champion that will help in disseminating information as well as receiving suggestions and feedback from employees.

## Non-Discrimination and Anti-Harassment

Eskaton is committed to providing a safe work environment in which all individuals are treated with dignity and respect. This policy applies to all persons involved in the operation of Eskaton, which includes all employees, residents/clients and third parties, such as owners, vendors, etc. Each individual has the right to work in a professional environment that promotes equal employment opportunities and prohibits unlawful discriminatory practices and harassment, including but not limited to, sexual harassment.

### Definitions

**Discrimination:** For the purposes of this policy, discrimination refers to conduct that is based upon an individual's protected status (as defined below) and that: adversely affects a term or condition of the individual's employment; is used as the basis for or a factor in decisions affecting the individual's employment; or has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive work environment.

**Harassment:** This is a form of discrimination and includes unwelcome verbal, written, physical, or non-physical conduct that is unrelated to Eskaton's business interests, and/or the gratuitous sabotage or undermining of a person's work performance, creating an intimidating, hostile, or offensive work environment, or otherwise negatively affecting an individual's employment opportunities or benefits. Harassment can take many forms.

Eskaton prohibits harassment and discrimination, which includes:

- Sexual harassment
- Gender harassment
- Harassment due to pregnancy, childbirth or related medical conditions
- Race
- Religious creed
- Color
- National origin or ancestry
- Physical or mental disability

# EMPLOYMENT POLICIES

- Medical condition
- Marital status/Registered domestic partner status
- Age
- Sexual or gender orientation
- Military or veteran status
- Race and associated traits including hair styles
- Any other basis, or perceived protected class by federal, state or local law or ordinance or regulation; this includes any person associated with anyone who is or is perceived to have any of those characteristics. All such harassment is unlawful.

Eskaton encourages all employees to report any incidents of harassment or discrimination immediately to allow complaints to be quickly and fairly resolved. Employees should also be aware that the Federal Equal Employment Opportunity (EEO) Commission and the California Civil Rights Department (CRD) investigate and prosecute complaints of prohibited harassment in employment. If an employee believes they have been harassed or that they have been retaliated against for resisting or complaining, they may file a complaint with the appropriate agency. Please refer to the Anti-Harassment Policy or Expectations of Employees section of this handbook for more information on Harassment, Discrimination, and Retaliation.

The Complaint Process is also included in the Expectations of Employees section. If you have any questions or concerns about these policies, you should talk with your supervisor or any other supervisor, your Executive Director, Human Resources or designee as soon as possible after the incident.

## Accommodation Requests

### Disability Accommodations

Eskaton will reasonably accommodate a qualified person's disability, in accordance with the Americans with Disabilities Act (ADA) and the Fair Employment and Housing Act (FEHA), as long as it does not cause undue hardship to the company and/or does not pose a direct threat to the health and safety of individuals.

Any applicant or employee who requires an accommodation in order to perform the essential functions of the job should contact their Executive Director or the Human Resources Department and request such an accommodation. The individual with the disability should specify in writing what accommodation is needed to perform the job. Eskaton will conduct an investigation to identify the barriers that make it difficult for the applicant or employee to have an equal opportunity to perform their job. Eskaton will then identify possible accommodations, if any, that will help to eliminate the limitation or barrier. If the accommodation is reasonable and will not impose an undue hardship on the company and/or a direct threat to the health or safety of the individual or others, the company will make the accommodation. Eskaton may also propose an alternative accommodation(s).

If requested, Eskaton will also make reasonable accommodations for conditions related to pregnancy, childbirth or related medical conditions, with the advice of the employee's health care provider, as required by law.

# EMPLOYMENT POLICIES

## **Lactation Accommodations**

Eskaton will reasonably accommodate employees who wish to express breast milk while at work whenever possible. This policy applies to mothers' breastfeeding for up to one year from the date of giving birth.

1. Employees may use their paid rest break and/or their unpaid lunch break.
2. Eskaton will provide the use of a private place to express breast milk in close proximity to the employee's work area, other than a bathroom.
3. The room provided will have a locking door and a power source.
4. If more time than already provided is necessary, the time away from work will be unpaid.

## **Religious Accommodations**

Eskaton will attempt to make reasonable accommodations for employee observance of religious holidays and sincerely held religious beliefs, including time for religious holidays and accommodations related to religious dress and grooming practices, unless doing so would cause an undue hardship on company operations. If you desire a religious accommodation, you are required to make the request in writing to your supervisor as far in advance as possible.

## **Other Accommodations**

Eskaton provides employees with additional accommodations such as for victims of domestic violence, sexual assault or stalking, adult literacy and drug or alcohol treatment or rehabilitation, unless providing the accommodation will impose an undue hardship. Please contact Human Resources with any questions concerning additional accommodations.

## **Education In-Service**

The community's training programs begin with employee orientation and the receipt of your handbook, and continues for all staff classifications and departments throughout your employment.

It is the responsibility of all employees to comply with the in-service requirements of Title 22 of the California Administrative Code and/or other applicable requirements.

Employees will be paid a minimum of 2 hours for attending mandatory training events on a non-scheduled workday. If the event is less than 2 hours, the employee may be assigned work to complete during the 2-hour window.

Eskaton provides training and certification courses to help employees maintain all required licensing and credentials for their specific job functions. However, it is the responsibility of the employee, not Eskaton, to keep licenses and credentials current. If you have any questions about training and courses offered and how you can participate, please see your supervisor or Community Business Office.

# EMPLOYMENT POLICIES

## Employee Referral Program

Eskaton regularly seeks exceptional professionals to join the team. We believe that current employees are among the best sources of new talent and encourage current employees to refer qualified applicants for open positions. When these referrals are successful, Eskaton will reward the employee who made the referral for the new hire. Eskaton reserves the right to discontinue or change the program at any time. To learn more about the employee referral program, please see your Community Business Office.

## Employment of Relatives

Relatives of present employees may be hired by Eskaton only if:

1. The individuals concerned will not work in direct supervisory relationships
2. The employment will not cause an actual, or apparent, conflict of interest and will not pose difficulties for supervision, security, safety, morale, or conflicts of interest.

Relatives are defined as anyone related by blood or marriage, including domestic partners.

When two existing employees become related by marriage, domestic partnership or other change where a conflict of interest develops, one or the other person must move into a position where the other does not directly or indirectly supervise the work, compensation, evaluation or other aspects of that person's employment.

The employees will have the opportunity to decide which employee will transfer. In cases where the employees have not made a decision within a reasonable period of time, Eskaton reserves the right to determine how the employees will be treated in terms of transfers and/or employment status.

## Promotions & Transfers

Whenever possible, Eskaton endeavors to promote from within and seeks employees whose skills and abilities match the best among the pool of qualified applicants. This not only provides an opportunity for employees to enhance their careers through growth, but also allows the organization to benefit from current employees' experience and skills.

### Requirements:

1. Employees must be in their current position for a minimum of six months.
2. Performance in your current position must be rated as satisfactory or better during the preceding six months. Employees who have received disciplinary action within the previous six months may not be considered eligible for a promotion or transfer. Employees who are working through a performance improvement plan are not eligible to transfer until six months after completion of the plan.
3. You must meet the minimum qualifications required for the position to which promotion or transfer is requested.

### Process:

1. If you wish to seek a promotion or transfer, you should discuss your options with your supervisor in advance.
2. You must apply, interview, and be selected for the transfer position or promotion.

## **EMPLOYMENT POLICIES**

3. The Executive Director/Program Directors of both the transferring and the receiving communities must grant approval of the transfer request. The hiring Executive Director must review your personnel file prior to making an offer to transfer.
4. The Director of Human Resources will conduct a final review to ensure all steps of the transfer process have been followed.
5. If you are transferred or promoted to a new position, you must serve a new 90-day introductory period for that position. The supervisor will evaluate your performance at the conclusion of the introductory period. On occasion, at the discretion of management, the introductory period may be extended.

### **Personnel File Review**

Employees may review their Eskaton employment file and copy any documentation that they have signed. Employees must submit a written request to their Community Business Office or Human Resources using the Personnel Records Request form. The employment file will be made available to review no later than thirty (30) calendar days of the request submission date. More information regarding this policy can be found in the Eskaton Policy Manual.

# EXPECTATIONS OF EMPLOYEES

## Overview

Eskaton is first and foremost a service organization. Employee attitudes, comments, behaviors, and demeanor have an effect on the public's view of the organization. Employees are expected to conduct themselves in a professional manner at all times. A culture of customer service and the willingness of employees to serve residents and their families is vital in instilling trust in every Eskaton community. A positive attitude and observance of professional conduct are expected and necessary for the continued success of the organization.

Listed below are some basic rules and guidelines for proper professional conduct. These guidelines are provided for informational purposes only and are not intended to be all-inclusive. Therefore, employees should be aware that conduct not specifically listed below, but which adversely affects or is otherwise detrimental to the interests of Eskaton, other employees or customers, will not be tolerated.

### **The following conduct is not acceptable:**

1. Below-average work quality or quantity
2. Unacceptable behavior (examples: rudeness or lack of cooperation)
3. Excessive absenteeism, tardiness, or abuse of break and lunch privileges
4. Failure to follow instructions or Eskaton policies or procedures
5. Failure to follow established safety regulations

### **The following conduct is also prohibited:**

1. Resident or patient abuse
2. Insubordination, such as the unwillingness to follow instruction and/or disrespectful behavior towards a supervisor or management.
3. Dishonesty or theft
4. Discourtesy
5. Misusing or destroying company property or the property of another on company premises
6. Violating Conflict of Interest guidelines (see Conflict of Interest section)
7. Disclosing or using confidential information without authorization
8. Falsifying or altering company records, including the application for employment
9. Interfering with the work performance of others
10. Altercations, verbal or physical
11. Harassment, discrimination, or retaliation against employees, residents or clients
12. Being under the influence of, manufacturing, dispensing, distributing, using, possessing, buying, selling, offering to buy, offering to sell, alcohol, illegal or controlled substances on Eskaton property or while conducting Eskaton business
13. Gambling on Eskaton premises or while engaged in Eskaton business
14. Sleeping on the job or leaving the job without authorization
15. Possessing a firearm or other dangerous weapon on Eskaton property or while conducting Eskaton business
16. Failure to follow Eskaton's Dress Code Policy

## EXPECTATIONS OF EMPLOYEES

17. Being convicted of a crime that indicates unfitness for the job or raises a threat to the safety or well-being of Eskaton, its employees, customers or property, or failing to report to Eskaton, within five days, any conviction under any criminal statute.

*If you violate Eskaton policy, procedures or guidelines, or exhibit behavior that violates commonly accepted standards of honesty, integrity or professionalism, or creates an appearance of impropriety, Eskaton may elect to administer disciplinary action up to and including termination.*

Except as set forth in the policy, discharge for poor performance will ordinarily be preceded by an oral warning and a written warning. However, Eskaton reserves the right to proceed directly to a written warning or termination for conduct or performance deficiency without resorting to prior disciplinary steps when Eskaton deems such action appropriate.

No statement in this list or elsewhere in the Employee Handbook is intended to or should be taken to affect the at-will employment relationship between Eskaton and its employees.

### Attendance

Your attendance is critical to the successful operation of Eskaton's communities. Your unexpected absence or lateness is felt not only by your department, but also by your community as a whole. Unexpected absenteeism may affect the quality of resident care, as well. Eskaton expects all employees to be present and ready to work at the start of each scheduled shift and for the entire time they are scheduled to work. Attendance is an essential and objective measure of standard performance and excessive absences will not be tolerated.

Upon accepting employment with Eskaton, it is your responsibility to ensure that you are able to fully commit to your schedule as assigned. While an unscheduled absence or tardiness may be due to illness or another legitimate factor, the issue in reviewing attendance is not the legitimacy of the absence or tardiness, but the need for the presence of the individual in the workplace on a regular and reliable basis. Some absences may fall under state or federal leave mandates; these absences are not counted against the attendance policy.

If you will be unexpectedly absent, you must notify your supervisor of your intent to be absent a minimum of two hours prior to the start of the shift. Your supervisor will provide you in advance with the accepted call in/off procedure for that community and/or department.

Excessive lateness and absence guidelines are as follows:

- Three (3) occurrences of unscheduled absence in a twelve (12) month period; **or**
- Six (6) occurrences of lateness in a three (3) month period; **or**
- Any combination of the above.

For employees with less than ninety (90) days of employment, any instance of tardy and/or an unscheduled absence in the first ninety (90) days of employment may be subject to disciplinary action up to and including termination.

Under no circumstances may an employee leave work without their supervisor's permission. In addition, any employee who is absent from work without reporting or calling in ("no call,

# EXPECTATIONS OF EMPLOYEES

no show”) may be subject to disciplinary action up to and including termination of employment.

## Harassment, Discrimination, and Retaliation Prevention

### Responsibility

Eskaton strives to create a culture free of harassment and discrimination. It is expected that all employees will work together to provide a work environment that is free from such behaviors, including, but not limited to, unlawful harassment, discrimination or retaliation, which might interfere with work performance. Conduct of any sort – including, but not limited to, verbal, physical, or visual conduct – that creates a work environment which is unlawfully intimidating, harassing, hostile, offensive, discriminatory or retaliatory, will not be tolerated. Eskaton strives to create an environment in which all employees feel free to raise concerns and are confident that those concerns will be considered.

Eskaton’s policy prohibiting harassment, discrimination and retaliation applies to all persons involved in the operation of Eskaton. Eskaton prohibits harassment, disrespectful or unprofessional conduct by any employee of Eskaton, including supervisors, managers, and co-workers. Eskaton’s anti-harassment policy also applies to residents/clients and third parties, such as owners, vendors, etc.

### Harassment Prevention

Prevention is the best tool to eliminate harassment, discrimination, and retaliation in the workplace. Eskaton encourages you to take appropriate steps to prevent and correct unlawful harassment, discrimination and retaliation. To facilitate this, Eskaton has established an effective complaint process which provides harassment, discrimination, and retaliation prevention training to all managers and employees. Eskaton is committed to taking immediate and appropriate action when an employee reports harassment.

Harassment is unwelcome conduct that is based on any legally protected characteristic or practice. A working environment should be free from all forms of harassment, whether based upon race, religion (including religious dress or grooming), creed, color, national origin, ancestry, physical or mental disability, medical condition, genetic information or characteristics, marital status (including domestic partnership), familial status, age, sex (including sexual harassment, gender harassment, and harassment based on pregnancy, childbirth or related medical conditions and breastfeeding or medical conditions related to breastfeeding), gender identity, gender expression or sexual orientation, military or veteran status, personal reproductive decisions or any other legally protected characteristic or status. Employees are also protected if they are perceived to have any of these characteristics or are associated with a person who has or is perceived to have any of these characteristics.

Anti-discrimination laws also prohibit harassment against individuals in retaliation for filing a discrimination charge; testifying or participating in any way in an investigation, proceeding, or lawsuit under these laws; or opposing employment practices that they reasonably believe discriminate against individuals in violation of these laws.

# EXPECTATIONS OF EMPLOYEES

Managers and supervisors are accountable for taking reasonable steps to prevent unlawful discrimination or harassment, and stop the behavior from reoccurring in the event it *does* happen. This includes ensuring reporting of incidents, monitoring employees and third persons (such as vendors or clients) who may have engaged in inappropriate behavior, carefully listening to employee grievances regarding alleged unfair treatment, and protecting employees against retaliation.

Prohibited harassment, disrespectful or unprofessional conduct includes, but is not limited to, the following behavior:

- Bullying or abusive conduct that a reasonable person would find threatening, intimidating, or humiliating and that is unrelated to Eskaton's business interests, and/or the gratuitous sabotage or undermining of a person's work performance. Some examples include:
  - Spreading misinformation or malicious rumors
  - Regularly teasing or making someone the subject of pranks or jokes
  - Sharing of embarrassing photos or videos via email or social media that negatively impact the workplace
  - Purposefully excluding or isolating a person from normal work activities
- Verbal conduct such as epithets, derogatory jokes or comments, slurs or unwanted sexual advances, invitations, comments, posts or messages
- Visual displays such as derogatory and/or sexually-oriented posters, photography, cartoons, drawings or gestures
- Physical conduct including assault, unwanted touching, intentionally blocking normal movement or interfering with work because of sex, race or any other protected basis
- Threats and demands to submit to sexual requests or sexual advances as a condition of continued employment or in order to avoid some other loss, and/or offers of employment benefits in return for sexual favors
- Retaliation for reporting or threatening to report harassment or discrimination
- Communication via electronic media of any type that includes any conduct that is prohibited by state and/or federal law or by company policy.

What is or is not offensive may depend on the perspective of the victim, and the fact that no objection is voiced or the other person seems to be "going along" does not mean the conduct is acceptable. The harasser could be the victim's supervisor, a co-worker, a resident, member of a resident's family or any other non-employee. The victim does not have to be the person harassed and might be anyone affected by the offensive conduct.

Sexual harassment is a form of sex discrimination, which includes gender-based harassment of a person of the same sex as the harasser. Sexual harassment does not need to be motivated by sexual desire to be unlawful or to violate this policy. For example, hostile acts toward an employee because of their gender can amount to sexual harassment, regardless of whether the treatment is motivated by sexual desire.

Prohibited harassment is not just sexual harassment, but harassment based on any protected category.

# EXPECTATIONS OF EMPLOYEES

A single physical, verbal or written act or behavior may constitute bullying if the harassing conduct reasonably interfered with an employee's work performance or created an intimidating, hostile or offensive working environment.

## **Non-Discrimination**

Eskaton is committed to compliance with all applicable laws providing equal employment opportunities. This commitment applies to all persons involved in Eskaton operations. Eskaton prohibits unlawful discrimination against all persons involved in the operation of Eskaton, which includes all employees, residents/clients and third parties, such as owners, vendors, etc.

Pay discrimination between employees of the opposite sex or between employees of another race or ethnicity performing substantially similar work, as defined by the California Fair Pay Act and federal law, is prohibited. Pay differentials may be valid in certain situations defined by law. Employees will not be retaliated against for inquiring about or discussing wages. However, Eskaton is not obligated to disclose the wages of other employees.

Discrimination can also include failing to reasonably accommodate religious practices or qualified individuals with disabilities where the accommodation does not pose an undue hardship. Any job applicant or employee who requires an accommodation, in order to perform the essential functions of the job, should inform the hiring manager or their supervisor and discuss the need for accommodation.

## **Anti-Retaliation**

Eskaton will not retaliate against any employee for filing a complaint or participating in any workplace investigation or complaint process, and will not tolerate or permit retaliation by management, employees or co-workers.

Eskaton will not retaliate against an employee for requesting reasonable accommodation and will not knowingly tolerate or permit retaliation by management, employees, or co-workers.

## **Reporting**

Eskaton encourages employees to speak directly with the other person to request any inappropriate, wrongful or unwelcome behavior stop immediately. Whether or not you speak with the other employee, you must report harassment, discrimination or retaliation to your supervisor, your Executive Director or any Eskaton management at an early stage to prevent further inappropriate behavior. Every employee has the responsibility to maintain a workplace free of any form of unlawful discrimination or harassment.

Any employee who becomes aware of offensive conduct by a supervisor, co-worker, vendor, supplier, resident/client or other person doing business with Eskaton should report the offensive conduct immediately to his or her supervisor. If, for any reason, the employee does not feel that it would be appropriate to report the complaint to their supervisor, the employee should immediately report it to any other supervisor, their Executive Director or Vice President, or the Director of Human Resources or designee as soon as possible after the incident. Eskaton prohibits retaliation against any employee for reporting or cooperating in investigations of incidents of unlawful harassment, discrimination or retaliation.

# EXPECTATIONS OF EMPLOYEES

This policy covers conduct in the workplace, at social functions sponsored by Eskaton (such as holiday dinners, picnics, sporting events, etc.), and business functions (such as conventions, trade shows, etc.).

Any messages or communications sent or received through Eskaton electronic communications systems are subject to the organization's anti-harassment and anti-discrimination policies. The use of information systems (including email, texts, internet, and social media) for the display or transmission of sexually explicit images, message, off-color jokes, racial slurs, or anything that may be construed as unlawful harassment or showing disrespect for others, is prohibited.

## **The Complaint Process**

As an employee of Eskaton, you have the responsibility to immediately report any inappropriate or prohibited actions or words by a supervisor, co-worker, vendor, client, contractor or another individual. Eskaton has devised a reporting procedure to investigate any complaint of discrimination, retaliation, or harassment, including sexual harassment or that of a hostile work environment.

1. If you believe you have been harassed, you must inform your supervisor or any other supervisor, your Executive Director or Vice President, or the Director of Human Resources or designee as soon as possible after the incident.
2. Supervisors will report all harassment and discrimination complaints to an Executive Director, Vice President or the Director of Human Resources or designee within 24 hours of the complaint being received.
3. Executive and/or Corporate Directors will notify the Director of Human Resources or designee of all harassment and discrimination complaints within 24 hours of the complaint being received.
4. Eskaton will undertake an effective, thorough and objective investigation of the harassment or discrimination allegations as soon as possible, usually within 24 hours. Employees may need to participate in an investigation as a witness. Failure to cooperate during an investigation or impeding an investigation may be cause for disciplinary action. Employees who make false statements during an investigation may be subject to disciplinary action up to and including termination.
5. If Eskaton determines that harassment or discrimination has occurred, effective remedial action will be taken in accordance with the circumstances involved.
6. Any employee determined by Eskaton to be responsible for harassment or discrimination will be subject to appropriate disciplinary action, up to and including termination.
7. Action taken in response to the complaint will be made known to the employee lodging the complaint to the extent appropriate. Eskaton will not retaliate against an employee for filing a complaint and will not tolerate or permit retaliation by management, employees or co-workers.
8. Eskaton encourages all employees to report any incidents of harassment or discrimination immediately so that complaints can be quickly and fairly resolved. Employees should also be aware that the Federal Equal Employment Opportunity Commission and the California Civil Rights Department investigate and prosecute complaints of prohibited harassment in employment. If an employee believes they have been harassed or that they have been retaliated against for resisting or complaining, they may file a complaint with

# EXPECTATIONS OF EMPLOYEES

the appropriate agency.

## Corporate Compliance

Eskaton has developed a Corporate Compliance Program to make sure every employee in the organization understands and complies with the laws and regulations that affect the services Eskaton provides. Employees may contact their Community Executive Director for information or access the documentation on Eskaton's internal common drive at *N:\Departments/Corporate Compliance.*

## Code of Conduct

Eskaton's "Code of Conduct" explains the business standards every employee is expected to follow at all times. Questions about these standards should be directed to an employee's supervisor.

The Code of Conduct, a summary of the organization's Commitment to Standard at all levels, is a statement of Eskaton's expectations of everyone involved with the organization. In articulating the organization's commitment to compliance with all criminal, civil, and administrative laws, it details Eskaton's fundamental principles, values and framework for action. In that regard, it is a guide for all employees, contractors, and physicians as they carry out their day-to-day responsibilities within the organization.

Failure to comply with all federal healthcare program requirements, California state regulations, Eskaton's policies and procedures, or failure to report such non-compliance will result in disciplinary action up to and including termination of employment.

Details of the policies and procedures that support this quality can be found in the Corporate Compliance Manual, as well as facility and departmental policy and procedure manuals.

## General Commitment

Employees will:

- Provide care and services necessary to attain or maintain the resident's highest practicable physical, mental, and psychosocial well-being
- Accommodate each resident's needs and preferences
- Report incidents of mistreatment, neglect, or abuse to the Executive Director of the facility and other officials as required by law
- Avoid misusing or destroying Eskaton property or the property of another on Eskaton premises
- Only disclose or utilize confidential or proprietary information with prior authorization
- Not engage in verbal or physical altercations, or interfere with the work performance of others
- Not report to duty under the influence of alcohol, or use alcohol on Eskaton property or while conducting Eskaton business
- Not manufacture, dispense, use or possess illegal or controlled substances on Eskaton property or while conducting Eskaton business

# EXPECTATIONS OF EMPLOYEES

- Not gamble on Eskaton premises or while conducting Eskaton business
- Not sleep while on duty
- Not possess a firearm or other dangerous weapons on Eskaton property or while conducting Eskaton business
- Follow Eskaton's Dress Code Policy

In addition to the general rules stated, employees may be disciplined for failing to observe the following specific requirements relating to attendance:

1. Report to work on time, observe the time limits for rest and lunch periods, and obtain approval to leave work early
2. Notify the supervisor in advance of anticipated tardiness or absence

## Commitment to Resident's Rights

Employee will:

- Refrain from discriminatory admission or improper denial of access to care
- Refrain from verbal, mental or physical abuse, corporal punishment, and involuntary seclusion
- Refrain from inappropriate use of physical or chemical restraints
- Ensure that residents have personal privacy and access to their personal records upon request
- Ensure that the privacy and confidentiality of medical/clinical records are protected
- Honor the right of a resident to participate in care and treatment decisions
- Safeguard resident's financial affairs

## Commitment to Employee Screening

Eskaton will:

- Investigate the background of employees by checking with all applicable licensing and certification authorities to verify that requisite licenses and certifications are in order
- Require all potential employees to certify on the employment application that they have not been convicted of an offense that would preclude employment by Eskaton
- Require all potential employees to certify on the employment application that they are not excluded from participating in the federal health care programs
- Require temporary employment agencies to ensure that temporary staff assigned to the facility has undergone background checks that verify that they have not been convicted of an offense that would preclude employment in the facility
- Check the OIG's (Office of the Inspector General) List of Excluded Individuals/Entities and the GSA's (Government Services Administration) list of debarred contractors to verify that employees are not excluded from participating in the federal health care programs
- Require current employees to report to the organization if, subsequent to their employment, they are convicted of an offense that would preclude employment or are excluded from participation in any federal health care program

## **EXPECTATIONS OF EMPLOYEES**

- Periodically check the OIG and GSA websites to verify the participation/exclusion status of independent contractors and retain on file the results of that query

### **Commitment to Provide Accurate and Complete Documentation**

Employees will maintain the following types of documentation:

- Complete and accurate medical/clinical records
- All records and documentation required for participation in Federal, State, and private health care programs, including RAI (Resident Assessment Instrument), the comprehensive plan of care
- All corrective actions taken in response to surveys
- All records, documentation, and audit data that support and explain costs reports and other financial activity, including internal and external compliance monitoring activities
- All records necessary to demonstrate the integrity of the organization's compliance process and to confirm the effectiveness of the program
- Records of all efforts to comply with applicable statutes, regulations, and Federal healthcare program requirements, including communications with fiscal intermediaries or government agencies.

Employees will:

- Secure the records and documentation described above in a safe place
- Refrain from altering or destroying information or documents except in accordance with accepted legal and profession practice
- Maintain hard copies of all electronic or database documentation
- Limit access to such documentation to avoid accidental or intentional fabrication or destruction of records
- Conform document retention and destruction policies to applicable laws

### **Commitment to Always Obey the Law**

Employees will:

- Perform their duties in good faith and to the best of their abilities
- Refrain from any illegal conduct
- Carry out their responsibilities in accordance with all applicable laws, regulations, and internal policies and procedures pertaining to their job duties
- Notify their supervisor immediately of any relationship, financial or otherwise, that they have with the organization's residents, customers, vendors, or competitors
- Report to Eskaton within five days, any conviction under any criminal drug statute for a violation occurring in the workplace

# EXPECTATIONS OF EMPLOYEES

## Commitment to Refuse Inappropriate Referrals

Employees will:

- Structure all business arrangements with physicians, vendors, hospitals, hospices, or any other agency to ensure precise compliance with legal requirements
- Have all business arrangements in writing and approved by Eskaton's legal department/senior officers and CEO

Eskaton will strictly adhere to the following rules:

- Will not pay for referrals for SNF patients
- Will not accept payment for referrals that we make

## Commitment to Generate Accurate Billing and Claims

Employees will:

- Generate accurate billing and claims that reflect services rendered and are supported by relevant documentation
- Submit billing and claims in compliance with applicable laws, rules, regulations and program requirements
- Never intentionally make or present improper, false, fictitious or fraudulent claims to any government or private health care program, employee, department or agency

Improper or fraudulent activity can include:

- Misrepresentation of services
- Duplicate billing
- Multiple coverage and secondary-payor fraud
- False claims and statements
- Non-approved treatment or equipment usage
- Improper coding - Up-coding or Down-coding
- Improper physician and other referrals (Stark I & IT, Anti-kickback)
- Billing for items or services not rendered or provided as claimed
- Submitting claims for equipment, medical supplies and services that are medically unnecessary
- Failing to identify and refund credit balances
- Submitting claims for items or services not ordered
- Knowingly billing for inadequate or substandard care
- Providing misleading information about a resident's medical condition on the MDS (Minimum Data Set) or otherwise providing inaccurate information used to determine the RUG (Resource Utilization Group) assigned to the resident
- Billing for unbundled services or items
- Altering documentation or forging a physician's signature on documents used to verify that services were ordered/or provided
- Filing false cost reports

# EXPECTATIONS OF EMPLOYEES

## Commitment to Appropriate Relationships with Subcontractors and Suppliers

Employees will:

- Manage our relationships with subcontractors and suppliers in a fair and reasonable manner, consistent with all applicable laws and good business practices
- Select subcontractors, suppliers and vendors on the basis of objective criteria including quality, technical excellence, price, delivery, and adherence to schedules, service and maintenance of adequate sources of supply
- Make purchasing decisions on the supplier's ability to meet our needs, and not on personal relationships and friendships

Employees will refrain from:

- Routinely waiving coinsurance or deductible amounts without good faith determination that the resident is in financial need, or absent reasonable efforts to collect the cost sharing amount
- Entering into agreements between the organization and a hospital, home health agency, or hospice that involves the referral or transfer of any resident to or by the Eskaton community.
- Soliciting, accepting, or offering any gift or gratuity of more than nominal value to or from residents, potential referral sources, and other individuals and entities with which the organization has a business relationship
- Conditioning admission or continued stay at a facility on a third-party guarantee of payment, or soliciting payment for services covered by Medicare in addition to any amount required to be paid under the Medicare plan
- Entering into arrangements between the organization and a hospital under which the facility will only accept a Medicare beneficiary on the condition that the hospital pays the facility an amount over and above what the organization would receive through PPS (Prospective Payment System)
- Entering into financial arrangements with physicians, including facility Medical Directors
- Entering into arrangements with vendors that result in the organization receiving non-covered items at below-market prices or at no charge, provided the facility orders Medicare reimbursed products
- Soliciting or receiving items of value in exchange for providing the supplier access to resident's medical records and other information needed to bill Medicare
- Entering into joint ventures with entities supplying goods or services
- Swapping, or receiving discounts on Medicare Part A items and services in return for referrals of Medicare Part B business

# EXPECTATIONS OF EMPLOYEES

## **Commitment to Treat All Employees with Respect, Dignity and Fairness**

It is the responsibility of the members of the Eskaton team to create and maintain a work environment in which employees are treated with respect, where diversity is valued and opportunities are provided for development. Harassment or abuse of any kind is prohibited in the Eskaton workplace. All employees want and deserve a workplace where they feel respected, appreciated and satisfied. Employees will be hired, promoted and compensated according to their qualifications, performance and potential. We will not tolerate harassment by anyone based on the diverse characteristics or cultural backgrounds of those who work with us. Degrading or humiliating jokes, slurs, intimidation, or other harassing conduct is not acceptable in our workplace.

## **Commitment to Work Safety**

All of our employees are responsible for maintaining a safe and healthy work environment. We must comply with all federal, state and local health and safety laws and regulations, including the rules and regulations of the Occupational Safety and Health Administration (OSHA).

## **Employer Responsibility Under the Corporate Compliance Program**

Management throughout the organization is responsible for setting the example, ensuring that everyone is provided with appropriate resources, and that they are consistently holding themselves and Eskaton employees accountable for their actions.

## **Employee Responsibilities Under the Corporate Compliance Program**

All employees have the obligation to assure that the Corporate Compliance Program is successful. Employees can help to achieve that success by completing the following actions:

- Read and regularly review the Code of Conduct and the policies that support it in order to learn compliance requirements that apply to individual responsibilities.
- Participate in Corporate Compliance program training sessions and staff meetings designed to help employees understand their obligations under the Code of Conduct.
- Abide by the requirements set forth in the Code of Conduct; ask questions and seek assistance when uncertain about the proper course of action.
- Know the Corporate Compliance Officer, and how to reach him/her. Support employees who report suspected violations of the Code of Conduct. Recognize that retaliation against persons who report suspected violations is not permitted.
- Be alert to situations that could result in illegal or unethical conduct and encourage other employees to consult with supervisors or the Corporate Compliance Officer if it appears that they may be in danger of violating the law or the Code of Conduct.
- Report suspected violations of the Code of Conduct immediately.

## **Resources for Guidance and Reporting Violations**

Eskaton has established the Corporate Compliance Hotline (916-334-8613). This is a number that is answered by a voice mailbox, which is only accessible to the Corporate Compliance Officer. No one else has access to this voice mailbox. You can be assured of a timely and confidential response if you leave your name and number. If you wish to remain anonymous, you may do so. However, you will not receive a personal response to your concern.

# EXPECTATIONS OF EMPLOYEES

You should first discuss your concern with your immediate supervisor. If you are not comfortable talking to your supervisor, you may raise your concern directly with any member of management or with the Corporate Compliance Officer or Manager. If your issue requires further investigation or if you have additional concerns, you may contact the Eskaton Compliance Hotline (916-334-8613).

Remember there is never a penalty for using the hotline. People in positions of authority cannot stop you. If they try, they are subject to serious disciplinary action, up to and including dismissal. In addition, if you need additional information on how to contact your Compliance Officer, or wish to discuss a matter of concern with the Corporate Compliance Officer, you are encouraged to use one of the following confidential means of communication:

- Call the hotline (916-334-8613)
- Call or write the corporate office to the attention of the Compliance Officer

When you contact these sources, you will be treated with dignity and respect. Your communication and anonymity will be protected to the greatest extent possible. Your concerns will be seriously addressed, and if you wish, you will be informed of the outcome.

## **Deficit Reduction Act (DRA) of 2005**

The DRA requires facilities to instruct employees about the False Claims Act (FCA) if the facility receives \$5 million or more in Medicaid (Medi-Cal) payments each year. Written policies must provide detailed information about the FCA, whistleblower protections, and reference to Eskaton's policies and procedures designed to detect and prevent fraud, waste and abuse. Our Employee Handbook includes references to these requirements.

Under the FCA, "any person who knowingly submits false or fraudulent claims to a State Medicaid program is liable to the Federal Government for three times the amount of the Federal Government damages plus penalties of \$5,500 to \$11,000 for each fraudulent claim."

Under the qui tam provisions of the FCA, individuals known as relators may file lawsuits in Federal court against facilities or individuals. An individual may receive from 15% to 30% of the recovery of federal damages.

The referring individual or relator must be free of penalties from the facility under the whistleblower provision. No retribution from the employer is allowed, and the employee has a cause of action if the employer punishes the employee.

California has a False Claims Act currently in effect. States are encouraged to have their own FCA that will cover the following violations:

1. Knowingly making, using, or causing to be made, a false record or statement to get a false or fraudulent claim paid or approved by the Medicaid program
2. Knowingly presenting, or causing to be presented, a false or fraudulent claim for payment or approval to the Medicaid program

## EXPECTATIONS OF EMPLOYEES

3. Conspiring to defraud the Medicaid program by getting a false or fraudulent claim allowed or paid
4. Knowingly making, using, or causing to be made or used, a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to the Medicaid program

Knowing or knowingly means that a person (a) has actual knowledge of the information; (b) acts in deliberate ignorance of the truth or falsity of the information; or (c) acts in reckless disregard of the truth or falsity of the information. In addition, no proof of specific intent to defraud should be required.

Eskaton has internal control procedures in place that require its health care facilities to obtain Medi-Cal Treatment Authorization Requests (TARS) to justify services provided. Each of Eskaton's health care facilities employs a Director of Nurses to oversee patient care at their respective facility and Eskaton's Quality and Compliance department, which includes registered nurses and a health information specialist, performs routine audits for compliance. Eskaton has a Medical Records Health Information Consultant who audits facilities for compliance requirements. With the Corporate Compliance Officer, this Consultant conducts monthly and quarterly audits of selected records. Our home health agency has a nurse who reviews medical records for clinical compliance.

Staff members can reach the Corporate Compliance Officer at 916-334-8613 to report any irregularities. Employees are encouraged to utilize this telephone line to clear questions as they arise. Eskaton has policies and procedures in place to deal with these issues.

Finally, Eskaton's centralized Accounts Receivable and Collections department reviews and documents claims, and bills them as accurately as possible.

# EXPECTATIONS OF EMPLOYEES

## Conflict of Interest

All employees are expected to perform their jobs to the best of their ability. Employees are expected to use good judgment, have high ethical standards, and avoid situations that may cause an actual, apparent or potential conflict between the employee's personal interests and the interests of Eskaton. A conflict of interest exists when the employee has loyalties or takes actions that are different from Eskaton's interests. Any employee who is unsure if an action, activity or relationship will create a conflict of interest should discuss it with their immediate supervisor or community representative.

Here are some examples of situations that can cause a conflict of interest to assist employees in identifying the kinds of activities to avoid:

1. Accepting personal gifts or entertainment from competitors, residents, families of residents, clients, customers, suppliers, or potential suppliers
2. Working for a competitor, resident, client, supplier, or customer during work hours
3. Being self-employed in competition with Eskaton owned, managed or affiliated communities
4. Using confidential company information for personal gain or to harm Eskaton
5. Having a direct or indirect financial interest in, or relationship with, a competitor, resident, family of a resident, client, customer, or supplier (includes providing paid services for residents either as a private caregiver or health services provider)
6. Using company equipment, supplies, time or labor for personal use
7. Purchasing an interest in property or other material goods for the purpose of selling or leasing it to Eskaton
8. Committing Eskaton to give financial or other support to any outside activity or organization
9. A supervisor engaging in a personal relationship with a subordinate that may create a conflict of interest or the perception of a conflict of interest which directly or indirectly affects employment decisions. (i.e. preferred treatment, compensations promotions, etc.)
10. Working at an Eskaton community via assignment from any outside staffing agency (e.g. filling a shift through registry)

If an employee, or someone with whom an employee has a close relationship, has a financial or employment relationship with a competitor, resident, family of a resident, client, customer, supplier, or potential supplier, the employee must make known this fact in writing to their supervisor and/or the Corporate Compliance Officer.

An employee may work with another employer while employed with Eskaton as long as the work does not take place during Eskaton's scheduled working hours and does not interfere with the employee's ability to perform his or her job duties and responsibilities with Eskaton.

Failure to follow these guidelines, including failure to disclose any conflicts or to seek an exception, will not be tolerated.

# EXPECTATIONS OF EMPLOYEES

## Acceptance of Gifts

1. It is Eskaton's policy that employees shall not gain personal benefit by employment with Eskaton, and employees are not allowed to accept individual tips or gifts for personal benefit.
2. Employees shall not take from (or on behalf of) any resident, patient, clients, or families any personal gift, hospitality or entertainment in any amount.
3. Employees may accept gifts that are given to all employees of the community/program to share (e.g. a gift of food which all employees may share, a gift of cash which is distributed through a community administered employee appreciation fund).
4. Employees shall not accept from any person or organization any cash, gifts of more than \$25.00 value, or any hospitality or entertainment that might affect the employee's independent judgment in business transactions affecting Eskaton.

## Provision of Gifts

Eskaton employees shall not:

1. Provide any gifts or gratuities to any government or public agency representatives except as permitted by law
2. Make payments for any person's individual travel expenses, conference costs, etc. unless the subject matter of the conference is a direct benefit to Eskaton and has been approved by the employee's direct supervisor
3. Make payment for continuing education, provide interest-free loans or make any other gifts to any person unless such benefits are specifically allowed as part of a legal agreement
4. Pay or receive any financial benefit in exchange for Medicare or Medi-Cal referrals, such as receiving non-covered medical products at no charge in exchange for ordering Medicare-reimbursed products

Determining whether a conflict of interest exists is not always easy to do. Employees with a conflict of interest question should seek advice from management. Before engaging in any activity, transaction or relationship that might give rise to a conflict of interest, employees must seek review from their managers.

# ADDITIONAL GUIDELINES

## **Bulletin Boards**

Information of interest and importance may be posted on various community bulletin boards. Employees are encouraged to review them periodically to stay informed of changes. Only official Eskaton announcements and materials may be posted on bulletin boards unless prior approval from the Community Executive Director has been obtained.

## **Dress Code and Personal Appearance**

All employees should feel proud of their organization and strive to make a good impression for Eskaton customers, business associates, and residents. Employees representing Eskaton are expected to look professional and maintain a neat, clean, and well-groomed appearance at all times. Each community will have specific information regarding the required or appropriate attire to be worn during working hours. Appropriate attire, such as uniform and identification badge, must be worn in keeping with professional standards for positions designated by the community. If an employee visits another Eskaton location or is out on Eskaton business, they are expected to dress appropriately for the environment and situation.

Example: When visiting the Eskaton Support Center for a meeting or training, please observe a business casual dress code or your standard Eskaton uniform.

## **Housekeeping**

All employees are expected to keep their work areas clean and organized. People using common areas such as lunch rooms, locker rooms, and restrooms are expected to keep them clean. Please clean up after meals and dispose of trash properly.

## **Parking**

Eskaton provides free parking at every community to all employees on a “first come, first served” basis. Employees may park in any designated area and/or non-reserved space. Some parking areas, however, may be reserved for senior staff, disabled drivers, vendors, clients, residents, guests, and company-owned vehicles. Eskaton is not responsible for any loss or damage to employee vehicles or contents while parked on Eskaton property.

## **Guests and Visitors**

Eskaton realizes that occasions may arise when an employee needs to have a family member or visitor present at work for a short period of time. If an employee has such a need arise, the visitor or family member should not be at the workplace any longer than 30 minutes. At no time may a visitor be in employee-only areas, and it is the employee’s responsibility to ensure their visit is not disruptive. Employees must obtain their supervisors’ approval prior to the visit.

## **Off-Duty Use of Facilities**

Employees are prohibited from remaining on Eskaton premises or making use of Eskaton facilities while not on duty. Employees are expressly prohibited from using Eskaton facilities, property, or equipment for personal use. Limited exceptions may be granted by the Executive Director and must be in writing. This policy is not intended to limit the ability of employees to use Eskaton’s communication systems to communicate with other employees regarding the terms and conditions of their employment during non-working times, including such topics as wages, job performance, workload, supervisors, or staffing.

# ELECTRONIC COMMUNICATION AND DEVICES

## Social Media

Eskaton's expanding participation in social media intends to promote better communication with colleagues and customers, the general public, media, and key stakeholders. Such contributions may include, but are not limited to, postings in online forums, blogs and social networking sites such as Facebook, LinkedIn, YouTube, and Twitter, among others. Because online communications produced by Eskaton and its employees, volunteers or associates reflect upon Eskaton, either directly or indirectly, they must be consistent with Eskaton's Standards for Business conduct, policies, branding, and applicable laws.

Eskaton's definition of social media includes all communication or content-posting on the internet, including to your own or someone else's blog, wiki, forum, chat room, message board, personal web site, social networking website, web bulletin board, or any other form of electronic communication, whether associated or affiliated with Eskaton or not.

Social media websites include, but are not limited, to:

- Facebook
- Twitter
- LinkedIn
- TikTok
- Instagram
- Snapchat
- YouTube

## Social Media Policy

When communicating information associated with Eskaton, in name or by inference, through any social media platform, all employees must adhere to the guidelines outlined in this policy. Any conduct that adversely affects your job performance, the performance of fellow employees, residents, contractors, people who work on behalf of Eskaton, or Eskaton's legitimate business interests may result in disciplinary action up to and including termination of employment. The same is true for social media posts that include discriminatory remarks, harassment, and threats of violence or similar inappropriate or unlawful conduct. All online communications must be consistent with Eskaton's Standards for Business Conduct, policies, branding, and applicable laws, including HIPAA and PHI (Protected Health Information) regulations.

Employees must adhere to the following:

1. Post only appropriate and respectful content.
2. Make sure you are always honest and accurate when posting information or news. Never post any false information about Eskaton, employees, residents, those working on behalf of the company, or competitors.
3. Maintain the confidentiality of Eskaton's trade secrets and all private or confidential information, including that concerning resident privacy. Trades secrets may include information regarding processes, products, expertise, and technology. Do not post internal reports, policies, business plans, strategies, procedures, other internal communications, proprietary information, or residents' PHI.
4. For Eskaton's protection, as well as your own, respect all copyright, trademark and other intellectual property laws.

# ELECTRONIC COMMUNICATION AND DEVICES

5. Do not post any content considered PHI, including a resident's (or family member's) name, likeness, or image to any social media platform. Do not engage with posts containing PHI.
6. Do not create a link from your blog, website, or other social media site to an Eskaton website or social media channel without identifying yourself as an Eskaton employee.
7. If Eskaton is the subject of your social media post, make it clear that you are an employee and that your views do not represent those of the company, fellow employees, residents, suppliers, or people working on behalf of Eskaton. It is best to include a disclaimer such as "The postings on this site are my own and do not necessarily reflect Eskaton's positions or strategies."

Violations of any guidelines listed above may result in disciplinary action up to, and including termination.

Nothing in this policy is intended to restrict employees in their Section 7 rights to discuss their terms and conditions of employment.

## **Using Social Media at Work**

Eskaton limits access to social media while using the company's network. If accessing social media via company property, such as a computer or smartphone, the contents are not subject to privacy protection. Eskaton reserves the right to monitor, review and store all messages, files, attachments and other information associated with the communication. Never use the company's email addresses to register on social media, blogs, or other online tools utilized for personal use.

## **Commercial Use of Social Media**

The commercial use—for business purposes or direct/indirect financial gain—of Eskaton's logo, brand name, taglines, slogans or marketing materials by employees on any social media platform is prohibited without prior approval from their manager. If an employee would like to use social media to promote the company, attract business or communicate a special offer, they must first consult with Eskaton's communication department and obtain approval. When evaluating the request, the Communications Department must strictly adhere to any and all compliance-related issues that govern advertising.

## **Media Contacts**

The publication of any official business of Eskaton must be authorized. Employees should not speak to the media on Eskaton's behalf without contacting senior management and obtaining approval. If contacted by a reporter or member of the press for comment or information on behalf of the company, employees must refer them to one of the following members of senior management: Todd Murch (CEO), Mark Jenkins (CFO), or Sheri Peifer (President).

# ELECTRONIC COMMUNICATION AND DEVICES

## **Video/Audio Recording**

Eskaton recognizes and respects the concept of open communication and interaction among residents, patients, clients, their families, guests, and representatives, staff members, and the media. A facet of this interaction may be recording community visits and events utilizing video cameras, still cameras, and/or audio recording devices. Under all circumstances, protecting resident safety, privacy, and dignity is Eskaton's primary concern. This policy establishes the limitations of recording events and visits.

With the exception of Eskaton security cameras, no resident or staff member shall be photographed or recorded without their permission or the permission of their legal representative. Except for photographs and recordings by the resident's family, representative or friends, permission shall be in writing. Eskaton retains the right to deny approval to any party to record (audio or video) provision of care.

The use of photographs or recordings of residents and employees in Eskaton publications, ads, or other materials require the prior written permission of the resident or their legal representative.

## **Personal Cell Phone Policy**

While at work, employees are to exercise the same discretion in using personal cell phones as when using Eskaton-issued phones. Personal calls during the workday, regardless of the phone used, can interfere with employee productivity and be distracting to others. In most Eskaton workplace settings, personal cell phone use is prohibited during work hours so that our employees are fully focused on our residents and their care. While permitted in other non-resident settings, Eskaton encourages a reasonable standard of limiting personal calls to rest periods and meal breaks.

Personal cell phones brought into the workplace must be set to mute or vibrate during work hours. Employees must make all personal calls on non-work time and ensure that friends and family members are aware of this policy. Flexibility will be provided in circumstances demanding immediate attention.

*Note: Your supervisor may require that you do not carry your phone while performing job duties. Eskaton will not be liable for lost or stolen personal cell phones brought into the workplace.*

## Important Information Regarding Your Benefits Plan

The official plan documents of any employee benefit plan set forth the specific terms, conditions, and limitations regarding plan eligibility and benefit entitlement. The descriptions of benefits, including, but not limited to, health, retirement, or other insurance plans, in this handbook are intended only as summaries. No portion of this handbook constitutes the official plan documents of any benefit plan. If the summaries contained in this handbook conflict in any way with the official plan documents, the provisions of the official plan documents will supersede this handbook. Employees may obtain and inspect the official plan documents from the Eskaton Support Center Human Resources department.

## Employee Insurance Benefits

### Eligibility

Part-Time and Full-Time employee are eligible for benefits after the waiting period.

### Medical

Eskaton offers comprehensive health insurance to eligible employees. The calendar year deductibles, annual out-of-pocket maximums, and co-pays vary depending on the service and provider.

### Dental

Eskaton offers eligible employees a comprehensive dental plan that includes preventative, basic, major, and orthodontic services. There is a deductible and services are covered at a percentage of services provided, up to an annual benefit maximum.

### Vision

Eskaton offers a vision plan to eligible employees, which includes co-pays for exams and financial assistance in the purchase of lenses, frames, and contacts.

### Live Health Online

All employees, whether benefit-eligible or not, can take advantage of Live Health Online, which is a virtual doctor office visit via your computer, tablet, or smart phone. Doctors are available 24 hours a day, 7 days a week. Please see your Community Business Office for access information.

### Life Insurance

Eskaton provides coverage to all eligible employees in a basic life insurance and Accidental Death and Dismemberment (AD&D) plan.

### Voluntary Life and AD&D

In addition to the basic life insurance plan, eligible employees may purchase additional amounts of individual term life insurance and AD&D for yourself, your spouse or domestic partner, and your children.

## **PTO & SICK TIME**

### **Voluntary Long Term Disability**

Eskaton offers eligible employees the option to purchase a long-term disability insurance plan. This is a wage replacement plan that covers employees who have been disabled due to an accident or illness and may pay a percentage of your salary during your extended disability.

### **Employee Assistance Plan (EAP)**

The EAP provides FREE confidential counseling and referral services to all benefit eligible employees and their dependents. Some examples are short-term counseling, parenting and childcare resources and referrals, legal consultations, financial counseling and eldercare resources and referrals.

### **Health and Wellness Program**

This plan provides employees with resources and company sponsored activities to promote health and well-being. Some of the health programs offered include annual health risk assessments, Live Well for Life through Sutter Health, smoking cessation, 24-hour nurse line, and Mommies2-B.

The Employee Wellness program includes benefits such as smoke-free campuses, discounts on gym memberships, monthly wellness newsletters, wellness champions at each community, wellness bulletin boards with nutrition, exercise, and group challenge information, fun wellness campaigns and challenges, company-sponsored local events, incentives for participation, no-cost flu shots, preventative health care, and Live Health Online. For more information, see your Community Business Office.

### **Retirement Plan – 401(k)**

Eligible employees may enroll in the Eskaton 401(k) Plan to help save for retirement.

A 401(k) plan is a retirement savings plan offered by employers that has tax advantages for the employee. It is named after a section of the U.S. Internal Revenue Code (IRC). There are two types of 401(k), a traditional pre-tax account and what is known as a Roth, and the Eskaton plan will offer both options.

With a traditional 401(k), employee contributions are made before taxes are calculated on your paycheck, which reduces your taxable income in the year the contributions are made. You will pay taxes on these contributions and any earnings thereon when the funds are withdrawn in retirement.

With a Roth 401(k), contributions are deducted from the employee's paycheck after taxes are calculated. The benefit of a Roth is that taxes will not be owed when withdrawals are taken in retirement, which means all investment earnings on your Roth 401(k) contributions will be shielded from income tax.

Eligible employees are at least 18 years of age, and have completed 90 days of service. You will receive an eligibility letter at your home with instructions on how to create an account. Employees may contribute any percentage or flat dollar amount to their 401(k) account up to a maximum of \$22,500 in 2023, plus an extra \$7,500 if you're age 50 or older. You will have

## PTO & SICK TIME

the option of either contributing pre-tax, or making “Roth” after-tax contributions. If you choose to contribute to both, please be aware that your total annual contributions between the two cannot exceed the IRS maximum.

Eskaton will match employee contributions dollar for dollar up to 4% of the employee’s income.

Enrollment in this plan may occur at any time once you are eligible and you can change your contribution amount at any time. Loans are not permitted with this plan.

### Nonexempt Paid Time Off (PTO)

The PTO plan includes part-time and full-time nonexempt employees and is effective the first of the month following 90 days of continuous employment. PTO is to cover any absence to include vacation, personal time, sick time, and unworked holidays. In combining these benefit hours in one accrual bank, employees have flexibility in how to use their accrued time. Because the nine (9) observed holidays are part of the PTO accrual, when an eligible nonexempt employee is absent on a scheduled holiday, the employee may use hours from their PTO account to cover their absence. If the employee works a holiday, they will be paid time and a half for hours worked. If the employee’s location closes for the observed holiday, such as the Eskaton Support Center, the employee must use PTO to cover the absence. For complete details, please see Eskaton Paid Time Off - Nonexempt Employees policy.

#### PTO Accrual Schedule for Eligible Nonexempt Employees:

Length of Service	PTO accrued for each straight time hour paid	Maximum PTO accrual per year	Maximum accrual total
0 – 36 months	.0615 hours	128 hrs./16 days	176 hrs./22 days
37 – 60 months	.0653 hours	136 hrs./17 days	196 hrs./24.5 days
61 – 120 months	.0807 hours	168 hrs./21 days	226 hrs./28.25 days
121 + months	.1000 hours	208 hrs./26 days	276 hrs./34.5 days

### Exempt Vacation

Exempt employees begin accruing vacation following 90 days of continuous employment. This plan covers all exempt employees except those on the executive benefit plan. For details, please see Eskaton Exempt Paid Time off Program policy.

#### Vacation Accrual Schedule for Exempt Employees:

Length of Service	Accrual for each straight time hour paid	Maximum PTO accrual per year
0 – 36 months	.0385 hours	80 hours or 10 days
37 – 84 months	.0615 hours	128 hours or 16 days
85 + months	.0769 hours	160 hours or 20 days

*Exempt maximum accrual for vacation is 240 hours or 30 days.*

### Sick Time

The accrual of sick time varies for nonexempt, exempt and executive employees. However, each plan is fully compliant with the Healthy Workplace Healthy Families Act of 2015 (also referred to as California Paid Sick). Under the Act, employers are required to provide a

## **PTO & SICK TIME**

minimum of 24 hours of sick time per year to all employees. Employees may not use sick time until after 90 days of continuous employment. Sick time may be used in increments of no less than two hours for the employee's own illness or to care for an ill parent, spouse, domestic partner, child, grandchild, grandparent or sibling, or to attend medical appointments. The 24 hours covered under California Paid Sick may not be counted against the Eskaton attendance policy. Employees may use their sick leave by making a written or verbal request to their supervisor or scheduler. If an employee calls off work citing they or a family member are sick, Eskaton will use an employee's accrued sick hours whether or not it is specifically requested. If the need to be absent is not an emergency and known in advance, employees must provide advance notice to their supervisor.

### **Nonexempt Sick Accrual**

All nonexempt employees are credited with 24 hours of sick leave upon hire. Employees may not use this time until after 90 days of continuous employment. Each year, on your anniversary date of hire (or July 1 for employees hired prior to July 1, 2014), you will be credited with sick hours up to 24 hours. At no time will you have more than 24 sick hours available in a 12-month period. For complete details, please see the Eskaton Nonexempt Paid Sick Leave policy.

### **Exempt Sick Accrual (Minor Sick)**

All exempt, non-executive employees accrue sick time each pay period. Exempt employees accrue 1.538 hours per pay period, which equals 5 days per year. These hours are also referred to as minor sick; the maximum accumulation for minor sick leave is 5 days or 40 hours.

### **Short Term Disability (Major Sick)**

Nonexempt and exempt employees accrue Major Sick hours except for temporary and on-call employees. To access Major Sick hours, an employee must be disabled according to California state disability guidelines and provide medical certification of the disability. Benefits will begin on the eighth (8<sup>th</sup>) calendar day of lost compensation. Major Sick accrual is .0269 hours per each straight time hour worked, which equals 7 days per year. The maximum accumulation for Major Sick is 22.5 days or 180 hours. Major Sick hours paid do not accrue PTO or vacation. For complete details, please see the Eskaton Short Term Disability policy.

### **Executive Paid Time Off**

Executive employees may contact Human Resources for a copy of the Executive Benefits Program.

## Holidays

Eskaton observes eight (8) holidays and one (1) floating day for its eligible employees. The holidays observed by Eskaton are:

- New Year's Day
- President's Day
- Memorial Day
- Independence Day
- Labor Day
- Thanksgiving
- Day after Thanksgiving
- Christmas Day
- Floating Holiday

For employees with a Monday-Friday workweek, holidays which occur on Saturday will be observed on the preceding Friday, and the holidays which occur on Sunday will be observed on the following Monday. For 24-hours-a-day/7-days-a-week employees, holidays will be observed on the actual holiday.

A holiday shift is the first one beginning after midnight of the observation day.

Each community will designate when floating holidays will be observed (ex: employee's birthday).

An updated holiday schedule is distributed annually. Refer to the Eskaton Holiday Policy for specifics on receiving pay for a holiday.

# LEAVES OF ABSENCE

## Leave of Absence Overview

Employees may need to take time away from work for medical reasons or personal and/or family medical issues. Eligible employees may be approved for an unpaid leave of absence (LOA).

Some examples of leave include Federal Family and Medical Leave, Pregnancy Disability Leave, Military Leave, General Leave of Absence, and California Family and Medical Leave. For any leave not listed here, Eskaton complies with all federal and state laws regarding leave.

Wage replacement may be available to you through the California EDD State Disability Insurance program if you are disabled. Other benefits may be available through the California EDD Paid Family Leave Program. You may also use accrued vacation, PTO or sick leave as allowed by policy and regulation. The following information is intended to assist you in understanding what is available regarding leaves of absence.

## When Do You Need to Apply for a Leave of Absence?

If you will miss work or have a reduced schedule for more than three (3) calendar days due to personal reasons, work-related injury or illness, bonding with a new child, and/or personal or family medical related issues, a leave of absence may be required. This does not include scheduled vacations.

## Steps to Request a Leave of Absence

If the leave is foreseeable, employees are required to give thirty (30) days advance notice of a request to take a leave of absence. To apply for a leave of absence, please complete a Leave of Absence Request form. This form must be signed by you and your supervisor. Applying for a leave does not guarantee one will be granted unless mandated by law.

Here are the steps to follow if you need to request a Leave of Absence:

1. Discuss with your supervisor, Community Business Office or Eskaton Human Resources
  - a. Are you qualified to take a Leave of Absence?
  - b. What is the estimated length of your requested Leave of Absence?
  - c. Are you eligible for wage replacement? (SDI, PFL)
  - d. Will you be using available PTO or Sick Leave?
2. Provide your supervisor or Community Business Office with a completed Leave of Absence Request form (available at your Community Business Office).
3. Obtain medical certification for medical or pregnancy-related LOA.

## General Leave of Absence

General leave may be applicable when there is no state or federally-mandated leave time available to an employee. However, there is no guarantee Eskaton can accommodate a request for General Leave.

All Eskaton employees who have completed their introductory period may be eligible to apply for a General Leave of Absence up to a maximum of 30 calendar days if granted. Employees will be required to use all accrued vacation or PTO benefits. Any remaining time, up to a maximum of 30 days, will be unpaid time off. Some restrictions may apply.

# LEAVES OF ABSENCE

A General Leave of Absence does not guarantee that you will be able to return to the same job, shift or rate of pay when you are ready to come back. General leaves are not guaranteed and are granted at the discretion of the community Executive Director taking business necessity into consideration.

## **Family and Medical Leave Act (FMLA)**

The Family and Medical Leave Act (FMLA) permits employees to balance their work and family lives by allowing reasonable, unpaid leave for certain family and medical reasons. Under the Family and Medical Leave Act, eligible employees are entitled to twelve (12) weeks (or more, in certain circumstances) of unpaid, job-protected leave per year for one or more of the following reasons:

- The birth or care of the employee's newborn
- The placement of a child with the employee for adoption or foster care
- The care of the employee's spouse, child or parent (but not parent-in-law) with a serious health condition
- The employee's own serious health condition which makes the employee unable to perform the essential functions of his or her job

## **Guidelines**

Employees must provide thirty (30) days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days' notice is not possible, the employee must provide notice as soon as practical and must generally comply with Eskaton's normal call-in procedures.

Leave for birth, adoption, or foster care placement must conclude within 12 months of the birth, adoption or placement.

A "serious health condition" means an illness, injury, impairment, or physical or mental condition that involves either:

- A period of incapacity or treatment connected with inpatient care
- or*
- Continuing treatment by a healthcare provider that includes a period of incapacity

Though FMLA does not allow an employee to take leave to care for a registered domestic partner, the California Family Rights Act (CFRA) does. An employee who takes leave to care for a registered domestic partner is taking CFRA leave only, and this leave will not be deducted from the employee's FMLA entitlement.

## **Eligibility for FMLA**

An employee must have been employed with Eskaton for at least twelve (12) months and must have worked 1,250 hours during the 12-month period before the start of the FMLA leave. For purposes of calculating the 12-month period during which 12 weeks of leave may be taken, Eskaton uses a "rolling" 12-month period measured backward from the date the employee's first family leave began.

# LEAVES OF ABSENCE

In determining whether the employee has worked for Eskaton for at least 12 months, the 12 months do not have to be consecutive. However, if the employee has a break in service of more than seven consecutive years, the 12-month clock restarts.

In addition, the 12-month clock will not restart, regardless of length of an employee's break in service, if the break is the result of: (1) the employee's fulfillment of military service obligations, or (2) an approved absence or unpaid leave for such purposes as child-rearing or education, if a written agreement states the intent to re-hire.

## **Intermittent Leave**

Intermittent leave is sometimes permissible for medical problems, whether to care for a seriously ill family member or for the employees' own serious health conditions. Intermittent leave for the birth or care of a newborn or placement of a child for adoption or foster care is also permissible. If you take intermittent leave for medical treatment, you must make a reasonable effort to schedule the treatment to avoid disrupting Eskaton's operations, subject to the healthcare provider's approval. Eskaton may also transfer the employee to another position with equivalent pay and benefits that better accommodates recurring periods of leave.

## **Light Duty**

An employee who voluntarily accepts a light-duty assignment while recovering from a serious health condition does not waive his or her prospective FMLA rights, including the right to job restoration.

## **Holidays**

If a holiday which an employee would not otherwise be required to work occurs during a partial week of FMLA leave, the holiday cannot be counted against the employee's FMLA leave entitlement. If the holiday occurs during a full week of FMLA leave, it can be counted against the employee's FMLA entitlement.

## **Maintenance of Health Benefits**

While on leave it is your responsibility to ensure your portion of insurance premiums are paid beginning the first of the month following the start of your leave. Payment can be made by deductions from your accrued time off (sick time, PTO or vacation) or if no accrued time off is available, you will need to make payment arrangements with the HR department Group. Health, dental and vision coverage will continue for employees on leave as if they were still working for a maximum of 6 months.

If you are granted an approved leave of absence under this policy, you are advised to arrange to pay your share of premiums during the absence. If you are collecting PTO or sick time, premiums will continue to be paid through payroll deductions. If the leave is unpaid, you are responsible for making sure Eskaton receives premium payments by the normal payroll dates. Eskaton will provide a schedule of payment amounts and due dates.

Failure to make these required payments will result in a loss of health coverage. For additional information, please contact the Eskaton Human Resources department.

# LEAVES OF ABSENCE

## **Military**

FMLA provides up to 12 weeks of leave to the immediate family members (spouses, children or parents) of reservists or members of the National Guard who are called to active duty in the U.S. military.

FMLA also provides up to 26 weeks of unpaid leave to employees who are providing care for family members wounded while serving in the U.S. military. Additional information on Military Leave is included in this section.

Family members of certain active duty personnel may also take FMLA leave for specific “qualifying emergencies,” including short-notice deployment, military events, childcare and school-related responsibilities, to make financial and legal arrangements, to go to counseling, and for post-deployment activities.

## **California Family Rights Act (CFRA)**

Eskaton will grant eligible employees (those with 12 months of service and who have worked a minimum of 1,250 hours during the most recent 12-month period) unpaid job-protected leave for up to 12 weeks. Employees are eligible for 12 weeks of leave during a rolling 12-month period, which is measured backward from the date an employee uses a CFRA leave.

Employees must provide 30 days advance notice of the need to take CFRA leave when the need is foreseeable. When 30 days’ notice is not possible, the employee must provide notice as soon as practical and must generally comply with Eskaton’s normal call-in procedures.

Employees can use CFRA for the following reasons:

- Birth of a child
- Placement of a child for adoption or foster care
- Care for a serious health condition of the employee’s spouse, child, parent, parent-in-law, grandparent, grandchild, sibling, registered domestic partner or domestic partners child, or designated person
- Employee’s own serious health condition

## **Exceptions**

CFRA Leave cannot be used for disability due to pregnancy, childbirth or related medical conditions. For pregnancy-related conditions, CFRA will not run concurrent with FMLA, but will run *consecutively*.

If both parents are employees of Eskaton, each parent is entitled to up to 12 weeks of baby-bonding time or care of a family member.

## **Concurrent Leave under FMLA and CFRA**

In most instances, except the special circumstances described above and elsewhere in this section, FMLA and CFRA leaves will run concurrently. That means that the total permissible period of leave will be twelve (12) weeks.

# LEAVES OF ABSENCE

## **Pregnancy Disability Leave of Absence**

Eskaton will grant unpaid pregnancy disability leave to employees disabled due to pregnancy, childbirth or related medical conditions.

Qualified employees are eligible for a leave of absence for a maximum of four months (120 calendar days). This leave falls under the California Pregnancy Disability Leave (PDL) regulations. This four-month period includes the use of PTO, vacation, and sick leave hours in addition to remaining unpaid time to give the employee a maximum of four months of leave. Employees are required to use any accrued sick pay as part of their pregnancy leave. However, the use of PTO or vacation hours is at the discretion of the employee. After the pregnancy-related disability leave is exhausted, the employee may be eligible for up to 12 weeks of unpaid leave under the California Family Rights Act to give you time to bond with your new child.

California PDL runs concurrently with time off dictated by the federal Family and Medical Leave Act (FMLA) since that law applies to both bonding and pregnancy-related disability.

A pregnancy disability leave does not need to be taken in one continuous period of time but can be taken on an as-needed basis, as medically advised for the disability and subject to proper documentation by the healthcare provider.

As an alternative, and if one's normal duties present risks to the mother or baby, Eskaton may transfer you to a less strenuous or hazardous position, or to less strenuous or hazardous duties if you so request, with the advice of your physician, if the transfer can be reasonably accommodated. Eskaton also complies with the law regarding reasonable accommodation for an employee partially disabled due to pregnancy. Reasonable accommodations may be available, if you so request, based upon the advice of your physician. In most cases, medical documentation will be required.

Time off needed for prenatal care, severe morning sickness, doctor-ordered bed rest, childbirth, and recovery from childbirth would all be covered by your pregnancy disability leave, and medical documentation will be required. Please refer to "Steps to Request a Leave of Absence."

### **Accrual of Benefits**

You will not accrue any benefits (such as PTO, vacation, sick leave, holidays, etc.) during an unpaid portion of your leave.

Taking a pregnancy disability leave may impact certain aspects of your benefits and your seniority date. If you want more information regarding your eligibility for a leave, the impact of the leave on your seniority and benefits, possible benefit continuation under COBRA, or Eskaton's policy regarding other disabilities, please contact your Community Business Office or Eskaton Human Resources.

### **Job Reinstatement**

Under most circumstances, upon submission of a medical certification that you are able to return to work from a pregnancy disability leave, you will be reinstated to the same position

# LEAVES OF ABSENCE

you held at the time the leave began or to an equivalent position if it is available. Reinstatement to the same position is limited to instances when the employee returns to work upon the expiration of the authorized leave of absence or when the job-protected leave period expires, whichever is a shorter period of time. If the actual leave exceeds the maximum duration allowed by law, or the duration authorized by Eskaton, the employee will not necessarily be returned to the same job, shift, location, or rate of pay as before.

For questions or more information regarding California PDL, wage replacement from California's State Disability program, and how to apply for these benefits, contact your Community Business Office, Eskaton Human Resources, or go to [www.edd.ca.gov/Disability/FAQ\\_DI\\_Pregnancy](http://www.edd.ca.gov/Disability/FAQ_DI_Pregnancy).

## **Military Leave of Absence**

Employees who have received notification of military assignment must notify their immediate supervisor upon receipt of the military assignment from the proper military authority. Such leave is granted without pay. A Leave of Absence Request form must be completed by the employee.

Employees returning to their jobs after current military commitments have specific rights. Under the Uniformed Services Employment and Reemployment Rights Act (USERRA), an employee who leaves a civilian job to enter active duty in the U.S. Armed Forces, voluntarily or involuntarily, is entitled to return to the civilian job after discharge or release from active duty if these five basic eligibility criteria are satisfied:

1. The employee held a civilian job that was other than temporary.
2. The employee left the civilian job for the purpose of going on active military duty.
3. The active military duty lasts no longer than five years unless the period beyond five years (up to an additional year) is at the request, and for the convenience of, the federal government.
4. Discharge or release from active duty is under honorable conditions.
5. Within 90 days after separation (within 31 days for reservists on 90-day duty) from active duty, the employee applies for reemployment with the pre-service employer.

The veteran returning to work is entitled to:

1. Restoration of seniority and benefits (pension, sick leave, vacation, etc.) based on seniority
2. Wages reflecting continuous employment
3. Benefits, such as health insurance, immediately restored upon the individual's return to work, without a waiting period to qualify for benefits
4. The veteran's reemployment status reflect the position, hours of work, and other company conditions had the employee not taken military leave. This includes eligibility for promotions.

## **Military Spousal Leave**

You may take up to ten (10) days of unpaid leave when your spouse is on leave from deployment during a period of military conflict. To qualify for this leave:

## LEAVES OF ABSENCE

1. Your spouse must be a member of the Armed Forces who has been deployed during a period of military conflict to an area designated as a combat theater or combat zone by the President of the United States, or a member of the National Guard or Reserves who has been ordered to active duty and deployed during a period of military conflict.
2. You must be employed for an average of twenty (20) or more hours per week.
3. You must provide us with notice of your intent to take this leave within two (2) business days of receiving official notice that your spouse will be on leave from deployment.
4. You must submit written documentation certifying your spouse will be on leave from deployment during the requested leave time.

### **Kin Care**

Employees may use up to one-half of their yearly sick leave or PTO accrual to attend to a child, parent, spouse, registered domestic partner, or registered domestic partner's child who is ill. Leave for this purpose may not be taken until it has actually accrued.

### **Victims of Violent Crime Leave**

Eskaton prohibits discrimination or retaliation against employees who are victims of domestic violence or any violent crime who must take time off from work for designated purposes related to such event(s). Employees who are victims of domestic violence or any violent crime are eligible for unpaid leave.

An employee may request a leave of absence if they are involved in judicial action, such as obtaining restraining orders, appearing in court to obtain relief to ensure their health, safety or welfare or that of their child. For victims of a violent crime or those whose immediate family members are a victim, the absence may be to attend judicial proceedings related to the crime. Immediate family is defined as spouse, domestic partner, child, stepchild, brother, stepbrother, sister, stepsister, mother, stepmother, father, or stepfather. An employee must provide notice and certification of their need to take leave under this policy. Certification may be sufficiently provided by:

1. A police report indicating that the employee was a victim of domestic violence or any violent crime
2. A court order protecting or separating the employee from the perpetrator of an act of domestic violence or any violent crime
3. Evidence from the court or prosecuting attorney that the employee appeared in court
4. Documentation from a medical professional, domestic violence advocate, healthcare provider, or counselor that the employee was undergoing treatment for physical or mental injuries or abuse resulting in victimization from an act of domestic violence or any violent crime

You may use vacation, medical and/or other leave, or other accrued time off if available.

Eskaton will, to the extent allowed by law, maintain the confidentiality of an employee requesting leave under this provision.

# LEAVES OF ABSENCE

In lieu of a Leave of Absence request, if you are requesting a reasonable accommodation, you will need to submit a written statement signed by you, or by an individual acting on your behalf, certifying that the accommodation is for the purpose of your safety at work.

For reasonable accommodation requests, Eskaton will also require certification demonstrating that you are the victim of domestic violence, sexual assault or stalking. Any of the forms of certification described above for leave purposes will suffice. Eskaton may request recertification every six (6) months from the date of the previous certification. You should notify Eskaton if an approved accommodation is no longer needed.

Eskaton will engage in an interactive process with you to identify any possible accommodations that are effective, and will make reasonable accommodations unless an undue hardship will result.

Eskaton will, to the extent allowed by law, maintain the confidentiality of an employee requesting leave or accommodation under these provisions.

## Wage Replacement During Leave of Absence

### California State Disability

California State Disability Insurance (SDI) is a state-sponsored disability program available to you if you become disabled due to a non-work related accident or illness. This program is administered by the Employment Development Department (EDD). Once you become disabled for seven (7) consecutive days or more, you may apply for this benefit. SDI pays a percentage of your weekly earnings (up to a weekly max) as wage replacement for a maximum of fifty-two (52) weeks. This benefit may be integrated with your PTO, vacation or sick time. If you believe you qualify for SDI, contact your Community Business Office for more detailed information. You may also visit the EDD website at: <https://www.edd.ca.gov/Disability>.

### Paid Family Leave Program

Paid Family Leave (PFL) is a component of the State Disability Insurance program that provides a percentage of your salary as wage replacement to employees who need to care for the serious health condition of a child, parent, parent-in-law, grandparent, grandchild, sibling, spouse, or registered partner. This program is administered by the EDD. **There is no waiting period for PFL.**

Employees may be eligible for up to eight (8) weeks of benefits in a twelve (12) month period under the Paid Family Leave Program if the leave of absence is for:

- The birth of an employee's child or the birth of an employee's domestic partner's child
- The placement of a child with the employee for adoption or foster care
- The serious health condition of a child, parent, parent-in-law, grandparent, grandchild, sibling, spouse, or registered partner

Your PFL benefits may be integrated with your PTO, Vacation, and Sick time. For more information about coordinating PFL with sick leave, PTO, SDI, or other benefits, see your

# LEAVES OF ABSENCE

Community Business Office or visit the EDD website at:

[https://www.edd.ca.gov/disability/paid\\_family\\_leave.htm](https://www.edd.ca.gov/disability/paid_family_leave.htm)

Paid Family Leave insurance benefits may be applied for as soon as an employee has recovered from a pregnancy-related disability and is no longer in receipt of State Disability Insurance benefits. Paid Family Leave is a form of wage replacement and is not leave time.

## **Jury Duty**

Eligible employees are qualified to be paid for Jury Duty Service after the completion of their introductory period.

If you have received a notification to serve jury duty, you must notify your immediate supervisor and provide a copy of the jury summons.

If an eligible employee appears for jury duty service, Eskaton will pay the employee the difference between the amounts the employee receives for jury duty and the regular straight-time wage or salary missed due to service for a period not to exceed ten (10) scheduled workdays in a twelve (12) month period. Employees who must serve beyond the 10-day period must use available PTO or take the time unpaid if no PTO is available.

It is your obligation to notify your supervisor of your availability during the jury duty leave. An employee on jury duty will be expected to work as much of the regularly scheduled shift as the jury duty schedule permits, to the extent that combined time on jury duty and at work does not exceed eight (8) hours on a given day.

## **Witness Duty**

If you take time off to appear in court as a witness in cases that do not involve the employer, you must use accrued Vacation or PTO to cover the absence. This time is to be scheduled in advance with your supervisor.

Employees who appear as a witness on behalf of Eskaton will be paid their regular hourly or salary rate. All such pay must have prior written approval from the Community Executive Director.

## **Bereavement Leave**

In the event of a death in the immediate family, an employee who has worked 30 days will be allowed up to three (3) paid days off to grieve. The days do not need to be consecutive. Employees will be paid the straight time hourly rate for each day of absence up to three (3) days. Two additional unpaid days may be taken or the employee may use accrued PTO. Eligible part-time employees will receive pro rata compensation. This is a wage replacement benefit, which is only paid if the employee misses work. Employees must use the bereavement leave within three (3) months of the family member's death.

Please refer to the Bereavement Policy for the definition of "immediate family." Employees who may need additional time off, or time off for a relationship not covered under the Bereavement Policy, can speak to their supervisor or Community Business Office for options available to them.

# LEAVES OF ABSENCE

## School Activities

Eskaton allows the parent, guardian or grandparent who has custody of one or more children to take unpaid time away from work to participate in their children's school activities. The maximum time allowed is not to exceed eight (8) hours in a month or a total of forty (40) hours each school year. Documentation from the school verifying the employee's participation in the school activity is required. Employees must provide reasonable advance notice of the activity to their supervisor, ideally no less than twenty-four (24) hours.

If an employee is the parent or guardian of a child facing suspension from school and is summoned to the school to discuss the matter, the employee must alert their supervisor as soon as possible before leaving work. There are no annual limits to the amount of time that can be requested for the suspension of the student.

## Voluntary Civil Service

If you are an official volunteer firefighter or volunteer peace officer, please notify your supervisor that you may have to take time off for emergency duty. When taking time off for emergency duty, notify your supervisor before doing so, if possible. You are also eligible for unpaid leave for required training.

## Voting Time

If you are unable to schedule your state, local, or national voting time prior to (or after) your scheduled shift hours, Eskaton allows you up to two (2) hours of unpaid time off to vote. Eskaton may require time off to be taken only at the beginning or end of your scheduled shift. Such scheduling must have prior approval by your community management. If you requested time off, it is necessary to present a voter's receipt to your supervisor after you have voted.

## Timely Return from a Leave of Absence

Whenever an employee is on a leave of absence, it is the employee's responsibility to stay in contact with their supervisor or Community Business Office if any changes related to status or return date have occurred. If circumstances arise which will delay a previously-expected return to work, the employee's supervisor or Community Business Office must be informed as quickly as possible and provided the updated medical information from a healthcare provider.

If you are released to work with medical restrictions, it is your responsibility to provide documentation from your medical provider detailing the specific restrictions outlined by the medical provider and the duration of the accommodation. Any request for accommodation must be provided to your supervisor at least seventy-two (72) hours in advance (excluding weekends) of your scheduled return to work date. You must have a conversation with your supervisor or Community Business Office before returning to work to ensure all documentation is in order. When a return date has been scheduled, a brief "return to work" meeting will take place on your first day before starting work to review your schedule, discuss any changes to the department, policies or procedures, and if medically applicable, to go over any short term accommodations that have been approved. In all circumstances, if the leave was for medical/health reasons, a medical release from your treating provider is required.

&  
SAFETY**

# HEALTH AND SAFETY POLICIES AND PRACTICES

It is the goal of Eskaton to provide a safe, functional and effective environment for residents, employees, visitors, and other customers. To achieve this goal, Eskaton's policies and procedures are designed to promote the safety, health, and productivity of employees.

## **Safety Program**

Eskaton has a written Injury and Illness Prevention Program as required by law. Your supervisor will assist you in accessing the program. It is your responsibility to read, understand and follow Injury Illness and Prevention Program provisions applicable to your work assignment. First aid supplies are available at your community. See your supervisor for the location of the first aid supplies. Should outside medical care be required, your supervisor will direct you to the appropriate medical facility and assist you in completing the necessary paperwork.

## **Recreational Activities and Programs**

Eskaton or its insurer will not be responsible for payment of workers' compensation benefits for any injury that arises out of your voluntary participation in any off-duty recreational, social, or athletic activity that is not part of your work-related duties.

## **Drug-Free Workplace**

Drug-free workplace programs help improve workplace safety and the health of employees. These programs also play an important role in fostering safer and drug-free families, schools and communities across the U.S. Moreover, Eskaton is committed to providing a safe work environment and fostering the well-being and health of its employees. That commitment is jeopardized when an employee illegally uses drugs or alcohol on the job, comes to work under their influence, or possesses, distributes or sells drugs in the workplace. Every employee shares the responsibility for maintaining a safe work environment. Co-workers should encourage anyone who may be abusing drugs or alcohol, or working under their influence, to seek help.

Off-the-job illegal drug use or activities adversely affects Eskaton in many ways, including, but not limited to, unsatisfactory job performance and/or attendance, risks to the safety of the employee, fellow employees and/or Eskaton residents, patients and clients, and/or risking damage to Eskaton's business, reputation, or Eskaton or resident property.

The use, possession, distribution or sale of non-medically prescribed controlled substances (including alcohol) on company premises or in any work environment during work hours or meal breaks is prohibited. Eskaton will not permit any employee to report to work or perform their duties after having ingested illegal drugs, or while under the influence of alcohol. The presence of any detectable amount of any illegal drug/substance in an employee's system while performing Eskaton business or in an Eskaton community is strictly prohibited.

In addition, Eskaton does not permit employees to report to work while under the influence of drugs that adversely affect their ability to safely perform essential job functions. The taking of any medication that causes drowsiness or otherwise affects job safety or performance must be made known to your supervisor to determine whether you may continue working while taking the medication. Any employee who violates this policy shall be subject to disciplinary action up to and including termination.

# HEALTH AND SAFETY POLICIES AND PRACTICES

## Smoking

As a provider of health services to older adults, Eskaton is committed to providing a safe and healthy workplace. As declared by the California Indoor Clean Air Act of 1976, tobacco smoke is a health hazard for the general public. To provide a healthy work environment for all employees, the tobacco/smoke-free campus policy has been adopted and shall apply to all employees and vendors of Eskaton. Smoking is not permitted on any Eskaton property, which includes any vehicle on Eskaton property.

This policy includes all tobacco products, as well as e-cigarettes, e-cigars, e-hookahs and all other electronic nicotine devices.

## Reasonable Suspicion

If there is a reasonable suspicion that an employee is under the influence of any drugs, substances or alcohol in company-controlled areas, on company-owned property, or while on duty, they will be asked to submit to testing procedures designed to detect the presence of drugs and/or alcohol. This includes any prescribed or over-the-counter medication, or legal recreational drugs that may impair their ability to perform their work. Supervisors are to refer to the *Reasonable Suspicion Report* that can be obtained from Human Resources or from the *N:\Drive under Departments/HR/Forms/Employee Relations/Reasonable Suspicion Report*.

Prior to completion of the *Reasonable Suspicion Report*, contact the Executive Director and Corporate Human Resources. A supplement to this report is the *Employee Response Form*. The supervisor is to complete the *Reasonable Suspicion Report* and as part of this report, is to have another supervisor corroborate their observation before proceeding. Refusal by the employee to submit to a testing procedure is considered a voluntary resignation of employment.

The employee will be suspended from work without pay until the laboratory results have been received by the employer. A positive laboratory test result for the presence of illegal drugs, alcohol and/or marijuana will result in the immediate termination of the employee. If the test result is negative and there is no evidence of employee misconduct, the employee will be returned to work and paid for the suspension period.

Eskaton may also require employees to submit to a drug/alcohol screen following an accident which requires medical treatment, results in property damage, or results (directly or indirectly) in injury to any individual whenever there is no other reasonable explanation for the accident.

## Workers' Compensation

Eskaton provides insurance for most work-related injuries or illness. This benefit is designed to protect employees against financial loss due to work-related injury or illness through workers' compensation insurance. Eskaton will comply with all legal requirements regarding workers' compensation procedures and benefits.

Any job-related injuries or illnesses should be reported to the Supervisor immediately. This includes any injury that seems small or insignificant.

# HEALTH AND SAFETY POLICIES AND PRACTICES

The insurance provides for payment of medical expenses and weekly compensation payments in accordance with state law.

Any on-the-job or work-related injury/illness must be reported immediately to your supervisor. Failure to do so may result in disciplinary action. All accidents or injuries to residents, patients, clients or visitors should also be reported immediately to your supervisor. Work-related injuries or illnesses that result in lost work time or a reduced work schedule for more than three (3) days require the Eskaton location to initiate a leave of absence for the employee.

## Ergonomics

Eskaton believes that reduction of ergonomic risk is instrumental in maintaining an environment of personal safety and well-being. Eskaton will make necessary adjustments to reduce exposure to ergonomic hazards through modifications to equipment, processes, and employee training. If you have any questions about ergonomics, please contact the Workers' Compensation and Safety Manager located at the Eskaton Support Center.

## Annual Health Screen

Certain employees are required to have an annual health screen as a condition of continued employment. For those employees, the community will provide the exam at no cost to the employee. See your Community Business Office for further information.

## Use of Personal Automobile

If driving (errands, etc.) is a required part of your job, you must be able to provide a valid California driver's license and proof of insurance. You will be reimbursed for mileage, which will be paid at the current federal rate. If you have an accident while performing a work-related errand, report it immediately to your supervisor.

## Phones and Driving

Eskaton expressly prohibits the use of cell phones and/or other electronic communicative devices for business or personal purposes while operating a motor vehicle on Eskaton business or Eskaton time. This includes wireless and "hands-free" devices. Moreover, employees should pull safely off the road before placing or receiving calls, taking messages, sending or receiving pages, emails, or text messages, or reading smartphones, tablets or maps.

Employees using cell phones in an appropriate manner should always remember not to discuss confidential, proprietary, or trade secret issues or disclose confidential, proprietary, or trade secret information in the presence of individuals not associated with Eskaton.

## Security

Eskaton has developed guidelines to help maintain a secure workplace. Be aware of persons loitering for no apparent reason in parking areas, walkways, entrances and exits, and service areas. Report any suspicious persons or activities to security personnel. Secure your desk or office at the end of the day, including any confidential information. When called away from your work area for an extended length of time, do not leave valuable and/or personal articles in or around your workstation that may be accessible. The security of facilities, as well as the

# HEALTH AND SAFETY POLICIES AND PRACTICES

welfare of Eskaton employees, depends upon the alertness and sensitivity of every individual to potential security risks. You should immediately notify your supervisor when unknown persons are acting in a suspicious manner in or around the facilities, or when keys, security passes, or identification badges are missing.

Eskaton's workplace security program is described in detail in the Illness and Injury Prevention Program (IIPP).

## Workplace Violence

Eskaton recognizes the importance of providing a safe environment for employees, residents, and visitors. The plan is developed to reduce the hazards associated with workplace violence.

1. Eskaton's Workplace Violence Prevention Plan addresses the hazards known to be associated with the three major types of workplace violence:
  - a. **Type I** workplace violence involves a violent act by an assailant with no legitimate relationship to the workplace who enters the workplace to commit a robbery or other criminal act.
  - b. **Type II** involves a violent act or threat of violence by a recipient of a service provided by Eskaton, such as a resident, client, patient, customer, or a criminal suspect or prisoner.
  - c. **Type III** involves a violent act or threat of violence by a current or former employee, supervisor or manager, or another person who has some employment-related involvement with Eskaton, such as an employee's spouse, an employee's relative or friend, or another person who has a dispute with an Eskaton employee.
2. All threats or acts of violence will be investigated by the Management Response Team, which includes, but is not limited to, the Community Executive Director, the Safety Manager, the Director of Human Resources, and the appropriate Vice President. This team will report the incident to the appropriate authorities and create a plan of action to reduce the potential of employee injury. Confidentiality of information from employees will be maintained within the Management Response Team.
3. Compliance with this policy and Eskaton's commitment to a zero-tolerance policy with respect to workplace violence is every employee's responsibility. Any employee who violates this policy is subject to disciplinary action up to and including termination.

Knowledge of any direct or indirect verbal threats of harm, witnessing physical or verbal intimidation or any other aggressive act or threat is considered an act of violence and must be reported to the Community Executive Director immediately.

All threats of violence are taken seriously and will initiate a thorough and prompt investigation. Threatening behavior can include such actions as:

- Throwing objects
- Making a verbal threat to harm another individual or destroy property
- Making menacing gestures
- Expressing significant grudges against co-workers

# HEALTH AND SAFETY POLICIES AND PRACTICES

- Displaying unwelcome romantic interest that exceeds the normal bounds of interpersonal interest
- Attempting to intimidate or harass other individuals by carrying a concealed weapon or flashing a weapon to test reaction

Any employee who believes they have been a victim of a threat must promptly report the facts of the incident to their supervisor or the administrator, followed by written documentation. The Community Executive Director shall contact the Director of Human Resources, who shall assemble the Management Response Team and commence the investigation within 24 hours.

## Active Shooter

The safety and security of our employees and residents is of the utmost importance to Eskaton. During your orientation you will receive training on safety and security protocols in your building to include things like fire drills and emergency evacuations. It is an unfortunate reality that employees and supervisors must also be prepared for the possibility of an act of violence occurring at the work place, such as an active shooter incident. While such an event is unlikely, all employees in the workplace must be ready to respond in such a situation. Federal guidelines instruct individuals to make decisions using the “Run, Hide, Fight” model. Employees must use their own discretion as to whether they choose to run to safety or remain in place and know how we would protect our residents.

Information detailing how to prepare and respond to an active shooter incident is provided in your new hire packet, as well as the shared N: drive. We know this is an unpleasant subject and information we hope you never have to use but it is important to be prepared. You should always speak up to your supervisor or Human Resources if you have any questions or concerns, or if you become aware of any behavior you believe may be concerning.

## Surveillance

In an effort to provide a safe and productive workplace, Eskaton may install and maintain surveillance technology in any and all communities. Surveillance cameras may be installed in work areas for specific business reasons such as security, theft protection, protection of proprietary information, resident care, etc. For training and quality assurance purposes, business phone lines may be monitored during normal business hours.

See Eskaton’s Surveillance Policy for more information.

## Heat Illness

Employees who work outside may be exposed to extreme temperatures or adverse working conditions, particularly in the summer months. All supervisors are trained in the recognition and prevention of heat illness. Employees who work outside are encouraged to frequently drink water and are also allowed and encouraged to take a cool-down rest in the shade of at least five (5) minutes (in addition to the time needed to access the shade) to protect themselves from overheating. These preventative cool-down rests are paid time. Please refer to Eskaton’s Injury Illness and Prevention Program or talk to your supervisor for details on how to ensure you are protected from heat illness dangers.

## Handbook Acknowledgement and Receipt

The employee handbook describes important information about Eskaton, and I understand that I should consult with my direct supervisor or Human Resources regarding any questions not answered in the handbook. I have entered into my employment relationship with Eskaton voluntarily and acknowledge that there is no specified length of employment. Accordingly, either Eskaton or I can terminate the relationship at will, with or without cause, at any time, so long as there is no violation of applicable federal or state law.

This employee handbook and the policies and procedures contained herein supersede any and all prior practices, oral or written representations, or statements regarding the terms and conditions of your employment with Eskaton. By distributing this handbook, the organization expressly revokes any and all previous policies and procedures which are inconsistent with those contained herein.

I understand that, except for employment-at-will status, any and all policies and practices may be changed at any time. Eskaton reserves the right to change my hours, wages and working conditions at any time. All such changes will be communicated through official notices, and I understand that revised information may supersede, modify, or eliminate existing policies. Only the CEO of Eskaton has the ability to adopt any revisions to the policies in this handbook.

I understand and agree that nothing in the Employee Handbook creates, or is intended to create, a promise or representation of continued employment and that employment at Eskaton is employment-at-will, which may be terminated at the will of either Eskaton or myself. Furthermore, I acknowledge that this handbook is neither a contract of employment nor a legal document. I understand and agree that employment and compensation may be terminated with or without cause and with or without notice at any time by Eskaton or myself.

I have received the handbook, and I understand that it is my responsibility to read and comply with the policies contained in this handbook and any revisions made to it.

### POLICY STATEMENT

Eskaton is committed to providing a work environment free of harassment and discrimination. This policy applies to all persons involved in the operation of Eskaton, which includes all employees, residents/clients and third parties, such as owners, vendors, etc.

### POLICY INTERPRETATION

1. Eskaton prohibits harassment and discrimination, which includes:
  - Sexual harassment
  - Gender harassment
  - Harassment due to pregnancy, childbirth or related medical conditions
  - Race
  - Religious creed
  - Color
  - National origin or ancestry
  - Physical or mental disability
  - Medical condition
  - Marital status / Registered domestic partner status
  - Age
  - Sexual or gender orientation
  - Any other basis real or perceived protected by federal, state or local law or ordinance or regulation; this includes any person associated with anyone who is or is perceived to have any of those characteristics. All such harassment is unlawful.
2. Prohibited harassment and discrimination includes, but is not limited to, the following behavior:
  - Bullying or Abusive conduct that a reasonable person would find threatening, intimidating, or humiliating and that is unrelated to Eskaton's business interests, and/or the gratuitous sabotage or undermining of a person's work performance. Some examples include:
    - Spreading misinformation or malicious rumors
    - Regularly teasing or making someone the subject of pranks or jokes
    - Sharing of embarrassing photos or videos via e-mail or social media that negatively impact the workplace
    - Purposefully excluding or isolating a person from normal work activitiesA single physical, verbal or written act or behavior will not constitute bullying unless severe or egregious.
  - Verbal conduct such as epithets, derogatory jokes or comments, slurs or unwanted sexual advances, invitations or comments
  - Visual displays such as derogatory and/or sexually-oriented posters, photography, cartoons, drawings or gestures or offensive or harassing images or text on any electronic media.
  - Physical conduct such as assault, unwanted touching, blocking normal movement or interfering with work because of sex, race or any other protected basis
  - Threats and demands to submit to sexual requests as a condition of continued employment, or to avoid some other loss, and offers of employment benefits in return for sexual favors
  - Retaliation for having reported or threatened to report harassment or discrimination.
3. If an employee believes he/she has been harassed, he/she must provide a complaint to his/her supervisor or any other supervisor, his/her Executive Director or Vice President, or the Director of Human Resources or designee as soon as possible after the incident.
4. Supervisors will report all harassment and discrimination complaints to an Executive Director, Vice President or the Director of Human Resources or designee within 24 hours of complaint received.

**POLICY INTERPRETATION**

5. Executive and/or Corporate Directors will notify the Director of Human Resources or designee of all harassment and discrimination complains within 24 hours of complaint being received.
6. Eskaton will immediately undertake an effective, thorough and objective investigation of the harassment or discrimination allegations. Employees may need to participate in an investigation as a witness. Failure to cooperate during an investigation or impeding an investigation may be cause for disciplinary action.
7. If Eskaton determines that harassment or discrimination has occurred, effective remedial action will be taken in accordance with the circumstances involved.
8. Any employee determined by Eskaton to be responsible for harassment or discrimination will be subject to appropriate disciplinary action, up to and including termination.
9. Action taken in response to the complaint will be made known to the employee lodging the complaint. Eskaton will not retaliate against an employee for filing a complaint and will not tolerate or permit retaliation by management, employees or co-workers.
10. Eskaton encourages all employees to report any incidents of harassment or discrimination immediately so that complaints can be quickly and fairly resolved. Employees should also be aware that the Federal Equal Employment Opportunity Commission and the California Department of Fair Employment and Housing investigate and prosecute complaints of prohibited harassment in employment. If an employee thinks they have been harassed or that they have been retaliated against for resisting or complaining, they may file a complaint with the appropriate agency.

**Attendance Standards**

**(402)**

**POLICY STATEMENT**

Eskaton requires employees to maintain regular attendance, be on time, and work as scheduled.

**POLICY INTERPRETATION**

1. All nonexecutive employees are subject to this policy.
2. Every employee is expected to arrive and leave at the assigned time for each scheduled shift.
3. Employees must notify their supervisor at least two (2) hours before the start of their scheduled shift of any absence. When providing notification, the employee is expected to give the reason and the estimated length of the absence.

**Definitions:**

**Unscheduled Absence** - Unscheduled absences for any reason other than leave of absence or bereavement leave and except where protected by state or federal law. Absences for medical reasons of three (3) or more days may warrant a medical certification note to return to work. An absence of two (2) or more consecutive days will be treated as one (1) occurrence.

**No Call No Show** - Employees who are absent without notifying the employer may be subject to disciplinary action up to and including termination of employment.

**Lateness and Early Departures** - An employee who is not at his/her assigned workplace prepared to work at the beginning of his/her scheduled work time is considered to be late. An employee who does not remain at his/her assigned work area through the end of their scheduled shift will be considered to have an Early Departure. Employees who are permitted to leave by their supervisor due to low census, completion of work or they have previously scheduled with their supervisor to leave early will not be considered in violation of this policy.

**Grace Period** - Eskaton's timekeeping software records employee time to the minute. As many employees at a single location may be starting a shift at the same time, Eskaton has provided multiple time clocks at many of our communities to prevent excessive wait times. If despite the additional time clocks an employee is still experiencing a wait time causing them to be tardy, Eskaton will allow an employee to occasionally clock in no more than five (5) minutes before or after the start of their shift or meal period to ensure they are on time. However, an employee who abuses the system by consistently clocking in early or late for their shift or meal period may be subject to disciplinary action. Employees who are experiencing longer than normal wait times to clock in causing them to be tardy should speak to their supervisor or Executive Director.

**Attendance Problems** - It is the responsibility of the employee's immediate supervisor to monitor and maintain a record of the attendance of staff. If an employee has an attendance problem, i.e., excessive lateness (whether or not he/she has been docked), absence or a combination of both, the problem should be discussed with the employee as soon as it is noted. However, any absences that are paid through California Paid Sick Leave, AB 1522, or any absences that fall under any state or federally mandated leave cannot be counted for purposes of this attendance policy.

- For employees with more than ninety (90) days of employment, excessive guidelines are as follows:  
Three (3) occurrences of unscheduled absence in a twelve (12) month period; OR  
Six (6) occurrences of lateness in a three (3) month period; OR  
Any combination of the above.
- For employees with less than ninety (90) days of employment, excessive guidelines are as follows:  
Any instance of tardy and/or unscheduled absence in the first ninety (90) days of employment may be subject to disciplinary action up to and including termination.

Based on the employee's past attendance record and information resulting from the discussion, the supervisor may take appropriate action, up to and including termination of employment. This policy is designed to work on a "rolling 12-month calendar".

## Background Investigation

(403)

---

### POLICY STATEMENT

All new employees, except minors and Affordable Housing resident employees, will be fingerprinted for the purpose of conducting a criminal background search. Where applicable, volunteers, third-party contractors, and registry workers will be included.

### POLICY INTERPRETATION

1. All job candidates will be asked to sign a form authorizing Eskaton to fingerprint and perform a criminal background search within three(3) business days of the offer of employment or within the timeframe directed or scheduled by the hiring community. Volunteers and third-party contractors who do not meet the exemption criteria defined by the appropriate agency will also require fingerprinting and criminal background checks. Eskaton reserves the right to exclude any candidate from consideration for employment, or dismiss any existing employee, volunteer, or contract worker if he/she refuses to sign the form.

2. Pursuant to California Civil Code Section 1786.53, the employment application will contain a check box, which, if checked by the candidate, will waive his/her right to a copy of his/her criminal background report.

If a candidate does not waive his/her right to a copy of the report, the candidate must be provided with a copy *within seven (7) days* after receipt of the information.

3. Information contained in the criminal background search will be taken into consideration in evaluating the individual's suitability for employment, promotion, reassignment or retention.
4. Employment is contingent upon successful clearance of a criminal background search. An individual assessment will be conducted to determine suitability for employment.
5. Employees of communities licensed by the Department of Social Services (DSS) will be subject to the DSS list of prohibited Penal Code sections. All other employees will be subject to both the Department of Public Health (DPH) and the DSS list. Any exceptions to the DPH or DSS criteria must be approved by the appropriate Vice President with consultation from the Director of Human Resources.
6. Employees convicted for a crime on the applicable DSS or DPH list of prohibited Penal Code Sections may be suspended and/or discharged.
7. Any employee responsible with the security, storage, dissemination and destruction of the Department of Justice criminal background information (ex: Business Office Manager, Personnel Clerk, Executive Director) must also receive a separate Custodian of Records Clearance in addition to the standard required clearance.
8. In compliance with California Civil Code, if any *adverse action\** is taken, the candidate/employee must be provided with a copy of the criminal background report, regardless of whether or not he/she waived his/her right to receive a copy. Such candidate/employee is also to be provided with an Adverse Action Notice, documenting the circumstances for the action taken. A community designee will be responsible for ensuring that the candidate/employee receives the notice.

**POLICY INTERPRETATION**

*["Adverse action" means a denial of employment, or any decision made for an employment purpose that adversely affects any current or prospective employee.]*

- a. If the regulatory agency requires removal of the employee, immediately remove the employee and notify the appropriate Executive Director with a copy to Human Resources.
  
- b. Authorization to approve exemption requests must be given by the Chief Operating Officer with consultation from the Director of Human Resources. An employee requiring immediate removal must be terminated, and may be rehired only upon the regulatory agency's approval of exemption.
  
- 9. If a criminal background report is obtained for the purpose of conducting an investigation for suspicion of wrongdoing or misconduct, the report information may be withheld until the completion of the investigation.

**Bereavement**

**(201)**

**POLICY STATEMENT**

Eskaton provides reasonable time away from work, without loss of pay, to grieve, to attend or arrange the funeral of an immediate family member.

**POLICY INTERPRETATION**

1. Regular full time, regular part time and exempt employees who have successfully completed 30-days of employment will be granted a bereavement leave with pay up to a maximum of three (3) working days that do not need to be consecutive. Two additional unpaid days may be taken. Leave should be used within 3 months from the date of loss unless prior arrangements have been made with the executive director.
2. The immediate family is defined as:
 

Spouse	Parents		
Child	Current Parents-in-law	Domestic Partner	Brother-in-law
Sibling	Grandparents	Step Siblings	Sister-in-law
Grandchild	Step Grandchildren	Step Grandparents	Grandparents-in-law
3. Payment for first 3 days of bereavement leave will not be deducted from an employee's paid time off account.
4. Payment will be regular pay and will be paid at straight time pay.
5. An employee shall not be eligible to receive paid bereavement time off benefits while scheduled off or absent from work due to a leave of absence, unless the leave of absence was taken to care for the immediate family member who passed away and the employee is seeking paid bereavement time off benefits for this loss.
6. Executive Director of Program Manager may ask for documentation such as published obituary but this is not required.
7. We may not refuse to grant a request for bereavement leave by any eligible employee as stipulated in this policy and the 5 days are job protected and will not count against the attendance policy.

**Definitions:**

**Child:** An employee's or domestic partner's biological, adopted, or foster child; a stepchild; a legal ward; or a child an employee or their domestic partner has accepted the duties and responsibilities of raising, such as where an aunt raises her niece.

**Parent:** An employee's biological, foster, or adoptive parent; a stepparent; or a legal guardian.

**Parent-in-law:** An employee's current spouse's parents or domestic partner's parents.

**Domestic Partner:** Two adults who have filed a Declaration of Domestic Partnership with the Secretary of State if they are of the same sex. If they are of opposite sex, they must file an Affidavit of Domestic Partnership.

**Step Grandchildren, step Siblings, Step Grandparents:** An employee's spouse or domestic partner's grandchildren, siblings or grandparents.

## Breast Milk Expressing Accommodations

(502)

---

### POLICY STATEMENT

Eskaton will reasonably accommodate employees who wish to express breast milk while at work whenever possible for one year after the child's birth.

### POLICY INTERPRETATION

1. Employees may use their paid rest break and/or their unpaid meal break. If an employee needs a reasonable amount of additional time beyond the normal paid rest break or unpaid meal period for expressing milk, the time must be provided but it will be unpaid.
2. Eskaton will provide the use of a private place to express breast milk in close proximity to the employee's work area other than a bathroom.
3. The room provided will have a locking door and a power source.

**POLICY STATEMENT**

Eskaton will administer the C.O.B.R.A. (Consolidated Omnibus Reconciliation Act of 1986) program in a manner which assures compliance of the law.

**POLICY INTERPRETATION AND IMPLEMENTATION**

1. If an employee or qualified beneficiary experiences a “qualified event”, they will be given, in writing, an opportunity to continue health, dental and/or vision insurance coverage at their own expense.
2. When an employee and qualified beneficiary first enroll in a health, dental and/or vision insurance plan, they will be notified of their C.O.B.R.A. rights.
3. The monthly premiums charged to an employee or qualified beneficiary shall not exceed 102% of the group rate, with the exception of participants who have been determined “disabled” by the Social Security Administration.
4. The Compensation & Benefits Department will be responsible for administration and compliance of C.O.B.R.A. for Eskaton employees and their beneficiaries.
5. More detailed explanations are in the COBRA Administration Procedures located in the Compensation & Benefits Department.

**Compensation**

**(600A)**

**POLICY STATEMENT**

Eskaton's compensation program allows recruitment and retention of the best talent. It is Eskaton's intent to follow a compensation policy that provides equity and consistency when implementing salary administration.

**POLICY INTERPRETATION**

1. Pay Rates
  - a. It is Eskaton's intent to pay the fair market value for the position by establishing ranges that are competitive in the market.
  - b. Placement within a paygrade must be commensurate with experience.
2. New pay scales and changes to existing pay scales must be authorized by the Compensation Committee.
3. Pay Practices
  - a. All pay changes require two levels of approval above that position.
  - b. Initial pay rate and changes to pay rate must be authorized by Executive Director or higher.
4. CEO must approve all executive group compensation.
5. CEO must approve **all bonuses**.
6. CEO must approve all pay changes or initial pay rates over the top of the paygrade.
7. New or modified pay practices must be approved by Compensation Committee.
8. All compensation actions require approval by the Executive Director or higher.
9. All persons authorized to administer compensation will be held responsible for seeking clarification from the Director of Human Resources for any practices not specifically addressed in this policy.

**Conflicts of Interest**

**(404)**

**POLICY STATEMENT**

Eskaton expects employees to devote their best efforts and attention to the performance of their jobs. They are expected to use good judgment, to adhere to high ethical standards, and to avoid situations that create an actual or potential conflict between the employee’s personal interest and the interests of Eskaton. A conflict of interest exists where the employee’s loyalties or actions are divided between Eskaton’s interests and those of their own. Both the fact and the appearance of a conflict of interest are to be avoided.

**POLICY INTERPRETATION**

1. Any exception to this policy must be approved in writing by the Chief Executive Officer.
2. Some of the more common conflicts from which an employee is to refrain include the following:
  - a. Engaging in self-employment in competition with Eskaton owned, managed or affiliate communities;
  - b. Using proprietary or confidential company information for personal gain or to the company’s detriment;
  - c. Having a direct or indirect financial interest in or relationship with a competitor, resident, customer, or supplier providing paid work for any resident or client of Eskaton owned, managed, or affiliate communities;(this includes providing paid services for residents either as a private caregiver or IHSS provider)
  - d. A supervisor engaging in a personal relationship with a subordinate that may create a conflict of interest, or the perception of a conflict of interest which directly or indirectly affects the employment relation decisions, i.e., performance evaluations, compensation, promotions, etc.;
  - e. Acquiring any interest in property or assets of any kind for the purpose of selling or leasing it to the company;
  - f. Working for a competitor, resident, client, supplier or customer during Eskaton work time;
  - g. Using company equipment, supplies, time or labor for personal use;
  - h. Working at an Eskaton community via assignment from any outside staffing agency (e.g. filling a shift through registry).
3. Failure to adhere to this policy, including failure to disclose any conflicts or seek an exception, will result in discipline, up to and including termination of employment.

## COVID-19 Leave Policy

(200)

---

### POLICY STATEMENT

Eskaton has a range of leave options available for employees in need of time off related to COVID-19. The purpose of this policy is to outline those options.

### POLICY INTERPRETATION

#### 1. Eskaton Benefits

All employees accrue sick leave; most employees also have paid time off and short term disability, as well. These benefits can be used if employees find themselves unable to come to work either for their own illness, to care for an ill family member, or for other personal reasons.

Eskaton's existing PTO and sick leave policies are unchanged. Copies can be requested from each community's business office, or retrieved from the Eskaton N drive at [N:\Policies Procedures Forms\PDF Manual\Human Resources\Benefits](#).

CA COVID Supplemental Paid Sick Leave is reinstated February 19, 2022 with a retroactive date of January 1, 2022 and expires September 30, 2022. This entitlement provides up to 80 hours of sick leave to employees who meet any of three specific reasons related to COVID 19. For full details, please refer to the CA Department of Industrial Relations notice, located on the N Drive and your community's compliance poster bulletin board. [N:\Departments\Human Resources\COVID Information\2022 COVID-19 Supplemental Paid Sick Leave Effective February 19, 2022.pdf](#)

#### 2. Workers Compensation

If an employee has tested positive for or was diagnosed with COVID-19 within 14 days after a day that the employee performed labor or services at the employer's place of employment at the employer's direction, the employee may qualify for workers' compensation (WC) benefits. Employees may file a WC claim by contacting their community business office.

#### 3. Public Benefits

In addition to Eskaton's time off benefits, employees have access to State of California programs to support employees unable to work (or losing work hours) for various reasons. Support exists for employees unable to work because of their own illness or employees unable to work because they are caring for eligible ill family members. The California Employment Development Department (EDD) may be able to provide benefits for the following situations:

- If an employee will miss work due to their own illness, State Disability Insurance (SDI) may apply. SDI can be coordinated with your accrued sick and PTO benefits.
- If the absence is to care for an ill family member, Paid Family Leave (PFL) may apply. Again, this can be coordinated with accrued sick and PTO benefits.
- If the absence is due to a child's school closure when the child is ill, PFL benefits may apply.
- If the absence is due to a mandated isolation either for the employee or a family member, either PFL or SDI may apply.

Final determinations of benefit eligibility is the decision of the EDD. Applying for any of the EDD programs listed above will coincide with a leave of absence so please contact your supervisor and your community business office for more information.

#### 4. Mandatory COVID-19 Testing Policies

All Eskaton licensed communities (assisted living, skilled nursing, and CCRC) have mandatory testing policies in place for all employees. Regardless of vaccination status, if there is a positive case at the community all employees who access the same building as the location of the positive case, will be required to participate in the weekly testing until there is/are no positive case(s) in the building. Communities must comply with the most current testing guidelines and the specifics vary by license, by local public health agency general orders, and by guidance from each community's public health and licensing officials. Employees and outside care providers visiting a community should check with the Executive Director of

that community for the current requirements. Outside providers must be in compliance with local testing requirements to be allowed in the building. The testing requirements apply to new hires and to employees returning from leave.

Eskaton provides for testing on-site at each licensed community on a regular basis. Depending on location and supplies, this may include point of care rapid testing, and/or on-site sample collection for outside laboratory testing. For employees who receive testing elsewhere, Eskaton requires proof of testing within the applicable time period for each community prior to employees presenting to work. Any employee who needs help identifying a testing location should contact their supervisor for assistance.

Not all testing meets public health and licensing agency requirements. Testing in Eskaton communities will comply with current requirements for that community. As of the initiation of mandatory testing, baseline testing was required to be via nasopharyngeal or mid-turbinate sample collection. However, the required method of testing may change over time if directed by public health or licensing agencies. Employees who are seeking outside testing may contact the Executive Director of their community to determine the current testing requirements.

Employees have a right to refuse testing. However, employees who refuse testing will not be scheduled for any shifts and will be transitioned to on-call status until they are in compliance with local testing requirements. On-call positions are not benefitted, and the PT or FT position vacated by a move to on-call status may be filled. Employees moved to on-call status in this manner who go on to complete testing may work on-call, and may apply for open benefitted positions when they become available or resume their original position if not yet filled. Employees on on-call status must meet the on-call requirements, including working a minimum of 2 shifts per month to remain employed (subject to limited exceptions).

Alternative provisions may be made for employees who qualify for leave under the Family Medical Leave Act or the Americans with Disabilities Act, or as otherwise required by medical necessity or state/federal law.

**1. Positive Test Results**

All positive test results must be immediately reported to the employee’s supervisor. Returning to work after a positive test result without notifying Eskaton will result in immediate termination.

For employees that test positive, Eskaton will follow the protocol from California Department of Public Health (or another licensing agency, if applicable). Employees missing work due to a positive test may use their sick leave, PTO/vacation and may also apply for State Disability Insurance (SDI). If an employee is eligible for SDI they may also utilize their Eskaton Short Term Disability (major sick) hours, if applicable.

All public programs and benefits are subject to change. Eskaton will endeavor to provide notification of major changes, but please check with the EDD or HR to ensure you are relying on up-to-date information.

**Disability Insurance**

**(203)**

**POLICY STATEMENT**

Eskaton participates in a state-sponsored disability program to protect a portion of the employee's wages lost due to a nonwork-related accident or illness.

**POLICY INTERPRETATION AND IMPLEMENTATION**

1. Eskaton will provide EDD pamphlet DE 2515, State Disability Insurance Provisions, to each new employee within five (5) working days of the date of employment.

This pamphlet will also be provided to each employee who becomes disabled due to pregnancy or who becomes ill, injured or hospitalized due to causes unrelated to work. This will be accomplished within ten (10) days of notification that employee's absence results from the above occurrences.

2. Eskaton will deduct the state-mandated percentage of each employee's wages.
3. Eligible employees will be paid a percentage of their earnings for a maximum period provided by law.
4. Each facility will post form DE1857A Notice to Employees – Unemployment Insurance & Disability Insurance.

**Discretionary Bonuses**

**(303)**

**POLICY STATEMENT**

Eskaton provides a process whereby management may reward an employee for exceptional performance or outstanding achievement.

**POLICY INTERPRETATION AND IMPLEMENTATION**

1. All requests for discretionary bonuses will be originated by the facility Administrator or Program Director and forwarded to the responsible Officer. The written request shall include:
  - A. Name of employee for whom the bonus is being requested.
  - B. Reason for discretionary bonus (this should be performance related, outlining specific details).
  - C. Amount of discretionary dollars requested; and
  - D. Date requested for check issuance.
  
2. All requests must be approved by the Compensation Committee.

**Dress and Grooming Standards**

**(405)**

**POLICY STATEMENT**

Eskaton considers the presentation of its image to customers, suppliers, and the public at large, to be extremely important.

**POLICY INTERPRETATION**

1. Eskaton expects its employees to observe professional standards in their personal presentation in a manner consistent with good hygiene and safety.
2. Employees shall be free from offensive body odor.
3. Excessive fragrances for personal use may not be used. A fragrance may be determined to be excessive if it is bothering residents or other employees. Common examples include but are not limited to: cologne, perfume, scented lotions, and the like.
4. Employees whose job requires them to come in contact with customers, suppliers, or the public are expected to wear apparel Eskaton considers appropriate.
5. Clothing, including masks, shall be neat, clean and free from offensive writing or graphics. Also prohibited is anything political that is supporting candidates, political parties, or anything related to an election, as well as social causes or movements, except those that are endorsed by Eskaton. No midriff or cleavage shall be exposed. Clothing that is excessively tight, revealing, baggy, saggy, or doesn't project professionalism is not permitted.
  - Any logos or graphics worn by employees must not reflect any form of violent, discriminatory, abusive, offensive, demeaning, or otherwise unprofessional message.
  - Body art and piercings, other than the ears, may be permitted at the discretion of the community Executive Director.
  - Employees will comply with all company uniform requirements as directed by their community Executive Director.
6. Shoes must be appropriate for the specific job and community keeping in mind safety and professionalism. Flip flop or thong type sandals of any material are not appropriate. The Executive Director has final approval of any footwear in his/her community.
7. Each community may establish its own dress code specific to the functions performed and consistent with the Dress and Grooming Standards policy. It will be the responsibility of each Executive Director to enforce the appropriate dress and grooming standards code.
8. Employees who are inappropriately dressed or groomed may be sent home and directed to return to work in proper attire. Such employees **will not** be compensated for the time away from work.

**ADDENDUM FOR DRIVER'S  
APPLICATION FOR EMPLOYMENT (Page 2 of 2)**

As a prospective employer, we must ask any applicant for a driving position with our company whether he/she has tested positive, or refused to test, on any pre-employment drug or alcohol test administered by an employer to which the applicant applied for, but did not obtain, "safety-sensitive transportation work" (driving a commercial motor vehicle) during the past two years.

- Yes**, I have tested positive for drugs/alcohol, or refused to take a pre-employment drug/alcohol test in the two years proceeding the date of this application.
- No**, I have not tested positive for drugs/alcohol, or refused to take a pre-employment drug/alcohol test in the two years proceeding the date of this application.

DOT regulations prohibit our utilizing you to perform a "safety-sensitive function" (driving a commercial motor vehicle) if you admit that you had a positive test, or a refusal to test, until and unless you provide documents showing successful completion of the return-to-duty process in accordance with DOT regulations.

This certifies that I completed this addendum to the employment application, and that all information therein is true and complete to the best of my knowledge. I also understand that misrepresentation or omission of information or facts may result in my rejection or dismissal.

**ADDENDUM FOR DRIVER'S  
APPLICATION FOR EMPLOYMENT (Page 2 of 2)**

As a prospective employer, we must ask any applicant for a driving position with our company whether he/she has tested positive, or refused to test, on any pre-employment drug or alcohol test administered by an employer to which the applicant applied for, but did not obtain, "safety-sensitive transportation work" (driving a commercial motor vehicle) during the past two years.

- Yes**, I have tested positive for drugs/alcohol, or refused to take a pre-employment drug/alcohol test in the two years proceeding the date of this application.
- No**, I have not tested positive for drugs/alcohol, or refused to take a pre-employment drug/alcohol test in the two years proceeding the date of this application.

DOT regulations prohibit our utilizing you to perform a "safety-sensitive function" (driving a commercial motor vehicle) if you admit that you had a positive test, or a refusal to test, until and unless you provide documents showing successful completion of the return-to-duty process in accordance with DOT regulations.

This certifies that I completed this addendum to the employment application, and that all information therein is true and complete to the best of my knowledge. I also understand that misrepresentation or omission of information or facts may result in my rejection or dismissal.

## Drug-Free Workplace

(407)

---

### POLICY STATEMENT

Eskaton maintains a strong commitment to provide a safe, efficient and productive work environment. In keeping with this commitment, Eskaton prohibits the use and/or possession of illegal drugs and alcohol in the workplace as well as any medication prescribed or over-the-counter that may impair their ability to perform their work.

### POLICY INTERPRETATION

#### General Guidelines

1. No employee may use, possess, manufacture, purchase, distribute or sell alcohol or any illegal drug or paraphernalia while on duty, actively on-call, or while operating a vehicle that is owned or leased by the company.
2. No employee may report to work, remain on duty or actively on-call while under the influence of any drugs, substance or alcohol including marijuana, medication prescribed or over-the-counter that may impair their ability to perform their work.
3. Possession of illegal drugs or alcohol is prohibited in the work area whether or not it is determined the employee has used such substances. The company reserves the right, based on reasonable suspicion, to inspect lockers, desks, tool boxes, company vehicles, packages, lunch boxes, containers, articles in such areas and other objects brought onto the company property that might conceal alcohol, or illegal drugs.

For purposes of this policy, an illegal drug is defined as any drug or substance that:

- a) is not legally obtainable
  - b) is legally obtainable, but has not been legally obtained
  - c) has been legally obtained, but is being sold, distributed or used in a manner contrary to the instructions of the physician/manufacturer.
  - d) Any drugs identified by federal and/or state government as an illegal substance.
    1. Eskaton prohibits the use of all chemical substances or drugs listed in any controlled substances acts or regulations application under federal, state or local laws. Marijuana is listed under the Federal Controlled Substance Act, therefore, even if legally obtained by prescription, it is still prohibited under our policies.
4. If there is a reasonable suspicion that an employee is under the influence of any drugs, substance or alcohol including any medication prescribed or over-the-counter that may impair their ability to perform their work in company-controlled areas, on company owned property, or while on duty, he/she will be asked to submit to testing procedures designed to detect the presence of drugs and/or alcohol. Supervisors are to refer to the Reasonable Suspicion Report which can be obtained from Human Resources or it is located on the N: Drive under HR/Forms/Employee Relations/Reasonable Suspicion Report. Prior to completion of the Reasonable Suspicion Report, contact the Executive Director and Corporate Human Resources. A supplement to this report is the Employee Response Form. The supervisor is to complete the Reasonable Suspicion Report and as part of this report, is to have another supervisor corroborate his/her observation before proceeding. Refusal by the employee to submit to a testing procedure is considered a voluntary resignation of employment.

The employee will be suspended from work without pay until the laboratory results have been received by the employer. A positive laboratory test result for the presence of illegal drugs and/or alcohol will result in the immediate termination of the employee. The community Executive Director

**POLICY INTERPRETATION**

will work with any employee who has a positive laboratory test result for the presence of legally prescribed drugs that have impaired the employee while on duty to determine the appropriate steps to take which may be referral back to the employee’s physician.

5. Eskaton may require employees to submit to a drug/alcohol screen following an accident which requires medical treatment, results in property damage, or results (directly or indirectly) in injury to any individual whenever there is no other reasonable explanation for the accident.
6. Eskaton will pay the full cost of any testing that it has requested of an applicant or employee. In the case of reasonable suspicion of an employee, Eskaton will also pay the reasonable cost of any transportation to and from a designated testing location.
7. All applicants must successfully pass a drug test as part of the hiring process. Passing is defined as a negative test result for every drug for which we screen. Eskaton does not screen for marijuana as part of the hiring process except for licensed and or certified nurses, nurses aides and therapists in a clinical or skilled setting to include homecare, adult day health care and other positions that prohibit its use by law or regulation such as Class B driver. However, it’s possession and use are prohibited in any work areas and on work time as detailed in this policy. Failing a drug test is defined as a positive test result for any one of the drugs for which we screen. This test is intended to be completed by the applicant only after an offer of employment has been made. Employment is contingent upon successful passing of the drug test, therefore a failed test will result in termination of the hiring process.
8. All applicants and current employees must sign an authorization (at the time of test) to release the test results to Eskaton management, including parental consent if employee is a minor.
9. Laboratory tests will be conducted specifically for the purpose of determining the level of alcohol and/or ~~illegal~~ drugs; no other information related to the individual's medical condition will be requested or considered.
10. In compliance with CA Labor Code, Eskaton may, at it’s discretion, reasonably accommodate any current employee who chooses to voluntarily enter and participate in an alcohol and/or drug rehabilitation program provided that the accommodation does not impose an undue hardship on the employee’s department or the company. However, this law does not prohibit Eskaton from refusing to hire or discharge an employee who, because of his/her current drug or alcohol use, is unable to perform his/her duties or endangers the health and safety of others. As a condition of returning to or maintaining employment, the employee will be required to successfully pass a drug/alcohol screen at the completion of scheduled rehabilitation.

**Employee Benefits Program**

**(202)**

**POLICY STATEMENT**

Eskaton offers health, dental and vision insurances, life insurance, and long-term disability insurance to all eligible employees.

**POLICY INTERPRETATION**

1. An eligible employee is one who has completed the introductory period and is classified as Regular Full-time, Regular Part-time or exempt.
2. Eligible employees may participate in the Employee Benefits Program the first day of the calendar month following 60 days of continuous service or the first of the month following a status change.
3. Employee Assistance Program (EAP) benefits are effective upon date of hire.
4. Employees on an approved Eskaton leave of absence may continue their health benefits at the Eskaton group rate for a maximum of six (6) months, or longer if required by law, as long as required premiums are paid timely. Premium payments are due on the first of each month with a 30-day grace period. Payment received after the grace period will not be accepted.
5. Benefit premiums will be paid through payroll deduction using the employee's accrued sick or paid time off hours unless there is no accrual time to draw from. Employees without sick or paid time off accruals must coordinate their benefit premium payment with the Human Resources Department preferably prior to the start of their leave of absence.
6. When employees exhaust their time under the group health rate, as indicated above or when premiums are not paid by the end of the grace period, they will be eligible to continue coverage under COBRA the first of the month following either event.
7. No exceptions to the standard employee benefits or eligibility for participation in the Employee Benefits Program may be offered without approval from the CEO and CFO.

**Employee Categories (Exempt/Nonexempt)**

**(205)**

**POLICY STATEMENT**

To provide clarity in the interpretation of employment, benefit eligibility, and employee status, it is the policy of Eskaton to define various employee classifications.

**POLICY INTERPRETATION**

Employees are divided into two (2) major categories:

1. Non-Exempt Employees:

Includes all regular employees who are covered by the overtime provisions of the Fair Labor Standards Act or any applicable state law. Employees in this category are entitled to premium pay for hours worked in excess of forty (40) hours in a work week or eight (8) hours in a work day, unless such employees qualify for an eight (8) and eighty (80) schedule under Wage Order 5

- A. Regular Full-time Employees: An employee who is regularly scheduled a minimum of sixty-six (66) hours in a two-week pay period on a continuing basis.
- B. Regular Part-time Employee: An employee who is regularly scheduled between fifty (50) and sixty-four (64) hours in a two-week pay period on a continuing basis.
- C. On Call Employee: On call employees are identified as those employees who are routinely scheduled no more than forty-eight (48) hours in a two-week pay period.
- D. Temporary Employee: A temporary employee is an employee who is hired on a temporary basis, usually up to 90 days, or for the completion of a specific task or project. However, an employee will not automatically change from temporary to another status merely by working in excess of the period originally expected and designated. An employee will change from temporary to regular status only if advised of such change in writing by the Executive Director. Such notification will indicate the effective date the employee became, or will become, a regular employee. Employees who transfer from temporary status to that of a regular employee shall not receive credit for their past service.

2. Exempt Employees:

Exempt employees are those whose job assignments meet the federal and state requirements for overtime exemption. Exempt employees are compensated on a salary basis and are not eligible for overtime pay. The job description will indicate the exemption status (see copy of job description).

**POLICY STATEMENT**

All employment at Eskaton is “At-Will.”

**POLICY INTERPRETATION**

1. “At-Will” means that both employees and Eskaton have the right to terminate employment at any time, with or without advance notice, and with or without cause.
2. Employees also may be demoted or disciplined and the terms of their employment may be altered at any time, with or without cause, at the discretion of the Company.
3. No one, other than the CEO of Eskaton, has the authority to:
  - alter this arrangement
  - enter into an agreement for employment for a specific period of time
  - make any agreement contrary to this policy
4. Any agreement to alter this “At-Will” policy must be in writing and must be signed by the CEO of Eskaton and the affected employee.

**Employment of Relatives**

**(409)**

**POLICY STATEMENT**

Relatives of employees may be eligible for employment with Eskaton only if the individuals involved do not work in a direct supervisory relationship, or in job positions in which a conflict of interest could arise.

**POLICY INTERPRETATION**

1. An employee's relative shall not be eligible for employment where potential problems of supervision, security, morale, or other conflicts of interest exist.
2. "Relatives" are defined as related by blood or marriage or whose relationship to the employee is similar to that of persons who are related by blood or marriage.
3. If two employees marry, become domestic partners, or become related and potential problems, similar to those noted in #1 above, exist, only one employee will be permitted to remain in the same position.
4. Any exceptions to this policy will need approval from appropriate VP and documented in the employee's file.

## Employment Reference Inquiries

(411)

---

### POLICY STATEMENT

Eskaton conducts reference inquiries to supplement and support information gained during the pre-employment process. All offers for employment are contingent upon reference inquiries. In addition, Eskaton has a strict policy on giving employment-related information when we are called for a reference.

### POLICY INTERPRETATION

- A. Eskaton requires that two (2) or more employment references be contacted prior to sending a candidate to the panel interview step of the recruitment process. Where a license or education requirement exists, licensure and/or educational verification must be checked/reviewed in addition to the employment reference checks.
- B. References are confidential, and every effort must be made to ensure this confidentiality. The interviewer shall not reveal the results of the reference inquiries to the candidate.
- C. References may be conducted in writing or by telephone. Resources used shall include:
  - 1. Past Supervisors
  - 2. Human Resource / Personnel Departments of previous employers
  - 3. Current employers
  - 4. Personal as a last resource
- D. All telephone conversations shall be documented during and immediately after the conclusion of the conversation, and shall identify the name and title of the person providing the reference and date.
- E. Persons conducting reference checks may document results on Eskaton "Employee Reference Request" form. The individual conducting the reference check should be the supervisor, administrator or an employee whose primary duties include hiring (ex: Human Resources, Director Staff Development).
- F. All reference checks shall be handled confidentially, documented and filed in the employee's confidential file.
- G. Hiring communities must do a verification of prior employment with Eskaton which requires the Business Office to email Human Resources to verify if the candidate has previously worked for Eskaton. The response will be recorded on the Eskaton Previous Employment Verification form which will be filed in the new employee's confidential personnel file.

### ***Reference Checks On Current or Former Employees***

- A. Employees may complete the bottom portion of the Employee Reference Request form if they wish to have Eskaton respond to employment reference inquiries. Without exception, the only information Eskaton employees may give to outside agencies on a current or former employee is the following:
  - 1. Title of position held
  - 2. Dates of employment
  - 3. Work status (Full-time, Part-time, or On-Call)
- B. Rehire eligibility status shall not be discussed with anyone outside the organization.
- C. References in writing for current or former employees of Eskaton are discouraged.
- D. Internal or former employee reference check must include the hiring community contacting each current and former Eskaton community where the employee has worked and will record the

## POLICY INTERPRETATION

information on the Eskaton Previous Employment Verification form. The hiring community must also review the employee personnel file (but not the confidential file) prior to finalizing an offer of employment or transfer.

### ***Protecting Against Liability for Workplace Violence***

- A. In the event that an employee engaged in any violent behavior while employed at Eskaton, the Human Resources Department will discuss such information in response to employment inquiries.
  
- B. Any inquiries regarding such employees must be referred immediately to the Human Resources Department to protect against liability for workplace violence.

**Equal Employment Opportunity**

**(507)**

**POLICY STATEMENT**

Eskaton provides equal employment opportunities for applicants and employees in compliance with all federal, state, and local laws, ordinances, and regulations prohibiting discrimination in employment.

**POLICY INTERPRETATION**

1. All levels of management are accountable for adherence to this policy and responsible for its dissemination to all employees under their supervision.
  
2. Eskaton prohibits discrimination or harassment based on the following categories: race, color, religion, religious creed (including religious dress and grooming practices), national origin, ancestry, citizenship, physical or mental disability, medical condition (including cancer or genetic characteristics), genetic information, marital status, sex (including pregnancy, childbirth, breastfeeding, or related medical conditions), gender, gender identity, gender expression, age (40 years and over), sexual orientation, veteran and/or military status, protected medical leaves (requesting or approved for leave under the Family and Medical Leave Act or the California Family Rights Act), domestic violence victim status, political affiliation, personal reproductive decisions, and any other status protected by state or federal law.

In addition, Eskaton prohibits retaliation against a person who engages in activities protected under this policy. Reporting or assisting in reporting, suspected violations of this policy and cooperating in investigations or proceedings, arising out of a violation of this policy are protected activities under this policy. This policy applies to all terms and conditions of employment, including recruiting, hiring, placement, promotion, termination, layoff, recall, transfer, leaves of absence, compensation and training.

3. No program or activity shall be administered that excludes from participation, denies benefits to, or subjects any individual to discrimination solely by reason of disability. Eskaton shall provide reasonable accommodation to the known physical or mental limitations of any otherwise qualified employee or applicant with a disability, unless such accommodation poses an undue hardship such as a bona fide occupational qualification or business necessity. If an employee believes they need a reasonable accommodation based on disability or a religious belief or practice, the employee should discuss the matter with their Eskaton Director / Program Director and Human Resources.

*This benefits guide briefly describes your benefits choices and your options to enroll. All benefits, and your eligibility for benefits, are subject to the terms and conditions of the benefit plans, including group insurance contracts. This guide is not intended to be a complete description of the benefits and it is not a summary plan description or plan document. In the event of any conflict or discrepancy between this guide and the plan documents, the plan documents will govern. Information contained in this Health Benefits Guide is proprietary and confidential to Eskaton. Eskaton reserves the right to modify or terminate any of the described benefits at any time and for any reason. This guide is not a guarantee of current or future employment or benefits. Some benefit programs require contributions from the employee. Refer to your benefits materials for additional details about any plan.*

# Eligibility

## Who is eligible and when

You are eligible to enroll or make changes to your benefit plans during Eskaton's annual Open Enrollment, which is typically held each November for a January 1 effective date. If you are enrolling as a new hire, your benefits will become effective the first day of the month following 60 consecutive days of employment.

You can also make changes outside of these traditional enrollment periods if you experience a qualifying event, such as marriage, divorce, legal separation, birth, adoption, death in family, spouse loss of other coverage or dependent child reaching limiting age.

Full-Time employees are those working 33+ hours per week and Part-Time employees are those working 25-32 hours per week.

## Eligible dependent definitions by plan

### Medical, dental and vision plans

- Spouse: defined by applicable state law
- Domestic partner: same sex or opposite sex as outlined in this guide
- Dependent children up to age 26
  - Natural or adopted children who can be claimed as your tax dependents
  - Stepchildren whom you support and live with you in a parent-child relationship
  - Children placed in your home for adoption or foster care
  - Any other children you support for whom you are the legal guardian or for whom you are required to provide coverage as the result of a qualified medical child support order

## Domestic partner eligibility criteria

If you are enrolling a domestic partner you will be asked to attest to your domestic partner relationship and that you have met all the eligibility requirements listed below for the previous 12 months:

- Share a common principal place of residence and intend to do so in the future
- Are jointly responsible for each other's basic living expenses
- Both 18 years old or older and are mentally competent to enter into a legally binding contract
- Neither of you are married or a member of another domestic partnership
- Not related by blood to such a degree that you would be prevented from marrying in the state in which you reside
- Agree to notify Eskaton immediately upon your failure to satisfy any of the criteria of domestic partnership
- You understand that it is a fraudulent act to obtain health coverage by misrepresenting any facts stated herein

*Note: The value of health care coverage provided for a domestic partner or any enrolled dependent children of your domestic partner is treated as income to you for federal tax purposes (and in most cases, state tax purposes). Eskaton will report the value of the coverage as income to you on your W-2 Form and will withhold applicable taxes. It is recommended you consult with your tax advisor for more information on how this affects you.*

## What happens if you don't enroll

If you are currently enrolled in health benefits and you don't actively enroll during the Open Enrollment period, you will continue to receive your current year's medical, dental, vision, life, and disability insurance coverage for yourself and your covered dependents.

New employees who don't enroll in employer-sponsored benefits within the 45-day period will have to wait until the next Open Enrollment period. If waiving coverage, you must log into <https://n31.ultipro.com> and waive your benefits online.

You will not be able to make changes until the next annual Open Enrollment period or until you experience a qualifying event.

## Making changes

Qualifying events — such as marriage, divorce, legal separation, birth, adoption, death in the family, spouse loss of other coverage, dependent child reaching limiting age — may require you to change your benefits to accommodate your new situation. Following IRS regulations, you can make changes consistent with your life event by notifying Human Resources within 31 days of the date of the event. If you miss the 31 day period, you will have to wait until the next Open Enrollment to change your benefits.

## HealthComp TPA

Eskaton employees have access to the Anthem PPO network of providers and facilities. HealthComp Administrators is the Third Party Administrator (TPA) and will house your eligibility and pay your claims. When you use an Anthem PPO in-network provider, you will receive a higher level of benefit coverage. When you use a provider outside of the Anthem network, you will pay more out-of-pocket.

You can access your account through the HealthComp TPA at: [healthcomp.com](http://healthcomp.com) or download the app, HCOOnline for your smartphone. You can view benefits, enrollment, claims history, your Explanation of Benefits (EOB), inquire about claims and request an ID card and more.

# 2023 Employee Cost Summary

When you elect medical, dental, or vision coverage through Eskaton, your monthly contributions noted below are deducted from your pay before income and Social Security taxes are withheld. This means that you will not have to pay federal income tax, Social Security tax or Medicare tax on the amount of your premium payments that are paid each pay period. You may wish to consult your legal and/or tax advisor regarding the actual tax savings you may realize.

Domestic partner elections may be subject to imputed income tax, per IRS regulations.

# Additional Benefits

## Aflac Supplemental Insurance

### Aflac is different from health insurance

Major medical pays for doctors, hospitals, and prescriptions. Aflac pays cash directly to you, unless otherwise assigned, to help with daily expenses due to a covered illness or accident. The benefits are predetermined and paid regardless of any other insurance you have. You can use your Aflac benefits check to help pay for groceries, child care, or rent. It's totally up to you. When you have an Aflac policy-it's yours. You own it. Even if you change jobs or retire, you can take your Aflac policy with you.

### Aflac pays you cash benefits even when you're healthy

We want you to be healthy-that's why several of our policies promote preventive care. When you're sick or hurt, the last thing you need is a complicated form to fill out. Aflac benefits are easy to understand, and you can file most claims online or with an App on your phone!

Your Aflac representative is: **Lisa Garland 916.780.0959** [lisa@teamgarland.com](mailto:lisa@teamgarland.com)

## Employee Assistance Program

### CONCERN

Eskaton Provides an Employee Assistance Program (EAP) to all benefited employees and their dependents through CONCERN. CONCERN is a confidential short-term counseling and referral service designed to provide you and your family with assistance in managing every day

concerns. Some of the services offered include:

- Short-term counseling – up to 5 visits per incidence per family member per 12 month period
- Parenting and childcare resources and referrals
- Legal consultations
- Financial counseling
- Eldercare resources and referrals
- Online wellness resources to include monthly webinars
- eM Life – a suite of evidence-based live and on-demand mindfulness solutions

Available from a smart phone, tablet or computer, CONCERN offers a digital platform that is the front door to everything CONCERN has to offer. It combines technology, counseling, self-help tools, life balance resources, and compassionate human interaction all in one place.

# Income Protection

## Basic Life & AD&D

### Lincoln Financial Group

As an eligible employee, you are provided with basic life insurance and Accidental Death & Dismemberment (AD&D) coverage at no cost to you. Life insurance pays funds to your designated beneficiaries after your death, while AD&D pays an amount equal to your life insurance in the event of an accidental death or for certain accidental injuries.

	Carrier	Coverage	Maximum Benefit
<b>Basic Life and Accidental Death &amp; Dismemberment (AD&amp;D)</b>	Lincoln Financial Group	\$10,000	\$10,000

## California State Disability (SDI)

California State Disability Insurance (SDI) is a state disability program available to you if you become disabled due to a non-work related accident or illness. Once you have been disabled for seven consecutive days, you may receive 60-70% of your weekly earnings, up to the CA SDI/EDD set weekly max for a maximum of 52 weeks.

	Carrier	Coverage	Maximum Benefit
<b>Short-Term Disability</b>	California State Disability Insurance (SDI)	60-70% of average weekly wages, based on past earnings as calculated by the EDD	Determined by the EDD

# Voluntary Income Protection

## Voluntary Life & AD&D

### Lincoln Financial Group

In addition to the basic life insurance plan, you are eligible to purchase additional amounts of individual term life insurance and Accidental Death & Dismemberment (AD&D) for yourself, your spouse or domestic partner, and your children. Should you leave the company, your life coverage is portable if you apply within 31 days of your termination date.

	Coverage	Maximum Benefit	Guaranteed Issue*	Benefits Reduction Schedule
<b>Employee Vol. Life &amp; AD&amp;D</b>	Increments of \$10,000, max 5x annual salary	\$500,000	\$200,000	Age 70: 65% Age 75: 45% Age 80: 30% Age 85+: 15%
<b>Spouse Vol. Life &amp; AD&amp;D</b>	Increments of \$10,000, up to 100% of employee coverage	\$500,000	\$30,000	
<b>Child(ren) Vol. Life only</b>	\$10,000 or \$20,000	\$500 (birth-13 days) \$2,000 (14 days-6 mos) \$20,000 (6 mos-26 years)	\$20,000	N/A

\*Guarantee issue only applies when you are newly eligible for the plan. Amounts requested above the guaranteed issue amount will require an Evidence of Insurability (EOI) form before the higher level of coverage is effective.

## Voluntary Long-Term Disability

### Lincoln Financial Group

Once you have been disabled due to an accident or illness for 90 consecutive days, your Voluntary Long Term Disability (LTD) coverage begins. If you pay your premiums with post-tax dollars, your benefits will not be taxed. If you pay your premiums with pre-tax dollars, your benefits will be taxed. Your LTD benefit will not be reduced by the amount of other income replacement benefits you may receive for the same disability. Your LTD benefits are payable for the period during which you continue to meet the definition of disability up to age 65, but not less than five years. If your disability occurs at or after age 65, benefits would be paid for a reduced period of time.

	Coverage	Maximum benefit	Elimination period	Maximum duration

# Health and Wellness Program

At Eskaton, we take great pride in our employees and their well-being

## Annual health risk assessments

Health Risk Assessments and biometric screenings reveal if employees have or are at risk of developing chronic conditions. Screenings include: cholesterol, glucose, blood pressure, height, weight, BMI, waist circumference and body fat. Eskaton employees who participate in the free annual confidential screening receive \$30 in their paycheck.

Live Well for Life Program through Sutter Health:

- Assistance with locating primary care physicians
- Website for wellness resources is: [sutterhealth.org/livewellforlife](https://sutterhealth.org/livewellforlife)

## Smoking cessation program

Eskaton offers a smoking cessation program for ALL employees. Eskaton will reimburse employees the cost to enter into a smoking cessation program, up to \$150, which is the cost of three sessions at Sutter Express Care (you may choose to enter any smoking cessation program). Employees must attend all sessions, provide proof of completion and be smoke-free for 30 days for reimbursement.

Smoking cessation prescription medication is offered through Eskaton's health plan, applicable pharmacy co-payments apply.

## 24-hour NurseLine

The Anthem network provides access to registered nurses who are trained to help you and your family make more informed decisions about your health. This service is available 24 hours a day, 7 days a week to those enrolled in the Eskaton health plan and is strictly confidential. If you would rather not discuss your medical condition over the phone, you can listen to confidential recorded messages on more than 300 health topics by selecting the Audio Health Library at 800.700.0197.

## Mommies 2-B program

This program is designed to assist members enrolled in the Eskaton health plan in giving their babies a healthy start. Once a pregnancy is confirmed, a HealthComp M2B nurse will reach out to the expecting participants to enroll them in the program if they choose to participate.

## Employee wellness program

Our goal is for every employee to reach their optimal wellness. The program encourages and cultivates healthy lifestyles by providing the following:

- Smoke-free campuses
- Discounts on gym memberships
- Monthly wellness newsletters
- Preventative Health Care
- No cost flu shots
- Fun wellness campaigns and challenges
- Company-sponsored local events
- Incentives for participation
- Wellness champions at each community

# 2023 Legal Notices

*The Health Insurance and Portability and Accountability Act of 1996 (HIPAA). HIPAA places limitations on a group health plan's ability to impose preexisting condition exclusions, provides special enrollment rights for certain individuals and prohibits discrimination in group health plans based on health status. In addition, HIPAA establishes a set of national standards to address the use and disclosure of individuals' health information – called protected health information.*

## **HIPAA Notice of Availability of Notice of Privacy Practices**

This Plan is required by law to provide notice of the Plan's duties and privacy practices with respect to covered individuals' protected health information by providing a Notice of Privacy Practices (NOPP) to participants. The Plan's NOPP is available upon request. To obtain a copy of the NOPP, or for more information regarding the Plan's privacy policies or your rights under HIPAA, contact Eskaton at 916.334.0810.

## **HIPAA Special Enrollment Rules**

HIPAA requires we notify you about your right to later enroll yourself and eligible dependents for coverage in Eskaton health plan under "special enrollment provisions" briefly described below.

- **Loss of Other Coverage.** If you decline enrollment for yourself or for an eligible dependent because you have other group health plan coverage or other health insurance, you may be able to enroll yourself and your dependents under Eskaton health plan if you or your dependents lose eligibility for that other coverage, or if the other employer stops contributing toward your or your dependents' other coverage. You must request enrollment within 30 after you or your dependents' other coverage ends, or after the other employer stops contributing toward the other coverage.
- **New Dependent by Marriage, Birth, Adoption, or Placement for Adoption.** If you gain a new dependent as a result of a marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your new dependents under Eskaton health plan. You must request enrollment within 30 after the marriage, birth, adoption, or placement for adoption. In the event you acquire a new dependent by birth, adoption, or placement for adoption, you may also be able to enroll your spouse, if your spouse was not previously covered.
- **Enrollment Due to Medicaid/CHIP Events.** If you or your eligible dependents are not already enrolled in Eskaton health plan, you may be able to enroll yourself and your eligible dependents if: (i) you or your dependents lose coverage under a state Medicaid or children's health insurance program (CHIP), or (ii) you or your dependents become eligible for premium assistance under state Medicaid or CHIP. You must request enrollment within 60 days from the date of the Medicaid/CHIP event. The CHIP Model Notice containing additional information about this right as well as contact information for state assistance is included below. You may also request a copy from your plan administrator.

Please contact Eskaton at 916.334.0810 for details, including the effective dates of coverage applicable to each of these special enrollment provisions. Additional information regarding your rights to enroll in group health coverage is found in the applicable group health plan

## Notice Regarding Wellness Program

Eskaton Properties, Inc. Live Well for Life Program through Sutter Health is a voluntary wellness program available to all employees. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others. If you choose to participate in the wellness program you will be asked to complete a voluntary health risk assessment or "HRA" that asks a series of questions about your health-related activities and behaviors and whether you have or had certain medical conditions (e.g., cancer, diabetes, or heart disease). You will also be asked to complete a biometric screening, which will include a routine blood test. You are not required to complete the HRA or to participate in the blood test or other medical examinations.

However, employees who choose to participate in the wellness program will receive an incentive of \$30.00 for completing the HRA and biometric screening. Although you are not required to complete the HRA or participate in the biometric screening, only employees who do so will receive \$30.00.

Additional incentives of up to \$150.00 may be available for eligible employees who participate and complete the Smoking Cessation Program. If you are unable to participate in any of the health-related activities or achieve any of the health outcomes required to earn an incentive, you may be entitled to a reasonable accommodation or an alternative standard. You may request a reasonable accommodation or an alternative standard by contacting Eskaton at 916.334.0810.

The information from your HRA and the results from your biometric screening are confidential and will be used to provide you with information to help you understand your current health and potential risks, and may also be used to offer you services through the wellness program. You also are encouraged to share your results or concerns with your own doctor.

## Protections from Disclosure of Medical Information

We are required by law to maintain the privacy and security of your personally identifiable health information. Although the wellness program and Eskaton Properties, Inc. may use aggregate information it collects to design a program based on identified health risks in the workplace, Eskaton Properties, Inc. Live Well for Life Program through Sutter Health will never disclose any of your personal information either publicly or to the employer, except as necessary to respond to a request from you for a reasonable accommodation needed to participate in the wellness program, or as expressly permitted by law. Medical information that personally identifies you that is provided in connection with the wellness program will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment.

Your health information will not be sold, exchanged, transferred, or otherwise disclosed except to the extent permitted by law to carry out specific activities related to the wellness program, and you will not be asked or required to waive the confidentiality of your health information as a condition of participating in the wellness program or receiving an incentive. Anyone who receives your information for purposes of providing you services as part of the wellness program will abide by the same confidentiality requirements. The only individual(s) who will receive your personally identifiable health information is (are) a registered nurse, a doctor, or a health coach in order to provide you with services under the wellness program.

In addition, all medical information obtained through the wellness program will be maintained separate from your personnel records, information stored electronically will be encrypted, and no information you provide as part of the wellness program will be used in making any employment decision. Appropriate precautions will be taken to avoid any data breach, and in the event a data breach occurs involving information you provide in connection with the wellness program, we will notify you immediately.

You may not be discriminated against in employment because of the medical information you provide as part of participating in the wellness program, nor may you be subjected to retaliation if you choose not to participate.

If you have questions or concerns regarding this notice, or about protections against discrimination and retaliation, please contact Eskaton at 916.334.0810.

### **Notice of Grandfathered Health Plan Status**

Eskaton believes this Medical PPO Plan is a “grandfathered health plan” under the Patient Protection and Affordable Care Act (the “Affordable Care Act”). As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that your Medical PPO Plan may not include certain consumer protections of the Affordable Care Act that apply to other plans. For example, the requirement for the provision of preventative health services without any cost sharing. However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act, for example, the elimination of lifetime limits on essential health benefits.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to Eskaton at 916.334.0810. You may also contact the Employee Benefits Security Administration, U.S. Department of Labor at 866.444.3272 or [www.dol.gov/ebsa/healthreform](http://www.dol.gov/ebsa/healthreform). This website has a table summarizing which protections do and do not apply to grandfathered health plans.

## Women's Health & Cancer Rights Act of 1998

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- ▶ All stages of reconstruction of the breast on which the mastectomy was performed;
- ▶ Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- ▶ Prostheses; and,
- ▶ Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance or copays applicable to other medical and surgical benefits provided under this Plan. Therefore, the deductibles and coinsurance shown in the medical section of this guide apply.

If you would like more information on WHCRA benefits, call Eskaton at: 916.334.0810

Issuers may not, under federal law, require that a provider obtain authorization from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

## Newborns' and Mothers' Health Protection Act of 1996

Group health plans and health insurance issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

## Medicare Part D Creditable Coverage Notice

### Important Notice from Eskaton About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage offered by the group health plan through Eskaton and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

## There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Eskaton has determined that the prescription drug coverage offered by the group health plan through Eskaton is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

### When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th through December 7th. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

### What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current coverage through Eskaton will be affected. Should you join a Medicare drug plan, you can keep your Eskaton group coverage and your Medicare Part D plan will coordinate with the group plan. Please see your group plan policies for full coordination details. See pages 7- 9 of the CMS Disclosure of Creditable Coverage To Medicare Part D Eligible individuals Guidance (available at <http://www.cms.hhs.gov/CreditableCoverage/>), which outlines the prescription drug plan provisions/options that Medicare eligible individuals may have available to them when they become eligible for Medicare Part D.

If you do decide to join a Medicare drug plan and drop your current group health coverage with Eskaton, be aware that you and your dependents will not be able to get this coverage back until the next open enrollment period or after a qualifying event, subject to the terms and requirements of such group medical plan.

### When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current group health coverage through Eskaton and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

**For More Information About This Notice Or Your Current Prescription Drug Coverage:**

Contact the person listed below for further information. NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Eskaton changes. You also may request a copy of this notice at any time.

**For More Information About Your Options Under Medicare Prescription Drug Coverage...**

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

**For more information about Medicare prescription drug coverage:**

## Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1- 877-KIDS-NOW or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply.

If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan. If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call 1- 866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2022. Contact your State for more information on eligibility:

## Health Insurance Marketplace Coverage Notice

### PART A: General Information

When key parts of the health care law took effect in 2014, there was a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the Marketplace and employment-based health coverage offered by Eskaton.

### What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers “one-stop shopping” to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October for coverage starting as early as January 1.

### Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

## Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the annual cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution -as well as your employee contribution to employer-offered coverage- is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

## How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact Eskaton at 916.334.0810.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit [HealthCare.gov](https://www.healthcare.gov) for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area. An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

## PART B: Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

3. Employer Name Eskaton	4. Employer Identification Number (EIN) Refer to business office	
5. Employer Address 5105 Manzanita Avenue	6. Employer Phone Number 916-334-0810	
7. City Carmichael	8. State California	9. Zip Code 95608
10. Who can we contact about employee health coverage at this job? Sylvia Bohrer, Human Resources		
11. Phone Number (if different from above) 916.334.0810	12. Email Address sylvia.bohrer@eskaton.org	

### Here is some basic information about health coverage offered by this employer:

As your employer, we offer a health plan to:

- All employees.
- Regular full time employees who regularly work more than 30 hours per week.

With respect to dependents:

- We do offer coverage. Eligible dependents are:
- Spouse, same-sex or opposite sex domestic partner (see Benefits Guide for specifics)
  - Unmarried, dependent children under the age 26 provided that the child is not offered group insurance through their own employer
  - Dependent child with a physical or mental disability as defined by the Social Security Administration
- We do not offer coverage.
- If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.\*

\* Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, HealthCare.gov will guide you through the process. Here's the employer information you'll enter when you visit HealthCare.gov to find if you can get a tax credit or lower your monthly premiums.

## Exempt Paid Time Off Program

(206)

---

### POLICY STATEMENT

Eskaton provides a multi-level paid-time-off program. This program is designed to enable Eskaton to recruit, motivate and retain the best talent. This policy complies with AB1522, California Paid Sick Leave.

### POLICY INTERPRETATION

1. This policy applies to all exempt employees with the exception of those on the executive benefit plan.
2. Eligibility and Waiting Periods
  - A. Exempt employees are eligible to accrue paid time off benefits in this program. Accruals will be prorated for employees regularly scheduled less than full time.
  - B. Vacation and Major Sick benefits begin accruing after 90 days eligible employment and can be used, with the supervisor's approval, as it is accrued.
  - C. Minor Sick begins accruing upon date of hire.
  - D. Sick leave benefits are not paid upon termination for any reason and may not be applied as additional vacation time.
3. Scheduling  
Vacation:
  - A. Use of these benefits must be requested in advance in writing and approved by the supervisor.
  - B. Employees requesting 2 or more days off must submit their request using the Eskaton Exempt Vacation/Sick Leave Request Form no less than 30 days in advance for consideration. Exceptions to that time frame may be approved by the Executive Director or Corporate Department Director for EAC staff.  
Minor Sick Leave:
  - A. Paid sick leave will be provided upon an employee's oral or written request. Employees should use the Eskaton Exempt Vacation/Sick Leave Request form to ensure proper tracking. If the need for sick leave is foreseeable, an employee must provide reasonable advance notice. If not, the employee must provide notice as soon as is practical.
  - B. Employees may use paid sick leave in increments of no less than two (2) hours.
  - C. Employees may use up to three (3) days paid sick leave to take time off to care for his or her parent, domestic partner, spouse or child, grandparent, grandchild or sibling.  
Major Sick Leave: Please refer to the Short-Term Disability policy #219.
4. Accrual
  - A. Employees with less than 36 months of eligible service will accrue (at the annual full-time status):
    - 10 days vacation
    - 5 days minor sick leave
    - 7 days major sick leave

**POLICY INTERPRETATION**

- B. Employees with 37 months to 84 months of eligible service will accrue (at the annual full-time status):
  - 16 days vacation
  - 5 days minor sick leave
  - 7 days major sick leave
  
- C. Employees with 85 months+ of eligible service (at the annual full-time status):
  - 20 days vacation
  - 5 days minor sick leave
  - 7 days major sick leave
  
- D. Maximum Accumulations
  - 1) Maximum accumulation for vacation is 240 hours (cap to be applied March 31, 2004).
  - 2) Maximum accumulation for minor sick leave is 5 days.
  - 3) Maximum accumulation of major sick leave is 180 hours.
  
- 5. Payment of Vacation
  - A. Vacation will be paid in advance only when scheduled in the pay period immediately following issuance of the paycheck; paychecks are issued on the regular payday.
  
  - B. All vacation in an employee account at the time of a status change to an ineligible status will be paid in the next paycheck.
  
  - C. All vacation hours in the account at the time of termination will be paid in the final paycheck.
  
  - D. Deductions from the Paid Time Off account will be mandatory for all absences except for Pregnancy Disability Leave (PDL).

## **POLICY STATEMENT**

The purpose of this policy is to provide employees with a general description of their Family and Medical Leave Act (FMLA) rights. Employees will be afforded all rights required by law.

## **POLICY INTERPRETATION**

### **A. General Provisions**

Under this policy, Eskaton will grant up to 12 weeks (or up to 26 weeks of military caregiver leave to care for a covered service member with a serious injury or illness) of unpaid leave during a 12-month period to eligible employees. Leave taken under this policy runs concurrently with the California Family Rights Act Leave (CFRA) under California law. Exceptions would be if the employee was out for her Pregnancy Disability Leave (PDL). PDL and FMLA run concurrently, however, CFRA will not run currently with FMLA while the employee is disabled for the pregnancy. Leave can be taken under CFRA to care for a sibling, grandparent, grandchild, parent-in-law, or registered domestic partner with serious health condition.

### **B. Eligibility**

To qualify for FMLA leave under this policy, the employee must meet all of the following conditions:

- 1) The employee must have worked for Eskaton for 12 months. The 12 months need not have been consecutive. Separate periods of employment will be counted, provided that the break in service does not exceed seven years. Separate periods of employment will be counted if the break in service exceeds seven years due to military service obligations.
- 2) The employee must have worked at least 1,250 hours during the 12-month period immediately before the date when the leave is requested to commence. The principles established under the Fair Labor Standards Act (FLSA) determine the number of hours worked by an employee. The FLSA does not include time spent on paid or unpaid leave as hours worked. Consequently, these hours of leave should not be counted in determining the 1,250 hours eligibility test for an employee under FMLA.

### **C. Type of Leave Covered**

To qualify as FMLA leave under this policy, the employee must be taking leave for one of the reasons listed below:

- 1) The birth of a child and to care for that child.
- 2) The placement of a child for adoption or foster care and to care for the newly placed child.
- 3) To care for a spouse, child or parent with a serious health condition (described below).
- 4) The serious health condition (described below) of the employee.
- 5) CFRA ONLY – sibling, grandparent, grandchild, parent-in-law, or registered domestic partner

An employee may take leave because of a serious health condition that makes the employee unable to perform the functions of the employee's position. A serious health condition is defined as a condition that requires inpatient care at a hospital, hospice or residential medical care facility, including any period of incapacity or any subsequent treatment in connection with such inpatient care or a condition that requires continuing care by a licensed health care provider. This policy covers illnesses of a serious and long-term nature, resulting in recurring or lengthy absences. Generally, a chronic or long-term health condition that would result in a period of three consecutive days of incapacity with the first visit to the health care provider within seven days of the onset of the incapacity and a second visit within 30 days of the incapacity would be considered a serious health condition. For chronic conditions requiring periodic health care visits for treatment, such visits must take place at least twice a year.

- 5) Qualifying Exigency leave for families of members of the military when the covered military member is on active duty or called to active duty in support of a contingency operation.

## **POLICY INTERPRETATION**

An employee whose spouse, son, daughter or parent either has been notified of an impending call or order to active military duty or who is already on active duty may take up to 12 weeks of leave for reasons related to or affected by the family member's call-up or service. The qualifying exigency must be one of the following: 1) short-notice deployment, 2) military events and activities, 3) child care and school activities, 4) financial and legal arrangements, 5) counseling, 6) rest and recuperation, 7) post-deployment activities and 8) additional activities that arise out of active duty, provided that the employer and employee agree, including agreement on timing and duration of the leave. The leave may commence as soon as the individual receives the call-up notice. (Son or daughter for this type of FMLA leave is defined the same as for child for other types of FMLA leave except that the person does not have to be a minor.) This type of leave would be counted toward the employee's 12-week maximum of FMLA leave in a 12-month period.

6) Military caregiver leave (also known as covered service member leave) to care for an ill or injured service member. This leave may extend up to 26 weeks in a single 12-month period for an employee to care for a spouse, son, daughter, parent or next of kin covered service member with a serious illness or injury incurred in the line of duty on active duty. Next of kin is defined as the closest blood relative of the injured or recovering service member.

### **D. Amount of Leave**

An eligible employee can take up to 12 weeks for the FMLA circumstances (1) through (5) above under this policy during any 12-month period. Eskaton will measure the 12-month period as a rolling 12-month period measured backward from the date an employee uses any leave under this policy. Each time an employee takes leave, Eskaton will compute the amount of leave the employee has taken under this policy in the last 12 months and subtract it from the 12 weeks of available leave, and the balance remaining is the amount the employee is entitled to take at that time. An eligible employee can take up to 26 weeks for the FMLA circumstance (6) above (military caregiver leave) during a single 12-month period. For this military caregiver leave, Eskaton will measure the 12-month period as a rolling 12-month period measured forward. FMLA leave already taken for other FMLA circumstances will be deducted from the total of 26 weeks available.

If a husband and wife both work for Eskaton and each wishes to take leave for the birth of a child, adoption or placement of a child in foster care, or to care for a parent (but not a parent "in-law") with a serious health condition, the husband and wife may only take a combined total of 12 weeks of leave. If a husband and wife both work for Eskaton and each wishes to take leave to care for a covered injured or ill service member, the husband and wife may only take a combined total of 26 weeks of leave.

### **E. Employee Status after Leave**

An employee who takes leave under this policy may be required to provide a medical release from the health care provider. This requirement will be included in the employer's response to the FMLA request. Generally, an employee who takes FMLA leave will be able to return to the same position or a position with equivalent status, pay, benefits and other employment terms if they return to work before their FMLA leave expires. Under circumstances where restoration to employment will cause "substantial and grievous economic injury" to our operations, Eskaton may choose to exempt certain key employees (highest paid 10 percent of Eskaton's work force) from this requirement and not return them to the same or similar position. Eskaton will notify the employee in writing of his/her status as a "key" employee (as defined by FMLA), the reasons for denying job restoration, and provide the employee a reasonable opportunity to return to work after so notifying the employee.

### **F. Intermittent Leave or a Reduced Work Schedule**

The employee may take FMLA leave in 12 consecutive weeks, may use the leave intermittently (take a day periodically when needed over the year) or, under certain circumstances, may use the leave to reduce the workweek or workday, resulting in a reduced hour schedule. In all cases, the leave may not exceed a total of 12 workweeks (or 26 workweeks to care for an injured or ill service member over a 12-month period). Eskaton may temporarily transfer an employee to an available alternative position with equivalent pay and benefits in the following circumstances: if the alternative position would better

## **POLICY INTERPRETATION**

accommodate the intermittent or reduced schedule, in instances of when leave for the employee or employee's family member is foreseeable and for planned medical treatment, including recovery from a serious health condition or to care for a child after birth, or placement for adoption or foster care.

For the birth, adoption or foster care of a child, Eskaton and the employee must mutually agree to the schedule before the employee may take the leave intermittently or work a reduced hour schedule. Leave for birth, adoption or foster care of a child must be taken within one year of the birth or placement of the child. If the employee is taking leave for a serious health condition or because of the serious health condition of a family member, the employee should try to reach agreement with Eskaton before taking intermittent leave or working a reduced hour schedule. If this is not possible, then the employee must prove that the use of the leave is medically necessary.

Executive and Exempt employees may be temporarily changed to a Non-Exempt hourly status and benefits accrual while on intermittent leave. The Human Resources department will coordinate with the employee and payroll to discuss the temporary status and benefits changes. A time tracking calendar will be required to be completed every two weeks and provided to the Human Resources department.

### **G. Certification for the Employee's or Family Member's Serious Health Condition**

Eskaton will require certification for the employee's or employee's family member's serious health condition. The employee must respond to such a request within 15 days of the request or provide a reasonable explanation for the delay. Failure to provide certification may result in a delay or denial of continuation of leave. Medical certification will be provided using the Department of Labor (DOL) Certification of Health Care Provider for Employee's Serious Health Condition form.

Eskaton may directly contact the employee's or patient's (in cases of family members serious health condition) health care provider for verification or clarification purposes using an HR professional. Eskaton will not use the employee's direct supervisor for this contact. Before Eskaton makes this direct contact with the health care provider, the employee will be given an opportunity to resolve any deficiencies in the medical certification. In compliance with HIPAA Medical Privacy Rules, Eskaton will obtain the employee's permission for clarification of individually identifiable health information.

Eskaton has the right to ask for a second opinion if it has reason to doubt the certification. Eskaton will pay for the employee to get a certification from a second doctor, which Eskaton will select. Eskaton may deny FMLA leave to an employee who refuses to release relevant medical records to the health care provider designated to provide a second or third opinion. If necessary to resolve a conflict between the original certification and the second opinion, Eskaton will require the opinion of a third doctor. Eskaton and the employee will mutually select the third doctor, and Eskaton will pay for the opinion. This third opinion will be considered final. The employee will be provisionally entitled to leave and benefits under the FMLA pending the second and/or third opinion. Eskaton may request recertification for the serious health condition of the employee or the employee's family member not more than once every 30 days and only when circumstances have changed significantly, or if the employer receives information casting doubt on the reason given for the absence, or if the employee seeks an extension of his or her leave. Otherwise, Eskaton will request recertification for the serious health condition of the employee or the employee's family member every six months in connection with an FMLA absence. Eskaton may provide the employee's health care provider with the employee's attendance records and ask whether the need for leave is consistent with the employee's serious health condition.

### **H. Certification of Qualifying Exigency for Military Family Leave**

Eskaton will require certification of the qualifying exigency for military family leave. The employee must respond to such a request within 15 calendar days of the request or provide a reasonable explanation for the delay. Failure to provide certification may result in a denial of continuation of leave. This certification will be provided using the DOL Certification of Qualifying Exigency for Military Family Leave form.

## POLICY INTERPRETATION

### **I. Certification for Serious Injury or Illness of Covered Service Member for Military Family Leave**

Eskaton will require certification for the serious injury or illness of the covered service member. The employee must respond to such a request within 15 calendar days of the request or provide a reasonable explanation for the delay. Failure to provide certification may result in a denial of continuation of leave. This certification will be provided using the DOL Certification for Serious Injury or Illness of Covered service member form.

### **J. Procedure for Requesting and Taking FMLA Leave**

All employees requesting FMLA leave must provide verbal or written notice of the need for the leave to the Business Office Manager at their community. The Business Office Manager will coordinate initial leave request paperwork with the employee to begin the processing of their leave. **Within five business days** after the employee has provided this notice, Human Resources will complete and provide the employee with a leave of absence packet explaining the employee's eligibility and rights.

When the need for the leave is foreseeable, the employee must provide the employer with at least 30 days' notice. When an employee becomes aware of a need for FMLA leave less than 30 days in advance, the employee must provide notice of the need for the leave either the same day or the next business day. When the need for FMLA leave is not foreseeable, the employee must comply with Eskaton's usual and customary notice and procedural requirements for requesting leave. Once the employee's FMLA request has been approved and the need arises to take an unforeseeable intermittent FMLA leave the employee must notify your supervisor no less than one hour before the start of your shift. The employee need only tell them that you will be taking a FMLA absence and the duration of that absence.

### **K. Intent to Return to Work from a FMLA Leave**

On a basis that does not discriminate against employees on FMLA leave, Eskaton may require an employee on FMLA leave to report periodically on the employee's status and intent to return to work. An employee who fails to return to work as scheduled after FMLA leave or exceeds the 12 or 26 week entitlement may be subject to termination of employment. The employee's leave of absence letter will provide them with a deadline as to when they must check in with their supervisor regarding their return to work.

### **L. Employees who may require reasonable accommodation to return to work**

Employees who are able to return to work with restrictions and/or who are unable to perform one or more essential functions of their job may enter into an interactive discussion with the Human Resources department regarding possible reasonable accommodation. Human Resources may require additional medical documentation for purposes of evaluating how an employee may be accommodated in their return to work. The employee, their supervisor and the Human Resources department will evaluate the employee's current restrictions and what accommodation may be made without posing a hardship to Eskaton. This may include but is not limited to; change in work schedule, job functions, transfer to a new position via the interactive job search as well as providing supplies to enable the employee to perform their duties.

### **M. Health benefits while on FMLA**

- 1) Eskaton will maintain group health, dental, vision, long term disability and basic life and AD&D insurance coverage up to a maximum of 6 months (if such coverage was provided before the leave was taken) on the same terms as if no leave had been taken as long as the employee has a medical certification for their leave of absence (FMLA regulations only requires 12 work weeks).
- 2) The employee will receive continued paid coverage for as long as they are paid by Eskaton. Once the employee has exhausted their paid time off, they will be required to pay the full premium to retain coverage. The employee may make a monthly payment payable to Eskaton. This payment must be sent to the Human Resources department **by the 1<sup>st</sup> of the month for which the coverage is for** via money order or personal check to maintain their coverage. The group rate premium will be provided by the Human Resources department.

**POLICY INTERPRETATION**

- 3) In some instances, Eskaton may recover premiums it paid for this coverage if the employee fails to return to work following their approved leave of absence.
  
- 4) Employees whose paid coverage has ceased after twelve (12) work weeks under FMLA may continue group health, dental, and vision through Eskaton, in conjunction with federal COBRA guidelines. Basic and Supplemental life, AD&D and Long Term Disability insurance coverage portability options and information will be provided to the employee so that they have the option to continue their coverage while on leave. The employee may do this by making monthly payments to Eskaton or its third party COBRA administrator for the relevant benefit premium.

**General Leave of Absence**

**(414)**

**POLICY STATEMENT**

Eskaton will consider requests for general leaves of absence to employees who have completed the ninety (90) day introductory period on a non-discriminatory equitable basis.

**POLICY INTERPRETATION**

1. General Leaves are granted at the discretion of the Executive Director and will be evaluated on a case-by-case basis considering business necessity and the performance history of the employee.
2. A general leave of absence may be granted for a reasonable period of time up to 30 calendar days.
3. A general leave of absence is required for any unpaid absence greater than three (3) days.
4. As soon as the employee becomes aware of the need for a leave of absence, he/she must provide notice in writing.
5. If an extension to the original leave of absence is requested, it must be done, in writing, at least 10 days prior to the expiration of the leave. A request for an extension could be up to one month increments. Approval or denial of extensions will be based on business necessity and legal requirement. Any termination of an employee on leave status must be reviewed with the Director of Human Resources or designee.
6. Prior to concluding that all available leaves have been exhausted, the Executive Director must evaluate with the Human Resources department all possible additional leaves including, Family Medical Leave, Americans with Disability Act, California Family rights Act, Pregnancy Disability Leave, and any other legally entitled leave.
7. Before communities deny a request for General Leave, they will consult with Human Resources.

**Gift Acceptance**

**(415)**

**POLICY STATEMENT**

It is Eskaton's policy that its employees shall not obtain an improper personal benefit by virtue of their employment with Eskaton.

**POLICY INTERPRETATION**

**Acceptance of Gifts**

Gift Definition: Any item, form of entertainment, or monetary gift such as tips or gift cards received for personal benefit.

Employees may accept gifts that are for all employees of the community/program to share such as food. Any monetary gifts from residents or families must be shared with all employees of the community/program and must be distributed through a sanctioned resident gift program by the community administration.

Eskaton employees shall not accept:

1. Any individual gifts from residents, clients or their family members.
2. Any gift from any other person or organization that might reasonably be construed as inappropriate in value or impairing the employee's independent judgment in business transactions affecting Eskaton. Generally, the value may not exceed \$25.
3. Exceptions to the aforementioned must be approved by the CEO

## **POLICY STATEMENT**

Eskaton is committed to providing a work environment free of harassment. This policy applies to all persons involved in the operation of Eskaton, which includes all employees and third parties, such as vendors, etc.

## **POLICY INTERPRETATION**

1. Eskaton prohibits harassment, which includes:
  - Sexual harassment
  - Gender harassment
  - Harassment due to pregnancy, childbirth or related medical conditions
  - Race
  - Religious creed
  - Color
  - National origin or ancestry
  - Physical or mental disability
  - Medical condition
  - Marital status / Registered domestic partner status
  - Age
  - Sexual or gender orientation
  - Any other basis real or perceived protected by federal, state or local law or ordinance or regulation; this includes any person associated with anyone who is or is perceived to have any of those characteristics. All such harassment is unlawful.
2. Prohibited harassment includes, but is not limited to, the following behavior:
  - Verbal conduct such as epithets, derogatory jokes or comments, slurs or unwanted sexual advances, invitations or comments
  - Visual displays such as derogatory and/or sexually-oriented posters, photography, cartoons, drawings or gestures
  - Physical conduct such as assault, unwanted touching, blocking normal movement or interfering with work because of sex, race or any other protected basis
  - Threats and demands to submit to sexual requests as a condition of continued employment, or to avoid some other loss, and offers of employment benefits in return for sexual favors
  - Retaliation for having reported or threatened to report harassment
3. If an employee believes he/she has been harassed, he/she must provide a complaint to his/her supervisor or any other supervisor, his/her administrator or Officer, or the Director of Employee Relations and Development of Eskaton as soon as possible after the incident.
4. Supervisors will refer all unresolved harassment complaints to an administrator, Officer, or the Director of Employee Relations and Development of Eskaton.
5. Eskaton will immediately undertake an effective, thorough and objective investigation of the harassment allegations.
6. If Eskaton determines that harassment has occurred, effective remedial action will be taken in accordance with the circumstances involved.
7. Any employee determined by Eskaton to be responsible for harassment will be subject to appropriate disciplinary action, up to and including termination.

## POLICY INTERPRETATION

8. Action taken in response to the complaint will be made known to the employee lodging the complaint. Eskaton will not retaliate against an employee for filing a complaint and will not tolerate or permit retaliation by management, employees or co-workers.
  
9. Eskaton encourages all employees to report any incidents of harassment immediately so that complaints can be quickly and fairly resolved. Employees should also be aware that the Federal Equal Employment Opportunity Commission and the California Department of Fair Employment and Housing investigate and prosecute complaints of prohibited harassment in employment. If an employee thinks they have been harassed or that they have been retaliated against for resisting or complaining, they may file a complaint with the appropriate agency.

## Hepatitis B Immunization – Job Category One Employees

(417)

---

### POLICY STATEMENT

All employees who are at risk of an exposure to blood or body fluids during the performance of their job will be afforded the opportunity to receive the Hepatitis B vaccination series. These employees are considered “job category one”. Please reference Hepatitis B Consent Form. [N:\Departments\Human Resources\Foms\New Hire-Orientation\All New Hire Forms\24 - Hep B Consent form \(559S\) 01-04.doc](N:\Departments\Human Resources\Foms\New Hire-Orientation\All New Hire Forms\24 - Hep B Consent form (559S) 01-04.doc)

### POLICY INTERPRETATION

1. Eskaton will offer within ten (10) days of initial job assignment at no cost to employees, immunization against Hepatitis B whose tasks involve the potential for exposure to blood, body fluids or tissues.
2. Unless specifically requested by the employee's personal physician, employees who have a history of immunosuppressive disorders, receive hemodialysis, or are infected with the human immunodeficiency virus (HIV), will not be administered immunization in accordance with this policy. (Note: The reason for this exception is because larger doses or an increased number of doses are required to induce protective antibody levels.)
3. Should an employee meet the criteria in paragraph 2, and his/her personal physician requests that immunization be administered, the employee's physician will be required to monitor the employee and provide our organization with appropriate medical information within fifteen (15) days of the completion of his/her evaluation.
4. Employees who are pregnant at the time of immunization must provide written authorization from their obstetrician before the vaccine may be administered.
5. Lactating mothers must provide written authorization from their pediatrician before the vaccine may be administered.
6. All employees upon hire will receive information regarding the Hepatitis B vaccination through the Hepatitis B Consent Form. A copy of the signed affidavit will be placed in the employee's confidential personnel file.
7. The Hepatitis B vaccine consists of three doses and should be given according to the following schedule:
  - \* First dose may be given at any time. Second dose must be given at least one (1) month after the first dose. Third dose must be given at least two (2) months after the second dose and at least four (4) months after the first dose.
  - \* Should the vaccine series be interrupted the vaccine series does not need to be restarted. If the series is interrupted after the first dose, the second dose should be given as soon as possible and the second and third doses should be separated by an interval of at least eight (8) weeks.
  - \* If only the third dose is delayed, it should be administered as soon as possible.
8. Should the employee receive his or her immunization from his or her personal physician or a non-Eskaton provider, the employee will be responsible for providing the community with proof of immunization. A copy of the immunization record must be filed in the employee's confidential personnel file.
9. Should a newly-hired employee be receiving the Hepatitis B immunization series upon employment, the immunization schedule may be continued until the series is completed, as long as the employee is actively employed by Eskaton.

**POLICY INTERPRETATION**

- 10. Should an employee initially decline the vaccination and later decide to accept the vaccination, he/she will be provided with the vaccination at that time in accordance with the procedures set forth in this policy.
- 11. Booster vaccinations will be provided as recommended by current CDC and OSHA guidelines.
- 12. Inquiries concerning Hepatitis B immunization should be referred to the community's Infection Control Practitioner, Resident Care Coordinator or Eskaton's Quality and Compliance Nurse or designee.

**Hours of Work: nonexempt Employee Electronic Communications**

**(600B)**

**POLICY STATEMENT**

Employees of Eskaton may perform job duties using a variety of electronic communications depending on the nature of the work and responsibilities involved. Some of the required communication mediums might include but are not limited to cell phones, tablets and computers. The purpose of this policy is to instruct non-exempt employees concerning use of electronic communication devices when not scheduled for work duty.

**POLICY INTERPRETATION**

As with other types of authorized work, time spent by nonexempt employees using electronic communications for work purposes will be considered hours worked. The time is compensable and will count toward overtime eligibility as required by law.

**Prohibited Use of Electronic Communication Devices**

- Nonexempt employees should not check for, read, send or respond to work-related e-mails, or access the Eskaton network or work-related “apps” outside their normal work schedules unless specifically authorized based on job duties or direction by management to do so. The exceptions are employee call-offs and schedule inquiries or employer call-ins none of which are compensable time.

**Enforcement**

- Nonexempt employees using electronic communications for work-related correspondence during unauthorized times may be subject to disciplinary action for violating this policy.

## **POLICY STATEMENT**

Eskaton employs independent contractors in accordance with state and federal guidelines to perform services of a professional or technical nature in cases where no employer/employee relationship exists.

### **POLICY INTERPRETATION AND IMPLEMENTATION**

1. Independent contractors hired by Eskaton must meet guidelines provided by the IRS and the State of California EDD.
2. An executed contract will be completed for any independent contractors hired by Eskaton prior to commencement of work. All contracts with a value of \$2500 or more for the term of the contract (i.e. annually) are subject to review and approval by the CFO.
3. An IRS form #W9 is to be included in the contract file of independent contractors, and an IRS form #1099 will be issued for those contractors paid \$600 or more.

#### **Internal Revenue Service Guidelines - Independent Contractors**

Under IRS rules, a worker is considered an employee if he/she meets the employee definition under the usual common law rules used in determining employment status. To determine whether a worker is an employee under these common law rules, the IRS has developed a list of 20 factors, based on court cases and administrative rulings, that it applies to determine whether the hiring entities have sufficient right to control in the employer/employee relationship. These factors are:

1. Have a risk of profit or loss
2. The relationship will end when the job is done
3. Not held to detailed instructions
4. Does not require training by the employer
5. May substitute another equivalent individual
6. The success of the business will not directly depend upon the independent contractor's performance
7. May hire, fire, and compensate their assistants directly
8. Establish their own hours
9. Not required to work full time for one employer
10. Perform services for more than one employer
11. Make their services available to the public on a regular basis
12. Generally work off-premises
13. Determine the sequence of their various tasks
14. Not required to submit detailed reports
15. Paid in a lump sum, based upon an invoice
16. Pay their own business and travel expenses
17. Furnish their own tools and equipment
18. Reimburse the employer for office space
19. Right to discharge
20. Right to quit\*

## POLICY INTERPRETATION AND IMPLEMENTATION

### California Test – Independent Contractor

There are two tests applied by the State of California in determining independent contractor status.

Factors examined under the first test include:

1. Whether the principal has the right to discharge at will without cause
2. Whether the person performing services is engaged in a distinct occupational business
3. Whether the work is usually done under the direction of the principal or by a specialist without supervision
4. The skills required in the particular occupation
5. Whether the principal or the worker supplied the instruments, tools and place of work for the person performing the work
6. The length of time for which the services are to be performed
7. The method of payment, whether by time or by job
8. Whether the work is part of the regular business of the principal
9. Whether the parties believe they are creating the relationship of employer/employee\*

Factors examined under the second test:

Since 1989, the California Supreme Court has also included the following six factors used by federal authorities in evaluating worker status:

1. The alleged employee's opportunity for profit or loss depending upon his/her managerial skills
2. The alleged employee's investment in equipment or materials required for his/her task
3. The alleged employee's employment of helpers
4. Whether the services rendered required a specific skill
5. The degree of permanence of the working relationship
6. Whether the service rendered is an integral part of the alleged employer's business.

**POLICY STATEMENT**

Eskaton offers internships in an effort to provide college students from a variety of educational disciplines the opportunity to apply traditional classroom learning to applied work experiences. Eskaton believes that internships are an important experience tool to prepare students for the future.

**POLICY INTERPRETATION**

An intern is an individual who is in school or a recent graduate, and/or is seeking employment skills that will help them ultimately obtain a career in a comparable field. Internships will generally last for no longer than one academic school year. Eskaton employees are generally not eligible for internships but may be considered with specific approval by Human Resources. Interns shall not receive any financial compensation or benefits and may be released at any time by Eskaton. If an Eskaton hourly employee, the internship time cannot overlap with paid work time at Eskaton.

Requirements of Interns:

1. Interns must be at least 18 years of age.
2. If an intern is not covered under a current internship school agreement with Eskaton, interns must provide proof of workers compensation insurance coverage from their school program.
3. All students must submit a cover letter and resume to the Executive Director of the Eskaton community or program where they desire to be placed.
4. Interns will be required to do necessary screenings (fingerprinting, TB test) if they have direct contact with Eskaton residents/clients.

Requirements of Preceptors:

1. Must have a school agreement from placing educational institution
2. Must have reviewed the school's objectives and requirements
3. Must have clarity on expectations of the internship

Details on the following internship processes are outlined in the Eskaton Volunteer Manual (N: Departments\Volunteers)

1. Eskaton Responsibilities
2. Unpaid Student Interns
3. Orientation and Training

**Introductory Period**

**(419)**

**POLICY STATEMENT**

Newly hired, promoted, rehired, or reclassified employees will work on an introductory basis for 90 days after the date of hire or new assignment. This “getting acquainted” or “introductory period” gives the supervisor the opportunity to assess the ability of an employee to meet the standards of the job. It also provides the employee with an opportunity to decide if they are satisfied with the position.

**POLICY INTERPRETATION**

1. The introductory period is established to provide a general understanding of job expectations.
2. During the introductory period, employees will be provided with:
  - A. An orientation to the position, department, and/or community.
  - B. A review of the position description and performance expectations.
  - C. Employee and supervisor are encouraged to conduct a 30 and 60-day check in to assess employee’s satisfaction and performance.
3. At the end of the introductory period, a performance evaluation will be conducted to ascertain progress and performance to date.
4. Eskaton reserves the right to extend the introductory period when such an extension is deemed to be appropriate and at the community’s/supervisors sole and absolute discretion. The extension will be reviewed on a month-to-month basis, and shall not exceed three (3) months in duration.
5. Any employee who fails to meet the established expectations of the essential functions of the position may be terminated.
6. Reasons for termination or other adverse action shall be documented.
7. The employee remains an at-will employee during the introductory period and thereafter.

**Job Description Development**

**(421)**

**POLICY STATEMENT**

A written job description will be developed for each position in the organization. Each employee will be provided with a copy of his/her respective job description upon hire.

**POLICY INTERPRETATION**

1. The primary purpose of Eskaton's job descriptions is to provide uniform guidelines in the development, maintenance and implementation of the job requirements and the evaluation of the standards of job performance.
2. The objectives of job descriptions are to:
  - a. Assist employees in understanding the essential functions, responsibilities, working conditions, qualifications, and specific and physical requirements of their position;
  - b. Provide a basis for job evaluation, wage and salary increases, promotions, demotions, transfers, etc., and to improve the quality of work performance;
  - c. Provide potential job applicants with information concerning the positions for which they are seeking employment; and,
  - d. Identify those employees who may be required to perform tasks that may involve exposure to infectious waste, diseases and/or hazardous chemicals, and/or perform tasks that require lifting, repetitive motion, etc.
3. It is the responsibility of the supervisor to orally review the job description with each employee, prior to or upon employment or assignment of new duties.
4. Inquiries concerning job descriptions should first be directed to the employee's supervisor.
5. Approval of new or changes to the job description must be obtained from the appropriate Vice President and Human Resources.
6. As the need for a new job arises, a job description must be developed and processed prior to recruiting and posting.

**POLICY STATEMENT**

Eskaton, in compliance with California Labor Code 230, grants time off to support civil obligations to serve on a jury.

**POLICY INTERPRETATION**

1. Upon presentation of proof of jury duty, Eskaton will pay the benefited employee, defined as regular full-time and regular part-time, the difference between the regular straight time wage or salary and the amount the employee receives for jury duty for a period not to exceed 10 scheduled work days in a twelve-(12-)month period. Exempt employees will be paid in accordance with 29 C.F.R. 541.118(a)(4). For non-exempt employees this benefit applies to those who have completed the introductory period.
2. An employee on jury duty will be expected to work as much of the regularly-scheduled shift as the jury duty schedule permits to the extent that combined time on jury duty and at work does not exceed eight (8) hours on a given day.
3. An employee who receives notice of jury duty must notify his/her supervisor as soon as possible in order that arrangements may be made to cover his/her position.
4. An employee serving on jury duty will present the official check or other documentation of remuneration to the executive director/business office manager who will arrange for the payment of the difference between regular wages and jury duty compensation.
5. Payment will be wage replacement for scheduled work days missed due to jury duty.
6. In the event the absence of an employee from work over a long period of time would cause a hardship on the company, the company may petition the jury selection committee to excuse the employee from jury duty. Also, the individual may personally petition to be excused from jury duty if doing so causes a hardship on the employee's family.
7. Failure to report for work at the end of an approved leave for jury duty shall be considered voluntary termination.
8. An employee shall not be eligible to receive paid jury duty time off benefits while scheduled off or absent from work because of unpaid illness/injury or unpaid leave of absence.

**Meal Periods**

**(601)**

**POLICY STATEMENT**

Eskaton, in compliance with federal and state law, provides a reasonable opportunity for each non-exempt employee who works in excess of five (5) hours per day an uninterrupted meal time away from all duties, except as provided in the detailed interpretation below,

**POLICY INTERPRETATION**

1. For all employees working more than five (5) hours per day Eskaton shall provide a reasonable opportunity for an employee to take a minimum of thirty (30) minutes of uninterrupted time for a meal period, unless six (6) hours of work will complete the day's work and the employee *voluntarily agrees* to waive the meal period for that day.
2. A meal period must start no later than the end of an employee's 5<sup>th</sup> hour of work, although they may start earlier if directed by Eskaton or agreed by the parties. In other words, "early lunching" is permissible if directed or agreed to by Eskaton. Employees must be allowed to take a second meal period if they work shifts over 10 hours per day and that the meal period starts no later than the end of the 10<sup>th</sup> hour of work. Employees may waive their right to a second meal period, however if the shift is more than 12 hours, two meal periods must be taken.
3. During a meal period, employees are entirely relieved of all duty and Eskaton relinquishes control over their activities. Eskaton shall not interrupt the meal period. Eskaton shall not impede or discourage employees from taking a meal period. In certain circumstances Eskaton may ask an employee to agree to on-duty meal periods due to the unique duties and working conditions then present in a specific worksite. Such on-duty meal periods will be confirmed in writing. An on-duty meal period shall be permitted only when the nature of the work prevents an employee from being relieved of all duty. The written agreement to designate on-duty meal periods may be revoked at any time. On-duty meal periods are considered time worked.
4. Management is responsible for making sure that the uninterrupted meal period is available. The employee is responsible for taking the scheduled meal period and must inform their supervisor or designee immediately if unable to do so or if the meal period is interrupted. If a verifiable emergency arose that could not reasonably be handled by other staff on duty, and the meal period was interrupted, the employee is to be provided another full meal period, or paid the penalty for the missed meal period.
5. In addition to notifying their supervisor or designee, an employee will document any missed meal period(s) at the time clock upon clocking out for the day. This completed attestation will be submitted to the assigned supervisor for review.
6. Employees must accurately and timely clock out and back in for each meal period.
7. In every instance where an employee's duties on a particular shift appear that they will prevent the employee from timely taking a meal period, the employee shall communicate that fact to his/her supervisor in sufficient time to make a duty free meal period possible.
8. Employees who refuse to follow this policy will be subject to disciplinary action.

**POLICY STATEMENT**

All Eskaton facilities and programs shall establish, deliver, maintain and monitor a mentorship program to provide a personal sponsor for all new employees and to enhance the quality of training for each new employee of Eskaton. Each administrator/program director is responsible for the mentorship program in his/her facility/program.

**POLICY INTERPRETATION AND IMPLEMENTATION**

The mentorship program will consist of the following minimum components:

1. It shall be written.
2. It shall be reviewed annually by the Corporate Operational Support Team.
3. Each mentor will be personally selected by his/her department head in conjunction with the administrator.
4. One person in each facility/program shall be trained and appointed, in writing, to train mentors and oversee the program.
5. There shall be standard written criteria, established and approved jointly by the facility administrators, for the selection of a mentor.
6. There shall be regularly-scheduled monthly meetings with the mentors and the individual designated to oversee the program. Administrators shall attend these meetings as least quarterly.

**Military Leave of Absence**

**(513)**

**POLICY STATEMENT**

Eskaton grants unpaid military leaves of absence and reinstates employees returning from military leave to their same position or one of comparable seniority, status, and pay as required by law.

**POLICY INTERPRETATION**

Employees applying for a leave of absence under this policy will be treated in accordance with all applicable federal and state laws, including the Uniformed Services Employment and Reemployment Rights Act (USERRA), the Family Medical Leave Act (FMLA) and the California Military and Veterans Code (MVC). The following conditions apply to leaves requested under this policy:

1. To be eligible for a military leave of absence, an employee must submit written verification from the appropriate military authority. A Notice of Personnel Action (NPA) must be prepared accordingly.
2. Health care coverage will be continued for the first 12 weeks of the leave of absence if the employee chooses to continue paying his/her share of the premiums. Payments must be paid on the same payment schedule as other employees within 30 days of the billing (although exceptions may be made based upon logistical difficulties). If the leave extends beyond the 12 weeks, employees will be allowed to elect continuation of health care coverage at a cost not to exceed 102% of the coverage; this coverage will not exceed 24 months.
3. Employees will retain seniority and other benefits which the employee would have received/retained if he/she were continuously employed. No break in service will occur as a result of the military leave.
4. For more information, please contact Human Resources for the USERRA Fact Sheet

**Injury or Illness – Modified Duty / Return to Work**

**(701)**

**POLICY STATEMENT**

Eskaton provides a standardized process to enable an employee to return to work, at the earliest time, after an injury or illness.

**POLICY INTERPRETATION**

The following process is to be followed when an employee is authorized to return to work after an injury or illness:

1. Following medical treatment, the employee will immediately inform his/her supervisor or designee of his/her return-to-work status (before the next work day) documented by the treating physician on the Return to Work Status form for work related injuries or illnesses or by providing a medical release from the employee’s personal physician for personal injury or illness. A medical release must be received by the executive director or their designee prior to the employee returning work.
2. If the physician indicates no work restrictions, the employee will return to his/her usual and customary duties. The ability to return is subject to whether or not the position was replaced while the employee was out on a leave of absence. If the position was replaced, the employee will enter into the Interactive Process with Eskaton Human Resources in an attempt to be placed into another position within the company. A 72 hour advanced notice is required, when feasible, to allow time to schedule the employee’s shift and schedule a return to work meeting with the employees.
3. If temporary or permanent work restrictions are indicated by the treating physician, the executive director or designee in conjunction with the Human Resources department will attempt to create a modified duty plan and/or enter into the Interactive Process. The community may not be able to accommodate modified duty based on the extent of medical restrictions or staffing needs. The community will require 72 hour notice, when feasible, to review the medical release and determine how and where the employee can be placed upon return from leave.
4. When an employee is released to full duty and does not return to work the next scheduled day following the release date, it may be considered a voluntary resignation by the employee.
5. When an employee is offered modified duty and refuses the accommodation, the employee may be subject to disciplinary action up to and including termination of employment.
6. Employees must provide extended medical certification prior to the leave exhaustion date. A medical release allowing the employee to return to work with or without restrictions must be received by the community prior to the leave ending date.
7. Human Resources requires the medical status update of the employee from the treating physician until such time the employee is released to full duty.

**On-Call, Standby, Callback and Report-to-Work Pay**

**(602)**

**POLICY STATEMENT**

Eskaton will pay nonexempt employees for all time worked while on-call.

**POLICY INTERPRETATION**

1. Nonexempt employees who are required to carry a pager home or take phone calls at home after hours will be reimbursed at their regular rate of pay in 15-minute intervals for time spent receiving and initiating telephone calls for work.
2. Employees will be required to complete a telephone log and submit this with their time card for each pay period involving on-call time.
3. A nonexempt employee who has to respond by going to the facility will be paid for the actual time spent at the facility, but not less than two (2) hours. It will, therefore, be expected that the employee will perform work for Eskaton while at the facility for at least two (2) hours.
4. Exempt managers and directors will not be provided additional compensation for working in any other capacity in the organization. This work is not encouraged and should happen only occasionally as a part of the employee's job responsibilities.
5. Variations from the above must be pre-approved by the Compensation Committee.

**POLICY STATEMENT**

Eskaton provides compensation in accordance with state and federal law to employees who work overtime hours as defined by law.

**POLICY INTERPRETATION**

1. Employees shall be paid for all hours worked in accordance with legal requirements. Employees who qualify as administrative, executive, or professional employees within the meaning of the state and federal wage and hour laws are exempt from overtime pay and are not subject to this policy. All non-exempt employees qualify for overtime pay.
2. All overtime work by a non-exempt employee should be approved in advance by the employee's supervisor. Because unauthorized overtime is against company policy, employees who work unauthorized overtime may be subject to discipline, up to and including termination.
3. Employees shall record all time worked, including time worked over their normal schedule, on the time sheet, time card or time clock at the time it actually occurs. Written approval of overtime is required by a supervisor.
4. Weekend work does not automatically qualify for compensation at a premium rate of pay. Hours worked on Saturdays and/or Sundays qualify for premium pay only if they qualify as overtime hours under the standards of the facility wage order and defined work week/work day.
5. Overtime shall be calculated according to the wage order(s) under which a facility operates.
6. Overtime compensation may not be withheld and must be paid during the period worked. However, disciplinary action may be initiated for overtime hours worked not approved by a supervisor.
7. Hours worked means time actually spent on the job. It does not include hours away from work due to vacation, sickness, or holiday even where these days are compensated. Unpaid sick leave, personal leave and any other time away from work are also not considered hours worked.
8. Whenever possible, advance notice of the need for overtime will be given to employees.
9. Because of the nature of the business (providing 24-hour service), Eskaton expects employees to work reasonable amounts of approved overtime according to business needs.

## **POLICY STATEMENT**

The use of cell phones/pagers at work should be appropriate for business and compliant with the law. Reimbursement for personal cellular phones used for business purposes will be compliant with IRS guidelines. The Eskaton account must be able to be removed from personal cell phones either in person or remotely.

## **POLICY INTERPRETATION**

1. Personal Cellular Phones and Pagers - Personal telephone calls, text messages and pages, either made or received on work time, could result in disciplinary action. Unauthorized use of the camera function on cell phones is not permitted at any time.
2. Personal Use of Company-provided Cellular Phones and Pagers - Eskaton may issue a business cell phone or pager for work-related communications. Personal costs, that exceed the calling plan, will be paid by the employee. Employees are expected to protect Eskaton-issued equipment from loss, damage, or theft. Upon termination of employment, the employee will be required to present the cellular phone or pager in good working condition. Employees unable to return the equipment within 24 hours may be expected to bear the cost of replacement. Employees who separate from employment with outstanding debts for equipment loss or unauthorized charges will be considered to have left employment on unsatisfactory terms.
3. Personal Cellular Phones Used for Business Purposes
  - a. Non-exempt employees whose job duties require him/her to carry a cell phone for business purposes may be reimbursed \$20 per month in lieu of being issued an Eskaton cell phone. Reimbursement for a non-exempt employee required to carry a cell phone for business purposes must be approved by the Vice President Information Technology.
  - b. Exempt employees whose job duties require him/her to carry a cell phone and have access to a data plan for business purposes may be reimbursed \$40 per month in lieu of being issued an Eskaton cell phone with a data plan. Reimbursement for an exempt employee required to carry a cell phone with a data plan for business purposes must be approved by the Vice President Information Technology.
  - c.. Exempt employees who choose to accept reimbursement in lieu of an Eskaton issued cell phone will be required, as a condition to receiving such reimbursement, to grant in writing to Eskaton the right to remove the Eskaton account from the employee's cell phone upon termination from employment or a change in job duties that no longer requires access to an Eskaton data plan.
4. Professional Courtesy Use of Cellular Phones and Pagers - Personal and professional use of cellular phones and pagers in the workplace should not be disruptive to others. Personal cellular phones and pagers are expected to be on silent/vibrate mode during the work day.
5. Safety Issues for Cellular Phone and Pager Use - Employees whose job responsibilities include driving are to refrain from using a phone or pager while driving unless they are using a hands-free device. Employees are to pull off to the side of the road and safely stop the vehicle before placing or accepting a call or page. Employees who are charged with traffic violations resulting from the use of their phone or pager while driving will be solely responsible for all liabilities that result from such actions.

**POLICY INTERPRETATION**

6. Cellular Phone Eligibility – Non-exempt employees are only eligible to receive the \$20 per month reimbursement for using their own devices. Additionally, Executive Directors (ED) may only order a standard cellular phone for non-exempt employees, when placing them on the corporate phone plan. Exempt employees are eligible for either \$20 if only phone communication is needed, or \$40 if constant email contact is required. If adding an exempt employee to the corporate plan, an ED may choose either a standard or smart phone based off a business requirement. Any exceptions to this policy must be approved by the Vice President of Information Technology.

## **Paid Family Leave**

**(214)**

---

### **POLICY STATEMENT**

To outline the conditions under which an employee may be eligible for California's Paid Family Leave program. This leave does not provide employees with benefit continuation or reinstatement rights unless these rights exist under some other law to which the employee is eligible.

### **POLICY INTERPRETATION AND IMPLEMENTATION**

#### 1. Definition

Effective January 1, 2004, California's State Disability Insurance program increased deductions to fund a separate component which provides for some wage replacement to workers who need to care for parents, children, spouses and domestic partners with a serious health condition, or to bond with a child following the birth, adoption, or foster placement of that child. For leaves commencing on or after July 1, 2004, employees may apply for benefits under the Paid Family Leave program. Employees may be eligible for up to six (6) weeks of benefits in a twelve (12) month period.

A leave may be taken for:

- The birth of an employee's child or the birth of an employee's domestic partner's child.
- The placement of a child for adoption or foster care with an employee.
- The serious health condition of a child of the employee, spouse, domestic partner or the serious health condition of the employee's spouse parent or domestic partner.

For purposes of a Paid Family Leave, a serious medical condition includes an illness, injury, impairment, or physical or mental condition that involves either of the following :

- Inpatient care in a hospital, hospice or resident health care facility or
- Continuing treatment or continuing supervision by a health care provider

#### 2. Scope

Paid Family Leave will run concurrent with FMLA and/or CFRA for those employees who are eligible for these leaves.

Benefits are not continued for a Paid Family Leave unless the time off is covered under another leave, such as FMLA or CFRA, which provides for benefit continuation.

Paid Family Leave does not entitle employees to automatic job reinstatement unless the time off is covered under another leave which provides for job reinstatement.

#### 3. Eligibility

Employees are eligible upon employment

#### 4. Basic Regulations and Conditions of Leave

Eskaton will require medical certification to support a claim Paid Family Leave to care for seriously ill child, spouse, domestic partner or parent. Eskaton may require proof for child bonding of the birth, adoption or foster placement of that child. This certification must include an estimate of the amount of time that the employee requires to provide care. Additionally, if the need for leave is foreseeable, employees are to submit a Request for Leave of Absence form at least thirty (30) days in advance of commencement of the time of. However, if the need is not foreseeable, then we ask that the Request for Leave of Absence form be submitted within one (1) or two (2) days of learning of the need for time off.

**POLICY INTERPRETATION AND IMPLEMENTATION**

The first seven (7) days will be administered under the guidelines of the Personal Leave Policy. Benefits will begin on the eighth (8<sup>th</sup>) calendar day of lost compensation. Employees have the option of using other accrued paid time off, such as sick leave. The use of accrued personal, vacation, or sick leave or receipt of Paid Family Leave benefits shall not extend the length of the employee’s time off under Paid Family Leave. Eskaton will integrate payment of vacation, sick or other paid time off with the benefits an employee receives from Paid Family Leave insurance.

5. Applying for Benefits

The Paid Family Leave program is administered by the Employment Development Department (EDD). Employees interested in applying for benefits may obtain an application from their facility or from EDD directly.

**Paid Time Off (PTO) Donation**

**(213)**

---

**POLICY STATEMENT**

Occasionally employees may wish to donate some of their accrued Paid Time Off (PTO) to another benefited employee. Eskaton will allow donations under certain circumstances but this is not intended for planned recreational vacations.

**POLICY INTERPRETATION**

1. Donation of PTO may be made with the approval of a VP. VP approval will determine potential maximum amount of hours to be donated.
2. Donated time will be converted from donor's rate of pay to recipient's rate of pay.
3. Eligible recipients must exhaust all available time-off accruals before PTO donations are applied.
4. PTO donations require the donating employee's written authorization on the Eskaton PTO Donation Form for exempt or non-exempt employees.
5. Donor will be responsible for taxes on donation per IRS regulations.

**Paid Time Off**

**(212)**

*All eligible non-exempt employees.*

---

**POLICY STATEMENT**

Eskaton provides an employee benefit program that includes paid time off. For sick leave, please refer to Non-Exempt Paid Sick Leave Policy #220 and Short-Term Disability #219.

**POLICY INTERPRETATION**

1. Eligibility and Waiting Periods

- A. All nonexempt regular full-time (RF), and regular part-time (RP) employees accrue Paid Time Off.
- B. Paid Time Off begins accruing after completing ninety (90) days continuous eligible service and can be used with the supervisor's approval after it is accrued with no waiting period.

2. Scheduling

- A. Use of these benefits must be requested in advance in writing and approved by the supervisor.
- B. Employees requesting 2 or more days off must submit their request 30 days in advance for consideration using the current time and attendance software. Exceptions to that time frame may be approved by the Executive Director or Corporate Department Director for ESC staff.

3. Accrual

- A. Each pay period the hours earned, for that pay period up to 80 hours will be accrued. Does not include Short-Term Disability (aka Major Sick) hours paid. Once the new balance in the account is determined, any hours taken that pay period will be subtracted, leaving the new account balance for that pay period.

B. The accrual schedule is:

1) Employees with less than thirty-six (36) months of service:

- a) .0615 hours for each hour paid up to a max of 80 hours per pay period.
- b) Highest possible annual accrual is one hundred twenty-eight (128) hours.
- c) Maximum accumulation is one hundred seventy-six (176) hours. Accruals in excess of this maximum will not be allowed.

2) Employees with thirty-seven (37) months through sixty (60) months service:

- a) .0653 hours for each hour paid up to a max of 80 hours per pay period.
- b) Highest possible annual accrual is one hundred thirty six (136) hours.
- c) Maximum accumulation is one hundred ninety-six (196) hours. Accruals in excess of this maximum will not be allowed.

3) Employees with sixty-one (61) months through one hundred twenty (120) months service:

- a) .0807 hours for each hour paid up to a max of 80 hours per pay period.
- b) Highest possible annual accrual is one hundred sixty-eight (168) hours.
- c) Maximum accumulation is two hundred twenty-six (226) hours. Accruals in excess of this maximum will not be allowed.

4) Employees with one hundred twenty-one (121) or more months of service:

- a) .100 hours for each straight time hour paid.
- b) Highest possible annual accrual is two hundred eight (208) hours.
- c) Maximum accumulation is two hundred seventy-six (276) hours. Accruals in excess of this maximum will not be allowed.

**POLICY INTERPRETATION**

4. Payment of Paid Time Off

- A. Paid Time Off will be paid in advance only when the vacation is scheduled in the pay period immediately following issuance of the check; paychecks are issued on the regular payday.
- B. All Paid Time Off in an employee account at the time of a status change to an ineligible status will be paid in the next paycheck.
- C. All Paid Time Off hours in the account at the time of termination will be paid in the final paycheck.
- D. Deductions from the Paid Time Off account will be mandatory for all absences except for Pregnancy Disability Leave (PDL).
- E. An employee may not elect to use any incremental amounts of paid time off that would result in less than full scheduled compensation for that pay period.
- F. If the shortfall in hours is employer directed then use of Paid Time Off is not required.
- G. Employees who were denied a PTO/vacation request and subsequently call off for the same days(s) may be subject to disciplinary action.

**Performance Evaluation Process**

**(427)**

**POLICY STATEMENT**

Eskaton’s formal performance evaluation process regularly documents every employee’s job performance. Eskaton utilizes a performance evaluation process which evaluates the core competencies and critical success factors for each employee, at least once annually.

**POLICY INTERPRETATION**

The purpose of the performance evaluation process is to provide feedback to employees, to inform them of job expectations of critical success factors and of performance requirements to maintain a satisfactory standard of performance.

1. Supervisors shall complete performance evaluations upon the completion of the introductory period for all newly hired and newly promoted employees. Thereafter, performance evaluations shall be conducted at least annually. For employees whose performance evaluation date occurs while on a leave of absence:
  - a. If the employee was out less than six (6) months, the evaluation will be completed within thirty (30) days from return to work.
  - b. If the employee was out more than six (6) months, the evaluation will be completed within ninety (90) days from return to work.
  
2. Employee review date does not change except in circumstances of promotion into a new position that also includes an increase of pay.
  
3. A written summation of the employee’s performance, progress towards goals and personal development plan will be prepared by the immediate supervisor and reviewed by the next level of management prior to meeting with the employee.
  
4. Performance evaluations will be reviewed in a private meeting between the employee and immediate supervisor.
  
5. Employees will be provided a copy of the signed performance evaluation.
  
6. All performance evaluations and recommendations for salary/wage increases must be approved by the Executive Director / Program Director prior to meeting with the employee.

## Personnel Records

(517)

---

### POLICY STATEMENT

Eskaton employment files will be in compliance with all local, state and federal laws and regulations, as well as Eskaton policy. Each file will be complete at all times.

### POLICY INTERPRETATION

#### A. Format

1. Each current or former employee of Eskaton will have an employment file and a confidential file with a Personnel File Checklist completed and filed in the file to be the first item you see when opening the file. These files will be kept together.
2. It will be the responsibility of the Executive Director and/or designee to maintain the employment files and confidential files.

#### B. Eskaton Review

1. Employment files and confidential files will be kept up to date at all times.
2. Periodically, the Human Resources department will conduct a random audit of the files to ascertain policy compliance and file completeness.
3. Only the Executive Director or their designee, Business Office Manager, Personnel Clerk and Human Resources shall have direct access to employment files.
4. Supervisors may view their direct report's employment file but not the confidential file.
5. Employment files are to remain in the business office under control of the custodian of records. By exception and utilizing a consistent chain of custody procedure managed by the custodian of records, a supervisor may remove a file from the business office but must return it the same day borrowed. An exception to this policy may be made if the file is required for legal review. In these cases, Human Resources will coordinate the removal and storage of employment files with the affected community.

#### C. Employee Review

1. Employees have the right to inspect their employment files and copy any documentation that they have signed.
2. Employees may designate a representative to inspect or receive a copy of their employment file; however any designated representative must be authorized by the employee in writing. Eskaton may take reasonable steps to verify the identity of any representative designated by an employee.
3. Employment files must be made available to the employee or designated representative either at the employee's worksite or at a mutually agreeable location. The employment file will be made available during normal business hours, by appointment, and during employees' free time, such as during breaks or after the workday, and no later than thirty (30) calendar days from the date Eskaton receives a written request from the employee to inspect or receive a copy of the employment file.
4. Employees may use the Personnel Records Request form, available from the Business Office Manager to request personnel records.
5. The Executive Director, Human Resources, Business Office Manager, or designated community representative must be present to monitor the inspection to ensure that the employee does not take, alter, or damage the file.

**POLICY INTERPRETATION**

6. Employees may take notes about their file, but they may not make any alterations.

D. Subpoena for Copies

Reference the Risk Management Manual for this procedure.

E. Request for Review by Licensing Agencies

When review of items in the files is required for licensure, regulatory agencies or accreditation Surveyors, only the requested material will be provided. No confidential file will be released without Human Resources approval.

F. Location

Employment files should be in a locked file in sight of the custodian of records.

**POLICY STATEMENT**

Eskaton, in compliance with state and federal regulations, offers employment contingent upon the successful completion of a health screen. In addition, all candidates over the age of 18 will be required to be fingerprinted for eligibility for employment. The purpose of the Post Offer Pre-Employment policy is to test the candidate’s ability to perform essential job functions with or without accommodation, screen for communicable diseases, and test the applicant for inappropriate or illegal drug use. The following tests are required by the Post Offer Pre-Employment Policy and are paid for by Eskaton. All post offer, pre-employment tests must commence within three business days of the offer of employment or within the time frame directed or scheduled by the hiring community. Results of the successfully completed and passed tests must be on the file with the hiring community prior to employment beginning.

**POLICY INTERPRETATION**

1. **Health Screen:** All candidates who are extended an offer of employment are required to participate in a health screening before commencing work.
2. **Physical Capability Test:** All candidates (with the exception of clerical and administrative positions) will be tested for essential job functions based on the physical capabilities/skills required for the job before commencing work.
3. **Drug Screen Test:** Eskaton’s Drug Free Workplace Policy requires all candidates to submit to a drug screen within 3 business days of the offer of employment or within the timeframe directed or scheduled by the hiring community. Candidates must be verbally notified prior to the test that he/she will be tested for inappropriate or illegal drug use at the time of the physical.
4. **PPD or Chest X-Ray Test:** Eskaton performs a two-step tuberculosis test (PPD) for new hires in skilled nursing, homecare, and a single-step PPD for all other new hires.

If a PPD (mantoux only) test or chest X-ray has been completed successfully within 3 months prior to Eskaton’s employment or 6 months for Home Healthcare candidates, the candidate may use this test to fulfill the TB screen post-employment requirement. Under this Policy the employee must provide proof of a negative PPD or X-ray to Eskaton. If the employee’s PPD test is positive, the employee must submit to a Chest X-ray.

5. **Fingerprint Background Check:** Please reference Eskaton’s Background Investigation Policy for requirements.
6. **COVID-19 Test:** All candidates are required to have a SARS-CoV-2 virus (PCR) test before commencing work. Staff will be required to abide by the COVID-19 testing schedule in place at their community when they work.
7. If the candidate is determined unable to continue or complete an examination due to prior or current medical problems, a doctor’s release may be required to continue the post employment process. The candidate will not be allowed to begin work without a medical clearance for any pre-existing medical problems.
8. Employment offers may be retracted if the candidate is not successfully cleared from all tests within 30 days of the offer of employment.
9. Community designee, Eskaton preferred providers, or designated occupational health clinics will be used to provide post-employment screening on all candidates.
10. All examination results will be maintained in the employee’s confidential personnel file at the corresponding community.

**Posting Obligations**

**(519)**

---

**POLICY STATEMENT**

Eskaton complies with federal, state, and local laws and ordinances with regards to the posting requirements which inform employees of their rights, responsibilities and obligations under the law.

**POLICY INTERPRETATION**

Eskaton requires posted notices in each community in conspicuous places, where the notices may easily be seen by employees and, in some instances, by applicants for employment:

Required posters can be obtained at the Eskaton Support Center in the Human Resources Department. Postings by employees must be approved by the Executive Director or appropriate management and must comply with the Solicitation Distribution of Literature policy.

## **Pregnancy Leave**

**(514)**

---

### **POLICY STATEMENT**

Eskaton will extend to pregnant employees the leave they medically require in compliance with federal and state legal requirements.

### **POLICY INTERPRETATION**

Pregnancy, childbirth or related medical conditions will be treated like any other disability. An employee on Pregnancy Disability Leave will be eligible for temporary disability benefits in the same amount and degree as any other employee on leave. Leave taken under this policy runs concurrently with Family Medical Leave (FMLA) under federal law, when applicable. It does not run concurrently with California Family Rights Act (CFRA) under California law.

The extent to which an employee should be permitted to work during pregnancy is a matter between the employee and her midwife or physician.

### **EXPECTATION**

The employee should advise her supervisor of her intent to take Pregnancy Disability Leave as soon as possible. She needs to make an appointment with her supervisor so she can receive the following information:

1. Employees who need to take Pregnancy Disability Leave must provide at least verbal notice of their need to take a Pregnancy Disability Leave and/or temporary job transfer. The verbal notice should include the anticipated timing and duration of the leave or transfer.  

If the need for the leave or transfer is foreseeable because of the pregnancy, employees must provide at least 30 days' advance notice before the Pregnancy Disability Leave or transfer is to begin, when possible. Employees must consult with their supervisor regarding the scheduling of any planned medical treatment to minimize disruption to the operations of Eskaton. Any such scheduling is subject to Eskaton's review of medical documentation provided by the employee's healthcare provider. If 30 days' advance notice is not possible, notice must be given as soon as practicable.
2. If requested by the employee and recommended by the employee's physician, the employee's work assignment may be changed as required to protect the health and safety of the employee and her child.
3. Requests for transfers of job duties will be reasonably accommodated if the job and security rights of others are not breached.
4. Temporary transfers due to health considerations will be granted where possible. However, the employee will receive the pay that accompanies the job, as is the case with any other temporary transfer due to temporary disability and restrictions.
5. Pregnancy Disability Leave usually will begin when indicated by the employee's physician. The employee must provide Eskaton with a certification from a healthcare provider. The certification indicating disability should contain:
  - The date on which the employee became disabled due to pregnancy
  - The probable duration of the period or periods of disability
  - A statement that, due to the disability, the employee is unable to perform one or more of the essential functions of her position without undue risk to herself, the successful completion of her pregnancy, or to other persons. (See "Certification of Health Care Provider")
6. Leave returns will be allowed only when the employee's physician provides a release.
7. The employee will be required to use accrued sick leave, after the 8<sup>th</sup> day of absence (if otherwise eligible to take the time) during a Pregnancy Disability Leave. The employee will be allowed to use

**POLICY INTERPRETATION**

accrued vacation or Paid Time Off (if otherwise eligible to take the time) during a Pregnancy Disability Leave.

8. Duration of the leave will be determined by the advice of the employee's physician. Disabled employees may be eligible to take up to four months of job and benefit protected leave with medical certification from their physician. Part-time employees are entitled to leave on a pro rata basis. The four months of leave includes any period of time for actual disability caused by the employee's pregnancy, childbirth or related medical condition. This includes leave for severe morning sickness and for prenatal care.
9. Leave does not need to be taken in one continuous period of time and may be taken intermittently, as needed. Leave may be taken in increments of ¼ of an hour. A medical certification indicating the employees need to miss work or reduce their schedule is required to approve intermittent leaves.
10. The employee will be reinstated to the same position she held when the leave began if she returns before her leave expires and upon submission of a medical release that she is able to return to work from her Pregnancy Disability Leave. However, there may be circumstances where the employee will not be entitled to reinstatement. The employee will have no greater right to a position than any other employee with continuous service not on leave. The employee will not be entitled to reinstatement if
  - she would have been laid off had she not gone on leave
  - her position has been eliminated or filled in order to avoid undermining Eskaton's ability to operate safely and efficiently during her leave
11. Health benefits differ for employees on Pregnancy Disability Leave:
  - A. Eskaton will maintain group health, dental, vision, long term disability and basic life and Accidental Death and Dismemberment insurance coverage up to a maximum of 16 work weeks (if such coverage was provided before the leave was taken) as long as the employee has a medical certification for their leave of absence.
  - B. The employee will receive continued paid coverage for as long as she is paid by Eskaton. Once she has exhausted her paid time off, she will have to pay the full premium to retain coverage. The employee may make monthly payments payable to Eskaton. This payment must be sent to the Benefits Department by the 1<sup>st</sup> of the month for which the coverage is for via money order or personal check to maintain her coverage. The group rate premium will be provided by the Benefits Department. In some instances, Eskaton may recover premiums it paid for this coverage if the employee fails to return to work following their approved leave of absence.
  - C. Pregnant employees whose paid coverage has ceased after sixteen (16) workweeks under Pregnancy Disability Leave may continue group health, dental and vision insurance through Eskaton, in conjunction with federal COBRA guidelines. Basic and supplemental life, Accidental Death and Dismemberment and Long Term Disability insurance coverage portability options and information will be provided to the employee so that she has the option to continue her coverage while on leave. The employee may do so by making monthly payments to Eskaton or its third part COBRA administrator for the relevant benefit premium.
  - D. The Human Resources Department will provide further information to the employee if needed.

**POLICY STATEMENT**

Eskaton provides all employees the opportunity without prejudice, penalty or recrimination to discuss their work-related problems and concerns with management.

**POLICY INTERPRETATION**

Employees may present their unresolved, work-related issues to their immediate supervisor, in writing. The process will go through three levels of management if necessary. A decision shall be deemed final and binding at the third level of management. Human Resources and the appropriate officer will receive copies of all documentation. Although the Problem Solving Process may be used to report allegations of harassment, the employee is not required to use this process and has other avenues of reporting outside of their supervisor such as the community Executive Director, their Vice President, any member of senior management at the Eskaton Support Center or the Director of Human Resources or their designee.

**Recruitment Policy**  
**(previously Appointment, Termination and Change of Status of Exec Mgmt Employees Policy)**  
**(432)**

**POLICY STATEMENT**

All significant human resources actions, such as recruitment and hiring is initiated in compliance with Eskaton's Equal Employment Opportunity policy and the requirements established by federal and state law.

**POLICY INTERPRETATION**

1. All candidates for non-executive positions must undergo a recruitment process to include a minimum of a supervisor skill set interview and a panel interview with appropriate Eskaton team members.
2. All candidates must be screened through the Previous Eskaton Verification Reference Check conducted by Human Resources which verifies past employment with Eskaton. If previously employed, Human Resources will verify termination reason, eligibility for rehire and refer hiring community to the prior Eskaton communities for additional reference checks.
3. All executive level staff are subject to the following process and approvals:  
Hiring: Executive-level staff must first be interviewed by the hiring manager (phone or in person skill set interview) and then interviewed by a panel, which should include one level of supervision above the candidate's position. All executive candidates successfully passing the panel process will be interviewed by the CEO and the appropriate VP for final approval and hiring authorization.
4. The following positions require a panel of or input from Eskaton support services team members; Business Office/Service Manager; Personnel Clerk; Director of Nursing; Resident Care Coordinator; Wellness Nurse; Food Services Director; Food and Nutrition Manager; Maintenance Supervisor/Director of Environmental Services; Sales Counselor; Service Coordinator; Memory Care Coordinator and Life Enrichment Director. The hiring manager will coordinate with the appropriate support services employee to coordinate the panel interview. The list of panel members are included on the following link: <N:\Departments\Human Resources\Recruitment Assistance\ESC - Panel Contacts.pdf>
5. Candidates may be scheduled for a panel interview after references have been successfully verified.
6. The Eskaton Candidate Tracking Form <N:\Departments\Human Resources\Recruitment Assistance\Recruitment Selection & Onboarding\Candidate Tracking Form.pdf> must be used for every candidate interviewed to ensure process is followed in conjunction with this policy.
7. All offer letters of employment of executives shall be initiated by the Director of Human Resources for the signature of the CEO.
8. Written announcements concerning hiring executive staff shall be released with the approval of the CEO, and/or his designee.

**Reduction In Force for Nonexecutive Staff**

**(433)**

**POLICY STATEMENT**

Eskaton follows a systematic process to determine the order in which positions will be eliminated when economic conditions or other significant business issues necessitate a reduction in work force.

**POLICY INTERPRETATION**

1. Reductions in Force

Factors Used to Determine Order of Reduction in Force

- A. Positions to be eliminated will be determined solely for business reasons.
- B. All Human Resource policies shall be followed.
- C. Reductions in force may be implemented on an Eskaton-wide basis or in one or more communities, departments, work groups, or job classifications.

2. Factors to consider when selecting incumbents are:

- Performance
- Skills
- Education / training

3. Severance Pay

A. All regular full-time employees (other than those on written contract), who are terminated due to a reduction in work force, will receive severance pay based on the following schedule:

<u>Year of Service</u>	<u>Severance Pay</u>
1 - 3 years	2 weeks
4 - 6 years	3 weeks
7 - 9 years	4 weeks
10 years	5 weeks
11 or more years	1 week for each full year of service

- B. Regular part-time and regular half-time employees will receive a pro-rata amount of the severance pay.
- C. Severance pay shall be computed based on the employee's average weekly pay during the employee's last twelve (12) months of employment.
- D. On call and temporary employees are not eligible for severance pay.
- E. Employee severance payments will be made to eligible employees after 30 days from date of termination. If an employee is rehired within 30 days, the employee is no longer eligible for a severance payment.

4. Employees who are separated from Eskaton due to business transactions, such as the sale of a facility, leasing of employees, contracting of employees, merger, new partnerships, etc., are not entitled to severance payment.

**Re-employment**

**(435)**

**POLICY STATEMENT**

Eskaton will bridge the service gap of any former employee who obtains re-employment within the guidelines of this policy.

**POLICY INTERPRETATION**

Eligibility Requirements

Former employees are eligible for reinstatement at the option of the company under the following conditions:

1. Former employee was employed for a minimum of one (1) year.
2. Former employee was rehired within one (1) year of termination.
3. Former employee must successfully pass a Previous Eskaton Verification Reference Check conducted by Human Resources which verifies the employee is eligible for rehire. This includes the hiring Executive Director speaking to all prior Executive Directors / Corporate Directors or their designees and review of the employment file.

Employees will be reinstated with the following benefits/conditions:

1. Employees being reinstated will receive the appropriate rate of pay for their past experience in this type of position.
2. Reinstated employees will retain their original date of hire
3. The introductory period would be applicable to the reinstated employees hired for a new position. The waiting period for benefits will be the first of the month following date of rehire.
4. Reinstated employees cannot receive any hiring bonus programs in effect at the time of their reinstatement.
5. Reinstated employees are not eligible for any benefit that would have accrued during their absence from the company (i.e., vacation hours, pension, etc.).
6. Reinstated employees must complete the post-employment process and New Hire Orientation. (Refer to Post-Offer Pre-Employment Testing Policy, #429 and Background Investigation Policy #403 for further guidance.)

**POLICY STATEMENT**

Eskaton will provide, in compliance with federal and state law, uninterrupted rest periods away from work duties during each shift.

**POLICY INTERPRETATION**

1. Employees are required to take a fifteen-(15-)minute rest period for each four (4) hours of work or major fraction thereof. A major fraction of four (4) hours is any time more than two (2) hours. This fifteen (15) minute period should occur as near as possible to the middle of the work period.
2. A rest period is not required for employees whose total daily work time is less than three and a half (3.5) hours.
3. Rest period time shall be counted as hours worked, for which there shall be no deduction from wages.
4. Rest periods may not be combined or taken as part of a lunch period.
5. Rest period time may not be used to make up late arrival time or early leave time from work.
6. Management is responsible for making sure that the rest period time is available. **The employee is responsible for taking their scheduled rest period and must inform their supervisor or designee immediately if unable to do so or if the rest period is interrupted.**
7. In addition to notifying their supervisor or designee, an employee will document any missed rest period(s) at the time clock upon clocking out for the day. This completed attestation will be submitted to the assigned supervisor for review.
8. Employees are to turn off all company required communication devices during a rest period and should not answer pages or do any work during this time. If a verifiable emergency arose that could not reasonably be handled by other staff on duty and the rest period was interrupted, the employee is to be provided another full rest period, or paid the penalty for the missed rest break.
9. Employees who refuse to follow this policy will be subject to disciplinary action.

## Rules of Conduct

(437)

---

### POLICY STATEMENT

The rules set forth below are intended to provide employees with fair notice of what is expected of them while working for Eskaton and the consequences, thereof, of poor performance or misconduct.

### POLICY INTERPRETATION

Employees are expected to observe certain standards of job performance and good conduct. When performance or conduct does not meet Eskaton standards, Eskaton will endeavor, when it deems appropriate, to provide the employee a reasonable opportunity to correct the deficiency. If, however, the employee fails to make the correction, he or she will be subject to discipline up to and including termination.

The rules set forth below are intended to provide employees with fair notice of what is expected of them. Necessarily, however, such rules cannot identify every type of unacceptable conduct. Any conduct which adversely affects or is otherwise detrimental to the interest of Eskaton, other employees, or customers may also result in disciplinary action.

#### Job Performance

- Unsatisfactory work quality or quantity
- Poor attitude (for example, rudeness or lack of cooperation)
- Excessive absenteeism, tardiness, or abuse of break and lunch privileges
- Failure to follow instructions or Eskaton policies or procedures
- Failure to follow established safety regulations

#### Misconduct

- Resident or Patient Abuse
- Insubordination
- Dishonesty
- Theft
- Discourtesy
- Inappropriate and/or offensive language (ex: language considered obscene or abusive)
- Misusing or destroying Eskaton property or the property of another on Eskaton premises
- Violating conflict of interest rules
- Disclosing or using confidential or proprietary information without authorization
- Falsifying or altering Eskaton records, including the application for employment
- Interfering with the work performance of others
- Altercations, verbal or physical
- Being under the influence of, manufacturing, dispensing, distributing, using, or possessing illegal (or controlled) substances on Eskaton property or while conducting Eskaton business
- Being under the influence of or using alcohol on Eskaton property or while conducting Eskaton business
- Gambling on Eskaton premises or while conducting Eskaton business
- Sleeping on the job
- Leaving the job without authorization
- Possessing a firearm or other dangerous weapon on Eskaton property or while conducting business
- Failure to follow Eskaton's Dress Code Policy
- Being convicted of a crime that indicates unfitness for the job or raises a threat to the safety or well-being of Eskaton, its employees, customers, or property
- Failing to report to Eskaton, within five days, any conviction.

## **POLICY INTERPRETATION**

Except as set forth in this policy, discharge for poor performance ordinarily will be preceded by an oral warning and a written warning.

Eskaton reserves the right to proceed directly to a written warning or to termination for conduct or performance deficiency, without resorting to prior disciplinary steps, when Eskaton deems such action appropriate.

Supervisors are required to document performance deficiencies or misconduct on The Rules of Conduct form. Different forms of documentation will be used for executive employees

## **Safety Management Plan**

**(703)**

---

### **POLICY STATEMENT**

Eskaton's intent is to provide a safe and healthful environment for employees, residents, and visitors to reduce the risk of injuries. Each community will implement a Safety Management Plan.

### **POLICY INTERPRETATION**

#### **PURPOSE:**

The safety management plan is a community-wide program designed to provide a physical environment free of hazards, to manage staff activities, to reduce the risk of human injury and to maintain compliance with applicable federal, state and local ordinances, Life Safety Code standards and other regulatory agencies.

#### **PROGRAM COMPONENTS INCLUDE THE FOLLOWING:**

1. The Executive Director is assigned the safety, responsibility, and accountability at each Eskaton Community.
2. An ongoing surveillance process for identifying and evaluating workplace hazards, including scheduled periodic inspections to identify unsafe conditions and work practices.
3. A system for reporting and investigating all incidents of property damage, occupational illness, and employee, resident or visitor injury.
4. An employee orientation and education program that addresses:
  - General safety practices
  - Area-specific safety practices
  - Specific job-related hazards
  - New employee orientation and continuing education
  - Annual employee in-services
5. Organized "safety committees" composed of representation from administration, clinical services, and support services. Meetings are scheduled at regular intervals to address issues related to managing the environment of care.
6. A system designed to encourage employees to inform management of hazardous conditions in the environment without fear of reprisal.
7. Performance standards for:
  - Monitoring and inspection activities,
  - Staff safety-management knowledge and skill,
  - Inspection, preventive maintenance, and testing of safety equipment
  - Ensuring that employees comply with safe and healthy work practices, which may include disciplinary action.

**POLICY INTERPRETATION**

8. Environment of Care management plans that specifically address:
  - Security
  - Control of hazardous materials and wastes
  - Emergency preparedness
  - Life safety
  - Medical equipment
  - Utility systems
  
9. Annually evaluating the objectives, scope, performance, and effectiveness of the Safety-Management Plan.

**Shared Employees**

**(439)**

**POLICY STATEMENT**

In limited circumstances, Eskaton will allow employees to work temporarily at more than one Eskaton community when the combined regularly scheduled hours do not exceed 40 in one week or 80 in a two week period.

**POLICY INTERPRETATION**

1. An employee may be temporarily assigned to another community only with the advance approval of the COO and the maximum period of time must be predetermined.
2. Employees who work at more than one Eskaton community will receive benefits based on the combined hours routinely worked at all communities.
3. Compensation at each location will be determined by the Director of Human Resources. If the rate is different from the primary rate a Notice of Personnel Action (NPA) needs to be completed and forwarded to payroll.
4. If a regular community employee works occasionally at another community, the temporary community will absorb any overtime liability that results from an employee working at the “temporary” community.

## **Short Term Disability**

**(219)**

*Available to All Exempt and Non-exempt Employees except those on the Executive Sick Leave Plan.*

---

### **POLICY STATEMENT**

To minimize the economic hardships that may result from a short-term illness or injury to the employee or their parent, spouse, child, registered domestic partner, or the child of a registered domestic partner. Eskaton provides short term disability benefits to Regular Full-time and Regular Part-time employees.

### **POLICY INTERPRETATION**

1. Employees must successfully complete the introductory period to be eligible for short term disability accrual and use.
2. Short term disability benefits are not paid upon termination for any reason, and may not be applied as additional vacation time.
3. If an employee changes to an ineligible status, he/she will no longer accrue this benefit. The bank of time already accrued will be held for up to six (6) months and cannot be used while the employee is in this status. However, if the employee changes back to an eligible status within six (6) months, the bank of previously-accrued time is reactivated. The employee's bank of time, if any, will be eliminated six (6) months from the date he/she became ineligible. **Exception:** An employee who was Regular Half-time on June 10, 2001, will no longer accrue short term disability, but will be allowed to hold the earned time and use when eligible, unless that employee terminates or changes to an on-call status.
4. The accrual rate is .027 hours for each hour worked. The maximum accumulation is 180 hours.

#### **Procedure**

1. Short term disability hours can only be used when meeting the following qualifications:
  - A. An employee must be disabled according to state guidelines.
  - B. If an employee chooses to, he/she may use up to ½ of his/her current annual ("annual" defined as rolling 12 month period) short term disability accrual to take time off to care for his/her parent, spouse, child, registered domestic partner, or the child of a registered domestic partner who is ill. A physician's certificate must be provided to Eskaton indicating the need for care.
  - C. Benefits will begin on the eighth calendar day of lost compensation. However, if coordinating with Paid Family Leave, benefits will begin on the first calendar day of lost compensation.
2. Employees must use short term disability before taking unpaid absences. Payments from the short term disability account will be integrated with payments made by State Disability or Workers' Compensation, except when being used for payment for time off to care for the employee's parent, spouse, child, registered domestic partner, or the child of a registered domestic partner who is ill. Short term disability is paid at the employee's base wage; excluding any variable income such as bonuses, commission, overtime, etc.

#### **Please refer to the appropriate Leave of Absence Policy.**

- \* Exception: There will be no further accruals, until balances drop below 180 hours, for employees who had balances exceeding that amount at the time the Short Term Disability Plan maximum changed.

## POLICY INTERPRETATION

Dependent Definitions:

- Child: An employee or domestic partner’s biological, adopted, foster child, Stepchild, legal ward or a child to whom the employee stands in loco parentis. The definition of child applies regardless of the child’s age or dependency status.
- Parent: An employee’s biological, foster, or adoptive parent, stepparent or legal guardian.
- Domestic Partner: Two adults who have filed a Declaration of Domestic Partnership with the Secretary of State if they are of the same sex. If they are opposite sex, they must file an Affidavit of Domestic Partnership.
- Parent-in-law: The parent of a spouse or domestic partner.
- Grandparent: A parent of the employee’s parent (including a biological, foster, or adoptive parent, a parent-in-law, a stepparent, a legal guardian, or other person who stood in loco parentis when the employee was a child).
- Grandchild: A child of the employee’s child (including a biological, adopted, or foster son or daughter, a stepson or stepdaughter, a legal ward, a son or daughter of a domestic partner or the person to whom the employee stands in loco parentis)
- Sibling: A person related to another person by blood, adoption, or affinity through a common legal or biological parent.

**Sick Leave – Executive**

**(219D)**

---

**POLICY STATEMENT**

To minimize the economic hardships that may result from a short-term illness or injury to the executive or their parent, domestic partner, spouse or child. This policy complies with AB 1522, California Paid Sick Leave.

**POLICY INTERPRETATION**

1. The number of hours accrued will be prorated to accommodate status changes that occur during the year. The following accrual rates shall apply:
  - a. Full-time Executives                      5 days per month
  - b. Part-time Executives                      2.5 days per month
  - c. Maximum Accrual                      60 days
2. Sick leave does not accrue when the executive is on a leave of absence.
3. Sick leave benefits are not paid upon termination for any reason, and may not be applied as additional vacation time.

**Procedure**

1. Sick leave hours can only be used when meeting either of the following qualifications:
  - a. An executive must be ill or injured. A medical note may be required if the medical absence extends past three (3) days.
  - b. KinCare: An executive may use up to ½ of his or her current annual (“annual” defined as rolling 12 month period) accrual to take time off to care for his or her parent, domestic partner, spouse or child who is ill.
  - c. California Paid Sick Leave:
    1. Paid sick leave will be provided upon an employee’s oral or written request. Employees should use the Eskaton Request for Time Off form to ensure proper tracking. If the need for paid sick leave is foreseeable, an employee must provide reasonable advance notice. If not, the employee must provide notice as soon as is practical.
    2. Employees may use paid sick leave in increments of no less than two (2) hours.
    3. Employees may use up to three (3) days paid sick leave to take time off to care for his or her parent, domestic partner, spouse or child, grandparent, grandchild, or sibling, or designated person.
2. Payments from the sick leave account will be integrated with payments made from State Disability or Workers' Compensation. Sick leave payments will be integrated with Paid Family Leave when the time off is to care for the executive’s serious ill parent, spouse, domestic partner, or child, parent-in-law, grandparent, grandchild, sibling or to bond with a new child.

## POLICY INTERPRETATION

Relation Definitions:

- Child: An employee or domestic partner’s biological, adopted, foster child, Stepchild, legal ward or a child to whom the employee stands in loco parentis. The definition of child applies regardless of the child’s age or dependency status.
- Parent: An employee’s biological, foster, or adoptive parent, stepparent or legal guardian.
- Domestic Partner: Two adults who have filed a Declaration of Domestic Partnership with the Secretary of State if they are of the same sex. If they are opposite sex, they must file an Affidavit of Domestic Partnership.
- Parent-in-law: The parent of a spouse or domestic partner.
- Grandparent: A parent of the employee’s parent (including a biological, foster, or adoptive parent, a parent-in-law, a stepparent, a legal guardian, or other person who stood in loco parentis when the employee was a child).
- Grandchild: A child of the employee’s child (including a biological, adopted, or foster son or daughter, a stepson or stepdaughter, a legal ward, a son or daughter of a domestic partner or the person to whom the employee stands in loco parentis)
- Sibling: A person related to another person by blood, adoption, or affinity through a common legal or biological parent.
- Designated Person: Person identified by the employee at the time the employee requests Paid Sick Leave day(s). Designated Person does not need to be related by blood or affinity. Limited to one (1) designated person per twelve (12) month period.

## Sick Leave – Non-Exempt

(220)

---

### POLICY STATEMENT

Eskaton provides paid sick leave to non-exempt employees in compliance with California's Paid Sick Leave Law. Exempt and Executive employees are provided for under separate policies, Sick Leave Executive (219D) and Exempt Paid Time Off Program (206).

### POLICY INTERPRETATION

#### 1. Eligibility and Waiting Periods

- A. All non-exempt employees accrue paid sick leave regardless of status (i.e., on call, half-time or temporary).
- B. Paid sick leave is credited on date of hire; however, employees may not use sick leave until the 90<sup>th</sup> day of employment.
- C. Part-time and full-time non-exempt employees hired before July 1, 2015 who also have accrued Paid Time Off (PTO) benefits will be paid out any unused paid sick leave hours upon termination.

#### 2. Scheduling

- A. Paid sick leave will be provided upon an employee's oral or written request. Employees should use the Eskaton Paid Time Off Request Form to ensure proper tracking. If the need for paid sick leave is foreseeable an employee must provide reasonable advance notice. If not, the employee must provide notice as soon as is practicable.
- B. Employees may use paid sick leave in increments of no less than two (2) hours. Payment will be wage replacement for scheduled work days missed due to the employee's or family member's illness as covered by this policy.
- C. Employees may use paid sick leave to take time off to care for his or her parent, domestic partner, spouse, child, grandparent, grandchild, or sibling or designated person.
- D. Absences that occur and are paid under this policy cannot be counted against the Eskaton Attendance Standards policy (402).

#### 3. Accrual

- A. All non-exempt employees will be credited with twenty-four (24) hours upon hire. Annually thereafter, either on the employee's anniversary date of hire or July 1<sup>st</sup> if employee was hired before July 1, 2015, all non-exempt employees will be credited with up to twenty-four (24) hours but at no time will the total accrual exceed twenty-four (24) hours.
- B. Employees that work at more than one Eskaton location are only credited with sick hours for one Eskaton location; therefore, the maximum sick leave hours credited is twenty-four (24).

#### 4. Reinstatement

Any unused accrued paid sick leave balance at the time of termination will be reinstated if a former employee is rehired within one (1) year of leaving employment with Eskaton.

## POLICY INTERPRETATION

Relation Definitions:

- Child: An employee or domestic partner’s biological, adopted, foster child, Stepchild, legal ward or a child to whom the employee stands in loco parentis. The definition of child applies regardless of the child’s age or dependency status.

**Solicitation / Distribution of Literature**

**(441)**

**POLICY STATEMENT**

In order to maintain and promote efficient operations, discipline and security, Eskaton has established rules applicable to all employees which govern solicitation, distribution of written material, electronic mail, and entry onto the premises and work areas.

**POLICY INTERPRETATION**

1. No employee shall solicit support for cause or organization that is not related to Eskaton or any of its subsidiaries, during his or her working time.
2. No employee shall solicit a co-worker's support for a cause or organization that is not related to Eskaton or any of its subsidiaries while knowing that the co-worker is on working time.
3. No employee shall promote support for a cause or organization that is not related to Eskaton or any of its subsidiaries during his or her working time.
4. No employee shall promote support for a cause or organization that is not related to Eskaton or any of its subsidiaries to a co-worker while knowing that the co-worker is on working time.
5. No employee shall distribute or circulate any items, written or printed material, or electronic email not related to Eskaton business in work areas at any time.
6. No employee shall engage in any action which is intended to influence others religiously.
7. The solicitation/distributing of literature policy does not prevent employees from engaging in any discussion or activity that is not specifically and expressly prohibited herein.

**(221)**

---

**POLICY STATEMENT**

Eskaton offers tax deferred savings plans to all eligible employees.

**POLICY INTERPRETATION AND IMPLEMENTATION**

1. All eligible employees may participate in a tax deferred plan.
2. Contributions may be either a fixed dollar amount or a percentage of pay beginning from one percent (1%) to the maximum allowed by federal law.

**POLICY STATEMENT**

All employment actions such as discipline and termination are initiated in compliance with Eskaton’s Equal Employment Opportunity policy and the requirements established by federal and state laws.

**POLICY INTERPRETATION**

There are two types of termination: voluntary initiated by the employee and involuntary initiated by Eskaton.

1. All terminations are to be recorded on the Eskaton Notice of Personal Action (NPA) form and sent to payroll in advance of the termination date.
2. The Eskaton Termination Procedure is to be followed for each termination. The procedure along with the Termination Checklist can be found here [N:\Departments\Human Resources\Forms\Termination](#)
3. All involuntary termination requests require the approval of the community Executive Director or applicable Program Director and the line of business Vice President. Human Resources will review the request for compliance with policies and regulations. The final decision will be made between the Executive Director and their Vice President.
4. Any termination of executive employees must be reviewed in consultation with the Chief Executive Officer, the appropriate Vice President and the Director of Human Resources or designee. An executive termination will be conducted pursuant to any applicable written contract of employment which may be in effect with the executive.
5. Final payment shall be available at the time of an involuntary termination, or, in the case of a voluntary termination, within 72 hours of the last day worked, unless notification of termination was given at least 72 hours in advance, in which case the final paycheck is due at the time of termination.
6. A termination Rules of Conduct and Employment Development Department (EDD) booklet must be given when conducting an involuntary termination.
7. The employee’s supervisor or designee is responsible for communicating with the Information Systems Department (ISD) staff regarding the employee’s email, electronic files and voicemail as well as notifying the community management team and others as necessary that the employee no longer works for Eskaton.
8. The designated community representative will conduct an exit meeting to review the Eskaton Termination Exit Checklist.
9. All executive-level employees will be given an exit interview by the Human Resources Department and/or Chief Executive Officer, as appropriate.
10. Employees who voluntarily resign and provide a valid email address will be sent an exit survey to complete.

**Time Off for School Visits**

**(527)**

**POLICY STATEMENT**

Eskaton will provide time off for school visits, for any reason, for parents, guardians and custodial grandparents and for children of domestic partners and persons standing in loco parentis (in place of a parent) to a child.

**POLICY INTERPRETATION**

1. The employee shall give Eskaton reasonable notice of the need to take time off to visit the school. Refer to Attendance Standards policy for time guidelines.
2. If the visit is to appear in the school because of a suspension of the pupil, there are no annual limits to the amount of time that can be requested.
3. If the visit is for one or more children in grades kindergarten to 12, inclusive, and the request is to take time to participate in school activities, the employee is limited to taking a maximum of forty (40) hours each school year, not to exceed eight (8) hours in any calendar month of the school year. However, a child care provider or school emergency does not have an eight (8) hours per month limitation.
4. The employee, if requested by Eskaton, shall provide documentation from the school as proof that he or she participated in school activities on a specific date and at a particular time. Written documentation means whatever written verification of parental participation the school deems appropriate and reasonable.
5. If more than one (1) parent is employed by Eskaton, we may limit the absence to the parent who first gave notice.
6. Employees are required to first use available paid time off/vacation for the absence before taking time off unpaid.

**POLICY STATEMENT**

In compliance with federal and state law, Eskaton requires each employee to accurately record his/her regular hours worked, meal periods, overtime, and absences.

**POLICY INTERPRETATION**

1. Federal and state law requires that nonexempt employees record actual hours of work. Eskaton is required to retain these time records for a period of ten (10) years.
2. Each employee's signed electronic time document shall be the **official** record of time worked each day by the employee. The information recorded and submitted on this document establishes the hours for which the employee shall be paid.
3. All hourly employees are required to use the assigned data collection system, e.g. timeclocks, etc. at all times
4. Time shall be recorded at the beginning and end of each workday, meal period, split shift and/or absence.
5. All time, including overtime, whether or not it is authorized, must be recorded and paid for each day worked. Employees are to obtain their supervisor's permission prior to working any overtime.
6. If there is an error or a missed punch that needs correcting on the timesheet, the employee must submit missing punch data via the time clock or contact their supervisor or in the communities without a timeclock, please see the Executive Director. No edits are to be made to an employee's timesheet without the written consent of the employee.
7. Employees may not perform work off the clock and may not clock in more than five (5) minutes prior to the start of their shift.
8. Employees who refuse to follow this policy will be subject to disciplinary action.

**Tobacco / Smoke-Free Campus Policy**

**(523)**

**POLICY STATEMENT**

As a provider of health services to older adults, Eskaton is committed to providing a safe and healthy workplace. As declared by the California Indoor Clean Air Act of 1976, tobacco smoke is a health hazard for the general public. Motivated by our desire to provide a healthy work environment for our employees, the tobacco / smoke free campus policy has been adopted and shall apply to all employees and vendors of Eskaton.

**POLICY INTERPRETATION**

***Employees while on duty and/or on company properties are prohibited from using tobacco products.***

***Vendors while on company properties are prohibited from using tobacco products.***

***An exception to this policy applies to the residents of Eskaton in designated smoking areas.***

**Definition** - For the purpose of this policy, “tobacco” is to include but not limited to cigarettes, cigar, pipe, other smoking and vapor products including “e-cigarette” and electronic nicotine devices (ENDs) as well as chewing tobacco, smokeless, dip, snus, and snuff.

**Compliance** - An initial violation of this policy will result in a reminder of our policy and an offer of tobacco-cessation support. Subsequent infractions and/or violations of this policy shall be dealt with using Eskaton’s Rules of Conduct Policy.

**Tobacco Cessation Opportunities** – Eskaton may offer assistance with smoking cessation programs. Prescription medication for smoking cessation is included under Eskaton’s Drug Prescription Program.

**POLICY STATEMENT**

Eskaton provides opportunities to enhance career advancement and development through inter-community and inter-departmental transfers.

**POLICY INTERPRETATION**

1. An employee must inform their supervisor prior to applying for an inter-community or inter-departmental transfer.
2. Employees who meet the following conditions may be considered for a transfer:
  - A. A minimum of six months of active service in current position must be completed unless approval is obtained from the appropriate Officer or Vice President.
  - B. Performance in the current position must meet or exceed requirements. Counseling received within a six-month period may, at the discretion of the employee's supervisor, constitute unsatisfactory job performance for the purpose of this policy.
  - C. Both department heads must approve the transfer request, for inter-departmental transfers.
  - D. Both executive directors must approve inter-community transfers. The receiving executive director must review the employment file of any inter-community transfer before the transfer is approved.
  - E. All transfers must be approved in advance by the Director of Human Resources or their designee.
3. The receiving community shall:
  - A. Conduct and document a new employee orientation with the transferred employee.
  - B. Review with the employee all wage and benefit programs of the receiving community.
4. The performance review date will not be adjusted for a lateral transfer. Any pay changes for a lateral transfer would need approval by the appropriate Vice President.
5. Two weeks after the transfer has been approved, the employee shall be transferred to the new position unless an alternate date is agreed upon, in writing, by both the administrators/program directors.
6. The sending community shall forward the Personnel Files and an NPA with the "current" side completed. Any community licensed under the California Department of Public Health must retrain a full copy of the employment file on site for one full survey cycle.
7. The receiving community shall complete the "proposed" side of the NPA and forward to Payroll.

**Victims of Violent Crime Leave**

**(515)**

**POLICY STATEMENT**

Eskaton prohibits discrimination or retaliation against employees who are victims of domestic violence or any violent crime and must take time off from work for any of the reasons listed below. Employees who are victims of any violent crime are eligible for an unpaid leave.

**POLICY INTERPRETATION**

1. An employee may request a leave of absence if they/their:
  - are involved in any judicial action, such as obtaining restraining orders, appearing in court to obtain relief to ensure they/their health, safety or welfare, or that of they/their child;
  - Need to seek medical attention for injuries caused by domestic violence;
  - Need to obtain services from a domestic violence shelter, program, or rape crisis center as a result of domestic violence;
  - Need to obtain psychological counseling related to an experience of domestic violence, or;
  - Need to participate in safety planning and take other actions to increase safety from future domestic violence, including temporary or permanent relocation.

For victims of a violent crime or those whose immediate family member is a victim, the absence may be to attend any judicial proceedings related to the crime including any delinquency proceeding. Immediate family is defined as: Spouse, domestic partner, child, stepchild, brother, stepbrother, sister, stepsister, mother, stepmother, father, stepfather or guardian.

2. An employee must provide notice and certification of they/their need to take leave under this policy. Certification may be sufficiently provided by any of the following:
  - a. A police report indicating that the employee was a victim of any violent crime.
  - b. A court order protecting or separating the employee from the perpetrator of an act of any violent crime, or other evidence from the court or prosecuting attorney that the employee appeared in court.
  - c. Documentation from a medical professional, domestic violence advocate, health care provider, or counselor that the employee was undergoing treatment for physical or mental injuries or abuse resulting in victimization from an act of any violent crime.
3. Eskaton will, to the extent allowed by law, maintain the confidentiality of an employee requesting leave under this provision.
4. The length of unpaid leave an employee may take is limited to that provided for in Eskaton's Family and Medical Leave Policy (policy #512).

## POLICY STATEMENT

Eskaton maintains as part of its technology platform voice mail and electronic mail (e-mail) systems. These systems are provided to assist in the conduct of business within the company.

### POLICY INTERPRETATION AND IMPLEMENTATION

1. Messages should be limited to the conduct of business of the company. Voice mail, e-mail and internet may not be used for personal business.
2. Voice mail and e-mail messages may not contain content that may be reasonably considered offensive or disruptive to any employee. Offensive content would include, but would not be limited to, sexual comments or images, racial slurs, gender-specific comments, or any comments that would offend someone on the basis of his or her age, sexual orientation, religious or political beliefs, national origin, or disability.
3. While voice mail and e-mail may accommodate the use of passwords for security, the reliability of passwords for maintaining confidentiality cannot be guaranteed. You must assume that any and all messages may be read by someone other than the intended or designated recipient. Voice mail users should include in their outgoing voice-mail message an instruction to "please leave a non-confidential message." Your information may need to be accessed by the company when you are absent. The Information Systems department will have access to all company computer and electronic equipment, including voice mail, electronic mail and Internet accounts.
4. Employees may access only those messages, files, or programs that they have permission to access. Unauthorized review, duplication, dissemination, removal, damage or alteration of files, passwords, computer systems or programs, voice mail messages, or other property of the company, or improper use of information obtained by unauthorized means is prohibited.
5. Internet, World Wide Web, and Intranet access have been provided to employees for the benefit of the company and its customers, vendors and suppliers.
  - **Acceptable uses of the Internet:** Employees accessing the Internet, World Wide Web and/or the company's own Intranet are representing the company when doing so. Each employee is responsible for ensuring that they use their Internet access privilege in an effective, ethical and lawful manner. "Chat rooms" may be used to conduct official company business, or to gain technical or analytical advice. Electronic mail may be used for non-confidential business contacts.
  - **Unacceptable uses of the Internet:** Sending, saving or viewing offensive material is prohibited. Offensive material includes, but is not limited to, sexual comments, jokes or images, racial slurs, gender-specific comments, or any comments, jokes or images that would offend someone on the basis of his or her age, disability, gender, race, religion, national origin, physical attributes, sexual preference or any other classification protected by federal, state or local law.
  - Any use of the Internet, World Wide Web, and/or the company's Intranet to harass or discriminate is unlawful and strictly prohibited by the company.
6. Each employee is responsible for the content of all messages or images that they place, send, or view over the Internet. All messages communicated on the Internet should have the employee's name attached; messages may not be transmitted using someone else's name or under an

**POLICY INTERPRETATION AND IMPLEMENTATION**

assumed name.

7. To prevent computer viruses from being transmitted through the system, employees are not authorized to download any software onto their computer or any drive in that computer. Employees interested in obtaining software from the Internet should contact the Information Systems department.
  
8. Eskaton computers and the data stored on them are, and remain at all times, the property of the company. As such, all messages created, sent or retrieved over the Internet or the company's electronic-mail system or voice mail system are the property of the company, and may be treated as company information. Employees have no right to privacy as to any information or file transmitted or stored through the company's computer systems, voice mail, electronic mail, or other technical resources. The company reserves the right to retrieve and read any message or file. Employees should be aware that, even when a message is erased or a visit to a Web site is closed, it is still possible to recreate the message or locate the Web site. Accordingly, Internet and electronic mail messages are considered company communication(s), not private. Furthermore, all communications including text and images may be disclosed to law enforcement or other third parties without prior consent of the sender or the receiver.
  
9. Employees are to have a unique password that only the user of the account knows. Sharing of passwords between employees is prohibited. An employee will be held personally responsible for all computer activity performed under their password unless the employee has previously notified their supervisor that another person has gained access to their password.
  
10. Violations of any guidelines listed above may result in disciplinary action up to and including termination. In addition, the company may advise appropriate legal officials of any illegal violations.

## Workplace Violence Prevention Plan

(707)

---

### POLICY STATEMENT

Eskaton is committed to providing a working environment free of violence and recognizes the potential for violence in the workplace; therefore, Eskaton will make every reasonable effort to identify all potential sources of violence to eliminate or minimize these risks through the Workplace Violence Prevention program.

### POLICY INTERPRETATION

1. Eskaton's Workplace Violence Prevention Plan addresses the hazards known to be associated with the four major types of workplace violence:

Violence is any actual, attempted or threatened conduct of a person that causes or is likely to cause physical and/or psychological harm/injury/illness or that gives a person reason to believe that the safety of another person is at risk of physical or psychological harm/injury/illness, including, but not limited to, any actual or attempted assault (including sexual assault and physical attacks); threat; verbal, psychological or sexual abuse; and harassment.

- A. Type I workplace violence involves a violent act by an assailant with no legitimate relationship to the workplace who enters the workplace to commit a crime.
  - B. Type II involves a violent act or threat of violence directed at employees by customers, clients, patients, students, inmates, or visitors or other individuals accompanying a resident.
  - C. Type III involves a violent act or threat of violence by a current or former employee, supervisor or manager, or another person who has some employment-related involvement with Eskaton, such as an employee's spouse, an employee's relative or friend, or another person who has a dispute with one of our employees.
  - D. Type IV involved a violent act or threat of violence by an assailant who is not an employee but has or is known to have had a personal relationship with an employee.
2. All threats or acts of violence are taken seriously and will be investigated by management, which may include but is not limited to the Executive Director, Chief Operations Officer, Workers' Compensation/Safety Director and the Director of Human Resources Confidentiality of information from employees will be maintained to the highest degree.
  3. Compliance with this policy and the company's commitment to a zero-tolerance policy with respect to workplace violence is *every employee's responsibility*. Any employee who violates this policy is subject to disciplinary action, up to and including termination.
  4. Supervisors are responsible for ensuring that measures and procedures are followed by employees and that employees have the information they need to protect themselves.
  5. Employees training program includes general awareness information on:
    - a. who can become violent in the workplace (clients, visitors, co-workers, strangers),
    - b. types of unacceptable behavior (such as hitting, pushing, assault, sexual assault, robbery, harassment),
    - c. high-risk situations or locations,
    - d. Department of Homeland Security *Run, Hide, Fight* protocol.

### GENERAL GUIDELINES:

1. Knowledge of any credible direct or indirect verbal threats of harm, witnessing physical or verbal intimidation or any other aggressive act or threat is considered an act of violence and must be reported to the community Executive Director or designee promptly.
2. All threats of violence are taken seriously and will initiate a thorough and prompt investigation.
3. Any employee who believes they have been a victim of a threat must promptly report the facts of the incident to their supervisor or the Executive Director, followed by written documentation.

**POLICY INTERPRETATION**

4. Per T8CCR3342, the person or persons with authority and responsibility for implementing the Program is the Executive Director at their community.
5. Employees' active involvement in developing, implementing and reviewing the plan is established through employee meetings, safety committee meetings and training sessions.
6. Effective procedures for obtaining assistance from appropriate law enforcement agencies during all work shifts includes contacting 911 by any employee able to do so. The shift supervisor will confirm that contact with authorities has been made. The Executive Director will contact the Chief Operations Officer who will delegate responsibilities to Human Resource and Safety Director.
7. Employees are encouraged to report any workplace violence incidents immediately without retaliation.
8. Workplace violence incidents will be communicated to all relevant employees to alert them an incident has occurred. Methods of communication may include, but not be limited to the following: Change of Shift Report, Department Meeting, Safety Committee Meeting, All Staff Meeting, or other method as deemed necessary and appropriate for the incident. All employees will be oriented at the time of their post-employment orientation regarding methods of reporting workplace violence, how concerns will be investigated, such as the QAPI process, Eskaton's non-reprisal employee protections, and information regarding results of investigations and corrective action instituted. All applicable incidents will be recorded on the log.
9. Assessment procedures to identify and evaluate environmental risk factors for each community may include use of consultant surveys, TELS (weekly, monthly, quarterly, and annually), Preventative Maintenance and Life Safety Task schedule, mock survey, and Safety Committee checklists. A review of all workplace violence incidents that occurred at each community within the previous year will be made available to all employees upon request.
10. Resident-specific, visitor and other non-employee risk factors will be identified and evaluated to determine situations in which resident-specific Type II violence is more likely to occur and assess visitors and guests who display disruptive behavior.
11. Workplace violence hazard correction will include engineering and/or work practice controls to minimize or eliminate identified hazards to the extent feasible in a timely manner.
12. Response and investigation procedures to be conducted after an incident may include, but not limited to:
  - a. Providing immediate medical care to the injured;
  - b. Identifying all persons involved in the incident;
  - c. Making available individual trauma counseling for all affected employees;
  - d. Conducting post-incident debriefing as soon as possible with all staff;
  - e. Reviewing if procedures were properly and effectively executed;
  - f. Soliciting from staff their opinions regarding incident causation and corrective measures.
